- (e) 50.0 tonnes.

### 4.2.2 Mass limits relating to axle spacing

The extreme axle spacing for a three-axle dog trailer with a single axle at the front and a tandem axle group at the rear of the trailer must exceed 4.3 metres.

**Example:** The extreme axle spacing for a **three axle** dog trailer, ie the distance between the centre of the first axle and the centre of the last axle, must be more than 4.3 metres.

If your trailer does not comply with this minimum axle spacing requirement, the combined weight of your truck and dog trailer and load (gross mass of the combination) **must not exceed** 42.5 tonnes.

### 4.2.3 Mass ratio

The loaded mass of a dog trailer must not exceed by more than 25 percent, the loaded mass of the towing vehicle.

## 4.3 Suspension systems

Class 3 truck and dog trailer combinations operating under this Notice must be fitted with an approved air suspension system on all axles or axle groups of the combination, with the exception of the steer axle or twin steer axle group of the hauling unit.

## 4.4 Gradeability of combinations

A Class 3 truck and dog trailer combination must be capable of starting movement on a 12% gradient, and maintaining a constant speed of 70 km/h on a 1% gradient when operating at the nominated gross combination mass.

**Note:** The approximate power to weight ratio required to meet the gradeability standard is 6.4 hp/tonne (4.8 kW/tonne)

**Note:** The diagrams below show the typical truck and dog trailer combinations that can be loaded above 42.5 tonnes, and the minimum axle spacings required to achieve the maximum load for each combination.

\* For a 48 tonne load, the extreme axle spacing must be more than 15.5 metres. Reduce the total load of the combination by 0.5 tonnes for each 0.5m reduction in extreme axle spacing.

# For a 50.0 tonne load, the extreme axle spacing must be more than 17.5 metres. Reduce the total load of the combination by 0.5 tonnes for each 0.5m reduction in extreme axle spacing.

**CHARITABLE TRUSTS ACT 1993**

Order Under Section 12

Cy-Pres Scheme relating to  
The John Sinclair Cormack Scholarship Fund

Section 9(1) of the Charitable Trusts Act 1993 permits the application of property cy-pres where the spirit of the original trust can no longer be implemented.

In his Will dated 25 July 1977, John Sinclair Cormack made a bequest establishing a "scholarship for the teaching of piano and violin" to be awarded to "residents of the municipalities of the cities of Newcastle, Maitland and Cessnock and the Shires of Lake Macquarie and Port Stephens". The scholarship was to be awarded by the trustee following consultation with "the Principal of the Newcastle Branch of the said Conservatorium of Music" who was empowered to "arrange the rules of the competition of the said scholarship".

The trustee asked the Attorney General to establish a cy pres scheme under section 12 of the Charitable Trusts Act 1993 whereby the scholarship would be tenable at the University of Newcastle, awarded annually and have the value of the net income of the Trust Fund. The trustee also seeks that the scheme provide that the "sum in the accumulations account be added to the capital of the trust fund".

I have formed a view that a gift establishing a "scholarship for the teaching of piano and violin" is a gift for a charitable purpose. I consider that the spirit of the original gift can no longer be implemented and that this is an appropriate matter in which the Attorney General should approve a cy-pres scheme under section 12(1)(a) of the Charitable Trusts Act 1993.

I have approved a recommendation that the Attorney General establish a cy-pres scheme pursuant to section 12 of the Charitable Trusts Act 1993 so as to vary the original trust. Pursuant to that section, I hereby order that:

- (1) The John Sinclair Cormack Scholarship will be:
  - a. Open to students within the geographic and subject limitations prescribed by the Testator and who are enrolled or otherwise studying at the University of Newcastle; and
  - b. Tenable at the University of Newcastle.

#### Cy-Pres Scheme relating to The Doris Smith Scholarship Fund

Section 9(1) of the Charitable Trusts Act 1993 permits the application of property cy-pres where the spirit of the original trust can no longer be implemented.

In her Will dated 25 July 1977, Doris Smith made a bequest establishing a "scholarship for the teaching and training of singers" to be awarded to "residents of the municipalities of the cities of Newcastle, Maitland and Cessnock and the Shires of Lake Macquarie and Port Stephens". The scholarship was to be awarded by the trustee following consultation with "the Principal of the Newcastle Branch of the said Conservatorium of Music" who was empowered to "arrange the rules of the competition of the said scholarship".

Delay of By-Election, Strathfield Municipal Council

I, the Hon. BARBARA PERRY, M.P., Minister for Local Government, in pursuance of section 293 of the Local Government Act 1993, have formed the opinion that it would be impractical or inconvenient to hold a by-election for Strathfield Municipal Council by Saturday, 9 October 2010, as a consequence of a casual vacancy in civic office that was held by Councillor Danny Lim and order that Saturday, 23 October 2010, be appointed as the day for that by-election to be held.

Dated this 18th day of August 2010.

BARBARA PERRY, M.P.,  
Minister for Local Government

- 6.1 This scheme will commence on 1 September 2010 and will be in force for a period of five (5) years from the date of commencement.

<sup>1</sup> Sections 18 and 19 of the Act provide that if the scheme applies to a body corporate, the scheme also applies to each officer of the body corporate and if the scheme applies to a person, the scheme also applies to each partner of the person, and if the scheme applies to a person the scheme also applies to each employee of the person, provided that if such officer of the corporation or partner of the person or employee of the person is entitled to be a member of the same occupational association, such officer, partner or employee is a member of the occupational association. Section 20 provides that the scheme may also apply to other persons as specified in that section. Section 20A extends the limitation of liability of persons to whom the scheme applies by virtue of sections 18 to 20.

<sup>2</sup> For the purposes of the operation of the scheme in New South Wales, "occupational liability" has the same meaning as it has in the Act and excludes any liability which may not from time to time be limited pursuant to the Act. Similarly, for the purposes of the operation of the scheme in other jurisdictions in which it applies, "occupational liability" has the same meaning as it has in the corresponding legislation of those jurisdictions and excludes any liability which may not from time to time be limited pursuant to that legislation.

Occupational liability is defined in s4(1) of the Act to mean 'civil liability arising (in tort, contract or otherwise) directly or vicariously from anything done or omitted by a member of an occupational association acting in the performance of his or her occupation'. However, s5(1) of the Act provides that the Act does not apply to liability for damages arising from the death of or personal injury to a person, a breach of trust or fraud or dishonesty. [Note: All jurisdictions other than NSW and WA exclude a lawyer acting in a personal injury matter.] Section 5(2) of the Act also provides that the Act does not apply to liability which may be the subject of proceedings under Part 13 or 14 of the Real Property Act 1900 (NSW).

Damages as defined in section 4(1) of the Act means (a) damages awarded in respect of a claim or counter-claim or claim by way of set-off and (b) costs in or in relation to the proceedings ordered to be paid in connection with such an award (other than costs incurred in enforcing a judgment or incurred on an appeal made by a defendant), and (c) any interest payable on the amount of those damages or costs.
