CHARITABLE TRUSTS ACT 1993

Order under Section 12

Cy-Pres and Administrative Scheme relating to the
Katoomba Soldiers Home Trust

SECTION 9(1) of the Charitable Trusts Act 1993, permits the application of property cy-pres and administratively where the original trust can no longer be implemented.

In October 1917, Mrs Agnes HOWIE set up, by way of Deed, a trust called the Katoomba Soldiers Home Trust, and appointed the NSW Public Trustee as the trustee. Mrs Howie transferred her two properties at 2 and 4 Goyder Avenue, Katoomba and a small amount of cash to the Public Trustee to be held on trust in perpetuity.

The purpose of the trust was to provide homes for 'needy soldiers who enlisted from Katoomba to fight in the present war [World War I] or future wars for the British Empire...or as homes for the wives, widows, children or dependants of any such soldier'.

In 2008, the NSW Public Trustee (which is now known as the NSW Trustee and Guardian) applied to the Attorney General for a cy pres scheme in respect of the trust, because it considered that for various reasons the trust was no longer viable in its present form. The NSW Trustee and Guardian also wished for the role of trustee to be taken over by RSL LifeCare Ltd ('RSL LifeCare'), which has confirmed that it is prepared to become the trustee of the trust as proposed.

I have formed a view that Katoomba Soldiers Home Trust is a trust for a charitable purpose, being the amelioration of the condition of ex-servicemen and their dependants. I consider that the trust is no longer viable in its present form because of the difficulties involved in carrying out the trust. Accordingly, this is an appropriate matter in which the Attorney General should approve an administrative and cy-pres scheme under section 12 of the Charitable Trusts Act 1993.

I have approved a recommendation that the Attorney General establish a cy-pres scheme pursuant to section 12 of the Charitable Trusts Act 1993 so as to vary the original trust. Pursuant to that section, I hereby order that a scheme be implemented whereby RSL LifeCare be appointed trustee in place of the NSW Trustee and Guardian and whereby the management and administration of the trust property be transferred to RSL LifeCare and which permits RSL LifeCare, cy pres, to rent out the properties according to the following criteria:

- (i) That it first attempts to find war veterans and/or their dependants to rent the homes as short or long term accommodation, with a preference given to such persons who are in financial need and who are from the Katoomba district.

of the Act

Report:

1. On 15 July 2011 the Premier, the Hon Barry O'Farrell MP, pursuant to section 14(1) of the Statutory and Other Offices Remuneration Act 1975 (the Act), directed that the Statutory and Other Offices Remuneration Tribunal (the Tribunal) make a determination in respect of the remuneration payable to the Chief Executive Officer (CEO) and Co-ordinator General of Infrastructure NSW.
2. The office of Chief Executive Officer and Co-ordinator General, Infrastructure NSW is listed in Schedule 1 Division 2 of the Public Sector Employment and Management Act 2002 (PSEMA). This is a new position and the Tribunal has not previously made a determination on the remuneration payable for this office. Remuneration in this instance refers to a remuneration package which includes all employer on costs.
3. Section 24A of the Act provides that the Tribunal can make determinations for chief executive office holders listed in Parts 1 and 2 of Schedule 2 of the PSEMA. This office is one such position.
4. Infrastructure NSW is established under the provisions of the Infrastructure NSW Act 2011. The Act outlines the structure, function and obligations of Infrastructure

NSW which include the planning, coordination, selection, funding, implementation, delivery and management of economic and social infrastructure in NSW. Once established, Infrastructure NSW will be required to develop a 20-year State Infrastructure Strategy from which detailed 5 year infrastructure plans will be developed.

5. Infrastructure NSW will play a coordination and facilitation role with other government agencies and the private sector, who will deliver the important projects outlined in the 20-year State Infrastructure Strategy and 5 year Infrastructure Plan.
6. The Act provides for the establishment of a Board which will set the strategic and policy direction for Infrastructure NSW. The Board comprises an independent Chairperson, the CEO, five persons appointed from the private sector, and the Directors General of the Department of Premier and Cabinet, Department of Trade and Investment, Regional Infrastructure and Services, Planning and Infrastructure and the Secretary of NSW Treasury.
7. The CEO will control and manage Infrastructure NSW in accordance with the general policies and strategic direction of the Board. The CEO will lead a group of professionals in an organisation whose structure and functions will create a new model of effective public sector infrastructure planning. The CEO will have the power to second, employ or contract individuals from the private and public for short or long term purposes.
8. The role of the CEO is critical to the successful implementation of the State Infrastructure Strategy. While the overall direction will be set by the Board of Infrastructure NSW it will be the CEO who will need to ensure the successful coordination, progress and delivery of infrastructure projects. To strengthen NSW's strategic coordination capability the office of CEO also assumes the office of Co-ordinator General.
9. In the role of Co-ordinator General, the CEO will be responsible for co-ordinating the input from all State agencies to develop a consistent whole-of-State approach on matters relating to infrastructure, and responsibility for special projects that require statewide coordination.
10. In considering the appropriate level of remuneration payable to this office, the Tribunal has had regard to the importance of Infrastructure NSW in delivering infrastructure projects to NSW, the pivotal role the CEO will play in ensuring their delivery and the additional responsibility associated with the office of Co-ordinator General.
11. Having regard to the above, the Tribunal is of the view that the office of Chief Executive Officer and Co-ordinator General, Infrastructure NSW should receive an annual remuneration package of \$500,000 and so determines.

Determination:

Pursuant to section 24D of the Statutory and Other Offices Remuneration Act 1975 the Tribunal determines that the office of Chief Executive Officer and Co-ordinator General shall receive a remuneration package of \$500,000 per annum with effect from the date of appointment.
