Notice Exempting Certain Sponsored Vessels from the Provisions of the Commercial Vessels Act 1979

THE Chief Executive of the WATERWAYS AUTHORITY (trading as NSW Maritime), in pursuance of section 48 of the Commercial Vessels Act 1979, declares by this Notice that the provisions of the Commercial Vessels Act 1979, DO NOT apply to the vessels specified in SCHEDULE 1 PROVIDED THAT the vessels are operated in full compliance with EACH condition set out in SCHEDULE 2.

**SCHEDULE 1**

Vessels to Which this Exemption Applies

This Exemption applies to the following vessels:

- (a) Sailing vessels bearing the logo, name, or other distinguishing mark of a Company or Business that Sponsors or has Sponsored it, when the vessels are participating in an event which is the subject of an Aquatic Licence issued by NSW Maritime or are being used in pursuance of the conditions of a formal written Sponsorship Agreement.

SCHEDULE 2

Conditions Applicable to this Exemption

Vessels MAY ONLY be operated in pursuance of this Exemption if:

1. The vessel does not carry any person in relation to whom a fare has been paid or any other valuable consideration -other than a payment associated with the Sponsorship Agreement- has been exchanged or agreed;
2. The Owner and Master of the vessel form the view, prior to each use of the vessel, that it is in good order and condition and can be safely operated for the particular purpose for which it is to be used;
3. The Owner and Master of the vessel indemnify and release NSW Maritime from all liability of whatsoever nature associated with any use of the vessel pursuant to the Sponsorship Exemption;
4. The vessel carries the safety equipment prescribed by either the Boating (Safety Equipment) Regulations –NSW or Yachting Australia Inc. as applicable to the particular vessel;
5. The vessel is operated in compliance with the NSW Marine and other Legislation applicable to recreational vessels;
6. The Owner and Master of the vessel provide information to an Authorised Officer of NSW Maritime upon demand in relation to the purpose of any particular voyage; and
7. The Owner and Master comply fully with EACH of the following requirements SHOULD THEY be directed to do so by an Authorised Officer of NSW Maritime:
  - (a) Within fourteen days provide NSW Maritime with the Sponsored Vessel Statutory Declaration, specified in SCHEDULE 3, or otherwise approved by NSW Maritime which sets out:
    - (i) Details as to whether the logo, name, or other distinguishing mark on the vessel accurately depicts the Sponsor(s) of the vessel; and
    - (ii) If so, the usage entitlements in relation to the vessel that the relevant Sponsorship Agreement provides; and
    - (iii) That the vessel will not be used in association with the Sponsor outside the terms specified in Paragraph (ii) above.
  - (b) Provide NSW Maritime with a new Sponsored Vessel Statutory Declaration within ten (10) working days of any change to the Sponsorship arrangement specified in the original or preceding Statutory Declaration provided to NSW Maritime; and
  - (c) Prepare a list identifying both the crew members and passengers on any voyage in relation to which an Authorised Officer of NSW Maritime has made such a request and provide this to the Authorised Officer.

- Aquatic Licence has the same meaning as in the Water Traffic Regulations NSW;

- Crew means any person (including the Master) undertaking any role in relation to the operation of the vessel or services provided on the vessel

**Non-Compliance**

It is noted that non-compliance with any condition of this Exemption means that the vessel must be operated in full compliance with the Commercial Vessels Act 1979, including Survey and Crewing requirements and non-compliance will render both the Owner and Master liable to a Court imposed penalty of up to \$2,200.00.

It is also noted that a failure to provide information in relation to any particular voyage will result in a determination being made that the voyage in question was not conducted in pursuance with this Exemption and that there should, therefore, have been full compliance with the Commercial Vessels Act 1979.

**Revocation and Application**

The Chief Executive of NSW Maritime reserves the right to:

- (a) revoke this Exemption at any time; and
- (b) direct in writing that it does not apply to any particular vessel.

**PROFESSIONAL STANDARDS ACT 1994**

Notification Pursuant to Section 13

NSW Bar Association Scheme

PURSUANT to section 13 of the Professional Standards Act 1994, I authorise the publication of the NSW Bar Association Scheme. This Scheme will commence two months from the date of its publication.

BOB DEBUS, M.P.,  
Attorney General

The New South Wales Bar Association Scheme  
Professional Standards Act 1994 (NSW)

**Preamble**

**Occupational Association**

The New South Wales Bar Association Scheme is a scheme under the Professional Standards Act 1994 (NSW) applying in respect of The New South Wales Bar Association (the Bar Association). The Bar Association is a body corporate constituted under NSW corporations law and the Registered Clubs Act 1976 (NSW).

The Bar Association Scheme limits the occupational liability of scheme members who provide services to the public.

The occupational group represented by the Bar Association consists of barristers practising in New South Wales. The Scheme only applies to barristers who hold a New South Wales practising certificate and who are members of the Bar Association, and who hold the requisite insurance as provided for in the Scheme. The approximate number of members eligible to be covered by the Scheme is 2000.

The objectives of the Bar Association are expressed in Clause 3 of the Constitution and include:

- to promote the administration of justice;
- to promote, maintain and improve the interests and standards of local practising barristers;
- to make recommendations with respect to legislation, law reform, rules of court and the business and procedure of courts;
- to seek to ensure that the benefits of the administration of justice are reasonably and equally available to all members of the community;
- to arrange and promote continuing legal education;
- to promote fair and honourable practice amongst barristers; to suppress, discourage and prevent malpractice and professional misconduct;
- to inquire into questions as to professional conduct and etiquette of barristers;
- to confer and cooperate with bodies in Australia or elsewhere representing the profession of the law;
- to encourage professional, educational, cultural and social relations amongst the members of the Bar Association; and
- to make donations to charities and such other objects in the public interest as determined from time to time by the Bar Council.

### **Nature of the Scheme**

A scheme operates for the purpose of improving the occupational standards of professionals and others, and to protect the consumers of their services. It also limits the civil liability of persons to whom the scheme applies.

The liability limited by the scheme includes, to the extent permitted by the Act, all civil liability arising (in tort, contract or otherwise) directly or vicariously from anything done or omitted by a member of the Bar Association or to any person to whom this scheme applies in acting in the performance of his or her occupation. The scheme does not apply to liability for damages arising from any matter to which the Act does not apply, including, but not limited to, liability for damages arising from death or personal injury to a person, a breach of trust, fraud or dishonesty.

The scheme does not affect damages which are below \$1 million. The scheme limits liability for damages to \$1 million provided the person has insurance which is not less than \$1 million.

### **Risk Management**

The Bar Association has adopted strategies which cover requirements for professional entry to practice at the Bar and continuing professional development in the areas of ethics

and regulation of the profession; management; substantive law, practice and procedure, and evidence, and advocacy, mediation and other barristers' skills.

The Complaints and Disciplinary system operates pursuant to the requirements of the Legal Profession Act 1987 (NSW) and Legal Profession Regulations 2002.

The Bar Association will report annually on the implementation and monitoring of its risk management strategies, the effect of those strategies and any changes made or proposed to be made to them.

### **Standards of Insurance**

Scheme members are required to maintain a current professional indemnity insurance policy on offer to barristers with a NSW practising certificate. The NSW Attorney General determines the statutory minimum level of professional indemnity insurance required to be taken out by barristers and also approves the professional indemnity insurance policies on offer by brokers each year. The amount payable under the insurance policy in respect of occupational liability is to be not less than the amount of the person's limitation of liability.

### **Claims Monitoring**

The Bar Association has established a relationship with the insurers who provide cover for scheme members which will ensure the Bar Association will be able to obtain and monitor claims data. The Bar Association will report annually on claims monitoring, tactics, performance measures and monitoring systems.

### **Complaints and Discipline**

Scheme members are subject to a complaints and discipline system operating under the Legal Profession Act 1987 (NSW). All scheme members must comply with the provisions of the Legal Profession Act 1987 (NSW) and Legal Profession Regulation 2002.

### **Scheme Administration**

Responsibility for administration of the scheme and ensuring that it complies with the requirements of the Professional Standards Act 1994 (NSW) and of the Professional Standards Council rests with the Bar Association.

### **Duration**

The scheme remains in force for a period of 5 years from its commencement unless it is revoked, extended or ceases in accordance with section 32 of the Act.

The New South Wales Bar Association Scheme  
Professional Standards Act 1994 (NSW)

## **1. Occupational Association**

1.1 The New South Wales Bar Association Scheme (the scheme) is a scheme under the Professional Standards Act 1994 (NSW) (the Act) of the New South Wales Bar Association (the Bar Association) whose business address is Selborne Chambers, 174 Phillip Street Sydney.

## **2. Persons to Whom the Scheme Applies (Participating Members and Other Persons)**

2.1 The scheme applies to scheme members as defined in clause 2.2 of the scheme and persons defined in clause 2.3 of the scheme.

2.2 All members of the Bar Association who hold a current NSW barrister's practising certificate issued by the Bar Association and who have current insurance that complies with the standard approved by the NSW Attorney General under the Legal Profession Act 1987 (NSW).

2.3 Persons to whom the scheme applies by virtue of sections 18, 19 and 20 of the Act.

### 3. Limitation of Liability

3.1 A scheme member or other person against whom a cause of action relating to occupational liability is brought, is not liable in damages in relation to that cause of action for anything done or omitted on or after the commencement of the scheme above a monetary ceiling (a maximum amount of liability) of \$1,000,000.

3.2 In the scheme "occupational liability" has the same meaning as it has in the Act and excludes any liability which may not from time to time be limited pursuant to the Act.

3.3 The scheme member or other person must be able to satisfy the court that they have the benefit of:

3.3.1 an insurance policy insuring them against that occupational liability, and

3.3.2 an insurance policy under which the amount payable in respect of the occupational liability relating to that cause of action is not less than the maximum amount of liability specified in the scheme in relation to the scheme member or other person at the time at which the act or omission giving rise to the cause of action occurred.
