- (b) Notwithstanding any other provision of this Agreement:
- (i) If a GST applies to any supply made by either party under or in connection with this Agreement, the consideration provided or to be provided for that supply will be increased by an amount equal to the GST liability properly incurred by the party making the supply.
- (ii) If the imposition of a GST or any subsequent change in the GST law is accompanied by or undertaken in connection with the abolition of or reduction in any existing taxes, duties or statutory charges (in this clause “taxes”), the consideration payable by the recipient of the supply made under this Agreement will be reduced by the actual costs of the party making the supply that are reduced directly or indirectly as a consequence of the abolition of or reduction in taxes.
- (8) The lessee shall pay all rates and taxes assessed on or in respect of the land leased during the currency of the lease.
- (9) The lessee shall hold and use the land leased bona fide for the lessee’s own exclusive benefit and shall not transfer, convey or assign the land or any portion thereof without having first obtained the written consent of the Minister.
- (10) The lessee shall not enter into a sublease of the land leased unless the sublease specifies the purpose for which the land may be used under the sublease, and it is a purpose which is consistent with the purpose for which the land may be used under this lease.
- (11) If the lessee enters into a sublease of the land leased, the lessee must notify the Commissioner of the granting of the sublease within 28 days after it is granted.
- (12) The land leased shall be used only for the purpose of Grazing and Storage.
- (13) The lessee shall maintain and keep in reasonable repair all improvements on the land leased during the currency of the lease and shall permit the Minister or the Commissioner or any person authorised by the Minister or the Commissioner at all times to enter upon and examine the whole or any part of the land leased and the buildings or other improvements thereon.
- (14) All minerals within the meaning of the Mining Act 1992, and all other metals, gemstones and semiprecious stones, which may be in, under or upon the land leased are reserved to the Crown and the lessee shall permit any person duly authorised in that behalf to enter upon the land leased and search, work, win and remove all or any minerals, metals, gemstones and semiprecious stones in, under or upon the land leased.
- (15) Mining operations may be carried on, upon and in the lands below the land leased and upon and in the lands adjoining the land leased and the lands below those lands and metals and minerals may be removed therefrom and the Crown and any lessee or lessees under any Mining Act or Acts shall not be subject to any proceedings by way of injunction or otherwise in respect of or be liable for any damage occasioned by the letting down, subsidence or lateral movement of the land leased or any part thereof or otherwise by reason of the following acts and matters, that is to say, by reason of the Crown or any person on behalf of the Crown or any lessee or lessees, having worked now or hereafter working any mines or having carried on or now or hereafter carrying on mining operations or

having searched for, worked, won or removed or now or hereafter searching for, working, winning or removing any metals or minerals under, in or from the lands lying beneath the land leased or any part thereof, or on, in, under or from any other lands situated laterally to the land leased or any part thereof or the lands lying beneath those lands, and whether on or below the surface of those other lands and by reason of those acts and matters or in the course thereof the Crown reserves the liberty and authority for the Crown, any person on behalf of the Crown and any lessee or lessees from time to time to let down without payment of any compensation any part of the land leased or of the surface thereof.

- (16) The lessee shall comply with the provisions of the Local Government Act 1993, and of the ordinances made thereunder.
- (17) The lessee shall comply with the provisions of the Water Management Act 2000 and any regulations made in pursuance of that Act.
- (18) The lessee must comply with all Central Darling Shire Council planning requirements prior to the erection of any building or structures on the lease.
- (19) The lessee must ensure that any building or structure erected on the lease is completed within twelve (12) months of the grant of the lease, and in accordance with plans and specifications approved by Central Darling Shire Council.
- (20) The lessee shall ensure that the land leased is kept in a neat and tidy condition to the satisfaction of the Commissioner and not permit refuse to accumulate on the land.
- (21) Upon termination or forfeiture of the lease the Commissioner may direct that the former lessee shall remove any structure or material from the land at his own cost and without compensation. Where such a direction has been given the former lessee shall leave the land in a clean and tidy condition free from rubbish and debris.
- (22) The lessee shall, within 1 year from the date of commencement of the lease or such further period as the Commissioner may allow, enclose the land leased, either separately or conjointly with other lands held in the same interest, with a suitable fence to the satisfaction of the Commissioner.
- (23) The lessee shall not obstruct or interfere with any reserves, roads or tracks on the land leased, or the lawful use thereof by any person.
- (24) The lessee shall erect gates on roads within the land leased when and where directed by the Commissioner for public use and shall maintain those gates together with approaches thereto in good order to the satisfaction of the Commissioner.
- (25) The right is reserved to the public of free access to, and passage along, the bank of any watercourse adjoining the land leased and the lessee shall not obstruct access or passage by any member of the public to or along the bank.
- (26) Any part of a reserve for travelling stock, camping or water supply within the land leased shall, during the whole currency of the lease, be open to the use of bona fide travellers, travelling stock, teamsters and carriers without interference or annoyance by the lessee and the lessee shall post in a conspicuous place on the reserve a notice board indicating for public information the purpose of such reserve and, in fencing the land leased, the lessee shall provide gates and other facilities for the entrance and exit of travelling stock, teamsters and others. The notice board, gates and facilities shall be erected and maintained to the satisfaction of the Commissioner. The lessee shall not overstock, wholly or in part, the areas leased within the reserve, the decision as to overstocking resting with the Commissioner.
- (27) The Crown shall not be responsible to the lessee or the lessee's successors in title for provision of access to the land leased.
- (28) The Lessee shall comply with the provisions of the Native Vegetation Act 2003 and any regulations made in pursuance of that Act.
- (29) The lessee shall comply with requirements of section 18DA of the Western Lands Act 1901 which provides that except in circumstances referred to in subsection (3) of that section, cultivation of the land leased or occupied may not be carried out unless the written consent of the Department has first been obtained and any condition to which the consent is subject under subsection (6) is complied with.
- (30) Notwithstanding any other condition annexed to the lease, the lessee shall, in removing timber for the purpose of building, fencing or firewood, comply with the routine agricultural management activities listed in the Native Vegetation Act 2003.
  - (a) between the banks of, and within strips at least 20 metres wide along each bank of, any creek or defined watercourse;
  - (b) within strips at least 30 metres wide on each side of the centre line of any depression, the sides of which have slopes in excess of 1 (vertically) in 4 (horizontally), that is, approximately 14 degrees;
  - (c) where the slopes are steeper than 1 (vertically) in 3 (horizontally), that is, approximately 18 degrees;
  - (d) within strips not less than 60 metres wide along the tops of any ranges and main ridges;
  - (e) not in contravention of section 21CA of the Soil Conservation Act 1938.

In addition to the foregoing requirements of this condition, the lessee shall preserve on so much of the land leased as is not the subject of a clearing licence (where possible, in well distributed clumps or strips) not less than an average of 30 established trees per hectare, together with any other timber, vegetative cover or any regeneration thereof which may, from time to time, be determined by the Commissioner to be useful or necessary for soil conservation or erosion mitigation purposes or for shade and shelter.
- (31) The lessee shall not interfere with the timber on any of the land leased which is within a State forest, timber reserve or flora reserve unless authorisation has been obtained under the provisions of the Forestry Act 1916 and shall not prevent any person or persons duly authorised in that behalf from taking timber on the land leased. The lessee shall not have any property right in the timber on the land leased and shall not ringbark,

kill, destroy or permit the killing or destruction of any timber unless authorised under the Forestry Act 1916 or unless approval has been issued in accordance with the Native Vegetation Act 2003, but the lessee may take such timber as the lessee may reasonably require for use on the land leased, or on any contiguous land held in the same interest, for building, fencing or firewood.

- (32) The lessee shall take all necessary steps to protect the land leased from bush fire.
- (33) The lessee shall, as the Commissioner may from time to time direct, foster and cultivate on the land leased such edible shrubs and plants as the Commissioner may consider can be advantageously and successfully cultivated.
- (34) Whenever so directed by the Commissioner, the lessee shall, on such part or parts of the land leased as shall be specified in the direction, carry out agricultural practices, or refrain from agricultural practices, of such types and for such periods as the Commissioner may in the direction specify.
- (35) The lessee shall not overstock, or permit or allow to be overstocked, the land leased and the decision of the Commissioner as to what constitutes overstocking shall be final and the lessee shall comply with any directions of the Commissioner to prevent or discontinue overstocking.
- (36) The lessee shall, if the Commissioner so directs, prevent the use by stock of any part of the land leased for such periods as the Commissioner considers necessary to permit of the natural reseedling and regeneration of vegetation and, for that purpose, the lessee shall erect within the time appointed by the Commissioner such fencing as the Commissioner may consider necessary.
- (37) The lessee shall furnish such returns and statements as the Commissioner may from time to time require on any matter connected with the land leased or any other land (whether within or outside the Western Division) in which the lessee has an interest.
- (38) The lessee shall, within such time as may be specified by the Commissioner take such steps and measures as the Commissioner shall direct to destroy vermin and such animals and weeds as may, under any Act, from time to time be declared (by declaration covering the land leased) noxious in the Gazette and shall keep the land free of such vermin and noxious animals and weeds during the currency of the lease to the satisfaction of the Commissioner.
- (39) The lessee shall not remove or permit any person to remove gravel, stone, clay, shells or other material for the purpose of sale from the land leased unless the lessee or the person is the holder of a quarry licence under regulations made under the Crown Lands Act 1989 or, in respect of land in a State forest, unless the lessee or the person is the holder of a forest materials licence under the Forestry Act 1916, and has obtained the special authority of the Minister to operate on the land, but the lessee may, with the approval of the Commissioner, take from the land such gravel, stone, clay, shells or other material for building and other purposes upon the land as may be required by the lessee.
- (40) If the lessee is an Australian registered company then the following conditions shall apply:
- I The Lessee will advise the Commissioner of the name, address and telephone number of the Lessee's company secretary, that person being a person nominated as a representative of the company in respect of any dealings to be had with the company. The Lessee agrees to advise the Commissioner of any changes in these details.
  - II Any change in the shareholding of the Lessee's company which alters its effective control of the lease from that previously known to the Commissioner shall be deemed an assignment by the Lessee.
  - III Where any notice or other communication is required to be served or given or which may be convenient to be served or given under or in connection with this lease it shall be sufficiently executed if it is signed by the company secretary.
  - IV A copy of the company's annual financial balance sheet or other financial statement which gives a true and fair view of the company's state of affairs as at the end of each financial year is to be submitted to the Commissioner upon request.

**STOCK DISEASES ACT 1923**

Proclamation No. 568-OJD

Proclamation to Restrict the Importation or Introduction into New South Wales of Sheep on account of Johne's Disease

I, Professor MARIE BASHIR, AC, CVO, Governor of the State of New South Wales, with the advice of the Executive Council:

- a. pursuant to sections 3 (2) (a) and 11B of the Stock Diseases Act 1923 ('the Act'), revoke Proclamation No. 566-OJD published in *New South Wales Government Gazette* No. 50 of 9 May 2008, at pages 3820 -3821, and any Proclamation revived as a result of its revocation; and
- b. pursuant to section 11B of the Act, and being of the opinion that certain sheep might be infected with, or might carry or spread, Johne's disease (in the form commonly known as ovine Johne's disease or OJD), restrict the importation or introduction into the State of sheep as set out in the Schedule.

**SCHEDULE****Bringing of sheep into the OJD Exclusion Area of New South Wales**

A person must not bring or cause or permit sheep to be brought into the part of New South Wales known as the 'OJD Exclusion Area' unless:

- (a) the sheep are accompanied by a Completed Health Statement for Sheep that is given to the person to whom the sheep are delivered; or
- (b) the sheep are exempt sheep; or
- (c) the sheep are moved in accordance with:
  - a written permit issued by an inspector under section 7 (6) of the Act, or
  - an order given by an inspector under section 8 (1) (b) of the Act,

in circumstances that are of a kind approved from time to time by the Executive Director of the Division of Agriculture, Biosecurity and Mine Safety or Director, Animal and Plant Biosecurity.

### **Bringing of sheep for sale or agistment into the OJD Management Area of New South Wales**

A person must not bring or cause or permit sheep to be brought into the part of New South Wales known as the 'OJD Management Area' for sale or agistment unless:

- (a) the sheep are accompanied by a Completed Health Statement for Sheep that is given to the person to whom the sheep are delivered; or
- (b) the sheep are for sale and are exempt sheep; or
- (c) the sheep are moved in accordance with:
  - a written permit issued by an inspector under section 7 (6) of the Act, or
  - an order given by an inspector under section 8 (1) (b) of the Act in circumstances that are of a kind approved from time to time by the Executive Director of the Division of Agriculture, Biosecurity and Mine Safety or Director, Animal and Plant Biosecurity.

#### Definitions

In this Proclamation:

Completed Health Statement for Sheep means:

1. a document sourced from a booklet titled 'National Sheep Health Statement Version 1 March 2008' or from a subsequent edition approved by the Director, Animal and Plant Biosecurity, and duly completed by the owner and/or person responsible for the husbandry of the sheep; or
2. a document sourced electronically titled 'National Sheep Health Statement Version 1 March 2008' or from a subsequent edition approved by the Director, Animal and Plant Biosecurity, and duly completed by the owner and/or person responsible for the husbandry of the sheep; or
3. a document approved from time to time by the Director, Animal and Plant Biosecurity, and duly completed by the owner and/or person responsible for the husbandry of the sheep.

Executive Director of the Division of Agriculture, Biosecurity and Mine Safety means the Executive Director of the Division of Agriculture, Biosecurity and Mine Safety, of NSW Department of Primary Industries.

Director, Animal and Plant Biosecurity means the Director, Animal and Plant Biosecurity, of NSW Department of Primary Industries.

exempt sheep means:

1. sheep being moved to slaughter, directly or via a slaughter-only sale; and

2. sheep being sent or delivered to a Health Statement for Sheep exempt sale approved by a Regional Veterinary Officer or a Senior Regional Animal Health Manager no later than 48 hours before the sale.

'OJD Exclusion Area' means the part of New South Wales declared by Notification from time to time to be a Protected Area as regards Johne's disease in sheep.

'OJD Management Area' means the part of New South Wales declared by Notification from time to time to be a Protected (Control) Area as regards Johne's disease in sheep.

Regional Veterinary Officer means Regional Veterinary Officer, of NSW Department of Primary Industries.

sale includes, sell, offer for sale, assist in selling and attempt to sell.

Senior Regional Animal Health Manager means Senior Regional Animal Health Manager, of NSW Department of Primary Industries.

Notes:

Introducing sheep into New South Wales in contravention of this Proclamation is an offence under section 20 of the Act. The maximum penalty for such an offence is ordinarily \$11,000, but is \$22,000 if the sheep are diseased, and \$110,000 and 6 months imprisonment if the sheep are diseased and other sheep in the State become diseased as a result.

The doing of other things in contravention of this Proclamation is an offence under section 20H(1)(a) of the Act. The maximum penalty for such an offence is \$11,000.

National Sheep Health Statements are sourced from the web or from booklets printed by state Departments of Primary Industries.

A map of the 'OJD Exclusion Area' and the 'OJD Management Area' as regards Johne's disease in sheep, is published on the NSW Department of Primary Industries' website at [www.ojdinfo.nsw.gov.au](http://www.ojdinfo.nsw.gov.au).

568-OJD is the NSW Department of Primary Industries' reference.

### CASINO CONTROL REGULATION 2009

NSW Department of the Arts, Sport and Recreation

Regulatory Impact Statement – Casino Control Regulation 2009

Invitation of public comment

THE Department of the Arts, Sport and Recreation is proposing to make the Casino Control Regulation 2009. This Regulation would replace the existing Casino Control Regulation 2001, which is due to expire on 1 September 2009.

The primary objective of the proposed Regulation is to provide for certain matters that are required to be prescribed for the purposes of the Casino Control Act 1992. The Regulation will support the Act in regulating the conduct of casino gaming, promoting industry integrity and standards, and protecting the community. It also contains provisions in relation to gaming machine harm minimisation and the sale of alcohol within the casino's environs.

Before this Regulation may be made, a formal process of review must be undertaken. The Department is inviting public comment on the proposed Regulation. A Regulatory Impact Statement has been prepared to explain the various clauses of the Regulation and its various costs and benefits.

The Statement and the proposed Regulation can be obtained from the NSW Office of Liquor, Gaming and Racing's (OLGR) website [www.olgr.nsw.gov.au](http://www.olgr.nsw.gov.au) (under 'Gaming > Information directory > Discussion papers') or by email request directed to [casino.regulation@olgr.nsw.gov.au](mailto:casino.regulation@olgr.nsw.gov.au), or by contacting the OLGR on (02) 9995 0333.

Submissions may be directed by mail to:

**OCCUPATIONAL HEALTH AND SAFETY  
REGULATION 2001**

## Exemption Order No. 009/09

I, JOHN WATSON, General Manager, Occupational Health and Safety Division of the WorkCover Authority of New South Wales, pursuant to Clause 348 of the Occupational Health and Safety Regulation 2001, make the following Order.

Dated this 26th day of May 2009.

JOHN WATSON,  
General Manager,  
Occupational Health and Safety Division,  
WorkCover Authority of New South Wales

## Explanatory Note

Clause 348 of the Occupational Health and Safety Regulation 2001 (the Regulation), provides that WorkCover may by order published in the *New South Wales Government Gazette* exempt any class of person or things from a specified provision of the Regulation.

This Order exempts:

- Principal contractors from sub-clauses 213(1) and 213(1A) of the Regulation in relation to certain persons carrying out construction work on a construction

project and the requirement for those persons to have undergone general health and safety induction training that complies with clause 217 of the Regulation;

- Employers from sub-clauses 214(1) and 214(1A) of the Regulation in relation to certain persons carrying out construction work and the requirement for those persons to have been provided with general health and safety induction training that complies with clause 217 of the Regulation;
- Certain self-employed persons from sub-clause 215(1) of the Regulation in relation to carrying out construction work and the requirement for those persons to have undergone general health and safety induction training that complies with clause 217 of the Regulation; and
- Certain persons carrying out construction work from clause 215A of the Regulation and the requirement for those persons to produce for inspection immediately an OHS induction training certificate at the direction of an inspector.

The exemption only applies in relation to holders of "Queensland White Cards". A "Queensland White Card" means:

- A "general induction card" which indicates completion of the general induction training course national unit of competency CPCCOHS1001A. The card is uniquely numbered and must bear the "Queensland Government Department of Employment and Industrial Relations" logo. The card is colloquially known as a "White Card".

The exemption also only applies in relation to obligations with respect to general health and safety induction training that complies with clause 217 of the Regulation. The exemption is granted subject to certain conditions.

Occupational Health and Safety Regulation 2001  
Exemption Order No. 009/09

## 1. Name of Order

This Order is the Occupational Health and Safety Regulation 2001: Exemption Order No. 009/09.

## 2. Commencement

This Order commences on 1 July 2009 and has effect for the period up until 1 April 2010, unless sooner withdrawn by WorkCover under clause 348 (5) of the Regulation.

## 3. Exemption

This Order exempts:

1. Principal contractors from sub-clauses 213(1) and 213(1A) of the Regulation in relation to general health and safety induction training that complies with clause 217 of the Regulation for the holders of Queensland White Cards carrying out construction work on a construction project;
2. Employers from sub-clauses 214(1) and 214(1A) of the Regulation in relation to general health and safety induction training that complies with clause 217 of the Regulation for the holders of Queensland White Cards carrying out construction work;
3. Self-employed persons holding Queensland White Cards from sub-clause 215(1) of the Regulation in relation to general health and safety induction training that complies with clause 217 of the Regulation for carrying out construction work; and

4. Persons carrying out construction work who hold Queensland White Cards from clause 215A of the Regulation.
5. Conditions
 

This Exemption is issued subject to the following conditions:

  - (1) Principal contractor
    - (i) A principal contractor for a construction project must not direct or allow another person to carry out construction work on the construction project unless the principal contractor is satisfied that the person is a holder of a Queensland White Card.
    - (ii) The only evidence on the basis of which a principal contractor may be satisfied that a person has been issued with a Queensland White Card is the production by the person of a Queensland White Card.

6. Definitions
 

In this Order all terms and definitions are consistent with the terms and definitions contained in the Occupational Health and Safety Act 2000 and Occupational Health and Safety Regulation 2001.

**OCCUPATIONAL HEALTH AND SAFETY  
REGULATION 2001  
(Clause 348)**

Exemption Order No. 004/09

I, JOHN WATSON, General Manager, Occupational Health and Safety Division, of the WorkCover Authority of New South Wales, pursuant to Clause 348 of the Occupational Health and Safety Regulation 2001, make the following Order.

Dated this 26th day of May 2009.

John Watson,  
General Manager,  
Occupational Health and Safety Division,  
WorkCover Authority of New South Wales

Occupational Health and Safety Regulation 2001  
Exemption Order No. 004/09

1. Name of Order

This Order is the Occupational Health and Safety Regulation 2001 Exemption Order No. 004/09.

2. Commencement

1. This Order commences on the date of its gazettal, and has effect for a period of five years from that date.
2. The version of this Order that was gazetted on 22 May 2009 (in *New South Wales Government Gazette* No. 75, at pages 2322 and 2323), is revoked upon commencement of this Order.

3. Exemption

1. The Australian Gas Association, ABN 98004206044, ("AGA") is hereby exempted from clauses 129(b), 136(9) and 140(2) of the Occupational Health and Safety Regulation 2001 ("Regulation") to the extent that those clauses (directly or indirectly) require AGA to grant certificates of conformity only to gas cylinder test stations in Australia, as required by clause 3.22.1 of AS 2030.1 and clause 1.3.3 of AS 2337.1. This exemption is subject to the conditions in Part A of Schedule 1.
2. A Prescribed Tester is hereby exempted from clauses 129(b), 136(9) and 140(2) of the Regulation to the extent that those clauses (directly or indirectly) require that certificates of conformity be granted only to gas cylinder test stations in Australia, as required by clause 3.22.1 of AS 2030.1 and clause 1.3.3 of AS 2337.1. This exemption is subject to the conditions in Part A of Schedule 1.
3. A Prescribed User is hereby exempted from clauses 129(b), 136(9) and 140(2) (as the case may be) of the Regulation to the extent that those clauses (directly or indirectly) require that certificates of conformity be granted only to gas cylinder test stations in Australia, as required by clause 3.22.1 of AS 2030.1 and clause 1.3.3 of AS 2337.1. This exemption is subject to the conditions in Part B of Schedule 1.

4. Definitions

In this Order:

"Act" means the Occupational Health and Safety Act 2000.

"AS 2030" means Australian Standard AS 2030 – Gas Cylinders.

"AS 2337" means Australian Standard AS 2337 – Gas Cylinder Test Stations.

"Gas cylinder" has the same meaning as in the Regulation.

"Gas cylinder test station" means a facility which performs inspection and testing of gas cylinders according to the requirements of AS 2337, and includes an integrated gas cylinder test station.

"Integrated gas cylinder test station" means a test station located within a gas cylinder manufacturing facility, which is also accredited to perform inspection of the manufacturing process.

"MP 48" means the document of that title published by Standards Australia Limited from time to time.

"Prescribed Tester" means a person who has received a certificate of conformity from AGA in relation to a gas cylinder test station that is located outside Australia and is operated by that person.

"Prescribed User" means a person who:

- (a) hires or leases a gas cylinder to another person (within the meaning of clause 129(b) of the Regulation),
- (b) owns a gas cylinder affecting public safety (within the meaning of clause 136(9) of the Regulation, or
- (c) is an employer (within the meaning of clause 140(2) of the Regulation) who must ensure that a gas cylinder complies with AS 2030 Parts 1, 2 and 4 and is inspected and maintained as required by AS 2030 Parts 1, 2 and 4.

"Regulation" means the Occupational Health and Safety Regulation 2001.

"WorkCover NSW" means the WorkCover Authority of New South Wales.

#### 5. Other laws not affected

Nothing in this Order affects any other applicable requirement imposed by the Regulation, the Act or any other law in relation to the matters connected with this Order.

#### 6. Status of certain previous exemption orders

For the avoidance of doubt, exemption orders 021/007 and 005/08 are not affected by this Order.

### SCHEDULE 1

#### Part A – Conditions applicable to AGA and Prescribed Testers

The exemption applying to AGA and a Prescribed Tester under this Order is subject to the following conditions:

1. The design of a gas cylinder which is tested by the Prescribed Tester has been registered in accordance with clause 107 of the Regulation.
2. The Prescribed Tester has received a current certificate of conformity granted by AGA.
3. The Prescribed Tester's identification stamp mark has been advised to Standards Australia Limited for listing in the next publication of MP48.
4. AGA must:
  - (a) maintain a current register of all Prescribed Testers and

- (b) make available, on request, details contained in the register to a regulatory authority (including WorkCover NSW).

5. The gas cylinders tested by a Prescribed Tester must be acceptable for sale in the country of manufacture as well as in Australia.
6. Documentation, in the English language, required by AS 2030.1 must be available in Australia in relation to the gas cylinders tested by the Prescribed Tester.
7. The Prescribed Tester must remain compliant with Appendix E of AS 2337.1.
8. AGA must continue to be permitted by a recognized body (within the meaning of AS 2337.1) to grant certificates of conformity to gas cylinder test stations.

#### Part B – Conditions applicable to Prescribed Users

The exemption applying to a Prescribed User under this Order is subject to the condition that the Prescribed User ensures that any gas cylinder to which the exemption applies bears an identification stamp mark which indicates that the gas cylinder has been tested by a Prescribed Tester.

### SUBORDINATE LEGISLATION ACT 1989

#### Registered Clubs Regulation 2009

THE Department of the Arts, Sport and Recreation proposes to recommend to the Minister for Gaming and Racing that the Registered Clubs Regulation 2009 be made.

The primary objective of the proposed Regulation is to provide for certain matters that are required to be prescribed for the purposes of the Registered Clubs Act 1976. The Regulation will support the operation of the Act.

The proposed Regulation remakes the existing Registered Clubs Regulation 1996, with some minor amendments.

A Regulatory Impact Statement has been prepared to discuss the detail of the proposed Regulation and its costs and benefits.

The Statement and the proposed Regulation can be obtained from the Department's website [www.olgr.nsw.gov.au](http://www.olgr.nsw.gov.au), or by email request directed to [clubs.regulation@olgr.nsw.gov.au](mailto:clubs.regulation@olgr.nsw.gov.au), or by contacting the Department on (02) 9995 0453.

Comments and submissions will be accepted until 5:00 p.m., on Wednesday, 1 July 2009.

**SUBORDINATE LEGISLATION ACT 1989**

NSW Sporting Injuries Committee

Sporting Injuries Insurance Regulation 2009

A new Regulation is proposed to provide greater access to benefits for insured sporting organisations under the Sporting Injuries Insurance Act 1978. It is proposed to increase the reimbursement of funeral expenses from \$4,560 to \$9,000 and to reduce the level of permanent loss that is required to be suffered for a person to be eligible for a benefit in respect of the permanent loss of use of a limb from 33% to 30% and for permanent loss of hearing in both ears from 11% to 10%. The new Regulation will replace the current Regulation.

The proposed Regulation and Regulatory Impact Statement are available from the Sporting Injuries Committee via email at [contact.us@sportinginjuries.com.au](mailto:contact.us@sportinginjuries.com.au) or by phoning (02) 4321 5392.

Comments and submissions on the new Regulation are welcomed and must be received by the NSW Sporting Injuries Committee no later than Friday, 19 June 2009.

### BEGA SHIRE VALLEY COUNCIL

#### Expressions of Interest

Development and implementation of a Liquid Trade Waste Management System

AS part of its commitment to achieving compliance with the Best Practice Management of Water Supply and Sewerage Guidelines, Bega Valley Shire Council is currently implementing a management system for the discharge of liquid trade waste into its sewerage systems.

The successful consultant will be required to:

- Undertake initial inspections of commercial premises and provide training to Council's Scientific Research Assistant in undertaking such inspections.
- Verify existing data and confirm classification of dischargers according to Bega Valley Shire Council's Liquid Trade Waste Policy.
- Advise liquid trade waste customers of their obligations under Council's Liquid Trade Waste Policy and assist these customers with their applications for approval to discharge liquid trade waste to Council's sewerage systems including:
  - Ensuring that all required information necessary to issue approval has been included with each of the applications received by Council and identify any areas in which these applications do not conform with Bega Valley Shire Council's Liquid Trade Waste Policy
  - Liaise with applicants and/or request any additional information required to be submitted with their application.
  - Determine whether Council should issue an approval
  - Where approval is to be granted, draft the approval and associated conditions as specified in the Department of Water & Energy Liquid Trade Waste Management Guidelines.
- Determine if there is existing approval to discharge liquid trade waste to Council's sewerage system and liaise with Council's Environmental Scientist and/or the Scientific Research Assistant to determine if a new application is necessary.
- Develop the system for charging liquid trade waste customers within Council's "Civica Authority" Local Government Information Management System.

A local presence will be required to undertake the work outlined above. Office space will be made available to the successful Tenderer.

You can collect a copy of the EOI documents from Council's office in Zingel Place, Bega, or phone Council on (02) 6499 2222.

Expressions of Interest will be accepted until the close of business on Friday, 3 July 2009 and can either be hand delivered to Council's office in Zingel Place, Bega or mailed to:

#### LAKE MACQUARIE CITY COUNCIL

##### Erratum

IN the notification appearing in the *New South Wales Government Gazette* of the 8 May 2009, folio 2225, under the heading of "Renaming of Roads" and detailing the new road name of "Colleen Lane" in the suburb of Wyee, the "Location/Description" was incorrect. The "Location/Description" should read as follows:

The Crown road between Lots 186, 187, 429, 472 and 473, starting at the prolongation of the south-eastern boundary of Lot 186, DP 755242 and heading generally in a westerly and north-westerly direction for approximately 410m for termination at the boundary of Lot 472, DP 755242.

This erratum now amends the error with the gazettal date remaining 8 May 2009. BRIAN BELL, General Manager, Lake Macquarie City Council, Box 1906, Hunter Region Mail Centre NSW 2310. [4636]
