## SPECIAL SUPPLEMENT

### RURAL LANDS PROTECTION ACT 1998

#### ORDER UNDER CLAUSE 27(1) OF SCHEDULE 7 AND PART 11 IN RESPECT OF FERAL PIGS

#### PEST CONTROL ORDER NUMBER 1

I, Richard Amery, Minister for Agriculture make this order pursuant to Part 11 of the *Rural Lands Protection Act 1998*.

1. This order applies to all land in New South Wales (the “**controlled land**”).
2. I declare, pursuant to Section 143(1)(b), the feral pig, a former pest within the meaning of clause 27(1) of Schedule 7, to be a pest on the controlled land.
3. I impose, pursuant to Section 143(2)(a), a **general destruction obligation** requiring the occupier of controlled land to eradicate the pest by any lawful method.
4. I empower, pursuant to Section 143(2)(d), all boards to serve **individual eradication orders** requiring the occupiers or owners (other than a public authority) of controlled land in their districts to eradicate the pest by use of a method specified by the boards in the orders.
5. I empower, pursuant to Section 143(2)(e), all boards to publish **general eradication orders** in accordance with Part 11, requiring the occupiers of controlled land in their districts (or specified parts of their districts) to eradicate the pest by use of a method specified by the boards in the orders.
6. I confer, pursuant to Section 143(2)(g), on all boards the power to give approval for a person or a class of persons to keep a feral pig in captivity on the controlled land.

7. I specify, pursuant to section 143(3), the following method of eradication that may be used in relation to a pest on the controlled land that involves the application of a substance or thing from the air namely, any substance approved for application by air under the *Pesticides Act 1999* or the AgVet Code for the purpose of controlling the pest.
8. This order has effect for a period of 5 years.

Dated this 28<sup>th</sup> day of September 2001.

**RICHARD AMERY, M.P.,**  
**Minister for Agriculture**  
**Minister for Land and Water Conservation**

**RURAL LANDS PROTECTION ACT 1998****ORDER UNDER CLAUSE 27(1) OF SCHEDULE 7 AND PART 11 IN  
RESPECT OF WILD DOGS****PEST CONTROL ORDER NUMBER 2**

I, Richard Amery, Minister for Agriculture make this order pursuant to Part 11 of the *Rural Lands Protection Act 1998*.

1. This order applies to the land described in Schedule 1 and Schedule 2 below (the “**controlled land**”).
2. In this order “wild dog” means any dog, including a dingo, that is or has become wild but excludes any dog kept in accordance with the Companion Animals Act 1998, the Exhibited Animals Protection Act 1986 or the Animal Research Act 1985 or any legislation made in replacement of any of those Acts.
3. I declare, pursuant to Section 143(1)(b), the wild dog, a former pest within the meaning of clause 27(1) of Schedule 7, to be a pest on the controlled land.
4. I impose, pursuant to Section 143(2)(a), a **general destruction obligation** requiring the occupier of controlled land to eradicate the pest by any lawful method.
5. I empower, pursuant to Section 143(2)(d), all boards to serve **individual eradication orders** requiring the occupiers or owners (other than a public authority) of controlled land in their districts to eradicate the pest by use of a method specified by the boards in the orders.
7. I confer, pursuant to Section 143(2)(h), on all boards a power to approve or order the use (whether or not subject to any condition) of a method of eradication of wild dogs.

**Note**

*Section 156(4) provides that an occupier of controlled public land (in this order described in Schedule 2) fulfils their general destruction obligation provided the occupier uses the method or methods approved by the board for the district. In practice, this approval under section 143(2)(h) will take the form of a wild dog management plan, the content of which will be agreed between the occupier and the board. Such management plan will address, in accordance with a Guideline issued by the State Council under section 25, both control and conservation objectives.*

8. I specify, pursuant to section 143(3), the following method of eradication that may be used in relation to a pest on the controlled land that involves the application of a substance or thing from the air namely, any substance approved for application by air under the *Pesticides Act 1999* or the AgVet Code for the purpose of controlling the pest.
9. This order has effect for a period of 5 years.

**SCHEDULE 1**

All land in New South Wales not included in schedule (2).

**RURAL LANDS PROTECTION ACT 1998****ORDER UNDER CLAUSE 27(1) OF SCHEDULE 7 AND PART 11 IN  
RESPECT OF WILD RABBITS****PEST CONTROL ORDER NUMBER 3**

I, Richard Amery, Minister for Agriculture make this order pursuant to Part 11 of the *Rural Lands Protection Act 1998*.

1. This order applies to all land in New South Wales (the “**controlled land**”).
2. In this order **wild rabbit** means any animal of the species *Oryctolagus cuniculus*
  - (a) that is wild or has become wild, or
  - (b) any rabbit being of an appearance which is consistent with the appearance of the wild European type of rabbit.
3. I declare, pursuant to Section 143(1)(b), the wild rabbit, a former pest within the meaning of clause 27(1) of Schedule 7, to be a pest on the controlled land.
4. I impose, pursuant to Section 143(2)(a), a **general destruction obligation** requiring the occupier of controlled land to eradicate the pest by any lawful method.
5. I empower, pursuant to Section 143(2)(d), all boards to serve **individual eradication orders** requiring the occupiers or owners (other than a public authority) of controlled land in their districts to eradicate the pest by use of a method specified by the boards in the orders.
6. I confer, pursuant to Section 143(2)(g), on all boards in New South Wales the power to give approval for a person or a class of persons to keep a wild rabbit in captivity on the controlled land.
7. I specify, pursuant to section 143(3), the following method of eradication that may be used in relation to a pest on the controlled land that involves the application of a substance or thing from the air namely, any substance approved for application by air under the *Pesticides Act 1999* or the AgVet Code for the purpose of controlling the pest.
8. This order has effect for a period of 5 years.

**Note**

*This order does not prevent any person from keeping rabbits that are not covered by the definition of “wild rabbit” above, subject to compliance with the Local Government Act 1993, the Environmental Planning and Assessment Act 1979 and any other legal requirements.*

Dated this 28<sup>th</sup> day of September 2001.
