**NOTIFICATION PURSUANT TO SECTION 13  
SOLICITORS' LIMITATION OF LIABILITY SCHEME**

PURSUANT to section 13 of the Professional Standards Act 1994, I authorise the publication of the amendment to the Solicitors' Limitation of Liability Scheme. The amendment will commence on the day after the date of its publication.

BOB DEBUS, M.P.,  
Attorney General

**REPORT CONCERNING THE APPROVAL OF  
AMENDMENT OF THE SOLICITORS SCHEME**

**AMENDMENT APPROVAL**

ON 16 November 2001, an application was received by the Professional Standards Council from the Law Society of New South Wales for amendment of a scheme pursuant to the provisions of the Professional Standards Act 1994 (the PSAct).

The purpose of the amendments is to make clear that the scheme applies to certain members who hold alternative insurance to that provided by the approved insurance policy as defined in the Legal Professional Act 1987.

On 14 December 2001, the council decided to:

1. approve<sup>1</sup> amendment of the scheme in respect of the Law Society of New South Wales, and
2. submit<sup>2</sup> the amendment to the Minister to authorise its publication in the *Government Gazette*<sup>3, 4</sup>.

Before approving the amendment of the scheme, the council:

1. published<sup>5</sup> a notice in a daily newspaper circulating throughout NSW:
  - a) explaining the nature and significance of the amendment, and
  - b) advising where a copy of the amendment may be obtained or inspected, and
  - c) inviting comments and submissions within 21 days after publication of the notice; and

2. considered matters under section 10, as necessary.

**THE AMENDMENT**

The scheme provides that it applies to members of the Law Society of NSW who hold a current practising certificate and who are required and not exempted under the Legal Profession Act 1987 and the Legal Profession Regulation 1994 to be insured (Clause 2.2).

The scheme is intended to apply to those members who have the benefit of an insurance policy other than the Master Policy approved by the Attorney General under the Legal Profession Act 1987, as well as to those covered by the Master Policy. The Law Society exempts solicitors from the need to be covered by the Master Policy provided they hold other insurance cover of broadly equivalent standard. The Legal Profession Regulation enables the Law Society to exempt a solicitor from the requirement to be an "insured solicitor". Under the scheme, the exercise of the power to exempt a solicitor from the Master Policy is not intended to be an exemption of a solicitor from the requirement to be insured. The amendment removes any potential ambiguity in the clause as to the intended operation of the clause.

<sup>1</sup> pursuant to section 7(3)

<sup>2</sup> pursuant to section 12

<sup>3</sup> pursuant to section 13

<sup>4</sup> Section 16A provides that the provisions of sections 7-15 apply, with any necessary modification, to the amendment of a scheme as well as to the making of a scheme.

<sup>5</sup> pursuant to section 8

**Commencement of Amendment**

The scheme commenced on 22 November 2000 and is current for 5 years. The amendment to the scheme is to commence on the day after the date of its publication in the *Government Gazette*.

**RECOMMENDATION**

The council recommends that the Attorney General authorise the publication of the amendment in the *Government Gazette*.

The amendment is herewith.

**THREATENED SPECIES CONSERVATION ACT**

## Notice of Preliminary Determinations

## Proposed Additions to Schedules

THE Scientific Committee, established by the Threatened Species Conservation Act, has made Preliminary Determinations to support proposals to list the following in the relevant Schedules of the Act.

**Endangered Species** (Part 1 of Schedule 1)

Blue Whale, *Balaenoptera musculus* (Linnaeus 1758)

(The Committee proposes to list *B. musculus* and as a consequence omit reference to the Blue Whale subspecies *B. musculus musculus*).

Dugong, *Dugong dugon* (Müller 1776)

The Committee is of the opinion that these species are likely to become extinct in nature in NSW unless the circumstances and factors threatening their survival or evolutionary development cease to operate.

**Vulnerable Species** (Schedule 2)

Australian Fur-seal (Australian subspecies), *Arctocephalus pusillus doriferus* Jones (1925) New Zealand Fur-seal, *Arctocephalus forsteri* (Lesson 1828)

The Committee is of the opinion that these species are likely to become endangered unless the circumstances and factors threatening their survival or evolutionary development cease to operate.

## Notice of Preliminary Determinations

## Proposed Removal from Schedules

THE Committee has also made Preliminary Determinations to support proposals to remove the following species from the relevant Schedule of the Act.

**Vulnerable Species** (Schedule 2)

Fin Whale, *Balaenoptera physalus* (Linnaeus 1758)

Sei Whale, *Balaenoptera borealis* Lesson (1828)

The Committee is of the opinion that there are no confirmed records of these species within the waters of New South Wales. Consequently these species are not eligible for consideration under the Act as they are not indigenous to New South Wales.

Indo-Pacific Humpbacked Dolphin, *Sousa chinensis* (Osbeck 1765)

Spinner Dolphin, *Stenella longirostris* (Gray 1828)

The Committee is of the opinion that these are rare vagrants to NSW waters (within 3 nautical miles of the coastline), no threatening processes have been identified that will cause the species to become endangered in NSW and the species does not meet the criteria in section 14 of the Act.

Any person may make a written submission regarding these Preliminary Determinations, which should be forwarded to:

Director General  
National Parks and Wildlife Service  
PO Box 1967  
Hurstville NSW 2220

Attention: Suzanne Chate,  
Executive Officer,  
Scientific Committee

Submissions must be received by 1st March, 2002.

Copies of these Determinations may be inspected at the National Parks Centre, 102 George Street, The Rocks, Sydney, and at all NPWS Area Offices/Visitors Centres during business hours.

Chairperson,  
Scientific Committee
