EXOTIC DISEASES OF ANIMALS ACT 1991

IMPORTATION ORDER – Section 28

Conditions on entry of animals, animal products from outside New South Wales
on account of the exotic disease Equine influenza

I, BRUCE MORGAN CHRISTIE, Chief Veterinary Officer, with the powers the Minister has delegated to me under section 67 of the Exotic Diseases of Animals Act 1991 and pursuant to section 28 of that Act, having reasonably suspected premises outside New South Wales to be infected with the exotic disease Equine influenza, hereby:

1. revoke the order declared under section 28 of the Act titled “IMPORTATION ORDER - Section 28 Conditions on entry of animals, animal products from outside New South Wales on account of the exotic disease Equine influenza” dated 1 February 2008;
2. Except as provided for in 3 below, permit the entry and importation into the Protected Area (White) of all horses from areas outside of New South Wales on condition that, prior to the entry of the horse into the Protected Area (White), a Travelling Horse Statement is duly completed in respect of the movement and the movement is in accordance with the conditions listed on the Travelling Horse Statement.
3. Permit the entry of horses from areas of Queensland that are not of an equivalent status to the Protected Area (White), only in accordance with an authorisation issued by an inspector under this Order or a permit issued pursuant to section 24 of the Act.
4. Permit the entry and importation into New South Wales of all animal products of horses, except for animal products of horses from areas of Queensland that are not of an equivalent status to the Protected Area (White), in which case entry is only permitted if they are moved in accordance with an authorisation issued by an inspector under this Order or a permit issued pursuant to section 24 of the Act.
