## SPECIAL SUPPLEMENT

### HERITAGE ACT, 1977

Order Under Section 57(2)

Sydney Harbour Bridge

SHR No. 781

I, the Minister for Planning, on the recommendation of the Heritage Council of New South Wales, in pursuance of section 57(2) of the Heritage Act, 1977, do, by this my Order, revoke the exemptions granted on the 19th June 1999 from section 57(1) of the said Act in respect of the engaging in or carrying out of any activities by the owner, mortgagee or lessee of the land described in Schedule "B" on the item described in Schedule "A"; and grant an exemption from section 57(1) of the said Act in respect of the engaging in or carrying out of any activities described in Schedule "C" by the owner, mortgagee or lessee of the land described in Schedule "B" on the item described in Schedule "A".

FRANK SARTOR, M.P.,  
Minister for Planning

Sydney, 3rd day of July 2007.

---

#### Schedule "A"

The item known as the Sydney Harbour Bridge and Approaches, situated on the land described in Schedule "B".

---

#### Schedule "B"

All those pieces or parcels of land in the Parishes of St Philip and Willoughby, County of Cumberland, Cities of Sydney and North Sydney, shown on the plan catalogued HC 1864 in the office of the Heritage Council of New South Wales.

---

#### Schedule "C"

The following activities when carried out in accordance with a conservation management plan endorsed by the Heritage Council of New South Wales:

1. maintenance and minor repairs necessary to preserve and maintain the functioning of the structure as a transport and services corridor, for example pavement resurfacing, track laying, electric catenary replacement, traffic management, toll collection and navigational infrastructure, and pipework and cabling;
2. minor works necessary to preserve and maintain the functioning of the Bridge, for example drainage modifications, modifications to road, rail, navigational, traffic management and toll collection and other infrastructure;
3. minor works necessary to preserve and maintain the functioning of utility supply and communications, for example modifications and improvements to power supply systems, communications cabling and water supply systems including fire hydrants;

4. minor works necessary to preserve and enhance the security of the Bridge such as security fencing, video surveillance and detection systems;
5. minor works necessary to upgrade and enhance the structural integrity of the Bridge that do not alter its overall form or shape or significantly change the appearance of bridge elements;
6. minor works internal to the Bridge structure or structural members that do not physically change the external appearance of the Bridge or bridge members;
7. temporary works including containment areas, scaffolding and enclosures necessary for the carrying out of maintenance, enhancement or upgrading works;
8. minor internal changes to office spaces, retail and other tenancy spaces and recreational facilities;
9. installation of safety or information signs, not being for commercial or advertising purposes;
10. temporary and reversible works for the operation of special events;
11. maintenance of roadways, footpaths, parklands and vegetation;
12. minor subdivision in terms of State Environmental Planning Policy No. 4;
13. change of use from approved use to a similar permissible use;
14. works that in the opinion of the Executive Director of the Heritage Office, Department of Planning, are required for the security of the Bridge and bridge users, and that need to remain confidential.

In exercising this provision, the Executive Director of the Heritage Office, Department of Planning, shall have regard to the general conditions, guidelines and definitions regarding standard exemptions as issued and amended from time to time, and in Standard Exemptions for Works Requiring Heritage Council Approval, as amended from time to time and published by the Heritage Office, in determining which works require approval under s57(2) of the Heritage Act 1977
