PLANT DISEASES ACT 1924

PROCLAMATION P210

PROCLAMATION to regulate the importation, introduction and bringing into specified parts of New South Wales of certain fruit originating from or which has moved through other specified parts of New South Wales on account of an outbreak of Queensland fruit fly at Beelbangera, New South Wales.

Her Excellency Professor MARIE BASHIR, AC, CVO,
Governor

I, Professor MARIE BASHIR, AC, CVO, Governor of the State of New South Wales, being of the opinion that the importation, introduction or bringing of Host Fruit into specified portions of New South Wales is likely to introduce the pest Queensland fruit fly (*Bactrocera tryoni*) into New South Wales, with the advice of the Executive Council and pursuant to section 4 (1) of the Plant Diseases Act 1924 ("the Act"), do by this Proclamation regulate the importation, introduction or bringing of Host Fruit into specified portions of New South Wales as follows:

1. Host Fruit that originates from or has moved through the:
 - (a) Outbreak Area must not be imported, introduced or brought into the Suspension Area; and
 - (b) Outbreak Area or the Suspension Area must not be imported, introduced or brought into the Outer Area.
2. Paragraph 1 does not apply if:
 - (a) in the case of Host Fruit originating in the Outbreak Area or the Suspension Area and moving to the Outer Area, the Host Fruit:
 - (i) remains under secure conditions from postharvest to the time of dispatch and transport, except when impractical during packing and grading activities; and
 - (ii) is treated in the manner specified in Schedule 5 prior to moving out of the Outbreak Area or the Suspension Area; and
 - (iii) if destined for a packing facility in the Outer Area, is kept segregated throughout the packing process and labelled to ensure that it is not mixed with any untreated Host Fruit which has originated from within the Outer Area; and
 - (iv) is accompanied by a Plant Health Certificate or a Plant Health Assurance Certificate specifying the origin of the Host Fruit and certifying that paragraphs 2 (a) (i), (ii) and (iii) have been satisfied; and
 - (b) in the case of Host Fruit originating in the Outbreak Area or the Suspension Area and moving to a facility in the Outer Area for processing (including grapes for wine making), the Host Fruit:
 - (i) remains under secure conditions from postharvest to the time of dispatch and transport, except when impractical during packing and grading activities; and
 - (ii) is transported and processed in the manner specified in Schedule 6; and
 - (iii) is accompanied by a Plant Health Certificate or a Plant Health Assurance Certificate specifying the origin of the Host Fruit and certifying that paragraphs 2 (b) (i) and (ii) have been satisfied; and
 - (c) in the case of Host Fruit originating in the Outer Area and moving through the Outbreak Area or the Suspension Area for processing or packing at a facility located in the Outer Area, the Host Fruit is:
 - (i) securely transported to the processing or packing facility; and
 - (ii) accompanied by a Plant Health Certificate or a Plant Health Assurance Certificate specifying the origin of the Host Fruit and certifying that paragraph 2 (c) (i) has been satisfied; and
 - (d) in the case of Host Fruit originating in the Outer Area and moving to a packing facility within the Outbreak Area or the Suspension Area for packing prior to export:
 - (i) the Host Fruit is transported into and managed within the Outbreak Area or the Suspension Area in the manner specified in Schedule 7; and
 - (ii) the Host Fruit is accompanied by a Plant Health Certificate or a Plant Health Assurance Certificate certifying that:
 - (A) the property the Host Fruit was sourced from is in the Outer Area; and
 - (B) the property the Host Fruit was sourced from is currently the subject of an Area Freedom Certificate in respect of Queensland fruit fly; and
 - (C) paragraph 2 (d) (i) has been satisfied; and
 - (iii) where the consignment of the Host Fruit is to be re-consigned or split, the Plant Health Certificate or the Plant Health Assurance Certificate is endorsed by an inspector or a person authorised pursuant to section 11 (3) of the Act.
3. Any covering or packaging containing Host Fruit that is being moved in accordance with paragraph 2 must comply with the conditions specified in Schedule 8.
4. A Plant Health Certificate or a Plant Health Assurance Certificate referred to in paragraph 2 must be produced on demand to an inspector or a person authorised pursuant to section 11 (3) of the Act.

WATER ACT 1912, PART 9

Review of Delta Electricity's water management licence

Submissions are invited from the public to assist with the review of Delta Electricity's water management licence.

THE licence regulates Delta's access to bulk water from the Coxs River and provides for environmental flow releases from Lyell Dam for the long term sustainable health of the Coxs River.

The purpose of the review is to assess licence provisions and activities of the licence holder during the period July 2005 to June 2010, being the second five-year term of the licence. On successful completion of the review, the Minister for Water can extend the term of the licence by a further five years.

A copy of the current licence and annual compliance reports for the past five years may be obtained from the following locations:

- Website www.water.nsw.gov.au Under Water Licensing > Corporate licences
- Penrith office of NSW Office of Water, 2-6 Station Street, ph 02 4729 8138

Closing date for submissions is Friday 25 June 2010.

Submissions can be forwarded by:

Post: Delta Licence Review
Corporate Licensing Unit

PESTICIDES ACT 1999

Pesticide Control Order Under Section 38

Name

1. This Order is to be known as the Pesticide Control (Avicide Products) Order 2010.

Commencement

2. This Order commences on publication in the NSW Government Gazette, except for clause 9 (c) (ii) which commences on 1 July 2010 or 28 days after the Order is published in the *NSW Government Gazette*, whichever is later.

Authority for Order

3. This Order is made by the Environment Protection Authority with the approval of the Minister for Climate Change and the Environment under Part 4 of the Pesticides Act 1999.

Objects

4. The objects of this Order are to:
 - (a) Authorise those persons described in condition 8 to use 4-aminopyridine, alphachloralose and fenthion products that are approved by the APVMA for the control of birds in NSW; and
 - (b) Specify the manner in which 4-aminopyridine, alphachloralose and fenthion bird control products may be used in NSW.

Background

5. A chemical product used for the purpose of bird control that contains 4-aminopyridine or alphachloralose or fenthion has been declared to be a "restricted chemical product" as set out in Regulation 45 of the Agricultural and Veterinary Chemicals Code Regulations 1995 (Cth).

Section 94 of the Agvet Code provides that "A person must not, without reasonable excuse, supply a restricted chemical product, or cause or permit a restricted chemical product to be supplied, to a person who is not authorised to use the product under another law of this jurisdiction".

In NSW section 4 of the Pesticides Act 1999 provides that a "restricted pesticide" means a pesticide that is a restricted chemical product within the meaning of the Agvet Code. Section 17 of the Pesticides Act provides that a person must not use or possess a restricted pesticide unless authorised to do so by a certificate of competency or a pesticide control order.

Application

6. This Order authorises the use of 4-aminopyridine, alphachloralose or fenthion products that are approved for use on birds in NSW by the APVMA, subject to the conditions specified in this Order.

Definitions

7. In this Order –

4-aminopyridine product means any product that contains 4-aminopyridine as its only active constituent, has been registered by the APVMA and approved, by way of label instruction or APVMA permit, for the control of birds in NSW. It also includes any bait material produced from the use of such a product.

Agvet Code means the Code applying because of section 5 of the Agricultural and Veterinary Chemicals (New South Wales) Act 1994.

Alphachloralose product means any product that contains alphachloralose as its only active constituent, has been registered by the APVMA and approved, by way of label instruction or APVMA permit, for the control of birds in NSW. It also includes any bait material produced from the use of such a product.

Apply means apply, spread or disperse the pesticide.

APVMA means the Agricultural Pesticides and Veterinary Medicines Authority established by the Agricultural and Veterinary Chemicals (Administration) Act 1992 of the Commonwealth.

APVMA permit means a permit granted by the APVMA under Part 7 of the Agvet Code and in force.

Avicide product means collectively a 4-aminopyridine product, an alphachloralose product and a fenthion product.

Bait material means material such as cereal grain or eggs or bread or meat or any other bait material specified on the approved label for a 4-aminopyridine or alphachloralose product or in an APVMA permit authorising the use of the avicide product for the control of birds.

Bird control officer means a person who:

- (a) holds a current certificate of completion, or statement of attainment, issued by DII or another Registered Training Organisation on completion of the training and assessment components of the Vertebrate Pest Management course delivered by it; and
- (b) holds at least one of the following:
 - (i) a current certificate of completion issued by PestCert Limited (ACN 115 850 872) on completion of the bird management training course delivered by it; or
 - (ii) a current certificate of completion or statement of attainment issued by DII on completion of an avicide training course delivered by it; or
 - (iii) a current certificate of completion or statement of attainment issued by a Registered Training Organisation on completion of a training course delivered by it that gives specifically contextualised training in pest bird management including training on how to identify pest birds, know and understand their behaviour, assess how to manage them and to lawfully use an avicide product to control them; and

- (c) holds a current certificate of completion or statement of attainment on completion of the training and assessment components of a Chemical Accreditation training program assessed at Australian Qualifications Framework levels 3 and 4 and that has been issued by a Registered Training Organisation in the previous 5 years in recognition of the person's satisfactory achievement of the level 4 training competencies covered by the program; and

- (d) is a member of staff of a Livestock Health and Pest Authority, DII, DECCW, or other NSW public authority and is currently employed under Chapter 1A of the Public Sector Employment and Management Act 2002 by the Government Service to enable that NSW public authority to exercise its functions.

DECCW means the Department of Environment, Climate Change and Water (NSW).

DII means the Department of Industry and Investment (NSW).

Fenthion product means any product that contains fenthion as its only active constituent, has been registered by the APVMA and approved, by way of label instruction or APVMA permit, for the control of birds in NSW.

Livestock Health and Pest Authority means a livestock health and pest authority constituted under the Rural Lands Protection Act 1998.

Registered Training Organisation has the same meaning as in the Vocational Education and Training Act 2005 (NSW).

Statement of attainment has the same meaning as in the Vocational Education and Training Act 2005 (NSW)

Use means "possession" and "use" as each of those terms are defined in the Pesticides Act 1999.

Persons authorised

8. Only the following persons are authorised to use, subject to clause 10, fenthion product:
- (a) Bird Control Officers;
 - (b) A person applying the fenthion product in connection with agricultural operations or forestry operations where that person applies the fenthion product:
 - (i) by means of hand held or hand powered equipment;
 - (ii) on no more than 12 days in the previous 12 months and on no more than 4 days in the previous month; and
 - (iii) under the direct supervision of a Bird Control Officer; or
 - (c) A person who holds each of the following:
 - (i) a current certificate of competency or recognised qualification (within the meaning of Part 9.1 of the Occupational Health and Safety Regulation 2001) in relation to the kind of work referred to in clause 11 of the Schedule to clause 266 of that Regulation; and
 - (ii) a current certificate of completion issued by PestCert Limited (ACN 115 850 872) on completion of the bird management training course delivered by it.

9. Only the following persons are authorised to use, subject to clause 10, 4-aminopyridine product and alphachloralose product:
- (a) Bird Control Officers;
 - (b) A person applying the 4-aminopyridine product or alphachloralose product in connection with agricultural operations or forestry operations where that person applies the 4-aminopyridine product or alphachloralose product:
 - (i) by means of hand held or hand powered equipment;
 - (ii) on no more than 12 days in the previous 12 months and on no more than 4 days in the previous month; and
 - (iii) under the direct supervision of a Bird Control Officer; or
 - (c) A person who holds each of the following:
 - (i) a current certificate of competency or recognised qualification (within the meaning of Part 9.1 of the Occupational Health and Safety Regulation 2001) in relation to the kind of work referred to in clause 11 of the Schedule to clause 266 of that Regulation;
 - (ii) a current certificate of completion issued by PestCert Limited (ACN 115 850 872) on completion of the bird management training course delivered by it¹.

Conditions on the use of Avicide Products

10. A person is authorised to use avicide products under clauses 8 and 9 above only if:
- (a) The approved label for the particular avicide product, or an APVMA permit, authorises the use of that avicide product for the control of birds in NSW;
 - (b) The use is in accordance with:
 - (i) the instructions on the approved label for the particular avicide product; or
 - (ii) an APVMA permit that has been granted for the use of that avicide product, including any conditions of that permit; and
 - (c) That person has obtained all relevant consents, licences or approvals necessary for each use of the avicide product, and the consequences of that use, under the legislation of NSW.

Note:

For example, the person using the avicide product must obtain a consent to harm bird species (regardless of whether it is native or protected fauna) under section 110 of the National Parks and Wildlife Act 1974. The person might also need to obtain a licence to harm, possess and dispose of a native bird species under section 120 of that Act and/or other consents, licences or approvals under the National Parks and Wildlife Act and/or under other legislation.

Application forms for consents and licences under the National Parks and Wildlife Act can be obtained from the Wildlife Licensing & Management Unit of the Department of Environment, Climate Change and Water. Contact Phone No. (02) 9585 6406 or Fax No. (02) 9585 6401.

¹ Clause 9 (c) (ii) does not commence until 1 July 2010 or 28 days after the Order is published in the *NSW Government Gazette*, whichever is later.

General Notes

Words used in this Order have the same meaning as in the Pesticides Act 1999, unless otherwise defined in this Order.

A person must not contravene this Order – maximum penalty \$120 000 in the case of a corporation and \$60 000 in the case of an individual.

SUBORDINATE LEGISLATION ACT 1987

Children (Community Service Orders) Regulation 2010

IN accordance with section 5 of the Subordinate Legislation Act 1987, notice is given of the intention to make a new Regulation under the Children (Community Service Orders) Act 1987, to be known as the Children (Community Service Orders) Regulation 2010.

This Regulation outlines conditions relating to the performance of community service orders, including maximum hours of work to be performed each day, the taking of tea breaks and meal breaks and requirements to be observed by offenders performing such work, and other matters.

A Regulatory Impact Statement (RIS) has been prepared in accordance with the Subordinate Legislation Act 1987 and it outlines the minor amendments to the Regulation, with particular reference to Clause 10 which outlines worksites which may be utilised for community service orders, including non-profit organisations.

The proposed Regulation and RIS are available from the Juvenile Justice website at www.djj.nsw.gov.au or can be obtained by contacting Legal Services, Juvenile Justice on (02) 9219 9434. Details on how to make comments or a submission on the proposed Regulation are in the RIS.

Public comments and submissions are invited by 16 June 2010.
