**ALTERATION OF PURPOSE/CONDITIONS OF A
WESTERN LANDS LEASE**

IT is hereby notified that in pursuance of the provisions of section 18J, Western Lands Act 1901, the purpose and conditions of the undermentioned Western Lands Lease have been altered as shown.

TONY KELLY, M.L.C.,
Minister for Lands

*Administrative District – Wentworth;
Shire – Unincorporated Area;
Parish – Winnebaga; County – Tara*

The purpose/conditions of Western Lands Leases 3281, being the land contained within Folio Identifier 1244/762778 has been altered from "Grazing" to "Conservation" effective from 31 October 2007.

As a consequence of the alteration of purpose/conditions rent will be assessed annually in line with the Western Lands Act 1901 and Regulations.

The conditions previously annexed to Western Lands Lease 3281 have been revoked and the following conditions have been annexed thereto.

**SPECIAL CONDITIONS AND RESERVATIONS
ATTACHED TO WESTERN LANDS LEASE 3281**

(1) In the conditions annexed to the lease, the expression "the Minister" means the Minister administering the Western Lands Act 1901, and any power, authority, duty or function conferred or imposed upon the Minister by or under those conditions may be exercised or performed either by the Minister or by such officers of the Department of Infrastructure, Planning and Natural Resources as the Minister may from time to time approve.

- (2) In these conditions and reservations the expression "the Commissioner" means the Commissioner charged with the administration of the Western Lands Act 1901 ("the Act") in accordance with section 4(2) of the Act.
- (3) (a) For the purposes of this clause the term Lessor shall include Her Majesty the Queen Her Heirs and Successors the Minister and the agents servants employees and contractors of the Lessor Her Majesty Her Majesty's Heirs and Successors and the Minister.
- (b) The lessee covenants with the Lessor to indemnify and keep indemnified the Lessor from and against all claims for injury loss or damage suffered by any person or body using or being in or upon the Premises or any adjoining land or premises of the Lessor arising out of the Holder's use of the Premises and against all liabilities for costs charges and expenses incurred by the Lessor in respect of the claim of any such person or body except to the extent that any such claims and demands arise wholly from any negligence or wilful act or omission on the part of the Lessor.
- (c) The indemnity contained in this clause applies notwithstanding that this Lease authorised or required the lessee to undertake or perform the activity giving rise to any claim for injury loss or damage.
- (d) The lessee expressly agrees that the obligations of the Holder under this clause shall continue after the expiration or sooner determination of this Lease in respect of any act deed matter or thing occurring before such expiration or determination.
- (4) The rent of the lease shall be assessed in accordance with Part 6 of the Western Lands Act 1901.
- (5) The rent shall be due and payable annually in advance on 1 July in each year.

- "GST law" includes any Act, order, ruling or regulation, which imposes or otherwise deals with the administration or imposition of a GST in Australia.
- (b) Notwithstanding any other provision of this Agreement:
- (i) If a GST applies to any supply made by either party under or in connection with this Agreement, the consideration provided or to be provided for that supply will be increased by an amount equal to the GST liability properly incurred by the party making the supply.
- (ii) If the imposition of a GST or any subsequent change in the GST law is accompanied by or undertaken in connection with the abolition of or reduction in any existing taxes, duties or statutory charges (in this clause "taxes"), the consideration payable by the recipient of the supply made under this Agreement will be reduced by the actual costs of the party making the supply that are reduced directly or indirectly as a consequence of the abolition of or reduction in taxes.

- (7) The lessee shall pay all rates and taxes assessed on or in respect of the land leased during the currency of the lease.
- (8) The lessee shall hold and use the land leased bona fide for the lessee's own exclusive benefit and shall not transfer, convey or assign the land or any portion thereof without having first obtained the written consent of the Minister.
- (9) The lessee shall not enter into a sublease of the land leased unless the sublease specifies the purpose for which the land may be used under the sublease, and it is a purpose which is consistent with the purpose for which the land may be used under this lease.
- (10) If the lessee enters into a sublease of the land leased, the lessee must notify the Commissioner of the granting of the sublease within 28 days after it is granted.
- (11) The land leased shall be used only for the purpose of "Conservation".
- (12) The lessee shall maintain and keep in reasonable repair all improvements on the land leased during the currency of the lease and shall permit the Minister or the Commissioner or any person authorised by the Minister or the Commissioner at all times to enter upon and examine the whole or any part of the land leased and the buildings or other improvements thereon.
- (13) All minerals within the meaning of the Mining Act 1992, and all other metals, gemstones and semiprecious stones, which may be in, under or upon the land leased are reserved to the Crown and the lessee shall permit any person duly authorised in that behalf to enter upon the land leased and search, work, win and remove all or any minerals, metals, gemstones and semiprecious stones in, under or upon the land leased.
- (14) Mining operations may be carried on, upon and in the lands below the land leased and upon and in the lands adjoining the land leased and the lands below those lands and metals and minerals may be removed therefrom and the Crown and any lessee or lessees under any Mining Act or Acts shall not be subject to any proceedings by way of injunction or otherwise in respect of or be liable for any damage occasioned by the letting down, subsidence or lateral movement of the land leased or any part thereof or otherwise by reason of the following acts and matters, that is to say, by reason of the Crown or any person on behalf of the Crown or any lessee or lessees, having worked now or hereafter working any mines or having carried on or now or hereafter carrying on mining operations or having searched for, worked, won or removed or now or hereafter searching for, working, winning or removing any metals or minerals under, in or from the lands lying beneath the land leased or any part thereof, or on, in, under or from any other lands situated laterally to the land leased or any part thereof or the lands lying beneath those lands, and whether on or below the surface of those other lands and by reason of those acts and matters or in the course thereof the Crown reserves the liberty and authority for the Crown, any person on behalf of the Crown and any lessee or lessees from time to time to let down without payment of any compensation any part of the land leased or of the surface thereof.
- (15) The lessee shall comply with the provisions of the Local Government Act 1993, and of the ordinances made thereunder.
- (16) The lessee shall ensure that the land leased is kept in a neat and tidy condition to the satisfaction of the Commissioner and not permit refuse to accumulate on the land.
- (17) Upon termination or forfeiture of the lease the Commissioner may direct that the former lessee shall remove any structure or material from the land at his own cost and without compensation. Where such a direction has been given the former lessee shall leave the land in a clean and tidy condition free from rubbish and debris.
- (18) The lessee shall, within 1 year from the date of commencement of the lease or such further period as the Commissioner may allow, enclose the land leased with a suitable fence to the satisfaction of the Commissioner and ensure that the area remains ungrazed by both domestic stock and feral animals.
- (19) The lessee shall not obstruct or interfere with any reserves, roads or tracks on the land leased, or the lawful use thereof by any person.
- (20) The Crown shall not be responsible to the lessee or the lessee's successors in title for provision of access to the land leased.
- (21) The lessee shall take all necessary steps to protect the land leased from bush fire.
- (22) The lessee shall, within such time as may be specified by the Commissioner take such steps and measures as the Commissioner shall direct to destroy vermin and such animals and weeds as may, under any Act, from time to time be declared (by declaration covering the land leased) noxious in the Gazette and shall keep the land free of such vermin and noxious animals and weeds during the currency of the lease to the satisfaction of the Commissioner.
- (23) The lessee shall not remove or permit any person to remove gravel, stone, clay, shells or other material for the purpose of sale from the land leased unless the lessee or the person is the holder of a quarry licence under regulations made under the Crown Lands Act 1989 or, in respect of land in a State forest, unless the lessee or the person is the holder of a forest materials licence under the Forestry Act 1916, and has obtained the special authority of the Minister to operate on the land, but the lessee may, with the approval of the Commissioner, take from the land such gravel, stone, clay, shells or other material for building and other purposes upon the land as may be required by the lessee.
- (24) The lessee shall not clear any vegetation or remove any timber, fallen logs or rocks within the land leased unless written approval has been granted by either the Commissioner or the Minister.
- (25) If the lessee is an Australian registered company than the following conditions shall apply:
 - I The Lessee will advise the Commissioner of the name, address and telephone number of the Lessee's company secretary, that person being a person nominated as a representative of the

company in respect of any dealings to be had with the company. The Lessee agrees to advise the Commissioner of any changes in these details.

- II Any change in the shareholding of the Lessee's company which alters its effective control of the lease from that previously known to the Commissioner shall be deemed an assignment by the Lessee.
 - III Where any notice or other communication is required to be served or given or which may be convenient to be served or given under or in connection with this lease it shall be sufficiently executed if it is signed by the company secretary.
 - IV A copy of the company's annual financial balance sheet or other financial statement which gives a true and fair view of the company's state of affairs as at the end of each financial year is to be submitted to the Commissioner upon request.

- Pumping for irrigation and industrial purposes may only occur when flows measured at the Tumbarumba 2 Gauge (401007) are above 10ML/day.

TUMBARUMBA SUBCATCHMENT

Downstream of the Paddy's River Junction (including only the Tumbarumba Creek downstream of Paddys River).

- Pumping for irrigation and industrial purposes may only occur when flows measured at the Pinegrove Gauge (401014) on the Tooma River are above 50ML/day and a flow equivalent to the full flow of a 200mm pipe set at bed level is maintained below the pump site.

MARAGLE SUBCATCHMENT

Including Maragle Creek; Maragle Back Creek; Reedy Creek and Sawpit Creek.

- Pumping for irrigation may only occur when flows measured at the Maragle Gauge (401009) are above 10ML/day.

MANNUS SUBCATCHMENT:

Including Mannus Creek upstream of the Glenroy Height Gauge.

- Pumping for irrigation and industrial purposes may only occur when flows measured at the Glenroy Height Gauge (401008) are above a height of 0.2 metres.

MANNUS SUBCATCHMENT

Including Mannus Creek downstream of the Glenroy Height Gauge; Boggy Creek; Mundaroo Creek; Mundaroo Back Creek and unnamed tributaries of these creek systems.

- Pumping for irrigation and industrial purposes may only occur when flows measured at the Yarramundi Gauge (401017) are above a height of 0.45 metres.

JINGELIC SUBCATCHMENT

Including Jingelic Creek; Coppabella Creek and Lankeys Creek.

- Pumping for irrigation and industrial purposes may only occur when flows measured at the Jingelic Gauge (401013) are above 10ML/day.

Any person who contravenes the restrictions imposed by this notice is guilty of an offence and is liable on conviction to a penalty not exceeding:

- (a) Where the offence was committed by a Corporation \$22 000; or in the case of a continuing offence to a further penalty not exceeding \$2 200 per day.
- (b) Where the offence was committed by any other person \$11 000; or in the case of a continuing offence to a further penalty not exceeding \$1 100 per day.

Signed for the Water Administration Ministerial Corporation.

Dated this 7th day of November of 2007.

MARWAN EL-CHAMY,
Manager, Licensing (South)
Department of Water and Energy
(by delegation)

Daily flow levels can be found at <http://waterinfo.nsw.gov.au/drr/murray/index.shtml> (except the Glenroy Gauge).

WATER MANAGEMENT ACT 2000

Order under section 323

Temporary Water Restriction Order

New South Wales Murray Regulated River

PURSUANT to section 323 of the Water Management Act 2000, I, David Harriss, as delegate for the Minister for Climate Change, Environment and Water, on being satisfied that it is necessary in the public interest to do so because of water shortage, do by this Order direct that the taking of water under regulated river (high security) access licences, regulated river (general security) access licences and regulated river (conveyance) access licences from the New South Wales Murray Regulated River as defined in the Water Sharing Plan for New South Wales Murray and Lower Darling Regulated Rivers Water Source 2003 be restricted as set out in Schedule 1 to this Order.

This Order revokes the previous Order dated 5 October 2007 made under section 323 of the Water Management Act 2000 for the New South Wales Murray Regulated River and published in the *New South Wales Government Gazette* on 12 October 2007.

This Order takes effect on the date of first broadcast and remains in force until 30 June 2008 unless repealed or modified earlier.

Dated at Sydney this 30th day of October 2007.

DAVID HARRISS,
Deputy Director General,
Water Management,
Department of Water and Energy

SCHEDULE 1

1. All regulated river (high security) access licences, regulated river (general security) access licences and regulated river (conveyance) access licences are restricted to 45% of the volume of water in the water allocation account as at 1 July 2007.
2. Any water credited to a water allocation account for the category of licences referred to in paragraph 1 after 1 July 2007 by an order under section 59 of the Water Management Act 2000 is not subject to the restrictions in paragraph 1.
3. Any water credited to a water allocation account after 1 July 2007 by an assignment dealing from an access licence is not subject to the restrictions in paragraph 1.

WATER MANAGEMENT ACT 2000

Order under section 323

Temporary Water Restriction Order

Lower Darling Regulated River Source

PURSUANT to section 323 of the Water Management Act 2000, I, David Harriss, as delegate for the Minister for Climate Change, Environment and Water, on being satisfied that it is necessary in the public interest to do so because of water shortage, do by this Order direct that the taking of water from the Lower Darling Regulated River Water Source as defined in the Water Sharing Plan for New South Wales Murray and Lower Murray Regulated Rivers Water Source 2003 is restricted as set out in Schedule 1 of this Order.

This Order revokes the following section 323 Orders in their application to the Lower Darling Regulated River Source: Order dated 26 July 2007 and published in the *New South Wales Government Gazette* on 3 August 2007 and Order dated 27 August 2007 and published in the *New South Wales Government Gazette* on 21 September 2007.

This Order takes effect on the date of first broadcast and remains in force until 30 June 2008 unless repealed or modified earlier.

Dated at Sydney this 13th day of November 2007.

DAVID HARRISS,
Deputy Director General,
Water Management,
Department of Water and Energy

SCHEDULE 1

1. All water access licences are restricted to 0% of the volume of water in the water allocation account as at 1 July 2007.
2. The restrictions in paragraph 1 do not apply to local water utility access licences and domestic and stock access licences.
3. Any water credited to a water allocation account for an access licence referred to in paragraph 1 after 1 July 2007 by an order under section 59 of the Water Management Act 2000 is not subject to the restrictions in paragraph 1.
4. Any water credited to a water allocation account after 1 July 2007 by an assignment dealing from an access licence is not subject to the restriction in paragraph 1.

WATER MANAGEMENT ACT 2000

Order under section 71Z

Access Licence Conversion Factors

Hunter Regulated River Water Source

PURSUANT to section 71Z (1) (c) of the Water Management Act 2000, the Minister for Natural Resources, by this Order establishes a conversion factor of 0.33 to be applied to the share component of a regulated river (general security) access licence on conversion to a regulated river (high security) access licence in a dealing under section 71O in the Hunter Regulated River Water Source as defined in the Water Sharing Plan for the Hunter Regulated River Water Source 2004 and currently in force.

This Order takes effect on the date that it is published in the Gazette.

Dated at Sydney this twenty-ninth day of September 2007.

PHIL KOPERBERG,
Minister for Environment, Climate Change and Water

Notes:

The above decisions have been made by the Department of Environment and Climate Change NSW (DECC) under the Road and Rail Transport (Dangerous Goods) Act 1997. Under the Road Transport Reform (Dangerous Goods) (NSW) Regulations (the Road Regulations) and the Rail Transport (Dangerous Goods) (NSW) Regulations (the Rail Regulations) made under that Act, certain decisions are to be published in the Government Gazette.

"ADG Code" means the Australian Dangerous Goods Code.

"File No" is the Department of Environment and Climate Change NSW reference number.

"Regulation Reference" is the relevant clause of the Road Regulations and the Rail Regulations. The Road Regulations are technically identical to the Commonwealth Road Transport Reform (Dangerous Goods) Regulations and the Rail Regulations are identical to the Commonwealth Rail Rules printed in the sixth edition of the Australian Dangerous Goods Code. These Commonwealth documents are the basis of national uniform road and rail legislation for the transport of dangerous goods and have been adopted in all Australian States and Territories.

"CAP" is the Competent Authorities Panel convened under the uniform national dangerous goods road and rail legislation.

Duration of decision. If there is no date in the "Expires" column and no expiry date detailed in the conditions relating to this decision, the decision will remain in effect until varied or cancelled by the DECC.
