Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Commission for Children and Young People Act 1998*.

CARMEL TEBBUTT, M.L.C.,  
Minister for Youth

## Explanatory note

Part 7 of the *Commission for Children and Young People Act 1998* provides for employment screening for child-related employment administered by the Commission for Children and Young People and other agencies. As part of that process, the Commission is required to be notified of relevant criminal records and disciplinary proceedings involving child abuse, sexual misconduct and acts of violence by employees. The *Child Protection Legislation Amendment Act 2003* amends Part 7 to (among other things) replace the terms **relevant disciplinary proceedings** and **child abuse** with the terms **relevant employment proceedings** and **reportable conduct** and to alter the duties of employers to report on completed relevant employment proceedings by removing the obligation to report a finding that reportable conduct, or an act of violence, did not occur.

The object of this Regulation is to substitute clause 8 of the *Commission for Children and Young People Regulation 2000* (which excludes certain disciplinary proceedings from the meaning of **relevant disciplinary proceedings** for the purposes of Part 7) to remove those of its references and provisions made redundant by the amendments referred to above.

This Regulation is made under the *Commission for Children and Young People Act 1998*, including sections 33 (2) (c) and 51 (the general regulation-making power).

#### **8 Meaning of “relevant employment proceedings” not to include certain disciplinary proceedings**

For the purposes of Part 7 of the Act, disciplinary proceedings are not relevant employment proceedings if there has been a finding in the proceedings that the allegations in respect of which they were brought were vexatious or misconceived.

### **3. Persons eligible to apply for shares**

In accordance with section 50(4) of the Act the owner (or owners) of the Fishing Business can apply for shares consistent with parts 2-7 of this Notice.

If a Fishing Business is transferred after the date of this Notice, but before the limited access fishery commences, the applicant for shares is taken to be the new owner of the Fishing Business from that date. Buyers of Fishing Businesses should ensure direct reference is made to this issue in any contract of sale.

### **4. Dealings in shares before the commencement of the management plan**

Other than in accordance with the regulations, before the commencement of the management plan for any of the share management fisheries the subject of this Notice, the transfer, assignment or transmittance of shares in the fishery is allowed only if:

- (a) all shares of the shareholder in all fisheries are transferred, assigned or transmitted to one person (the transferee); and
- (b) the transferee acquires the whole of the shareholder's fishing business (that is all entitlements, licensed fishing boats, associated fishing gear and associated validated catch history) that the Director-General determines to be associated with the taking of fish in those fisheries and to be a separate and identifiable business.

### **5. Limited access to fishery**

Access to the fishery will be restricted to holders of shares issued on a provisional basis after that day.

A Share Management Fisheries Appeal Panel (the Share Appeal Panel) is to be established under section 82 of the Act.

An applicant for shares in a share management fishery may appeal to the Share Appeal Panel against a decision under Part 3 of the Act relating to the provisional issue of shares in the fishery in accordance with the provisions of the Act. Appeals must be lodged within 60 days after notification of the result of application for shares.

### **7. Variation to this Notice**

Providing it does not otherwise conflict with the provisions of the *Fisheries Management Act 1994*, and in any instance only prior to the allocation of final shares, this Notice may be varied by further notice published in the Gazette by the Director-General NSW Fisheries, but in respect to Parts 2 to 7 only after consultation with the elected industry members of the relevant management advisory committee.

## 8. General

Nothing in this Notice affects the Offshore Constitutional Settlement or memorandum of understanding entered into from time to time between the State of NSW and the Australian Government, being varied by or in accordance with future arrangements and memorandums of understanding.

Nothing in this Notice acts to prevent the preservation of catch history associated with any Fishing Business or the use of that catch history as the basis for any other purpose or new class of share created in the future, where provided for by a share management fishery management plan.

Where a Fishing Business has previously been designated and currently remains a multiple fishing licence Fishing Business as a result of a joint assessment for restricted fishery entitlements and the Fishing Business may be separated into stand alone Fishing Businesses, the owner can apply to have these businesses separated prior to the allocation of provisional shares, or can apply for multiple allocation of shares within the Fishing Business. Once the provisional allocation of shares is made, multiple allocations of shares within a single Fishing Business cannot be separated other than in accordance with the share management fishery management plan or the regulations.

If the Director-General is satisfied that a person would have been entitled to an endorsement in the restricted fishery (other than as a nominee or employee of another person) had that person applied for an endorsement before the fishery ceased to be a restricted fishery, the person is taken to have been eligible to take fish for sale.

The Director-General may approve guidelines with regard to this Notice.

### CHARITABLE TRUSTS ACT 1993

Order under section 12 proposed Cy-Pres Scheme relating to the estate of the late Gretta Ellen Emery

GRETТА ELLEN EMERY, in her Will dated 5 September 1983, directed, after payment of debts, funeral testamentary and other expenses, as follows:

‘...the whole of my estate both real and personal to my Trustee upon trust to see call in and convert the same into money and from the proceeds to pay...the Royal Blind Society of NSW, Foundation 41 and the Royal Alexandra Hospital for Children for their general purposes absolutely in equal shares’.

Foundation 41 ceased to exist prior to the death of the testatrix. However, work carried out in the research and clinical units of the Sydney Children’s Hospital at Randwick is similar to or is in the same field as that previously carried out by Foundation 41.

I have formed the view that the gift in the testatrix’s Will to Foundation 41 is a gift for charitable purposes, and have approved a recommendation that the Attorney General establish a cy-pres scheme pursuant to section 12(1)(a) of the Charitable Trusts Act 1993. The scheme is to give effect to Gretta Ellen Emery’s bequest to Foundation 41 in favour of the Sydney Children’s Hospital at Randwick.

Therefore, pursuant to section 12 of the Charitable Trusts Act 1993, I hereby order that the gift to Foundation 41 be amended cy-pres to give it effect in favour of the Sydney Children’s Hospital at Randwick, in accordance with the terms of the testatrix’s Will, such order to take effect 21 days after its publication in the Government Gazette, in accordance with section 16(2) of the Charitable Trusts Act 1993.

Date of Order: 19 April 2004.

M. G. SEXTON, SC,  
 Solicitor General  
 Pursuant to section 3(1)(b) of the  
 Solicitor General Act 1969
