SPECIAL SUPPLEMENT

AGRICULTURAL LIVESTOCK (DISEASE CONTROL FUNDING) ACT 1998

Order Pursuant to Section 12B

Suspension of the Transaction Based Contribution Scheme for Ovine Johne's Disease

I, IAN MACDONALD, M.L.C., NSW Minister for Primary Industries, pursuant to section 12B of the Agricultural Livestock (Disease Control Funding) Act 1998 ("the Act"), and in compliance with the requirements of section 12B (4) of the Act hereby suspend the operation of the OJD Transaction Based Contribution Scheme until further notice.

Definitions:

In this Order:

OJD transaction based contribution scheme means the transaction based contribution scheme for the collection of contributions from sheep and lamb producers for payment into the industry fund for the ovine Johne's disease control program established pursuant to the Order titled "Establishment of a Transaction Based Contribution Scheme Regarding Ovine Johne's Disease" dated 21 September 2005 and published in the *NSW Government Gazette* on 23 September 2005 at page 7584.

This Order commences on the date of gazettal

Note: The suspension of the OJD transaction based contribution scheme means that the Order establishing that scheme is of no effect until further notice.

Dated this 30th day of October 2007.

IAN MACDONALD, M.L.C.,
Minister for Primary Industries

EXOTIC DISEASES OF ANIMALS ACT 1991

Order – Section 20

Restricted Area Order – Vaccination Purple

I, IAN JAMES ROTH, Deputy Chief Veterinary Officer, with the powers the Minister has delegated to me under section 67 of the Exotic Diseases of Animals Act 1991 (“the Act”), and pursuant to section 20 of the Act, hereby direct the owners or persons in charge of any animals specified in Schedule A, to take the measures specified in Schedule B, (for the purpose of preventing, controlling or eradicating the exotic disease Equine influenza).

SCHEDULE A

Animals

Horses, mules, donkeys and other animals in the Equidae family that are located in the area known as Special Restricted Area (Purple).

SCHEDULE B

Measures

1. Upon the request of a vaccinator, immediately notifying the vaccinator of the number and precise location of horses that the owner or person owns or is in charge of; and
2. Providing facilities for the testing and/or micro-chipping and/or vaccination of the horses that the owner or person owns or is in charge of; and
3. Providing reasonable assistance as directed by the vaccinator for the purpose of testing, and/or micro-chipping and/or vaccinating the horses that the owner or person owns or is in charge of; and
4. Mustering and presenting horses for the purposes of testing and/or micro-chipping and/or vaccination that the owner or person owns or is in charge of.

Definitions:

In this Restricted Area Order:

horses means horses, mules, donkeys and other animals in the Equidae family located within a Restricted Area.

premises includes a parcel of land, or several parcels of land which:

- (i) are contiguous with one another or are separated from one another only by a road, river, creek or other watercourse, and
- (ii) constitute or are worked as a single property

irrespective of whether those parcels are held under the same title or different titles or titles of different kinds.

Special Restricted Area (Purple) means a restricted area which has been declared or may be declared pursuant to section 15 of the Act, in relation to the exotic disease Equine influenza and known as a Special Restricted Area (Purple).

Vaccinate means administer the Vaccine in accordance with the NSW Department of Primary Industries policies and procedures issued from time to time.

Vaccinators means those persons who have been authorised by the Chief Veterinary Officer under any permit that has been issued or may be issued by the Australian Pesticides and Veterinary Medicines Authority, to administer the Vaccine and, who have been appointed as inspectors pursuant to section 68 of the Act.

Dated: 30 October 2007.
