Regulations

Gaming Machines Amendment (Poker Machine Entitlements) Regulation 2003

under the

Gaming Machines Act 2001

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Gaming Machines Act 2001*.

GRANT ANTHONY MCBRIDE, M.P.,
Minister for Gaming and Racing

Explanatory note

Under section 15A (1) of the *Gaming Machines Act 2001*, a large-scale club (ie a registered club with more than 450 gaming machines on any of its premises) is required, before 2 April 2007, to reduce its allocated number of poker machine entitlements by 10% or to a number that does not exceed 450. The total number of poker machine entitlements concerned for each such club (along with the overall target number of 953) is specified in clause 8 of the *Gaming Machines Regulation 2002*.

In order to provide for the reduction of a large-scale club's target number of entitlements on an incremental basis, section 15A (2) (a) requires the club to transfer, before the end of each year leading up to 2 April 2007, a number of entitlements determined by the regulations in respect of that year. At present, clause 8 of the *Gaming Machines Regulation 2002* provides that, for each year, a 20% annual target must be achieved. If any of the entitlements comprising the 20% annual target in respect of a club are not transferred after the period of 3 months following the end of the year concerned, section 15A (2) (c) of the Act provides that those entitlements are immediately forfeited to the Liquor Administration Board.

The object of this Regulation is to exempt a large-scale club from being required to forfeit all of the poker machine entitlements that have not been transferred by the end of each such 3-month period provided the club:

- (a) removes from its premises the number of poker machines that corresponds to the club's 20% annual target, and
- (b) forfeits to the Board one-third of the club's 20% annual target.

Gaming Machines Amendment (Poker Machine Entitlements) Regulation 2003

Explanatory note

The exemption provided by this Regulation does not, however, affect the overall number of poker machine entitlements that a large-scale club is required to transfer before 2 April 2007.

This Regulation is made under the *Gaming Machines Act 2001*, including section 210 (4).

The Board is to notify each large-scale club of the outcome of that determination.

[2] Clause 8 (5)

Omit the subclause. Insert instead:

- (5) If the 20% annual target is not achieved for the year concerned, the Board is, by notice in writing, to direct any one or more large-scale clubs to transfer a specified number of poker machine entitlements (as determined by the Board) in order for the 20% annual target to be achieved.

[3] Clause 8 (7)

- (4) Accordingly, a large-scale club is exempt from the operation of section 20 (3) (b) of the Act to the extent that the club is not required to forfeit poker machine entitlements from a transfer block under that section if those entitlements are, because of subclause (3), already taken to have been forfeited under this clause.
- (5) In this clause:
- relevant number of approved poker machines***, in relation to a large-scale club for a year, means the number of poker machines that corresponds to the specified number of poker machine entitlements determined by the Board in respect of the club for that year under clause 8 (5).

CHARITABLE TRUSTS ACT 1993

Order under section 12 proposed Cy-Pres Scheme relating to the Kelso King Endowment Fund

ON 12 March 1924, a declaration of trust created the Kelso King Endowment Fund ('the Trust'). The Trust was created to provide financial assistance to members and families of the staff (including former staff members of at least ten years' service) of Mercantile Mutual Insurance Company Limited, now known as ING Australia.

Following a restructure, ING Australia Pty Ltd has ceased to be the primary employer of the Group's employees, who

are currently employed either by ING Corporate Services Pty Ltd, ING Administration Pty Ltd, or QBE Mercantile Mutual Ltd, and therefore no current employees of the ING Group are eligible to benefit from the Trust. The Trustees have requested that the class of beneficiaries of the Kelso King Endowment Fund be changed to extend to staff members (including former staff members of at least ten years' service) of the companies associated with the ING Group, and their families. The Trustees have also asked that the means of nominating the Trustees be changed.

I have formed the view that the Kelso King Endowment Fund is a Trust for charitable purposes, and have approved a recommendation that the Attorney General establish a cypres scheme pursuant to section 12(1)(a) of the *Charitable Trusts Act 1993*. The scheme is to allow the class of beneficiaries to be changed to extend to staff members (including former staff members of at least ten years' service) of the abovementioned companies associated with the ING Group, and their families. I have also approved the application for amendment of the Trust Deed.

Therefore, pursuant to section 12 of the *Charitable Trusts Act 1993*, I hereby order that the class of beneficiaries of the Kelso King Endowment Fund be changed to extend to staff members (including former staff members of at least ten years' service) of the abovementioned companies associated with the ING Group and their families, and that the provisions in the Trust Deed with regard to nominating Trustees be changed, such order to take effect 21 days after its publication in the Government Gazette, in accordance with section 16(2) of the *Charitable Trusts Act 1993*.

Date of Order 21 May 2003.

CHARITABLE TRUSTS ACT 1993

Order under section 12
Variation to Cy-Pres Scheme Relating to
the YMCA of Sydney

On 17 October 1997, an Order under section 12 of the Charitable Trusts Act 1993 was published in NSW Government Gazette No. 112. The Order referred to a fundraising campaign conducted by the YMCA of Sydney for the specific purpose of the construction of a leisure center at Pymble. The YMCA subsequently decided not to proceed with the project, and a cy pres scheme was established to enable a specific amount to be allocated for the purchase of gymnastic equipment for the St Ives YMCA.

Further funds have augmented the original amount donated to the specified fund which is, consequently, the basis of an application for the variation of the existing scheme.

I have approved a recommendation that the Attorney General vary the existing cy-pres scheme pursuant to section 17(2) of the Charitable Trusts Act 1993. The variation is to apply the money to the St Ives YMCA for the purchase of gymnastic equipment.

Therefore, pursuant to section 12 of the Charitable Trusts Act 1993, I hereby order that the cy pres scheme presently in effect be varied to apply the money to the St Ives YMCA for the purchase of gymnastic equipment, such Order to take effect 21 days after its publication in the Government Gazette, in accordance with section 16(2) of the Charitable Trusts Act 1993.

Date of Order 22 May 2003.

CHARITABLE TRUSTS ACT 1993

Order under section 12 proposed Cy-Pres Scheme relating
to the estate of the late Owen Arthur Crooks

OWEN ARTHUR CROOKS in his Will dated 12 February 1991, directed that a one-eleventh share of the residue of his estate be given to:

‘The Trustees for the time being of the Fair Havens Fund for the purposes of establishing or assisting in the maintenance of a nursing home for Christian Scientists in NSW’.

The Fair Havens Fund was established to receive donations towards the establishment and support of homes for aged Christian Scientists. The Fair Havens Association for Christian Scientists Incorporated (‘the Fair Havens Association’) came into existence when the Fair Havens Fund separated from the NSW Nursing Service and Welfare Association for Christian Scientists in 1982. It incorporated in 1994 and became known as the Fair Havens Association for Christian Scientists. This body operates the Fair Havens Retirement Village which, for religious and legislative reasons, has not established and has no intention of establishing or maintaining a nursing home for Christian Scientists in NSW. Similarly, the NSW Nursing Services for Christian Scientists Limited, which provides funds for nurses trained under Christian Science teachings to provide specific services (known as ‘benevolence’), has no intention of establishing or assisting in the maintenance of a nursing home.

I have formed the view that the gift to the Fair Havens Fund in the testator’s Will is a gift for charitable purposes and have approved a recommendation that the Attorney General establish a cy-pres scheme pursuant to section 12(1)(a) of the *Charitable Trusts Act 1993*. The scheme is to apply the money for the benefit of the NSW Nursing Services for Christian Scientists Limited for the provision of nursing services to Christian Scientists aged 55 years and over.

Therefore, pursuant to section 12 of the *Charitable Trusts Act 1993*, I hereby order that the gift to the Fair Havens Fund be amended cy-pres to give it effect for the benefit of the NSW Nursing Services for Christian Scientists Limited in accordance with the terms of the testator’s Will, such order to take effect 21 days after its publication in the Government Gazette, in accordance with section 16(2) of the *Charitable Trusts Act 1993*.

CHARITABLE TRUSTS ACT 1993

Order under section 12 proposed Cy-Pres Scheme relating
to the George Munster Award

FOLLOWING George Munster’s death in 1984, his widow, daughter and friends decided to commemorate his life and his contribution to journalism by instituting an annual journalism award known as the ‘George Munster Award’. A trust was established to administer the award, which has been made annually since 1986.

The purpose of the current Trust is to encourage specific qualities of journalism, namely independence, integrity, accuracy and lucidity. However, the Trust Deed limits the possible beneficiary of the Trust to ‘freelance journalist’, as defined. Given changes to work practices since the establishment of the Trust, this restriction no longer provides a suitable and effective method of using the Trust Fund having regard to the intention of the Trust.

I have formed the view that the George Munster Award is a Trust for charitable purposes, and have approved a recommendation that the Attorney General establish a cy-pres scheme pursuant to section 12(1)(a) of the *Charitable Trusts Act 1993*. The scheme is to amend the Trust Deed to open entry to the award to all journalists and not solely ‘freelance journalists’. The purpose of the Award will remain that of encouraging the qualities of independence, integrity, accuracy and lucidity in journalism.

Therefore, pursuant to section 12 of the *Charitable Trusts Act 1993*, I hereby order that the Trust Deed established to administer the George Munster Award be varied to permit the award to be applied to all journalists and not solely to ‘freelance journalists’, such order to take effect 21 days after its publication in the Government Gazette, in accordance with section 16(2) of the *Charitable Trusts Act 1993*.

ENVIRONMENT PROTECTION AUTHORITY

Declaration of remediation site

Section 21 of the
Contaminated Land Management Act 1997

Declaration Number 21031

THE Environment Protection Authority (EPA) declares the following land to be a remediation site under the Contaminated Land Management Act 1997 ("the Act"):

1. Land to which this declaration applies ("the site")

Lot B DP363443
Lot C DP380252
Lot D DP380252

known as Australian Chemical Refiners (ACR), 85-107 Alfred Road, Chipping Norton.

2. Nature of the substances causing the contamination

Contaminants, in soil and groundwater, include total petroleum hydrocarbons (C6 to C36 range and including benzene, toluene, ethyl benzene and xylene), and a range of volatile chlorinated hydrocarbons including carbon tetrachloride, chloroform, tetrachloroethane and its degradation products, trichloroethene and its degradation products, polycyclic aromatic hydrocarbons (PAHs), heavy metals and total phenolics.

3. Nature of harm that the substances may cause

The EPA has determined that the land to which this declaration applies is contaminated in such a way as to present a significant risk of harm because:

- Dissolved phase and separate phase hydrocarbon contamination has degraded the quality of the groundwater at the site;
- The concentrations of benzene in groundwater, a known human carcinogen, exceed the applicable criteria for the protection of human health;
- Volatile chlorinated hydrocarbons – in particular trichloroethane, trichloroethene, and dichloroethene are present in groundwater in concentrations significantly exceeding recognised water quality guideline values and these compounds may degrade to vinyl chloride, a known human carcinogen; and
- There is a potential for off site migration of petroleum and chlorinated hydrocarbons contamination through groundwater flow.
- The contaminated groundwater has the potential to impact on the adjacent residential land resulting in the increase of risk to human health and is expected to ultimately discharge into the near-by Lake Moore wetland system and can potentially impact on the wetland system.

4. Further action under the Act

The making of this declaration does not prevent the carrying out of a voluntary remediation of the site and any person may submit a voluntary remediation proposal for the site to the EPA. If the proposal satisfies the requirements of s.26 of the Act, the EPA may agree not to issue a remediation order to the person or persons bringing the proposal.

5. Submissions invited

The EPA advises that the public may make written submissions to the EPA on:

Whether the EPA should issue a remediation order in relation to the site or

Any other matter concerning the site.

Submissions should be made in writing to:

A/Director Contaminated Sites
Environment Protection Authority
PO Box A290
SYDNEY SOUTH NSW 1232

or faxed to: 02 9995 5999

by not later than 20 June 2003.

CAROLYN STRANGE,
A/Director Contaminated Sites
Environment Protection Authority
(by delegation)

Date: 30 May 2003.

NOTE:**Remediation order may follow**

If remediation of the site or part of the site is required, the EPA may issue a remediation order under Section 23 of the Act.

Variation/Revocation

This declaration remains in force until it is otherwise varied or revoked. A declaration may only be revoked when the EPA does not have reasonable grounds to believe that land is contaminated in such a way as to present a significant risk of harm (Section 44 of the Act).

Information recorded by the EPA

Section 58 of the Act requires the EPA to maintain a public record. A copy of this remediation declaration will be included in the public record.

Information recorded by councils

Section 59 of the Act requires the EPA to give a copy of this declaration to the relevant local council. The council is then required to note on its planning certificate issued pursuant to Section 149 (2) of the Environmental Planning and Assessment Act that the land is currently within a declaration area. The EPA is required to notify council as soon as practicable when the declaration is no longer in force and the notation on the s.149 (2) certificate can be removed.
