SPECIAL SUPPLEMENT

HERITAGE ACT 1977

Direction Pursuant to Section 34 (1) (A) to List an Item on the State Heritage Register

Saint Peter and Paul's former Cathedral
SHR No. 1797

IN pursuance of section 34 (1) (a) of the Heritage Act 1977, I, the Minister for Planning, having considered a recommendation of the Heritage Council of New South Wales, direct the Council to list the item of environmental heritage specified in Schedule "A" on the State Heritage Register. This listing shall apply to the curtilage or site of the item, being the land described in Schedule "B". The listing is subject to the exemptions from approval under Section 57 (2) of the Heritage Act 1977, described in Schedule "C" and in addition to the standard exemptions.

KRISTINA KENEALLY, M.P.,
Minister for Planning

Sydney, 18th day of March 2009.

SCHEDULE "A"

The item known as Saint Peter and Paul's former Cathedral, situated on the land described in Schedule "B".

SCHEDULE "B"

All those pieces or parcel of land known as Lot 2, DP 91238 in Parish of Goulburn, County of Argyle shown on the plan catalogued HC 2270 in the office of the Heritage Council of New South Wales.

SCHEDULE "C"

1. Continuing maintenance, cleaning and repairs of existing fabric and structures, such as stonework and roof slates, where such activities are in accordance with the Standard Exemptions.
2. All activities for temporary change of use where such activities do not alter existing fabric or the setting of the heritage item such as temporary exhibitions and concerts.
3. Minor activities with no adverse impact on heritage significance or significant fabric, where the written endorsement of the Director has been obtained prior to works commencing, and where such activities are in accordance with the Standard Exemptions.
4. Activities for installing and replacing interpretative signage, internally and externally, to provide information on the heritage significance of the item, where such signage is sympathetic with the materials and spaces of the heritage item, is free-standing or is fixed into mortar joints with a minimum number of fixtures.
5. All activities for gardening of existing garden beds where these activities do not impact on or damage existing built structures, such as retaining walls and fences and do not damage trees.
6. Activities for installing and replacing external lighting where these activities do not impact on heritage fabric, fixtures and fittings, are sympathetic to the heritage item.
7. Activities for installing and replacing external signage where these signs do not impact on heritage fabric, are sympathetic to the heritage item and the heritage precinct.

8. Activities for installing and replacing building electrical and lighting services where such activities are sympathetic to and minimise alterations to heritage fabric and spaces. (Site specific)
9. All activities for maintaining and altering the storm water disposal system, such as guttering and downpipes, where such activities do not damage, are sympathetic to and minimise alterations to heritage fabric and spaces.
