1.3. Interpretation

1.3.1. In these Rules, unless the context requires another meaning:

(a) a reference to:

(i) the singular includes the plural and vice versa;

(ii) a document (including these Rules) is a reference to that document as amended from time to time;

(iii) a person includes:

(A) an individual, company, other body corporate, association, partnership, firm, joint venture, trust or government agency;

(B) the person's successors, permitted assigns, substitutes, executors and administrators;

(iv) a law includes any legislation, judgment, rule of common law or equity or rule of any applicable stock exchange, and is a reference to that law as amended, consolidated, supplemented or replaced and includes a reference to any regulation, by-law or other subordinate legislation;

(v) time is to Sydney time; and

(b) if a payment or other act must (but for this clause) be made or done on a day that is not a Business Day, then it must be made or done on the next Business Day.

1.3.2. The *Interpretation Act 1987* applies to these Rules and, in the event of inconsistency between clause 1.3.1 and the *Interpretation Act 1987*, that Act prevails.

1.4. Recourse to Fund

1.4.1. All references in these Rules to payments "to the Fund" and "from the Fund" are references to payments to be made to or by the Fund Administrator (or the Fund Manager on behalf of the Fund Administrator) into, or from, the Fund.

1.4.2. If, on any day, the moneys standing to the credit of the Fund (including, subject to clause 6.8, moneys required to be paid into the Fund on that day) in excess of the Reserve are less than the aggregate of all amounts to be paid on that day from the Fund, including any amounts previously due to be paid from the Fund, but not paid by reason of the operation of this clause 1.4:

(a) any liabilities, costs or expenses payable from the Fund under Part 8 on that day must be paid before any other payments from the Fund on that day;

- (b) any moneys payable from the Fund under Part 2 on that day must be paid after, and subject to, the payment of the moneys described in paragraph (a) and before any other payments from the Fund on that day;
- (c) the amount to be paid to each Non-Defaulting Participant from the Fund on the relevant day shall be the amount that bears the same relationship to the aggregate of:
 - (i) the amount otherwise due to be paid to the Non-Defaulting Participant on the relevant day from the Fund; and
 - (ii) any amount due to be paid to that Non-Defaulting Participant from the Fund on any previous days but not paid by reason of the previous application of this clause 1.4 which remains outstanding,

as the moneys standing to the credit of the Fund on that day (after deducting the liabilities, costs and expenses described in paragraph (a)) in excess of the Reserve bears to the aggregate of:

- (iii) all amounts due to be paid to all Non-Defaulting Participants from the Fund on that day; and
 - (iv) the aggregate of all amounts due to be paid to all Non-Defaulting Participants from the Fund on any previous days but not paid by reason of the previous application of this clause 1.4 which remain outstanding; and
- (d) no moneys shall be paid to any Defaulting Participant while it remains a Defaulting Participant; and
 - (e) the amounts due to any Defaulting Participant and the balance of the amount otherwise due to be paid to each Non-Defaulting Participant from the Fund on the relevant day will be carried forward and paid as soon as moneys are available in the Fund, subject always to the further application of this clause 1.4.2.

1.4.3. Neither the Fund Administrator nor the Fund Manager have any obligation or liability to make any payment to any Participant other than from moneys standing to the credit of the Fund on the day that payment is due from the Fund and which are available for payment to that Participant in accordance with these Rules. Without limiting the generality of the foregoing, no Participant may take any step, make any claim or demand, give any notice or institute any proceeding against the Fund Administrator or the Fund Manager for or in respect of any moneys due and unpaid to the Participant by reason of the operation of clause 1.4.2.

1.4.4. No interest accrues or is payable in any circumstances on amounts not paid to a Participant by reason of the operation of this clause 1.4.

1.4.5. No payment will be made from the Fund (other than in respect of out-of pocket costs incurred by the Fund Manager and for which the Fund Manager is entitled to be reimbursed under Part 8) if, or to the extent, the remaining moneys standing to the credit of the Fund would be less than the Reserve.

1.4.6. The provisions of this clause 1.4 prevail over anything else in these Rules.

1.5. Participants

1.5.1. Rights and obligations under these Rules vest in, and are imposed upon, any person that is a standard retail supplier by force of such person becoming a standard retailer supplier from the time such person became a standard retail supply until, subject to clause 1.5.2, the time that person ceases to be a standard retail supplier.

1.5.2. If a person ceases to be a standard retail supplier, all rights and obligations of that person under these Rules terminate, and these Rules are no further force or effect, on and from the end of the *trading interval* in which that person ceased to be a standard retail supplier, but without prejudice to rights and obligations of that person arising under these Rules in respect of electricity supplied to that standard retail supplier on or before that time.

1.5.3. If a person becomes a standard retail supplier, rights and obligations under these Rules accrue to such person on and from the commencement of the *trading interval* in which that person first supplies electricity to small retail customers.

1.5.4. As at the Effective Date, there are three standard retail suppliers, each in respect of separate supply districts. If, at any time and by reason of any:

(a) sale, transfer or other reorganisation or transaction affecting any of the assets or business of a standard retail supplier; or

(b) variation to any conditions or endorsements of a retail supplier's licence;

the supply district for a standard retail supplier, or the customers of a standard retail supplier, is or are divided or reallocated so that more than one person is, or another person becomes, a standard retail supplier in respect of part of that original supply district or some of those customers, then, for the purpose of these Rules and for the avoidance of doubt, each such person or that person (as the case may be) is a standard retail supplier for such part of the original supply district and/or for those customers.

PART 2 Standard retail suppliers' payments to and from the Fund

2.1. Settlement Amount for standard retail suppliers

2.1.1. The Settlement Amount (*Settlement Amount*) for a standard retail supplier in respect of a Settlement Period is the net amount payable by or to that standard retail supplier to or from the Fund for that week determined in accordance with clauses 2.1.3 and 2.1.4. If the Settlement Amount is a positive number, a payment of that amount must be made by the standard retail supplier to the Fund. If the Settlement Amount is a negative number a payment of that amount must be made from the Fund to the standard retail supplier, subject always to clause 1.4.

2.1.2. The Settlement Amount for a standard retail supplier is determined by the application of the formulae contained in this Part 2. The formulae reflect the following principles but in the event of any inconsistency between these principles and the formulae contained in this Part 2, the formulae prevail:

- (a) the relevant load for the purpose of determining payments to a standard retail supplier under these Rules (*ETEF Load*) is the load for the relevant *trading interval* metered at all TNIs associated with the standard retail supplier and located in (subject to paragraph (d)) the New South Wales region of the NEM less:
 - (i) the First Tier Negotiated Load of the standard retail supplier; and
 - (ii) the *second tier load* metered at those TNIs
 plus the ROLR Load (except to the extent already counted under paragraph (a)) wherever metered;
- (b) the ETEF Load is then multiplied by *transmission loss factors* and then by the difference between the REC and *spot price*;
- (c) the results for each *trading interval* in the Settlement Period are aggregated and multiplied by the factors set out in clause 2.1.3, reflecting the reduction in coverage provided by the Fund over time;
- (d) ETEF Load includes load for the relevant *trading interval* metered at TNIs outside the New South Wales region of the NEM where that load is attributable to customers supplied by a standard retailer supplier (pursuant to exemptions from, or other arrangements in respect of, laws otherwise applicable outside New South Wales) as if the customer was a small retail customer in New South Wales. In relation to such load, the FSA will be determined as if PP(i) was determined at the regional reference node of the region of the NEM in which the customer is located and not at the New South Wales regional reference node, but otherwise as provided in clause 2.1.4.

2.1.3. The Settlement Amount for standard retail supplier r , for Settlement Period w , is calculated as follows:

$$SA(r, w) = \alpha \cdot FSA(r, w)$$

Where FSA is the Full Settlement Amount determined under clause 2.1.4 without regard to this clause 2.1.3 and α is a constant that is defined as follows:

Dates	Until 3/7/2010	4/7/2010- 2/10/2010	3/10/2010- 1/1/2011	2/1/2011 – 2/4/11	3/4/11 – 30/6/11	1/7/2011 onwards
α	1.0	0.8	0.6	0.4	0.2	0.0

The factor α applies from and including the first *trading interval* in the relevant period to and including the last *trading interval* in the relevant period.

2.1.4. Subject to clause 2.1.6, the Full Settlement Amount (FSA) for standard retail supplier r , for Settlement Period w , is calculated as follows:

$$FSA(r, w) = \sum_{i \in w} FSA(r, i)$$

where:

- (a) w is the set of all *trading intervals*, i , that fall within the relevant Settlement Period; and
- (b) the FSA for standard retail supplier r , in interval i , is the sum of the FSA for all of the TNIs associated with standard retail supplier r as described in clause 2.1.2(a):

$$FSA(r, i) = \sum_{TNIR(t)=r} FSA(t, i)$$

- (c) the full settlement amount for a standard retail supplier r , for a single *trading interval* i , at TNI t , is:

$$FSA(t, i) = [REC(r, i) - PP(i)].TLF(t).LR(t, i)$$

- (d) the ETEF Load (LR), for a single *trading interval* i , at TNI t , is the metered load at the TNI, less the First Tier Negotiated Load and the *second tier customer load* at that TNI plus the ROLR Load:

$$LR(t, i) = LTNI(t, i) - LT1(t, i) - LT2(t, i) + ROLR Load(i)$$

- (e) *second tier load* for *trading interval* i , at TNI t , is:

$$LT2(t, i) = \sum_{NMITNI(n)=t} LNMI(n, i).DLF(n)$$

2.1.5. For the avoidance of doubt, no payments are due to the Fund from standard retail suppliers or from the Fund to standard retail suppliers in respect of, and nothing in this Part 2 applies in relation to, any supplies of electricity other than ETEF Load.

2.1.6. If, in a *trading interval*, a standard retail supplier supplies ROLR Customers, the FSA for that standard retail supplier shall have two components, as follows:

- (a) a component calculated in accordance with clause 2.1.4 solely in respect of ROLR Load attributable to ROLR Customers outside of the supply district of

the standard retailer, where the relevant REC is determined as provided in clause 4.2.5(a), to the intent that clause 2.1.4 applies as if LR was solely the ROLR Load attributable to those ROLR Customers and REC was the amount determined under clause 4.2.5(a); and

- (b) a component calculated in accordance with clause 2.1.4 in respect of all other ETEF Load where the relevant REC is determined as provided in clause 4.2.5(b), to the intent that clause 2.1.4 applies as if LR was solely the ETEF Load other than the ROLR Load referred in paragraph (a).

and FSA for the purpose of these Rules is the aggregate of both such components.

PART 3 Electricity generators' payments to and from the Fund

3.1. Electricity generator payments to the Fund

3.1.1. Electricity generators must make payments to the Fund (calculated in accordance with clause 3.1.2) on any day in which the aggregate of the moneys standing to the credit of the Fund at the commencement of that day and all payments to the Fund required on that day under the Rules (other than from electricity generators pursuant to this clause 3.1.1) is less than the aggregate of all payments to be made from the Fund on that day. The Fund Administrator will notify electricity generators of the amount they are required to pay on a day according to the timetable outlined in Table 2.

3.1.2. Electricity generator g must pay the Fund, for the Settlement Period w :

$$C(g, w) = C(w) \cdot \frac{GR(g, c)}{GR(c)}$$

where:

- (a) C is the payment required from electricity generator g for Settlement Period w ;
- (b) c is the set of all *trading intervals* since the first *trading interval* on the day of the last payment by electricity generators to the Fund under clause 3.1.1 to the last *trading interval* in Settlement Period w ;
- (c) $C(w)$ is the total amount of all payments required for the Settlement Period from all electricity generators to the Fund calculated as:

$$C(w) = \text{MAX}\{0, -[\text{Fund}(w) + \text{SA}(w)]\}$$

- (d) the revenue of an electricity generator for a given *generation unit* u , and *trading interval* i is:

$$GR(u, i) = \text{MAX}\{0, [\text{PP}(i) - \text{REC}(i)] \cdot \text{TLF}(u) \cdot \text{O}(u, i)\}$$

- (e) $\text{REC}(i)$ is determined in accordance with Part 4;
- (f) the revenue from all *generating units* u of an electricity generator g for *trading interval* i is aggregated as:

$$GR(g, i) = \sum_{GP(u)=g} GR(u, i)$$

- (g) the revenue from all generating units of electricity generator g for the period c is:

$$GR(g, c) = \sum_{i \in c} GR(g, i)$$

- 3.2. Payments from the Fund to electricity generators
- 3.2.1. Amounts paid by electricity generators in accordance with clause 3.1 are repayable in accordance with this clause 3.2 but not otherwise.
- 3.2.2. Electricity generators are entitled to a payment from the Fund on any day on which the aggregate of all payments to the Fund on that day exceeds the aggregate of all payments due from the Fund on that day other than payments to electricity generators under this clause plus the Reserve (such excess being called the *Surplus* in this clause 3.2).
- 3.2.3. The amount to which an individual electricity generator is entitled under clause 3.2.2 is the amount that bears the same relationship to the Surplus on the relevant day (after making all payments due from the Fund on that day) as the aggregate of all payments made by that electricity generator under clause 3.1 and which have not been repaid bears to the aggregate of all payments by all electricity generators under clause 3.1 which have not been repaid.
- 3.2.4. All amounts paid to an electricity generator under clause 3.2 must be applied in and towards repayment of all amounts paid by that electricity generator under clause 3.1 and if more than one amount has been paid by that electricity generator under clause 3.1, in and towards the oldest such payments first.
- 3.2.5. For the avoidance of doubt:
- (a) amounts paid by electricity generators under clause 3.1 do not bear interest;
 - (b) any amounts paid by electricity generators which have not been repaid on or before the date on which payments are due in respect of the Settlement Period in which the Closing Date falls are never repayable and, on the Closing Date, repayment by the Fund to the electricity generators shall be deemed to have been forgiven.

PART 4 Determination of Regulated Energy Cost

4.1. Introduction

The purpose of the Fund is to shield standard retail suppliers, so far as reasonably possible, from the difference between the amount that is assumed, in the Determination, to be the wholesale energy purchase cost and the *spot price* actually payable by standard retail suppliers to AEMO.

4.2. The Regulated Energy Cost

- 4.2.1. The Regulated Energy Cost (***Regulated Energy Cost*** or ***REC***) is, in relation to a standard retail supplier, for every *trading interval* from and including the *trading interval* commencing at 12.00am on July 1, 2010 to and including the *trading interval* ending at 12.00am on July 1, 2011, the amounts notified in writing by the Fund Administrator to that standard retailer supplier, or to the person who was the standard retailer in respect of the same or substantially the same supply district, on or before July 1, 2010.
- 4.2.2. The amounts notified by the Fund Administrator under clause 4.2.1 will include separate amounts in respect of *trading intervals* falling in Peak Periods and in respect of *trading intervals* falling in Off-Peak Periods.
- 4.2.3. Notwithstanding anything else contained in these Rules, if a standard retailer supplies any ROLR Customers in a *trading interval* then, for the relevant trading interval, the REC for the relevant standard retail supplier is:
 - (a) in respect of ROLR Customers at premises located within the supply district of the standard retail supplier to whom the relevant last resort supply event occurred, the REC that would have been the REC, determined in accordance with this Part 4, of that standard retail supplier if that standard retail supplier had supplied the those ROLR Customers in the relevant *trading interval*;
 - (b) in respect of all other ETEF Load, the REC determined in accordance with this Part 4 for the relevant standard retail supplier.

PART 5 Timing of payments to and from the Fund

5.1. Timing of standard retail suppliers payments to and from the Fund

- 5.1.1. Subject to clause 5.1.3, payments to and by standard retail suppliers under these Rules must occur in accordance with the AEMO timetable for settlement, as specified in the National Electricity Rules. The current AEMO settlement timetable provides for the settlement week to begin the trading interval ending 12:30 am on Sunday morning, and includes 336 trading intervals (7 days times 48 intervals = 336 intervals).
- 5.1.2. In accordance with the current AEMO settlement timetable, Fund Settlements occur as stated in Table 1, it being acknowledged by Participants that the Treasurer may amend Table 1 to the extent necessary to ensure that it remains consistent with AEMO's settlement timetable.
- 5.1.3. Where a payment is required to be made by the Fund to a standard retail supplier in accordance with these Rules:
- (a) subject to paragraphs (b) and (c), that payment will be made by 9.30am on the Business Day on which that standard retailer makes a payment to AEMO under the National Electricity Rules in respect of the relevant Settlement Period;
 - (b) paragraph (a) applies only when, at 9.30am on the Business Day that a payment would be due as provided in paragraph (a), there are sufficient moneys standing to the credit of the Fund to meet all payments due from the Fund on that Business Day, failing which payments will only be made, subject to these Rules, by 4.00pm on the Business Day on which the relevant standard retailer makes a payment to AEMO under the National Electricity Rules in respect of the relevant Settlement Period
 - (c) for the avoidance of doubt, if any payment due to the Fund is not made when due in respect of the relevant Settlement Period, the provisions of clause 1.4 will apply to the payment otherwise due to the standard retail supplier.

- 5.3.2. Participants must promptly notify the Fund Administrator of any adjustment to an initial payment and provide, or procure that AEMO provides, all such information as the Fund Administrator requires in relation to that adjustment.
- 5.3.3. The Fund Administrator must make the calculations required under this clause 5.3 as soon as reasonably practicable after being provided with all necessary information required for such calculations. The Fund Administrator may defer such calculation, and aggregate the calculations under this clause 5.3 in respect of a Settlement Period with any calculations required in respect of one or more other Settlement Periods, provided that the Fund Administrator considers that the adjustments likely to be required in respect of the Settlement Period for which the calculation is to be deferred are not material in the context of the Fund.
- 5.3.4. PART 6 Other Provisions Relating to Payments

6.1. Method of payment

- 6.1.1. Payments under these Rules will be made on the due date for value on that date to the Fund Manager's Account (in the case of payments to the Fund Manager) or to such account as a Participant has notified in writing to the Fund Manager (in the case of a payment to a Participant), in freely transferable and immediately available funds.
- 6.1.2. Without limiting clause 6.1.1, all payments to and from the Fund must be made using Austraclear.

6.2. Taxes

- 6.2.1. All payments under these Rules will be made without any deduction or withholding for or on account of any tax unless such deduction or withholding is required by any applicable law, as modified by the practice of any relevant governmental revenue authority, then in effect.
- 6.2.2. If any amount is required to be deducted or withheld in respect of tax from a payment otherwise to be made under these Rules, the payee must deduct or withhold such tax, and deal with the same in accordance with applicable law, but the payee is not otherwise required to pay any additional amounts in order to ensure that the recipient receives the full amount it would have received had no such deduction or withholding been required.

6.3. Condition Precedent to Payment

- 6.3.1. The right of a Participant to a payment from the Fund is subject to the condition precedent that no Event of Default with respect to that Participant has occurred and is continuing.

6.4. Netting

- 6.4.1. If, on any day, amounts would otherwise be payable by a Participant to the Fund and by the Fund to the Participant, the Participant's obligation to make payment of any such amount to the Fund and right to receive any such amount from the Fund will be automatically satisfied and discharged and be replaced by either an obligation to pay to the Fund, or right to receive payment from the Fund, of the amount by which the original amount payable by the Participant to the Fund exceeds the original amount payable to the Participant from the Fund (which if a positive number represents an obligation of the Participant to make a payment to the Fund and if a negative number represents a right of the Participant to receive a payment from the Fund).

6.5. Default Interest

- 6.5.1. If any amount payable by a Participant under these Rules is not paid when due, the Participant must pay interest to the Fund on such amount, or so much thereof as remains unpaid, at the Default Rate. Interest will accrue from and including the due date for payment to, but not including, the date of actual payment on the basis of the actual number of days elapsed and a 365 day year. Interest accrues from day to day and may be compounded at such intervals as the Fund Administrator determines or, if not determination has been made, at monthly intervals. Interest due by a Participant will be added to the Settlement Amount due each week from that Participant. Interest in accordance with this clause accrues and is payable after as well as before judgment.

- 6.5.2. Interest does not accrue, and is not payable, in respect of payments from the Fund.
- 6.6. Allocation of Payments
- 6.6.1. If at any time moneys are due but unpaid by a Participant to the Fund, the Fund Administrator may allocate any payment received or recovered from the Participant in or towards such moneys owing by the Participant as the Fund Administrator determines.

- 6.7.3. If any Participant has any reason to believe that it will not, or may not, make a payment due under these Rules on the date such payment is due, that Participant must promptly give notice in writing to that effect to the Fund Administrator, but such notice does not limit or restrict any rights of the Fund Administrator under these Rules in respect of any payment not made when due.
- 6.8. Refund of Payments
- 6.8.1. The Participants acknowledge and agree that:
- (a) the Fund Administrator may, but is not obliged, to give instructions for payments to be made from the Fund to a Participant in anticipation that payments will be made to the Fund by other Participants on or about the same day;
 - (b) if the Fund Administrator gives such instructions but a payment anticipated by the Fund Manager is not made to the Fund when due, the Fund Administrator may, by written notice to every Participant to whom a payment was made from the Fund, require a Participant to repay to the Fund that Participant's Pro Rata Share of the payment received by the Participant from the Fund, and each Participant must make such repayment to the Fund within one (1) Business Day following receipt of the written notice from the Fund Administrator; and
- 6.8.2. In this clause 6.8, "Pro Rata Share" means, in relation to a Participant, the amount that bears the same relation to the total amount due but not received by the Fund on or about a day as the payment made from the Fund to the relevant Participant bears to the total amount of all payments made from the Fund to all Participants on or about that day.

PART 7 Provision of information

7.1. Standard retail suppliers

7.1.1. Standard retail suppliers must provide the Fund Administrator with:

- (a) settlement information held by *AEMO*;
- (b) data on the total First Tier Negotiated Load for each *TNI t*, and *trading interval i* in Settlement Period *w* based on:
 - (i) data on the recorded electricity consumption of First Tier Negotiated Customers with interval meters with communications, for each *trading interval i*, in Settlement Period *w*;
 - (ii) data on the estimated electricity consumption of First Tier Negotiated Customers with manually read interval meters for each *trading interval i*, in Settlement Period *w*;
 - (iii) actual data on the electricity consumption of First Tier Negotiated Customers with manually read interval meters for each *trading interval i* in Settlement Period *w*, after the meters have been read;
 - (iv) profiled data on the estimated electricity consumption of First Tier Negotiated Customers with manually read aggregation meters for each *trading interval i*, in Settlement Period *w* according to the profiling procedures set out in paragraph 7.4;
 - (v) actual profiled data on the electricity consumption of First Tier Negotiated Customers with manually read aggregation meters for each *trading interval i*, in Settlement Period *w* according to the profiling procedures set out in clause 7.4, after the meters have been read;
 - (vi) data on the electricity consumption of customers for which standard retail suppliers perform off-market settlements, in *trading interval i*, and Settlement Period *w*, but only where the load settled in a one off-market settlement exceeds 5% of the relevant standard retail supplier's regulated load; and
- (c) data on the total ROLR Load for *trading interval i* in Settlement Period *w*.

7.1.2. In accordance with the *AEMO* settlement timetable, the data listed in paragraph 7.1.1 must be provided to the Fund Administrator on the seventh Business Day following the end of the Settlement Period.

7.1.4. Standard retail suppliers must notify the Fund Administrator of any change of the list of *TNIs* that lie within their supply district, within 5 Business Days of the change taking effect.

- 7.1.5. Standard retail suppliers must retain records for period of at least 12 months of all completed application forms or any other form of authorisation from small retail customers that have elected to return to a standard form customer supply contract. The customers' authorisation must include the date of receipt by the standard retail supplier and the date on which supply was actually commenced.

- 7.3.2. The information should be provided at the time the preliminary, final and revised Settlement statements are provided to Participants. The total quantity of ETEF Load will be adjusted by *transmission loss factors* and calculated as:

$$LR(i) = \sum_t LR(t, i).TLF(t)$$

- 7.4. Load estimation procedures
- 7.4.1. The First Tier Negotiated Load that is not interval metered will be estimated using Net System Load Estimation (NSLE) for each standard retail supplier.
- 7.4.2. The estimated load (in MWh at the relevant TNI) for customer *j*, retailer *r*, trading interval *i*, $EL(j, r, i)$ is calculated as:

$$EL(j, r, i) = \frac{NSL(j, r, i)}{\sum_{x=p}^q NSL(j, r, x)} \cdot ME(j, p, q) \cdot DLF(j) \text{ for all } p \leq i \leq q$$

where:

- (a) $ME(j,p,q)$ is the metered energy in (MWh) for customer j , from *trading interval p* to *trading interval q* inclusive. $ME(j,p,q)$ may be an estimated quantity until such time as the meter has been read and the meter data is available.
- (b) $NSL(j, r, i)$ is, in the Profile area of Customer j :
- the net system load profile for standard loads; and
 - the controlled load profile for controlled loads,
- for *trading interval i*.
- (c) For the purpose of paragraph 7.4.3, ‘net system load profile’, ‘standard loads’, ‘controlled load profile’, ‘controlled loads’ and ‘Profile area’ have the same meaning as in the Metrology Procedures approved by the Metrology Coordinator under the National Electricity Rules from time to time.

PRACTICE NOTE SC Eq 4

Supreme Court Equity Division – Corporations List

Introduction

1 This Practice Note relates to the new structure and operation of the Corporations List in the Equity Division.

2 All proceedings and applications in the Corporations List (except those in the Corporations Registrar's List) will be case managed by the Corporations List Judge with the aim of achieving a speedy resolution of the real issues in the proceedings. There will also be a Corporations Duty Judge available at all times to hear any urgent applications in Corporations Matters.

Commencement

3 This Practice Note was issued on 5 November 2010 and commences on 8 November 2010. It replaces former Practice Note SC Eq 4 issued on 12 April 2010.

Application

4 This Practice Note applies to new and existing Corporations Matters in the Equity Division.

Definitions

5 In this Practice Note:

Corporations Judges means the List Judge and each other Judge of the Equity Division for the time being listed to hear Corporations Matters

Corporations List means the List administered by the List Judge

Corporations Matters include any proceedings or applications pursuant to or in respect of any matter relating to the Corporations Act 2001 (Cth), the Australian Securities and Investments Commission Act 2001 (Cth), the Cross-Border Insolvency Act 2008 (Cth) or the Supreme Court (Corporations) Rules 1999 and any proceedings or applications relating to other incorporated bodies such as co-operatives and incorporated associations

List Judge means the Corporations List Judge

Corporations Registrar includes the Registrar in Equity and a Deputy or Assistant Registrar

Corporations Registrar's List means the List into which matters referred to in paragraph 11 of this Practice Note are entered

Rules means the Supreme Court (Corporations) Rules 1999

Statutory Demand cases means applications under s 459G of the Corporations Act 2001 (Cth).

Corporations Judges

6 The List Judge and at least one other Judge of the Equity Division will be listed on a continuing basis to hear Corporations matters exclusively (the Corporations Judges).

7 The identity of the Corporations Judges and the dates upon which they are listed to hear Corporations matters will be notified on the Court's Corporations Matters webpage at www.lawlink.nsw.gov.au/sc (click on Practice and Procedure on the left-hand side menu and then click the Corporations Matters link).

Corporations Duty Judge

8 A Corporations Judge will be available as the Corporations Duty Judge to deal with urgent applications in Corporations Matters.

9 Contact should be made in the first instance with the Associate to the List Judge (or the Acting List Judge in the List Judge's absence) by telephone or email (email is preferable during court hours, as the Associate can deal with emails while in court). The Associate will indicate which Corporations Judge should be approached.

Entry into the Lists

- 10 All Corporations Matters, except those mentioned in paragraph 11, will be made returnable before the List Judge in the Corporations List on Mondays.
- 11 Statutory Demand cases and matters wholly within the delegated powers of the Registrar under s 13 of the Civil Procedure Act (see Schedule 1 to this Practice Note) will be returnable in the Corporations Registrar's List on any day of the week.
- 12 Any matter to be entered in the Corporations Registrar's List must include the words "Corporations Registrar's List" prominently on the front sheet of any Originating Process or Interlocutory Process.

Schemes of Arrangement

- 13 In any proposed applications under Part 5.1 of the Corporations Act 2001 and any other matters in which it is considered commercially important to obtain definite hearing dates before filing, contact may be made with the Associate to the List Judge for those dates.

Process and Affidavits

- 14 The form of Originating Process, Interlocutory Process and affidavits in Corporations Matters are as provided for in the Rules.

Case Management

- 15 The List Judge will case manage matters in the Corporations List on Monday of each week with the aim of ensuring the speedy resolution of the real issues between the parties. Interlocutory applications will be listed at 9:30 am for the purpose of calling through the matters in that list and, if appropriate, allocating a hearing time on that day before one of the Corporations Judges. Directions will be listed from 10 am.
- 16 When matters in the Corporations List, other than those matters to be heard on Mondays, are ready for the allocation of a hearing date the List Judge will fix the matter for hearing and make the Usual Order for Hearing in Annexure A to Practice Note SC Eq 1 unless the matter would be more efficiently and cost effectively prepared for hearing by making some modifications to the Usual Order for Hearing.
- 17 All matters in the Corporations Registrar's List will be listed on each day of the week at 9.00 am.
- 18 The Court's expectation of Practitioners appearing in Corporations Matters includes that:
 - 18.1 Agreement will be reached on a timetable for the preparation of matters for trial and/or mediation and/or reference out and Consent Orders will be handed up during the directions hearing;
 - 18.2 If there is slippage in an agreed timetable, further agreement will be reached without the need for the intervention of the Court and Consent Orders will be filed with the List Judge;
 - 18.3 Requests for Court intervention in relation to timetabling will only be sought rarely when, for good reason, agreement has proved to be impossible;
 - 18.4 Trial Counsel will be briefed at the earliest possible time;
 - 18.5 Careful review of the case will be made as early as practicable for the purpose of informing the Court of its suitability for mediation, for reference out of all or some of the issues, and/or for the use of

a single expert, or a Court appointed expert or the use of an appropriate concurrent expert evidence process;

- 18.6 Agreement will be reached on the real issues in dispute between the parties so that a speedy resolution of those issues may be achieved;
- 18.7 Trial Counsel will appear at the directions hearing when the matter is set down for hearing and provide to the Court a considered opinion of the realistic estimate of the time required for trial; and if a stopwatch system for trial is to apply, a considered opinion as to the appropriate allocation of time for evidence and submissions.
- 19 To facilitate the just, quick and cheap resolution of Corporations Matters Consent Orders will be made by the List Judge in Chambers on days other than Monday by application in writing to the List Judge's Associate. When Consent Orders are to be made either in Chambers or in Court varying a timetable, it is imperative that those orders include the vacation of any date for directions hearings or the hearing of interlocutory applications that the parties no longer wish to maintain. If the proceedings settle, it is necessary to have the List Judge make Orders finalizing the litigation, rather than filing Terms or Orders with the Registry. Those orders may also be made by consent in Chambers.
- 20 The Corporations List closes at 12 noon on Friday. Any application to add a matter to the List or remove a matter from the List must be made prior to 12 noon on Friday. Such applications are to be made in writing to the List Judge's Associate.
- 21 Unless otherwise ordered paragraphs 27 to 32 of Practice Note SC Eq 3 apply to discovery in Corporations Matters.
- 22 Unless otherwise ordered paragraphs 33 to 36 of Practice Note SC Eq 3 apply to evidence in Corporations Matters.
- 23 Unless otherwise ordered paragraphs 50 to 53 of Practice Note SC Eq 3 apply to Stopwatch Hearings of Corporations Matters.
- 24 Unless otherwise ordered paragraph 56 of Practice Note SC Eq 3 applies to Proportionate Liability in Corporations Matters.
- 25 Unless otherwise ordered paragraph 62 of Practice Note SC Eq 3 applies to applications for Summary Judgment in Corporations Matters.

Statutory Demand cases

- 26 All Statutory Demand cases will be entered into the Corporations Registrar's List for case management, Consent Orders and/or if necessary, referral to the List Judge.
- 27 The parties to a Statutory Demand case must agree on a timetable that makes it ready for hearing promptly after its first return date before the Corporations Registrar.
- 28 A plaintiff in a Statutory Demand case must include in its outline of submissions:
 - (a) in a genuine dispute case under s 459H(1)(a), a succinct statement of:
 - (i) its understanding of the basis on which the debt is alleged by the defendant to be owing, due and payable in the amount stated in the demand; and

- (ii) why that basis is disputed; and
- (b) in an offsetting claim case under s 459H(1)(b), a succinct statement of:
 - (i) the precise facts and circumstances giving rise to the claim; and
 - (ii) the amount of the claim and the way in which it is calculated.

Court Appointment of Liquidators

- 29 The arrangements outlined in Schedule 2 to this Practice Note apply to the appointment of liquidators by the Court.

Schemes of Arrangement

30. When making an order under subsection 411(1) of the Corporations Act 2001 (Cth) the Court will require that the explanatory statement or a document accompanying the explanatory statement prominently display a notice in the following form or to the following effect:

“IMPORTANT NOTICE ASSOCIATED WITH COURT ORDER UNDER SUBSECTION 411(1) OF CORPORATIONS ACT 2001 (Cth)

The fact that under subsection 411(1) of the Corporations Act 2001 (Cth) the Court has ordered that a meeting be convened and has approved the explanatory statement required to accompany the notices of the meeting does not mean that the Court:

- (a) has formed any view as to the merits of the proposed scheme or as to how members/creditors should vote (on this matter members/creditors must reach their own decision); or
- (b) has prepared, or is responsible for the content of, the explanatory statement.”

SCHEDULE 2**COURT APPOINTMENT OF LIQUIDATORS**

The Registrar maintains a list of registered official liquidators who have consented in writing to accept all appointments as liquidator made by the Court. This list is sorted alphabetically by firm for liquidators located in metropolitan Sydney, and by individuals located in regional centres;

The plaintiff in winding-up proceedings may nominate for appointment a registered official liquidator whose name appears in the Court's list. A nomination is effected by filing with the originating process a consent in Form 8 of the Rules, signed by the nominee, certifying that he or she is not aware of any conflict of interest or duty and making proper disclosure of fee rates, and serving it in accordance with Rule 5.5(3)(b);

The Court appoints the plaintiff's nominee in the normal case, but is not obliged to do so. An obvious ground for the Court declining to appoint the plaintiff's nominee is that the Court considers there is an actual or potential conflict between the duties of a liquidator and the nominee's personal interest or some other duty (for example, a person who has acted as receiver and manager of the company for a secured creditor will almost never be appointed liquidator);

Unless the consent in proper form of a registered official liquidator whose name appears in the Court's list is filed with the originating process for winding up, the Registry will select a liquidator by rotation from the Court's list. The plaintiff must obtain the consent in proper form of the liquidator selected by the Court, and file and serve that consent in accordance with Rule 5.5(3);

If the liquidator declines to consent to the appointment (which the liquidator may do, after having given his or her consent to accept all court appointments, only on grounds such as conflict of interest), the plaintiff must:

Nominate a registered official liquidator, whose name appears on the Court's list, by filing and serving the liquidator's consent in accordance with Rule 5.5(3); or approach the Registry for selection of another liquidator by rotation, and then file and serve that liquidator's consent in accordance with Rule 5.5(3).

ENVIRONMENT PROTECTION AUTHORITY

Declaration of significantly contaminated land

(Section 11 of the Contaminated Land Management Act 1997)

Declaration Number 20101116; Area Number 3288

THE Environment Protection Authority (EPA) declares the following land to be significantly contaminated land under the Contaminated Land Management Act 1997 ("the Act"):

1. Land to which this declaration applies ("the site")

This declaration applies to the land that is located at 61 Railway Avenue, Gunnedah, NSW (Lot 1 in DP814399 within the local Government Area of Gunnedah Shire Council) and to part of Railway Avenue to the north of 61 Railway Avenue. The land to which this declaration applies is shown on the attached figure.

2. Nature of contamination affecting the site:

The EPA has found that the site is contaminated with the following substances ("the contaminants"):

- Petroleum Hydrocarbons (TPH);
- Benzene, Toluene, Ethylbenzene and Xylene (BTEX); and
- Polycyclic Aromatic Hydrocarbons (PAHs).

3. Nature of harm that the contaminants may cause:

The EPA has considered the matters in s.12 of the Act and for the following reasons has determined that the land is contaminated and that the contamination is significant enough to warrant regulation under the Act:

- The groundwater is contaminated with separate phase and dissolved phase hydrocarbons at concentrations exceeding beneficial use criteria; and
- The contaminated groundwater may continue to migrate towards adjoining lands, residential areas and ultimately the Namoi River.

4. Further action under the Act

The making of this declaration does not prevent the carrying out of voluntary management of the site and any person may submit a voluntary management proposal for the site to the EPA. If the proposal satisfies the requirements of s.17 of the Act, the EPA may agree not to issue a management order to the person or persons bringing the proposal.

5. Submissions invited

The public may make written submissions to the EPA on:

- Whether the EPA should issue a management order in relation to the site; or
- Any other matter concerning the site.

Submissions should be made in writing to:

Manager Contaminated Sites
Department of Environment, Climate Change and Water
PO Box A290
SYDNEY SOUTH NSW 1232
or faxed to 02 9995 5930
by not later than 3 December 2010.

NIALL JOHNSTON,
Manager Contaminated Sites
Department of Environment, Climate Change and Water

Date: Signed 5/11/2010.

NOTE:**Management order may follow**

If management of the site or part of the site is required, the EPA may issue a management order under s.14 of the Act.

Amendment/Repeal

This declaration may be amended or repealed. It remains in force until it is otherwise amended or repealed. The subsequent declaration must state the reasons for the amendment or repeal (s.44 of the Act).

Information recorded by the EPA

Section 58 of the Act requires the EPA to maintain a public record. A copy of this significantly contaminated land declaration will be included in the public record.

Information recorded by councils

Section 59 of the Act requires the EPA to give a copy of this declaration to the relevant local council. The council is then required to note on its planning certificate issued pursuant to s.149 (2) of the Environmental Planning and Assessment Act that the land is declared significantly contaminated land. The EPA is required to notify council as soon as practicable when the declaration is no longer in force and the notation on the s.149 (2) certificate is no longer required.

Relationship to other regulatory instrument

This declaration does not affect the provisions of any relevant environmental planning instruments which apply to the land or provisions of any other environmental protection legislation administered by the EPA.
