GOD SAVE THE QUEEN!

New South Wales

Water Management (General) Amendment (Lower Lachlan) Regulation 2008

under the

Water Management Act 2000

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Water Management Act 2000*.

PHILIP KOPERBERG, M.P.,
Minister for Climate Change, Environment and Water

Explanatory note

The object of this Regulation is to modify the provisions of Schedule 10 to the *Water Management Act 2000* (Conversion of former entitlements to access licences and approvals) in relation to the access licences that arise under that Schedule as a consequence of a proclamation under section 55A of that Act that extends the operation of Part 2 of Chapter 3 of that Act to the Lower Lachlan Groundwater Source.

This Regulation also makes two corrections of incorrect figures contained in Schedule 4A of the *Water Management (General) Regulation 2004* relating to replacement access licences in the Lower Gwydir Groundwater Source and other amendments in the nature of law revision.

This Regulation is made under the *Water Management Act 2000*, including section 400 (the general power to make regulations) and clause 1 of Schedule 9 (the power to make regulations of a savings or transitional nature).
