### STATE OWNED CORPORATIONS ACT 1989

Notice Pursuant to Section 20S (5) of the  
State Owned Corporations Act 1989

ON 3 March 2011, I, the Hon. ERIC ROOZENDAAL, M.L.C., Treasurer of the State of New South Wales, pursuant to section 59B (2) of the Public Finance and Audit Act 1983, notified the statutory State owned corporations Essential Energy, Ausgrid, and Endeavour Energy, that they were each required to pay to the credit of the Consolidated Fund, by no later than 11 March 2011, amounts by way of dividend as follows:

Essential Energy	\$1,172,600,000.00
Ausgrid	\$1,370,036,000.00
Endeavour Energy	\$863,700,000.00

My reasons for requiring these payments to be made under section 59B of the Public Finance and Audit Act, rather than pursuant to share dividend schemes for each of Essential Energy, Ausgrid and Endeavour Energy under section 20S of the State Owned Corporations Act and clause 4 of Schedule 2 to the Energy Services Corporations Act 1995, are as follows:

- (a) The retail businesses of Essential Energy, Ausgrid and Endeavour Energy have recently been sold to private sector purchasers as part of the Government's energy reform project. It is appropriate that amounts representing the majority of the retail transaction proceeds be paid to the Consolidated Fund, rather than such amounts remaining with these corporations for their own business purposes.

- (b) The decision in this context is appropriately a matter for the Government as ultimate owner of each of the corporations, rather than a matter for the boards of the individual corporations.
- (c) Section 59B of the Public Finance and Audit Act provides the most appropriate mechanism for me to use in requiring the payment of amounts by way of dividend from the corporations.
- (d) Section 59B of the Public Finance and Audit Act allows me to require payments from Government businesses which are statutory State owned corporations (provided that relevant corporations are prescribed statutory authorities for the purposes of section 59B(2) of the Public Finance and Audit Act) of amounts which might not be recoverable under a share dividend scheme provided for under section 20S of the State Owned Corporations Act and clause 4 of Schedule 2 to the Energy Services Corporations Act.
- (e) Other dividend mechanisms would also have been less timely and less efficient.

Dated this 23rd day of March 2011.

Treasurer
