## SPECIAL SUPPLEMENT

### EXOTIC DISEASES OF ANIMALS ACT 1991

#### Equine influenza

General Permit to move specified animal products, fodder, fittings and vehicles out of, into or within a Restricted Area (Red) (section 24)

To all persons in New South Wales,

Pursuant to section 24 of the Exotic Diseases of Animals Act 1991 ("the Act") I hereby:

1. revoke the permit entitled "Permit to move specified animal products, fodder, fittings and vehicles out of, into or within a restricted area" dated 21 September 2007, and any permit revived as a result of this revocation.
2. permit
  - (a) the things specified in Schedule 1, subject to the conditions specified in Schedule 1; and
  - (b) the things specified in Schedule 2, subject to the conditions specified in Schedule 2
 to be moved out of, into or within any Restricted Area (Red)

#### SCHEDULE 1

##### Specified Things

All animal products from horses that are:

- (a) chilled or frozen semen or embryos from horses,
- (b) blood, urine or other diagnostic samples from horses that are:
  - (i) taken directly to a diagnostic laboratory, and
  - (ii) either held or disposed of in a manner approved under Australian Standards for the secure disposal of biological waste,

#### SCHEDULE 2

##### Specified Things

1. All fodder that has not been in; and
2. All vehicles and fittings that have been cleaned and disinfected after contact with, or use in connection with, any horse or any animal products from horses except those animal products from horses specified in Schedule 1

#### Definitions

In this Permit:
