SUPREME COURT
PRACTICE NOTE No 119

Common Law Division - Administrative Law List

The purpose of this Practice Note is to explain the operation of the Administrative Law List, which is provided for by Part 14D of the Rules.

The Supreme Court exercises both common law and statutory jurisdiction with respect to public bodies and officials. The common law jurisdiction provides for judicial review of the action and decisions of public bodies, officials and various tribunals. The statutory jurisdiction provides for appeals and applications to the Court from the decisions of various tribunals and quasi-judicial bodies.

JUDICIAL REVIEW

The Administrative Law List includes proceedings:

- for commanding or otherwise requiring a public body or a public officer to perform a public duty;
- for prohibiting or otherwise restraining a public body or public officer from performing or purporting to perform any act;
- for determining by declaration or otherwise any matter concerning the powers of a public body or a public officer; and
- in appeals or applications to the Court in respect of decisions of a public body or a public officer, under any enactment specified in the Rules.

The common law grounds for judicial review have been refined in recent years. They include:

- "ultra vires" - lack of jurisdiction;
- lack of procedural fairness;
- acting under dictation;
- real or apprehended bias;
- inflexible application of a policy;
- taking into account irrelevant considerations;
- failing to take into account relevant considerations;
- extraneous (improper) purpose;
- error of law on the face of the record;

- no evidence;
- bad faith; and
- "Wednesbury" unreasonableness.

STATUTORY APPEALS AND APPLICATIONS

The Administrative Law List also includes;

- the matters specified in Schedule H to the Rules;
- matters assigned to the List by specified rules in Part 77; and
- applications under ss 61 or 62 of the *Fair Trading Tribunal Act 1998*, other than proceedings on an appeal or referral relating to the *Retirement Villages Act 1999*.

The matters specified in Schedule H to the Rules include matters arising under a number of Acts which at publication of this Practice Note include:

Administrative Decisions Tribunal Act 1997, ss 118, 119, 122;

Dividing Fences Act 1991, s 19;

Freedom of Information Act 1989, s 58A(1);

Independent Commission Against Corruption Act 1988;

Motor Dealers Act 1974, ss 38(2), 38(3B)(a), Part VA;

National Crime Authority Act 1984 (Cth), ss 32, 32A;

Ombudsman Act 1974, ss 21A, 35A, 35B;

Police Integrity Commission Act 1996;

Racial Discrimination Act 1975 (Cth), s 24;

Royal Commissions Act 1923, s 18B; and

Supreme Court Act 1970, s 70 (ouster of office).

Applications under Part 77 of the Rules include applications arising under the *Community Welfare Act 1987* s 66, *New South Wales Crime Commission Act 1985*, *Nurses Act 1991* s 67, *Chiropractors and Osteopaths Act 1991* s 52, *Electricity Supply Act 1995* s 95, and the *Gas Supply Act 1996* s 17.

As a general rule, all proceedings for review or in the nature of appeals from administrative bodies or administrative decision makers are assigned to the Administrative Law List, but not appeals from the Local Court, whether in committal proceedings, summary jurisdiction or civil claims, or from any other court presided over by a Magistrate, such as the Coroner's Court, Licensing Court or Mining Wardens' Court. Such matters are assigned to the ordinary general Common Law Division List.

Notwithstanding Part 14D and Schedule H, proceedings in the nature of appeals from bodies presided over by a Judge (e.g. of the District Court) are not assigned to the Administrative Law List, but to the Court of Appeal (*Supreme Court Act*, s 48).

Matters which were formally assigned to the Administrative Law List under the *Taxation Administration Act 1996* (e.g. stamp duty, payroll tax and land tax appeals) are now assigned to the Equity Division, see Amendment No. 340 of 30 June 2000.

Judicial Proceedings with respect to Environmental and Planning laws are within the exclusive jurisdiction of the Land and Environment Court.

Grounds of appeal and applications from administrative tribunals depend on the terms of the statute setting up the particular tribunal, but invariably include excess of jurisdiction and denial of natural justice, whilst in some cases (e.g. Administrative Decisions Tribunal Appeal Panel, Residential Tribunal, Fair Trading Tribunal) error of law is also available.

PROCEDURE

Proceedings appropriate for the Administrative Law List should be commenced in that list in accordance with SCR Pt 14D r 2(1). If not so commenced, they may be transferred to that list pursuant to Pt 14D r 2(3) or transferred from another Division: Pt 14D r 2(4). Proceedings are generally commenced by summons stating an appointment for hearing (Form 5) although on occasions where there is an extensive challenge to the decision of a public official or public body they may be commenced by statement of claim. In either case the words, "Administrative Law List" should be added immediately under the words, "Common Law Division" on the left hand side of the front page of the originating process. These words should also be included in the Notice of Appearance and all other documents filed in the proceedings. In either case they will be given a date for a directions hearing before the

Administrative Law List Judge on a Tuesday morning at 9.30 am or if he or she is unavailable another Judge acting in his or her place. Occasionally the Directions List is transferred to Wednesday at the same time.

Proceedings for prerogative relief in relation to the decisions of tribunals or other public officials or public bodies are governed by Pt 54. Such latter applications often also seek other administrative law relief such as declarations and injunctions. It should be noted that the prerogative writs have been replaced by judgments and orders to a similar effect: *Supreme Court Act 1970, s 69*.

Proceedings by way of statutory appeal from an administrative tribunal pursuant to the provisions of the Act constituting the relevant tribunal are governed by Pt 51A of the Rules. Such appeals must be instituted within 28 days (Pt 51A r 3), and there must be served with, or subscribed to the summons, a statement of the grounds relied on (Pt 51A r 5). Provision is also made for cross-appeals (Pt 51A r 12) and notices of contention (Pt 51A r 13). Where the appeal is only on a question of law and there is no allegation of denial of natural justice or procedural fairness or excess of jurisdiction, the only evidence necessary is an affidavit annexing or exhibiting a copy of the relevant judgment, and where appropriate, a transcript of the evidence before the tribunal and a copy of the exhibits.

In relation to both applications for prerogative or other administrative law relief and statutory appeals, the relevant tribunal, public body or official must be made a party to the proceedings and served with a copy of the summons, except in the case of the Administrative Decisions Tribunal Appeal Panel. Where such tribunal or public body or official files a submitting appearance save as to costs not less than 2 clear days before the first directions hearing, such tribunal, public body or official need not be represented at such directions hearing but will be automatically excused from further attendance. If another party wishes to seek an order for costs against a submitting defendant, it must prior to such directions hearing, or within such further time as the Judge may allow, give notice in writing to such submitting defendant setting out the grounds upon which such costs order will be sought. See Pt 11 r 4(3) and (4).

URGENT APPLICATIONS

Urgent applications, e.g. for ex-parte injunctions and/or leave to serve short notice of proceedings, which on commencement will be appropriate for entry in the Administrative Law List should be made to the Administrative Law List Judge or if he or she is not available the Judge designated to assist the List Judge, or if both are unavailable, to the Common Law Duty Judge for that week. Depending on the urgency of the matter, the Judge who deals with the urgent application will normally make the proceedings returnable in the ordinary directions list

on the following Tuesday and will require a summons and affidavit to be filed and served.

Urgent interlocutory relief, including stays of orders for possession of the Residential Tribunal, normally require the plaintiff to give the usual undertaking as to damages: Pt 28 r 7(2).

In cases involving stays of execution in appeals from the Residential Tribunal where the plaintiff is unrepresented, an order is commonly made for service of the summons, affidavit and notice of the stay on the estate agent who appeared for the landlord in the Tribunal. This generally has the effect of ensuring that the respondent is aware of the proceedings and someone appears on his or her behalf at the directions hearing.

DIRECTIONS HEARINGS

When the proceedings come before the List Judge for directions, all parties should be represented by someone familiar with the case so that the Judge can give directions to enable the case to be prepared for hearing. Such directions will typically include dates for the filing of affidavits, discovery, particulars and/or production of documents (if necessary) and the determination of any interlocutory issues. In the ordinary case the only directions necessary are dates for the filing of affidavits. Any timetable fixed should be adhered to so as to avoid unnecessary appearances in the Directions List and the costs occasioned

with such appearances. If a party is in default in adhering to the timetable set and such default necessitates additional appearances in the Directions List, consideration may be given to ordering the party in default to pay the costs of the additional appearances. Differential Case Management (Practice Note No. 88) does not apply to proceedings in the Administrative Law List.

Only in exceptional cases will directions be given for the filing of Points of Claim and Points of Defence, but in appropriate cases, orders for particulars may be made e.g. where a plaintiff seeks orders in the nature of prohibition or certiorari but does not specify the grounds on which such relief is sought.

Where proceedings have been taken to challenge the decision of a public body or public official, because of the difficulties which at times arise in ascertaining the decision making process and the reasons for the decision, the Judge may at a directions hearing direct the body or person whose decision has been challenged to furnish to the plaintiff within a specified time, a statement in writing setting out the reasons for the decision including findings on material questions of fact referring to the evidence or other material on which those findings were based, the body's or person's understanding of the applicable law and the reasoning processes leading to the decision (*compare Administrative Decisions Tribunal Act 1997 (NSW)*, s 49). Otherwise in appropriate cases, orders

may be made for such matters to be ascertained by way of particulars, discovery or interrogatories. Subject to this, orders for discovery or interrogatories will only be made in exceptional cases, and such orders will then generally be confined to particular issues. Evidence in matters in the Administrative Law List is normally by affidavit.

Interlocutory motions such as for summary judgment, to strike out the claim or any part thereof or for an expedited hearing should be made by notice of motion returnable in the Directions List. Unless such orders are consented to, they will generally not be heard on the Tuesday, but a date will be fixed for hearing when the List Judge is available. If they are going to be lengthy or the List Judge will not be available within a reasonable time they may be referred to the Common Law List Judge to obtain a special fixture.

When the proceedings are ready for a final hearing they are stood over to the next call-up before the Common Law List Judge for a hearing date to be allocated, although when the hearing has been expedited such matters will be referred to the List Judge on a Monday or Thursday at 9 am to fix a hearing date. Except in cases of extreme urgency, this will not be done until all affidavits have been filed and the matter is otherwise ready for hearing.

There is now express power in the Rules to refer certain proceedings to a Master (Schedule D, Pt 3 para 5) and this power is almost invariably

exercised when available, particularly in relation to appeals from the Residential Tribunal and the Fair Trading Tribunal. In such cases the List Judge examines the issues in the case at the first directions hearing, gives directions for the preparation of the case and then lists the matter for further directions in the Master's List before the Deputy Registrar at 9.30 am on a suitable day. In such cases there is no right of appeal from a Master to a Judge, but only to the Court of Appeal, and usually only by leave of the Court of Appeal: Pt 60, rr 10, 17.

Proceedings in the List will not be stood over generally, even by consent. If parties require time to consider their position or negotiate a possible settlement, proceedings may, with the Judge's approval, be adjourned for a comparatively lengthy period, but always to a fixed date with (if appropriate) liberty to restore the matter to the Directions List within that time.

- 12.2 After a reconstruction has occurred and prior to any cards being exposed, each player shall have the option of removing his or her wager prior to the coup resuming provided that once a wager has been removed it cannot be replaced or remaining wagers either added to or reduced. - 12.5 If a card that would have been the first card of the next coup has been disclosed or is found face upwards in the shoe or shuffling device, that card shall become the first card of a no bet coup.
- 12.6 When a no bet coup arises, the cards shall be dealt in accordance with Method A, and no wagers shall be permitted.
- 12.7 If a card is found face upwards in the shoe or shuffling device after the first card of a coup has been dealt, the card shall be played as if it were found face downwards, subject to rule 12.5.
- 12.8 If there are found to be insufficient cards in the shoe to complete a hand that coup shall be void.

- 13.1.1 A shuffling device is in use for a game of Mini Baccarat; and
- 13.1.2 It becomes evident, in a coup for which 1 or more cards have been dealt, that the shuffling device is no longer capable of operating in the way it is intended to operate; and
- 13.1.3 the malfunctioning of the shuffling device has not operated to the disadvantage of the casino operator or a player; and
- 13.1.4 another shuffling device is readily available; and
- 13.1.5 it is practicable to transfer cards to another shuffling device.
- 13.2 Where a shuffling device malfunctions without causing any damage to the cards in the shuffling device, the cards in the shuffling device must be transferred to another shuffling device and the game continued.

- 13.3.3 the damaged cards are to be replaced with cards from a new deck, and the replacement cards are to be placed in the shuffling device containing the cards transferred from the malfunctioning shuffling device; and
- 13.3.4 the game is continued.
- 13.4 Where a shuffling device malfunctions and the casino operator or a player is disadvantaged by reason of the malfunction, the coup is terminated, and the amount wagered by each player must be returned to the player.
- 13.5 Where a shuffling device malfunctions and rules 13.1.4 or 13.1.5 can not be satisfied:
 - 13.5.1 each player must be given the opportunity to have each amount wagered by the player in the coup returned to the player; and
 - 13.5.2 any damaged card must be replaced with cards from a new deck; and
 - 13.5.3 the replacement cards, if any, and any undamaged cards in the shuffling device are to be shuffled and cut in the same way as applies under rule 4; and

- 2.2 The layout cloth covering the table shall be marked in a manner substantially similar to that shown in diagram "A", "B" or "C" with:
- 2.2.1 a minimum of five and a maximum of nine playing areas designated for the placement of wagers;
 - 2.2.2 an area for the placement of insurance wagers;

 - 2.3.2 a discard rack capable of holding up to eight decks of cards.
- 2.4 The table shall have a drop box attached to it.

3. The Cards

- 3.1 The game of Blackjack shall be played with either three decks or four decks or six decks or eight decks of cards, each deck having 52 cards without jokers, with backs the same colour and design and a cutting card, provided however that the Super Sevens or Perfect Pairs option described in rule 14 shall be played with either six decks or eight decks of cards.
- 3.2 The value of cards shall be as follows:
- 3.2.1 an ace shall have a value of 11 except when that would give a player or the dealer a point total in excess of 21, in which case, it shall have a value of 1 and except as provided in rule 11.2;
- 3.2.2 any card from 2 to 10 inclusive shall have its face value; and
- 3.2.3 any jack, queen or king shall have a value of 10.
- 3.3 Cards shall be checked by a dealer or a game supervisor prior to use on a gaming table.
- 3.4 Cards may be removed from the table and replaced with new cards, at the discretion of a casino supervisor, upon the completion of:
- 3.4.1 a round of play in which the cutting card is exposed and prior to a shuffle when a card shoe is used; or
- 3.4.2 any round of play when a shuffling device is used.
- 3.5 All cards used in the game of Blackjack shall be dealt from a card shoe or shuffling device specifically designed for such purpose and located on the table to the left of the dealer. All cards shall be dealt:
- 3.5.1 face upwards; or

4. The Shuffle and Cut

- 4.1.1 immediately prior to the start of play;
 - 4.1.2 when the cutting card is exposed or drawn as the first card of a new round of play; or
 - 4.1.3 at the completion of the round of play in which the cutting card is drawn.

- 4.4 The person designated in rule 4.2 or 4.3 shall cut the cards by placing the cutting card in the stack at least one deck in from either end of the stack.
- 4.5 Once the cutting card has been inserted by the person designated in these rules the dealer shall take all cards in front of the cutting card and place

them to the back of the stack, after which the dealer shall insert the cutting card in the stack up to half way in from the back of the stack. The stack of cards shall then be inserted in the card shoe for commencement of play.

- 4.6 When a shuffling device is used, the operation of rules 4.1 to 4.5 inclusive are amended to the extent necessary for the following to have effect:

- 5.1 All wagers shall be placed by means of chips and/or casino promotional tokens or vouchers.
- 5.2 A wager by a player shall be placed on the appropriate playing areas of the Blackjack layout prior to the first card being dealt for each round of play.
- 5.3 Except as provided in these rules or until a decision and settlement has been made in respect of any wager, no wager may be handled, placed, increased or withdrawn after the first card of the round of play has been dealt.
- 5.4 Up to three players may wager on any one playing area of the blackjack layout but a casino supervisor may restrict the number of players to less than three.
- 5.5 Where more than one player wagers on a playing area the decisions with regard to the cards dealt to that area shall be called by:
- 5.5.1 the player who is seated at the playing area;
 - 5.5.2 where there is no seated player, the player with the highest wager in the box;

- 5.5.3 where all wagers are of equal value, the player whose wager is nearest the dealer.
- 5.6 The dealer shall, prior to the commencement of a round of play, ascertain the player who shall call the decisions with respect to any playing area in accordance with rule 5.5.
- 5.7 The dealer shall ensure that:
- 5.7.1 the player calling the decisions places his/her wager in the portion of the playing area nearest to the dealer's side of the table; and
- 5.7.2 all other players wagering on the playing area place their wagers in a vertical line with the wager referred to in rule 5.7.1.
- 5.8 A player may be permitted to wager on more than one playing area at a Blackjack table providing that, where there are insufficient seats at the table to accommodate player demand, a player wagering on more than one playing area shall give up a playing area or playing areas to accommodate other players.
- 5.9 Where it is not possible to pay a wager exactly in chips it shall be paid to the next highest amount to which payment can be made in chips.
- 5.10 A casino supervisor may, where a card shoe is in use, restrict any player who has not made a wager on the first round of play or who declines to place a wager on any given round of play during the course of a shoe of cards, to wagering the minimum wager displayed at the table until that shoe of cards is completed and a re-shuffle occurs.
- 5.11 A Casino Duty Manager may restrict a player to the table minimum wager in accordance with the provisions of rule 5.10 for the duration of all further shoes of cards where the player does not make a wager on the first round of play or declines to place a wager on any given round of play. An inspector must be notified prior to a player being so restricted under this rule.
- 5.12 A Casino Duty Manager may limit a player to one playing area and to the minimum wager for that playing area displayed on the sign at the Blackjack table. An inspector must be notified prior to a player being so restricted under this rule.
- 5.13 Notwithstanding rule 5.8, a casino supervisor may reserve a series of playing areas at a table for the sole use of a specific player.

6. Minimum and Maximum Wagers

- 6.1 The minimum and maximum wagers permitted on each playing area shall be shown on a sign at the table. Unless stated on the sign, wagers are not required to be made in multiples of the minimum. The sign may also state the minimum unit in which wagers may be made above the table minimum.
- 6.2 Any wager less than the stated minimum or greater than the stated maximum made by a player and not rejected prior to the first card being dealt for a round of play shall be treated as a valid wager.
- 6.3 A casino supervisor may alter the limits on a gaming table at any time except that a minimum wager can only be changed to a higher minimum if a sign indicating the new minimum and proposed time of change has been displayed at the table at least 20 minutes before the change.
- 6.4 A casino supervisor may allow a player to wager in excess of the stated maximum wagers permitted on that table, provided that a sign denoting the new minimum and maximum wagers for that player is placed on an appropriate area of the table.

7. Initial Deal

The dealer shall call "no more bets" and starting from the left and continuing clockwise round the table, shall deal a card in sequence to each playing area containing wager/s and a card to the dealer's position. In a like manner the dealer shall then deal a second card to each of the wagered playing areas.

8. Insurance

Where the dealer's first card is an ace, a player may place an insurance wager, equivalent to not more than half the amount placed as his/her initial wager, that the dealer's second card will have a value of ten. All insurance wagers shall be made before the commencement of the subsequent deal and are to be placed on the insurance line of the layout.

9. Interim Settlement

- 9.1 Upon completion of the initial deal and before the subsequent deal;
- 9.1.1 where a player has a blackjack and the dealer's card does not have a value of ten or is not an ace, the dealer shall pay the wager(s) on that hand at odds of 3 to 2, remove the cards dealt to that playing area and place them in the discard rack or, with the approval of a pit manager or above, pay said wager(s) at Final Settlement in accordance with rule 15.1.1;

- 9.1.2 where a player has a blackjack and the dealer's card is an ace, the dealer shall, at the player's request, pay the player in settlement an amount equal to the initial wager. In this instance, any insurance wager made by the player shall be void and returned to the player; or
- 9.1.3 where a player has a blackjack and the dealer's card has a value of ten, the dealer shall make no payment nor remove any cards from that playing area until the outcome is determined under rule 15.

10. Subsequent Deal

- 10.1 The dealer shall, beginning from the left, announce the player's point total and allow the player to indicate whether he/she wishes to:
- 10.1.1 double in accordance with rule 11;
- 10.1.2 split pairs in accordance with rule 12;
- 10.1.3 stand by electing to receive no additional cards; or
- 10.1.4 receive an additional card(s).
- 10.2 A player having a point total less than 12 shall be required, subject to rules 11 and 12, to receive an additional card or cards until his/her hand has a point total of not less than 12.
- 10.3 A player may elect to receive additional cards, subject to rules 11 and 12, whenever his/her point total is less than 21 except that a player having blackjack or a hard or soft total of 21 may not draw additional cards.
- 10.4 As each player indicates his/her decision(s), the dealer shall deal face upwards whatever additional cards are required to give effect to the decision(s) and shall announce the point total of the player's hand after each additional card is dealt.
- 10.5 Where a player's point total exceeds 21, any wager on that hand shall lose and the dealer shall immediately collect the cards from that hand and place them in the discard rack.

11. Doubling

- 11.1 A player may elect to double, by wagering an amount equal to their original wager, on the first two cards dealt to their hand or the first two cards of any split pair providing that:
- 11.1.1 the point total of the first two cards equals 9, 10 or 11; and

- 11.1.2 the hand does not contain an ace; and
- 11.1.3 one, and only one, card is dealt to the hand.
- 11.2 Notwithstanding sub-rule 11.1.2, a Casino Duty Manager may permit players at a specific table to double on a hand containing an ace subject to the further conditions of rule 11.1 and providing that:
- 11.2.1 all such players are notified of this option prior to the commencement of play; and
- 11.2.2 an ace in the first two cards shall have a value of 1 and not 11.
- 11.3 Where a player elects to double, the one additional card received shall be dealt face upwards and placed sideways on the layout.
- 11.4 If the player controlling the playing area elects to double, player(s) with a wager on the same playing area shall also have the option to double on that hand before the additional card is dealt. If the other player(s) do not double, the condition that only one additional card shall be dealt to that hand remains unchanged.
- 11.5 If the dealer obtains blackjack after a player doubles, the dealer shall only collect the amount of the player's original wager.
- 12. Splitting**
- 12.1 When the initial two cards dealt to a playing area are identical in value, the player controlling that playing area may elect to split the hand into two separate hands providing that the wager on the second hand so formed is an amount equal to the original wager.
- 12.2 Except as provided by sub-rule 12.3.1, when a player splits a pair of cards the dealer shall deal a second card to the first of the hands so formed and shall complete the player's decisions with respect to that hand before proceeding to deal any cards to the second hand.
- 12.3 Subject to rule 11, after a second card is dealt to a split hand, the dealer shall announce the point total of that hand and the player shall indicate their decision to stand, draw or double with respect thereto except that:
- 12.3.1 subject to rule 12.5, a player splitting aces shall receive one, and only one, additional card on each ace which shall be dealt face upwards and placed sideways on the layout; and
- 12.3.2 a player splitting aces or 10 point value cards shall not be capable of achieving a blackjack.

- 12.4 A player may not split cards dealt to a split hand a second time (even if the second card dealt to either of the split hands is of identical value to the original split cards) and may not form more than two hands per playing area.
- 12.5 Notwithstanding rule 12.4, a Casino Duty Manager may permit players at a specific table to split again if the second card dealt to either of the split hands is of identical value to the original split cards providing that:
- 12.5.1 all such players are advised of this option prior to the commencement of play; and
 - 12.5.2 the wager on a third hand is of an amount equal to the original wager; and
 - 12.5.3 no more than three hands are formed per playing area in each round of play; and
 - 12.5.4 a player splitting aces to form a third hand shall receive one, and only one, additional card on each ace which shall be dealt face upwards and placed sideways on the layout; and
 - 12.5.5 a player who abstains from splitting their initial two cards may not elect to split after having received a third card.
- 12.6 If the player controlling a playing area decides to split, any other player who has placed a wager on that playing area shall either:
- 12.6.1 make an additional wager on the split hand(s) so formed of an amount equal to their original wager; or
 - 12.6.2 have their original wager placed on the first hand so formed.
- 12.7 Subject to rule 10.5, if the dealer obtains a blackjack after a player splits a hand, the dealer shall only collect the amount of the player's original wager.
- 13. Additional Cards to the Dealers Hand**
- 13.1 When the subsequent deal to all players' hands has been completed, a dealer shall, subject to rule 13.4, deal additional cards as necessary to his/her hand.
- 13.2 If the dealer's hand has a point total of not more than 16, additional cards must be dealt until a hard or soft point total of not less than 17 is attained. When the dealer's hand has a hard or soft point total of 17, 18, 19, 20 or 21, no additional cards shall be drawn.

13.3 If the dealer's first card is an ace and the second card does not have a value of 10, any insurance wagers shall be lost and collected by the dealer immediately upon the drawing of that card.

13.4 No additional cards shall be drawn to the dealer's hand, regardless of the point total, if decisions have been made on all players' hands and the additional cards would have no effect on the outcome of the round of play.

14. Super Sevens and Perfect Pairs (Optional)

14.1 The casino operator may in its discretion offer players the opportunity to make Super Sevens or Perfect Pairs wagers in accordance with this rule.

14.2 Where the Super Sevens or Perfect Pairs wager is offered, and the game of Blackjack is played at a table with a layout cloth marked in a manner substantially similar to that shown in diagram B for Super Sevens or diagram C for Perfect Pairs, any player may elect to place a Super Sevens or Perfect Pairs wager before the round of play commences. The Super Sevens or Perfect Pairs wagers shall be placed in the appropriate playing area of the layout corresponding to the area where the initial wager was placed. Up to three Super Sevens or Perfect Pairs wagers shall be allowed per playing area.

14.4 Where a Super Sevens wager is made and:

14.4.1 the first card dealt to the player's hand in that round is a seven (of any suit), the player shall win and be paid odds of three to one, unless the next card dealt to the hand is also a seven;

14.4.2 the first two cards dealt to the player's hand in that round are both sevens (of different suits), the player shall win and be paid odds of fifty to one, unless the next card dealt to the hand is also a seven;

14.4.3 the first two cards dealt to the player's hand in that round are both sevens of the same suit, the player shall win and be paid odds of one hundred to one, unless the next card dealt to the hand is also a seven;

- 14.4.4 the first three cards dealt to the player's hand in that round are all sevens, but are not all of the same suit, the player shall win and be paid odds of five hundred to one;
- 14.4.5 the first three cards dealt to the player's hand in that round are all sevens of the same suit, the player shall win and be paid odds of five thousand to one; or
- 14.4.6 any card other than a seven is dealt as the first card to that player, that player loses the wager.
- 14.5 If the first two cards dealt to a playing area on which a Super Sevens wager has been made are both sevens, and the option to split in accordance with rule 12 is taken, the next card dealt shall decide the settlement of the Super Sevens wager in accordance with rule 14.4, and that wager shall then be deemed completed.
- 14.6 Winning Super Sevens wagers shall be paid, and losing Super Sevens wagers collected, by the dealer as soon as the outcome of the Super Sevens wager is known.
- 14.7 For the purposes of playing "Perfect Pairs" a pair shall mean a hand that comprises the first two cards dealt in the initial deal that are:

TRAVEL AGENTS ACT 1986

List of Licensed Travel Agents

SECTION 40 (2) of the Travel Agents Act 1986 requires the Director General of the Department of Fair Trading to publish in the Government Gazette from time to time a list of licence holders.

Section 40 (7) of the Act deems the supplier of travel services to an unlisted travel agent to have aided and abetted that person in carrying on business as a travel agent. Thus the supplier could be subject to the same penalty of 500 penalty units as the agent is trading without a licence.

Suppliers of travel services should not deal with an unlisted person or corporation unable to produce a travel agent's licence.
