SPECIAL SUPPLEMENT

ELECTRICITY SUPPLY ACT 1995

Section 119 (1) (a)

ORDER

I, Christopher Peter Hartcher, M.P., Minister for Resources and Energy, pursuant to section 119 (1) (a) of the Electricity Supply Act 1995 (the Act) declare as follows:

1. Each electricity load used by the persons (including any related bodies corporate) specified in the Schedule (the specified person) at the locations set out in the Schedule is partially exempt from the Energy Savings Scheme in Part 9 of the Act. The proportion of each electricity load that is exempt is specified in the Schedule as a percentage (the exempt proportion).
2. In applying the exemption granted by paragraph 1 of this Order a scheme participant may deduct from the total value of its liable acquisitions an allowance of 5% of the exempt proportion for losses occurring between the purchase of electricity by the scheme participant and its use by the specified person.
3. The exemption granted by paragraph 1 of this Order is effective from 1 January 2012 until revoked. The Order published on 24 December 2010, and all previous orders are revoked on and from 1 January 2012.
4. The Scheme Regulator, pursuant to section 120 (5) of the Act, is authorised to make rules with respect to the exemption granted by paragraphs 1 and 2 of this Order (including rules relating to assessment of deductions under Division 5 of the Act).

I am satisfied that each electricity load to which this Order applies is used in connection with an industry or activity that is both emissions intensive and trade exposed and that the exemption is generally consistent with the objects of Part 9 of the Act.

Dated 13 December 2011.

CHRISTOPHER HARTCHER, M.P.,
Minister for Resources and Energy
