CHARITABLE TRUSTS ACT 1993

Notice Under Section 15

Proposed Cy-Pres Scheme Estate of the Late Thomas Moore

THE Trustees of the Estate of Thomas Moore have requested that the Attorney General settle an appropriate form of cy-pres scheme so as to administer the gift of the residuary estate of Thomas Moore, who died in 1840.

The Will of Thomas Moore dated 6 February 1839, stated that the residue should be divided into four equal shares and 'as to one other equal fourth part', applied by the Trustees 'in the augmentation of the salaries of such one or more Clergyman or Clergymen of the United Church of England and Ireland officiating in the said Colony as shall be recommended from time to time by the Bishop of the Diocese...'. Due to practical impediments to compliance with this bequest, the Trustees proposed that the quarter share of the income from residue which is required to be applied

to augment the salaries of the clergymen in the various Anglican Dioceses of New South Wales be applied in shares to the Bishops of the Dioceses of New South Wales, to be held on trust for the benefit of clergy licensed by the relevant Bishop, at the absolute discretion of the Bishop of each of the Dioceses.

In January 2002, the Solicitor General, under delegation from the Attorney General in and for the State of New South Wales, approved a cy-pres scheme under section 12 (1) (a) of the Charitable Trusts Act 1993, to allow the residue of the trust moneys to be applied in shares 'to the Bishops of the Dioceses of New South Wales to be held on trust for the benefit of clergy licensed by the Bishop at the absolute discretion of the Bishop of each of the Dioceses'.

The Trustees advised the Solicitor General that the scheme created two difficulties in the administration of the trust and have made certain further recommendations proposing a new formula to calculate the shares of the bequest.

The Solicitor General, as delegate of the Attorney General, hereby varies the scheme published on 14 January 2002, pursuant to section 17 (2) of the Charitable Trusts Act 1993, and makes an order varying the original scheme as follows: 'The Trustees shall divide the monies representing the one-fourth part share into a share for each of the Dioceses of the Province of NSW of the Anglican Church of Australia, calculated by applying to one-fourth part share the same proportion as the number of clerical and lay representatives of the General Synod for that Diocese bears to the total number of clerical and lay representatives of the General Synod for the Province, and pay the applicable share to the Bishop of that Diocese to be held upon trust for the benefit of clergy licensed by the Bishop at the absolute discretion of the Bishop'.

Take note that within one month after the publication of this notice any person may make representations or suggestions to the Attorney General in respect of the proposed scheme.

A copy of the proposed scheme may be inspected, by appointment, during business hours at Level 9, Goodsell Building, 8-12 Chifley Square, Sydney. Please telephone (02) 9228 8102 for an appointment.

REMUNERATION ACT 1975**

ERRATUM

THE Tribunal's Report and Determination - Motor Vehicle Allowances for Certain Public Office Holders of 30 April 2002, published in the 10 May edition of the *Government Gazette*, has been amended as follows.

**STATUTORY AND OTHER OFFICES REMUNERATION
TRIBUNAL**

Report and Determination pursuant to Section 14 of the Act — Motor Vehicle Allowance for Certain Public Office Holders

1. On 24 January 2002, the Premier, the Hon. Bob Carr, M.P., directed the Tribunal to review the motor vehicle allowance for certain public office holders. In making this direction the Premier stated that:

“... The Government considers that motor vehicles should be available to officers in the public sector only on a salary sacrifice basis.”
2. This reference followed legislation which took effect on and from 1 January 2002, to allow public office holders to salary sacrifice for motor vehicles.
3. In its 2000 Annual Review the Tribunal examined the non financial benefits available to the Public Office Holder Group and reported that the Office Holders specified in its determination were receiving motor vehicles at either no cost or minimal cost.
4. Motor vehicle costing is complex because of the number of factors which have to be considered in determining the annual lease fee. Particular features of the lease such as the lease term, annual kilometres travelled, the business/private mix all impact on the annual lease cost to the officer. Thus two officers may have an identical vehicle but the cost of the vehicle to each officer will vary depending on the costing specifications.
5. The Tribunal has been provided with details from the relevant agencies on the motor vehicles and actual costs. Not surprisingly the Tribunal has found that such costings differed markedly from agency to agency.
6. To ensure a consistent and transparent costing model, the Tribunal has applied the most common costing assumptions to the vehicle currently held by the officers, i.e. a two year lease with the vehicle clocking 25,000 kms annually on the basis of 70 per cent private usage and 30 per cent business usage. The Motor Vehicle Allowance in this determination is based upon these calculations.
7. In order for an officer to receive the Motor Vehicle Allowance it will be necessary for the officer to forgo the existing arrangements. At the 2002 annual review the allowance will be incorporated into the salary for superannuation purposes.
8. Following earlier Crown Solicitor's advice, the Tribunal is not able to make determinations that over-ride any current agreement between a Public Office Holder and the Crown. Therefore, following this determination, the Director-General of the Premier's Department will need to write to each Office Holder to obtain the officer's written acceptance that he or she is prepared to forgo the existing motor vehicle arrangements and that in lieu of those existing arrangements the Officer is prepared to meet the private use cost of a motor vehicle on a salary sacrifice basis. The Premier's Department will advise the Tribunal of those Officers who have accepted the new arrangements.
9. Those Office Holders who choose not to accept the new arrangements will be ineligible to receive the allowance.
10. In order to ensure that there is a consistent approach to the availability of motor vehicles, the Tribunal recommends that a Circular be issued to all Ministers and CEOs informing them that vehicles for statutory office holders will only be available through the normal public sector salary sacrifice arrangements and are not to be offered as part of an employment package.
11. It will then follow that future appointees may only obtain a motor vehicle by way of salary sacrifice.
12. The Tribunal has been informed that the employment arrangements for the Chairperson, Motor Vehicle Repair Industry Council, have changed. This Office Holder will be scheduled as an SES officer and, as such the appointee will receive a remuneration package which already makes provision for a motor vehicle on a salary sacrifice basis.

Determination

The following Office Holders will be eligible to receive the motor vehicle allowance as determined hereunder. To be eligible to receive this allowance each Office Holder must provide written confirmation that they will forgo their entitlement to a motor vehicle under the current arrangements. The allowance will take effect on and from the date the Officer signs the written confirmation.

TRAVEL AGENTS ACT 1986
LIST OF LICENSED TRAVEL AGENTS

SECTION 40 (2) of the Travel Agents Act 1986 requires the Director General of the Department of Fair Trading to publish in the Government Gazette from time to time a list of licence holders.

Section 40 (7) of the Act deems the supplier of travel services to an unlisted travel agent to have aided and abetted that person in carrying on business as a travel agent. Thus the supplier could be subject to the same penalty of 500 penalty units as the agent is trading without a licence.

Suppliers of travel services should not deal with an unlisted person or corporation unable to produce a travel agent's licence.
