## **Bail Amendment (Stays of Decisions) Regulation 2003**

under the

Bail Act 1978

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Bail Act 1978*.

BOB DEBUS, M.P.,  
Attorney General

### **Explanatory note**

The object of this Regulation is to amend the *Bail Regulation 1999* to enable a notice of intention not to proceed with a request for a review of a decision to grant bail to a person accused of a serious offence to be filed with a Local Court, in addition to the Supreme Court. The effect of filing the notice is that the stay imposed on the decision to grant bail ceases to have effect.

This Regulation is made under the *Bail Act 1978*, including sections 25A and 69 (the general regulation-making power).

# Environmental Planning and Assessment Amendment (Fishing Activities) Regulation 2003

under the

Environmental Planning and Assessment Act 1979

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Environmental Planning and Assessment Act 1979*.

CRAIG KNOWLES, M.P.,  
Minister for Infrastructure and Planning and  
Minister for Natural Resources

## Explanatory note

Currently, designated fishing activities that are listed in Schedule 1A to the *Fisheries Management Act 1994* are not subject to the general provisions of Part 5 of the *Environmental Planning and Assessment Act 1979* (*the Act*). Designated fishing activities were to be brought within the scope of Division 5 of that Part on 31 December 2003.

The object of this Regulation is to extend the period during which the provisions of Part 5 of the Act do not apply, so as to allow additional time for fisheries management strategies to be developed for each designated fishing activity. This is necessary because a fisheries management strategy is the basis for environmental assessment under Division 5 of that Part. This Regulation extends the deadline to 31 December 2004.

Non-designated fishing activities are also exempt from the requirements of Part 5 of the Act. However, those activities were to be brought within the scope of the general provisions of Part 5 (other than Division 5) on 31 December 2003. This Regulation also extends that deadline to 31 December 2004.

This Regulation is made under the *Environmental Planning and Assessment Act 1979*, including sections 110 (1) (definition of *activity*), 115R (2) (b) and 157 (the general regulation-making power).

# Food Production (Dairy Food Safety Scheme) Amendment (Goat and Sheep Dairy Products) Regulation 2003

under the

Food Production (Safety) Act 1998

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Food Production (Safety) Act 1998*.

IAN MICHAEL MACDONALD, M.L.C.,  
Minister for Agriculture and Fisheries

## Explanatory note

The object of this Regulation is to amend the *Food Production (Dairy Food Safety Scheme) Regulation 1999* to expand the food safety scheme prescribed under that Regulation to include goat and sheep dairy products.

The food safety scheme under the *Food Production (Dairy Food Safety Scheme) Regulation 1999* provides for the safe handling (including collection, processing, storage and transport) of milk, and products made from milk, intended for human consumption.

The Scheme deals with the following matters:

- (a) general requirements for the safe handling of milk and dairy products on premises and during transport, production, manufacture and storage,
- (b) requirements for dairy farms, including requirements relating to buildings and equipment, cooling of milk, sampling and testing, collection of milk, and on-farm safety programs,
- (c) requirements for dairy produce factories, dairy produce stores and milk stores, including requirements relating to buildings and equipment, food safety programs, testing of milk, control of contamination, product recall, keeping of records, pasteurisation, bulk milk transport, and distribution premises,
- (d) requirements for milk vendors,
- (e) miscellaneous matters, including industry consultation, charges for inspection, analysis and audit.

Food Production (Dairy Food Safety Scheme) Amendment (Goat and Sheep Dairy Products)  
Regulation 2003

Explanatory note

---

This Regulation also increases the fees for inspections and audits carried out by Safe Food for the purposes of the *Food Production (Dairy Food Safety Scheme) Regulation 1999*.

This Regulation is made under the *Food Production (Safety) Act 1998*, including sections 19 (regulations relating to the establishment of food safety schemes) and 70 (the general regulation-making power).

# Gaming Machines Amendment (Payment of Prize Money) Regulation 2003

under the

Gaming Machines Act 2001

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Gaming Machines Act 2001*.

GRANT McBRIDE, M.P.,  
Minister for Gaming and Racing

## Explanatory note

Clause 30 of the *Gaming Machines Regulation 2002* deals with the payment of large amounts of prize money. The clause provides that if the total prize money payable to a person exceeds \$1,000, the amount by which the total prize money exceeds \$1,000 must be paid by cheque or by means of electronic fund transfer (*EFT*). The person may also request that some or all of the rest of the total prize money also be paid by cheque or *EFT*. The **total prize money** is defined as the total amount of money payable to a person as a result of the person winning money on an approved gaming machine, or accumulating credits on an approved gaming machine, or both, on a single occasion.

The object of this Regulation is to make it clear that when determining what is the total prize money payable to a person, the amount that the person spent to play the machine is not to be deducted. The total prize money is not the “winning” or “profit” that the person made, but the amount payable to the person. That is, if the total amount payable to a person as a result of the person playing an approved gaming machine is \$1,200, that person may be given \$1,000 in cash, but the remaining \$200 must be paid by cheque or *EFT*. The fact that the person put \$300 into the approved gaming machine during the course of play, and so only actually “won” \$900, is not relevant to determining the amount to which the clause applies, which is \$1,200, not \$900. Also, the Regulation makes it clear that the total prize money is any credit displayed on an approved gaming machine at the end of a session of play. If a person put \$2,000 into the approved gaming machine during the course of play and the credit on the machine is \$1,500 at the end of the session of play, then \$500 must be paid by cheque or *EFT*.

# Parliamentary Remuneration Amendment (Standing Committee on Parliamentary Privilege and Ethics) Regulation 2003

under the

Parliamentary Remuneration Act 1989 No 160

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Parliamentary Remuneration Act 1989*.

BOB CARR, M.P.,  
Premier

## Explanatory note

The object of this Regulation is to amend the *Parliamentary Remuneration Act 1989* to include the Chair of the Standing Committee on Parliamentary Privilege and Ethics of the Legislative Assembly as a recognised office holder for the purpose of entitlement to remuneration determined under that Act.

That Committee is constituted for the purposes of exercising functions under the *Independent Commission Against Corruption Act 1988* relating to the codes of conduct and ethical standards applying to members of the Legislative Assembly. It replaces the Standing Ethics Committee which was constituted under provisions repealed by the *Independent Commission Against Corruption Amendment (Ethics Committee) Act 2003*. The Regulation also removes references to that Committee.

This Regulation is made under the *Parliamentary Remuneration Act 1989*, including section 6 (4) and section 21 (the general regulation-making power).

# Fisheries Management (Continuation of Activities in Lowland Darling River Catchment—Menindee Lakes) Interim Order 2004

under the

Fisheries Management Act 1994

I, the Minister for Agriculture and Fisheries, in pursuance of section 221IG of the *Fisheries Management Act 1994*, make the following interim Order.

Dated, this 3rd day of December 2003.

IAN MICHAEL MACDONALD, M.L.C.,  
Minister for Agriculture and Fisheries

### Explanatory note

The aquatic ecological community in the natural drainage system of the lowland catchment of the Darling River is listed as an endangered ecological community under the *Fisheries Management Act 1994* (*the Act*).

However, the Act enables the Minister to make an order authorising a class of persons to carry out an activity that may result in harm to an endangered species, population or ecological community or damage to its habitat. While such a proposed order is being assessed under the Act, the Minister may make an interim order lasting up to 6 months to allow an existing activity to be continued.

The object of this interim Order is to allow the extraction of water from the Menindee Lakes by or on behalf of the Water Administration Ministerial Corporation to continue from the date this interim Order is published in the Gazette until 30 April 2004.

This interim Order is made under section 221IG of the *Fisheries Management Act 1994*.

### **1 Name of interim Order**

This interim Order is the *Fisheries Management (Continuation of Activities in Lowland Darling River Catchment—Menindee Lakes) Interim Order 2004*.

### **2 Commencement and duration**

This interim Order:

- (a) takes effect on the date that it is published in the Gazette, and
- (b) ceases to have effect on 30 April 2004.

**Note.** Under section 221II of the *Fisheries Management Act 1994*, orders made under section 221IA of the Act and interim orders made under section 221IG of the Act may be revoked by the Minister at any time by notification in the Gazette.

### **3 Continuation of existing activities**

The extraction of water from the Menindee Lakes by or on behalf of the Water Administration Ministerial Corporation may continue for the duration of this Order.

### CO-OPERATIVE HOUSING AND STARR-BOWKETT SOCIETIES ACT 1998

#### Notice under Section 194

THE Standards Committee, as constituted under s191 of the Co-operative Housing and Starr-Bowkett Societies Act 1998, resolved on 17 September 2003, pursuant to s192 of that Act, to adopt the Standards with respect to the business and affairs of Co-operative Housing Societies as promulgated in the New South Wales Government Gazette No.109 on 4 July 2003.

The Standards as set out below will take effect from 1 January 2004:

#### PURPOSE OF THE STANDARDS

The Co-operative Housing and Starr-Bowkett Societies Act 1998 was proclaimed on 1 September 2000. Section 191 of the Act provides for the establishment of a Standards Committee for the making of standards for co-operative housing bodies and other matters. That Committee has been established by the Registrar as required by the Act.

The Standards Committee has determined to make standards relating to Risk Management, Disclosure and other matters. The aim of the Standards is to address practical issues in the supervision and conduct of Co-operative Housing Societies (CHSs), as specified in the Act.

Standards made by the Standards Committee take effect from the day that the resolution of the Standards Committee is published in the Gazette or on such later day as is specified in the resolution. All CHSs must comply with applicable Standards by virtue of s219 of the Act.

It is the responsibility of directors and management of CHSs to ensure that their organisation complies with these Standards, as their application is mandatory.

Each board retains the responsibility for ensuring that the procedures developed will give effect to the policies adopted and by review and examination, that the policies and procedures adopted are being faithfully employed in the operations of the entity.

#### THE STANDARDS

The proposed standards broadly address issues of:

- Risk Management covered by the Act.
- Disclosure including reporting to membership, more general public reporting, and reporting to the Registry.
- And other issues including the operation of management contracts, and requirements for reserves and provisioning.

## STANDARDS OF CO-OPERATIVE HOUSING SOCIETIES

These Standards are made pursuant to Part 8 of the Co-operative Housing and Starr-Bowkett Societies Act 1998 (the Act) and Co-operative Housing and Starr-Bowkett Societies Regulation 2000.

CHSs must comply with the Act, the Regulation, the Standards, Rules, the Consumer Credit Code and the law in general.

The primary responsibility for prudent management of each body rests with the board of directors and management of the society.

Management is responsible for ensuring that the activities of the society are conducted within the framework of approved policies and procedures. Each Society must have appropriate documented policies and procedures in place to manage identified risks.

### 1. Management Reserves

1.1 Subject to 1.2 and 1.3 below, each CHS must hold a minimum level of management reserves equal in value to 0.75% of on-balance sheet loans outstanding and 0.25% of off-balance sheet loans outstanding. Where a Society can demonstrate to Registry that its effective risk in off-balance sheet lending is less than 0.25%, then the reserve requirement can be reduced to the demonstrated level.

1.2 In calculating minimum reserve levels, loans advanced since the beginning of the preceding financial year will be disregarded in determining the balance of the loans outstanding at the time that the reserve calculation is being undertaken.

1.3 In the case of a CHS not engaged in the provision of new loans the minimum level of management reserve that must be held may, with the written approval of Registry, be the dollar value of the management reserve held by the CHS on 30 June 2002 where this is less than that which would apply under 1.1.

1.4 A CHS engaged in the provision of new loans may make application to Registry under transitional arrangements to achieve compliance with 1.1 by 30 June 2004.

1.5 Each CHS must report to the Registry each quarter on the level of management reserves and loans held by the CHS.

### 2. Provisions for Doubtful Debts

2.1 Each CHS shall calculate a provision for doubtful debts covering all on-balance sheet mortgages. Directors should ensure that all loans in default are reviewed regularly and that provisions are appropriate.

2.2 The minimum loan provision required must recognise the likelihood and value of any potential loss on sale that might be incurred.

2.2 Each Society will therefore determine the extent of such provision as follows:

- i In respect of non Government loans, a provision is to be calculated, based upon the formula in 2.4 below and brought to account by the Society at least half yearly.

- ii. In respect of all Government sponsored loans (e.g. Home Purchase Assistance *Account*, Government Guarantee), a provision also based upon the formula 2.4 below shall be calculated and brought to account at least half yearly. The results of which shall be reported to the Registry.

2.4 Each loan that is six (6) months or more in arrears should be assessed for potential loss and provision made in accordance with the following formula:

- If the value of the property minus 20% is greater than the loan balance minus Indemnity (or Mortgage Insurance) no provision is required. Eg:

Property Value	\$125,000	Loan Balance	\$102,000
Less 20%	\$25,000	Less: Indemnity	\$5,000
	<b>\$100,000</b>		<b>\$97,000</b>

- If the value of the property minus 20% is less than the loan balance minus Indemnity (or Mortgage Insurance) a provision is required for a minimum of the difference. Eg:

Property Value	\$120,000	Loan Balance	\$102,000
Less 20%	\$24,000	Less: Indemnity	\$5,000
	<b>\$96,000</b>		<b>\$97,000</b>

$$\text{Minimum Provision} = \$97,000 - \$96,000 = \$1,000$$

2.5 A determination of market value not more than twelve (12) months old is required for all loans six (6) months or more in arrears.

2.6 No provision is required for a loan that is secured by a registered first mortgage and is Mortgage Insured or Indemnified for 100% of the outstanding balance.

### 3. Insurance

Each CHS must be covered by current insurance policies for fidelity risk; fire and other like peril; director's and officer's liability (minimum \$500,000); public liability; and professional indemnity (minimum \$1,000,000) liability.

### 4. Approval of new loans

Each CHS must have a clearly documented loan approval policy, which will include:

1. loan approval process
2. limits of authority
3. delegations

All loans must comply with the written policy.

### 5. Security of documents

Each CHS must provide safe custody of key documents and the off-site storage of back-up data of Society records.

### 6. Management Contracts

Management contracts entered into by CHS must be legally binding and signed by all parties. The contract must clearly define the responsibilities covered by the agreement, including requirements for insurance to be held by the contractor.

The terms of the agreement must be clearly documented.

Contracts are to be entered into on terms and conditions no more favourable than those which it is reasonable to expect the Society would agree to if it were dealing at arm's length for the procuring of the same services and in the same circumstances. There must be a documented system for awarding, review and renewal of the agreements. Contracts must be clear in that there must be no conflict of interest with directors, officers of the society or related parties and the contractor.

Management contracts must not diminish control of the Society by the board or diminish the Registry's supervision of the Society.

To avoid the establishment of unreasonable contingent liabilities, and to protect board control, contract periods must not exceed ten years or where contracts do not specify time limits, notice of termination by either the Society or the manager must not exceed 12 months.

Details, including fees and significant terms and conditions, of all management contracts must be fully disclosed to members in the Society's annual report.

#### 7. Variation of Standards

Each of these Standards is subject to the provisions of Section 21 of the Act.
