ENVIRONMENTAL PLANNING AND ASSESSMENT ACT 1979

ORDER

I, the Minister for Planning and Infrastructure, pursuant to section 75P(2)(d) of the Environmental Planning and Assessment Act 1979 (as continued in force by Schedule 6A to that Act) declare, by this my Order, that development on part of the land within the Wet 'n' Wild Sydney site (as identified in Schedule 1 below) that satisfies the requirements for complying development as specified in the document titled Complying Development Code – Complying Development for the Purpose of a Water Theme Park at 'Wet 'n' Wild Sydney', Reservoir Road, Prospect – Concept Plan Approval MP10_0190, approved on and dated 21 May 2012, is complying development, as appropriate.

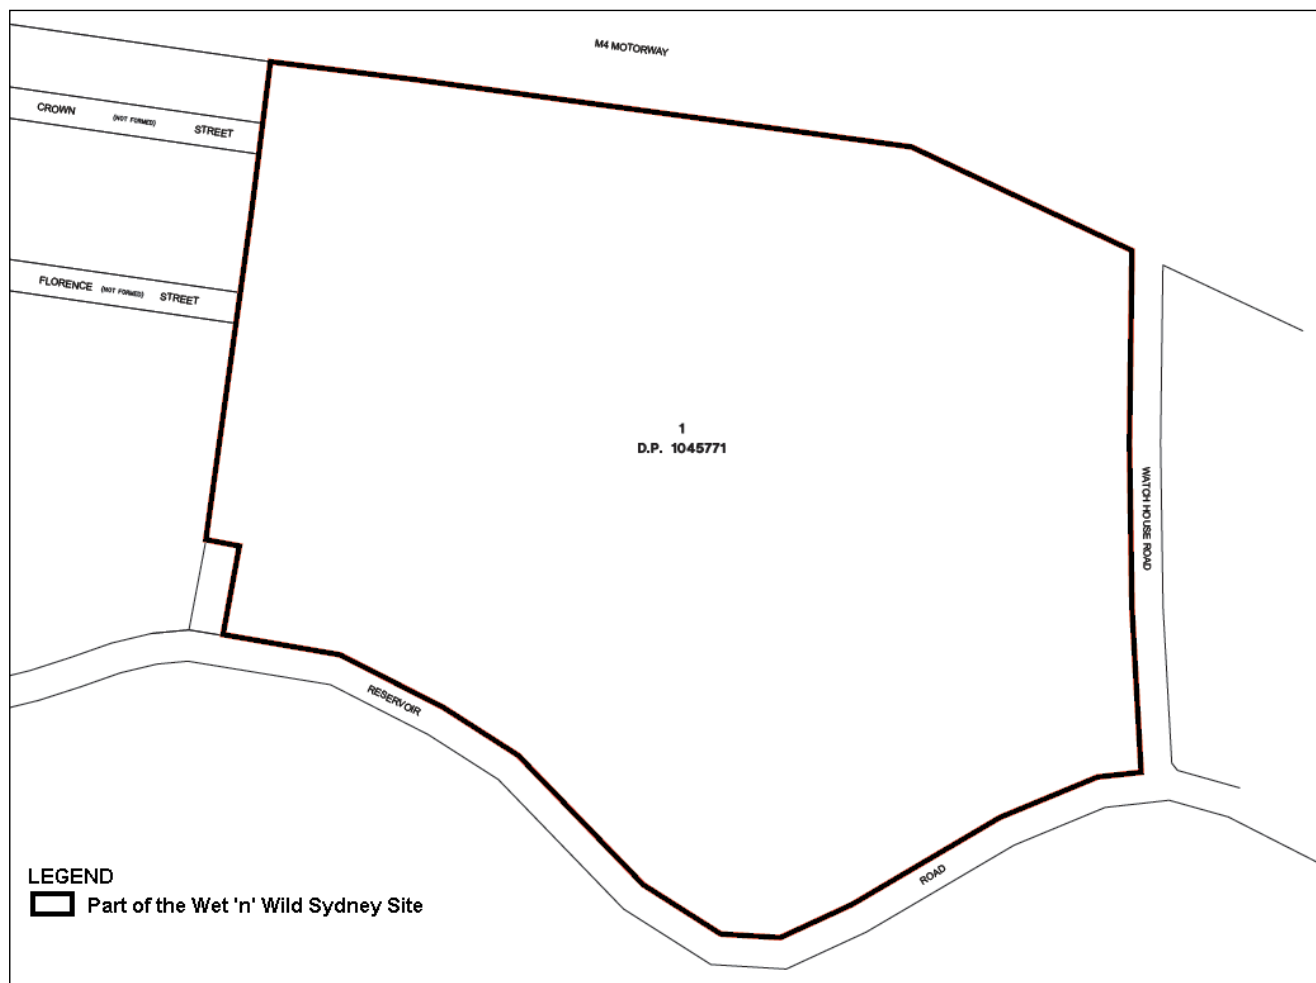

Dated: 21 May 2012.

SAM HADDAD,
Deputy Director-General,
Development Assessment & Systems Performance,
Department of Planning & Infrastructure
As delegate for the Minister for Planning and Infrastructure
(Instrument of delegation published in *New South Wales Government Gazette* No. 95
of 28 September 2011, at page 5685)

SCHEDULE 1

Part of the land known as 'Wet 'n' Wild Sydney' (Part of Lot 1 in DP 1045771) as shown edged heavy black on the map marked Wet 'n' Wild Sydney Cadastre within Blacktown Local Government Area.

Wet 'n' Wild Sydney Site Cadastre

ENVIRONMENTAL PLANNING AND ASSESSMENT ACT 1979**ORDER**

I, the Minister for Planning & Infrastructure:

- (a) repeal the Order made by the former Minister for Planning under section 75P(2)(d) of the Environmental Planning & Assessment Act 1979 and published in *New South Wales Government Gazette* No. 87 on 11 July 2008, at page 6993; and
- (b) revoke the declaration made by that Order that development within the Vincentia Coastal Village site that satisfies the requirements for exempt development or complying development specified in Exempt and Complying Development Controls – Vincentia Coastal Village, dated 8 July 2008, is exempt development or complying development as appropriate.

Dated: Sydney, 30 April 2012.

The Hon. BRAD HAZZARD, M.P.,
Minister for Planning & Infrastructure

Explanatory note

The object of this Order is to repeal a previous Order that established exempt and complying development controls for the Vincentia Coastal Village site.

Roads and Maritime Services

Appointment of Inspector

I, RICHARD FREDERICK SHELDRAKE, Director-General of the Department of Primary Industries, with the delegated authority of the Director General of the Department of Trade and Investment, Regional Infrastructure and Services, pursuant to section 16(4) of the Agricultural Industry Services Act 1998 ('the Act') and pursuant to section 41A of the Act appoint the persons named in the Schedule as inspectors for the purposes of the Act.

Dated this 18th day of May 2012.

SCHEDULE

Sally WHITLEY and

Daniel DAVIDSON.

R. F. SHELDRAKE,
Director-General,
Department of Primary Industries
(an office within the Department of Trade and
Investment, Regional Infrastructure and Services)

PESTICIDES REGULATION 2009

NSW Department of Primary Industries

Notification of Revision of a Pesticide Use Notification Plan

THE NSW Department of Primary Industries has prepared a Pesticide Use Notification Plan in accordance with the requirements of Clauses 20 and 21 of the Pesticides Regulation 2009, administered by the Environment Protection Authority.

The Plan sets out how, when and where the NSW Department of Primary Industries proposes to notify the general public of any pesticide applications to prescribed public places under its control.

Copies of the Revised Pesticide Use Notification Plan can be obtained from the Department's web site at www.dpi.nsw.gov.au or by contacting the Biosecurity Business & Legislation Section on (02) 6391 3704 or by e-mail on pesticide.notification@dpi.nsw.gov.au. Comments will be received until 30 June 2012.

Lot 17 in Deposited Plan 1162338 of 8301 square metres at Verges Creek, being land said to be in the possession of the Roads and Traffic Authority of New South Wales.

File No.: 12/00828.

ADDITION TO RESERVED CROWN LAND

PURSUANT to section 88 of the Crown Lands Act 1989, the Crown Land specified in Column 1 of the Schedule hereunder, is added to the reserve specified opposite thereto in Column 2 of the Schedule.

ANDREW STONER, M.P.,
 Minister for Regional Infrastructure and Services

—————
 SCHEDULE

<i>Column 1</i>	<i>Column 2</i>
Land District: Kempsey.	Reserve No.: 85050.
Local Government Area: Kempsey Shire.	Public Purpose: Travelling stock.
Parish: Kempsey.	Notified: 16 October 1964.
County: Macquarie.	
Locality: Verges Creek.	
Lot 17, DP 1162338.	
Area: 8301 square metres.	
File No.: 12/00828.	

WAGGA WAGGA OFFICE
Corner Johnston and Tarcutta Streets (PO Box 60), Wagga Wagga NSW 2650
Phone: (02) 6937 2700 Fax: (02) 6921 1851

NOTIFICATION OF CLOSING OF A ROAD

IN pursuance of the provisions of the Roads Act 1993, the road hereunder described is closed and the lands comprised therein cease to be public road and the rights of passage and access that previously existed in relation to the road is extinguished. Upon closing, title to the land, comprising the former public road, vests in the body specified in the Schedule hereunder.

ANDREW STONER, M.P.,
Minister for Regional Infrastructure and Services

Description

*Parishes – Gray and Sandy Ridges; County – Hume;
Land District – Corowa; L.G.A. – Corowa*

Road Closed: Lot 3, DP 1172379.

File No.: 11/09768.

Schedule

On closing, the land within Lot 3, DP 1172379 remains vested in the State of New South Wales as Crown Land.

Description

*Parish – Lachlan; County – Bourke;
Land District – Wagga Wagga; L.G.A. – Coolamon*

Road Closed: Lots 1-2, DP 1174786.

File No.: 11/08287.

Schedule

On closing, the land within Lots 1-2, DP 1174786 remains vested in the State of New South Wales as Crown Land.

WATER**WATER ACT 1912**

THE Local Land Board for the Land District of Tamworth will at 10:00 am, on Tuesday, 19th June 2012 and Wednesday, 20th June 2012, at the Boggabri Court House, Red Cross Room, Brent Street, Boggabri NSW 2382, publicly inquire as to the desirability of granting a replacement application for 3 pumps on Maules Creek, Lot 1, DP 614506, Parish of Billyena/Therribri, County of Nandewar, for the purpose of irrigation, stock and domestic. (GA1828464).

Any person who believes their interests may be affected by the granting of this application may present their case at this hearing.

ROBERT ALBERT,
Licensing Manager

WATER ACT 1912

AN application for a licence under section 10 of the Water Act 1912, as amended, has been received from:

Garrie Earle COOPER for a pump on Orara River, Lots 1 and 2, DP 1163252 and Bucca Bucca Creek, said Lot 1, DP 1163252, all Parish of Orara, County of Fitzroy, for water supply for stock and domestic purposes and irrigation of 5 hectares (new licence – irrigation allocation of 7 megalitres by way of split of existing licence – no increase in area). (Our Reference: GRA6322806). (GA1828469).

Any enquiries should be directed to (02) 6641 6500.

Written objections, from any local occupier or statutory authority, specifying grounds and how their interests are affected, must be lodged with the NSW Office of Water, Locked Bag 10, Grafton NSW 2460, within 28 days of this publication.

P. HACKETT,
Acting Manager

WATER MANAGEMENT ACT 2000**Appointment**

HER Excellency the Governor, with the advice of the Executive Council and in pursuance of Clauses 5 and 22 of Schedule 5 to the Water Management Act 2000, appoints Mr Denver D'ANGELO to the Cobar Water Board for a period of 5 years commencing 2 May 2012.

KATRINA HODGKINSON, M.P.,
Minister for Primary Industries

CHARITABLE TRUSTS ACT 1993

Order Under Section 12

Scheme Relating to
 the Ben Chifley Engine

IN 1989, a public appeal was conducted in the Orange/Bathurst regions and surrounding communities by the Central West Railway Preservation Society Inc to raise money to purchase heritage train carriages to be used as part of the Ben Chifley steam train. In addition, the public was asked to contribute to the Society's continuing appeal for restoration work on the steam engine referred to as the 'Ben Chifley Engine' and for the development of a museum site. Five carriages were purchased by the Society with the money raised and a sixth carriage was donated by the State Rail Authority.

The Society was wound up and the Bathurst Regional Council has restored the Ben Chifley Engine and put it on static display at Bathurst Railway Station. It will not be restored to working order. The six train carriages, which constitute the charitable trust property, are at Orange East Fork Locomotive Depot in a state of dilapidation. The original purposes of the trust are not able to be fulfilled, which necessitates the Attorney General approving a cy pres scheme for the application of the trust funds or property.

No suitable proposals have been put forward whereby the carriages themselves could be used for an alternative charitable purpose that would be as close as possible to the original purposes of the trust. Two offers have been received for the unencumbered purchase of the train carriages. As delegate of the Attorney General in Charitable Trusts Act 1993 I have previously accepted a recommendation that the offer made by Southern Shorthaul Railroad to purchase the carriages for \$10,000 should be accepted.

I have formed a view that the funds raised by the public appeal and the carriages purchased with those funds (as well as the carriage donated by the SRA), are subject to a charitable trust. I consider that the original purposes of the trust are now impossible to fulfil and that this is an appropriate matter in which the Attorney General should approve a cy pres scheme under section 12 (1) (a) of the Charitable Trusts Act 1993.

I have therefore approved a recommendation that the Attorney General establish a cy pres scheme pursuant to section 12 of the Charitable Trusts Act 1993 so as to permit the sale of the carriages and the application of the proceeds of sale by way of a fifty-fifty split between Lithgow State Mine

ASSOCIATIONS INCORPORATION ACT 2009

Cancellation of Incorporation pursuant to Section 76

TAKE notice that the incorporation of the following associations are cancelled by this notice pursuant to section 76 of the Associations Incorporation Act 2009.

Sumgineun Church Incorporated – Inc9874606

Railway Ltd/ COC Ltd for the purposes of restoring other rail carriages for use in tourist heritage rail services in the Central West of NSW, and to Bathurst Regional Council for the purposes of the maintenance of the Ben Chifley Engine, which is on static display in Bathurst.

This Order will take effect 21 days after its publication in the *NSW Government Gazette*, in accordance with section 16 (2) of the Charitable Trusts Act 1993.

Date of Order: 22 May 2012.

NATALIE ADAMS,
Deputy Solicitor General
under delegation from the Attorney General

CHARITABLE TRUSTS ACT 1993

Notice Under Section 15

Proposed Scheme Relating to
the John and Elizabeth Newnham Pring Memorial Prize

BY will dated 12 June 1964 the late Mrs Elizabeth Pring bequeathed one thousand pounds to be applied by the Trustees of the Art Gallery of New South Wales ("AGNSW") for the purpose of applying annually the income therefrom as a prize for the best landscape executed in water colours by a woman artist.

In 2011 the AGNSW applied to the Attorney General to establish a scheme under the Charitable Trusts Act 1993 under which the Pring Trust would be wound up and the monies remaining in the Pring Trust would be transferred to the Kathleen Buchanan May Memorial Prize Trust. The AGNSW considers a scheme necessary because the funds in the Pring Trust are insufficient to keep the prize viable.

The question of whether a cy pres scheme was in fact needed in this case because is by no means certain, as the original object of the Trust has not failed and it is still possible to award the prize, albeit that there are some difficulties in doing so. However, even if a cy pres scheme were necessary in this case, the scheme proposed by the AGNSW is not suitable as it is not as close as possible to the original purpose of the Pring Trust, which was to fund an award for a watercolour landscape by a woman artist. The purpose of the Kathleen Buchanan May Memorial Prize Trust is to award a prize to a still-life watercolour in a traditional/conservative style. The Kathleen Buchanan May Memorial Prize is open to male and female artists.

While a cy pres scheme may not be necessary, an administrative scheme which permits the AGNSW to apply the capital and income from the Pring trust and to award the prize from time to time is an appropriate means of addressing the issue and is expedient in the interests of the administration of the charitable trust.

The Solicitor General, as delegate of the Attorney General in such matters (and through his delegate the Crown Advocate), has determined that the Pring Memorial Prize is a trust for a valid charitable purpose.

Accordingly, the Solicitor General has approved the establishment of a scheme pursuant to section 12 (1) (b) of the Charitable Trusts Act 1993 to enable the Trustees AGNSW to use the capital and income of the Pring Trust to award a prize from time to time for a watercolour landscape painted by a female artist.

Take note that within one month after the publication of this notice any person may make representations or suggestions to the Attorney General in respect of the proposed scheme. Enquiries may be made to (02) 9224 5274.

Date: 21 May 2012.

LAURIE GLANFIELD,
Director General,
Department of Attorney General and Justice

CONTAMINATED LAND MANAGEMENT ACT 1997

Declaration of Significantly Contaminated Land

(Section 11 of the Contaminated Land
Management Act 1997)

Declaration Number 20121102; Area Number 3304

THE Environment Protection Authority (EPA) declares the following land to be significantly contaminated land under the Contaminated Land Management Act 1997 ("the Act"):

1. **Land to which this declaration applies ("the site")**
The site to which this declaration relates is described as:
 - Lots A in Deposited Plan 393087 – 638-646 New South Head Road, Rose Bay
 in the municipality of Woollahra. A map of the site is available for inspection at the offices of the Environment Protection Authority, Level 14, 59 Goulburn Street, Sydney NSW.
2. **Nature of contamination affecting the site:**
The EPA has found that the site is contaminated with the following substances ("the contaminants"):
 - Benzene, toluene, ethylbenzene, xylenes, naphthalene and total petroleum hydrocarbons C6-C36.
3. **Nature of harm that the contaminants may cause:**
The EPA has considered the matters in section 12 of the Act and for the following reasons has determined that the land is contaminated and that the contamination is significant enough to warrant regulation under the Act:
 - Concentrations of benzene, toluene, ethylbenzene and xylenes are present in groundwater at concentrations that exceed human health guideline values;
 - Migration of contamination is likely to have occurred due to the geology underlying the site and because of the properties of contaminants identified in groundwater at the site;
 - Contaminated groundwater could potentially degrade the aquatic ecosystem of Sydney Harbour and limit the harbour's use by the public for recreational purposes; and
 - Human exposures may occur if contaminant vapours are accumulating in enclosed spaces such as underground services or buildings or if contaminated groundwater is being used in the vicinity of the site.
4. **Further action under the Act**
The making of this declaration does not prevent the carrying out of voluntary management of the site and any person may submit a voluntary management proposal for the site to the EPA. If the proposal satisfies

the requirements of section 17 of the Act the EPA may agree not to issue a management order to the person or persons bringing the proposal.

5. Submissions invited

The public may make written submissions to the EPA on:

- Whether the EPA should issue a management order in relation to the site; or
- Any other matter concerning the site.

Submissions should be made in writing to:

Manager, Contaminated Sites,
Environment Protection Authority,
PO Box A290,
Sydney South NSW 1232
or faxed to (02) 9995 5930

by no later than 22 June 2012.

Date: 22 May 2012.

JOHN COFFEY,
Acting Manager, Contaminated Sites,
Environment Protection Authority

NOTE:

Management order may follow

If management of the site or part of the site is required, the EPA may issue a management order under section 14 of the Act.

Amendment/Repeal

This declaration may be amended or repealed. It remains in force until it is otherwise amended or repealed. The subsequent declaration must state the reasons for the amendment or repeal (section 44 of the Act).

Information recorded by the EPA

Section 58 of the Act requires the EPA to maintain a public record. A copy of this significantly contaminated land declaration will be included in the public record.

Information recorded by councils

Section 59 of the Act requires the EPA to give a copy of this declaration to the relevant local council. The council is then required to note on its planning certificate issued pursuant to section 149 (2) of the Environmental Planning and Assessment Act that the land is declared significantly contaminated land. The EPA is required to notify council as soon as practicable when the declaration is no longer in force and the notation on the section 149 (2) certificate is no longer required.

Relationship to other regulatory instrument

This declaration does not affect the provisions of any relevant environmental planning instruments which apply to the land or provisions of any other environmental protection legislation administered by the EPA.

CO-OPERATIVES ACT 1992

Notice under Section 601AA of the Corporations Act 2001 as applied by Section 325 of the Co-operatives Act 1992

HEALTH PROFESSIONALS (SPECIAL EVENTS EXCEPTION) ACT 1997

Order Declaring the 2013 Australian Youth Olympic Festival a "Special Event"

I, Jillian Skinner, Minister for Health:

- (1) pursuant to sections 5 (1) and (2) of the Health Professional (Special Events Exemption) Act 1997 ("Act"), do hereby declare the 2013 Australian Youth Olympic Festival to be a special event for the purpose of the Act; and
- (2) pursuant to section 5 (3) of the Act do hereby specify the period from 1 to 31 January 2013, both days being inclusive, as the period during which the exemptions under sections 11 (1), (2) and (3) of the Act shall have effect; and
- (3) pursuant to section 5 (5) of the Act do hereby specify that for the purposes of 7 (c) of the Act that the Australian Olympic Committee shall be required to notify in writing the Ministry of Health of the following information:

(a) the names of the visiting health professionals, being medical practitioners and physiotherapists, who will be providing health care services to visitors within section 6 of the Act (being international youth Olympic team members at the 2013 Australian Youth Olympic Festival), and who have been designated by the Australian Olympic Committee as "registered 2013 Australian Youth Olympic Festival doctors" and "registered 2013 Australian Youth Olympic Festival physiotherapists" respectively; and

(b) the name of the country to whose team members those visiting medical practitioners and physiotherapists will be providing health care services; and

(4) pursuant to section 10 (2) (a) of the Act do hereby authorise a visiting medical practitioner who has been designated as a "registered 2013 Australian Youth Olympic Festival doctors" in accordance with clause 3 (a) above, to issue written prescriptions for restricted substances or drugs or addiction within the meaning of the NSW Poisons and Therapeutic Goods Act 1966 provided that:

(a) those prescriptions are only issued for the treatment of team members of a named international youth Olympic team referred to in clause 3 (b) above; and

(b) such prescriptions otherwise satisfy the requirements of the NSW Poisons and Therapeutic Goods Act 1966 and any Regulation made under that Act and are completed in any such matter as the Director General or the Chief Pharmacist of the Ministry of Health may require.

Signed this 18th day of May 2012.

JILLIAN SKINNER,
Minister for Health

MOTOR ACCIDENTS (LIFETIME CARE AND SUPPORT) ACT 2006

The Lifetime Care and Support Authority of
New South Wales Guidelines

I, JULIE NEWMAN, Acting Chief Executive Officer of the Lifetime Care and Support Authority of New South Wales, under sections 7 (2), 7 (4), 8 (6), 9 and 58 of the Motor Accidents (Lifetime Care and Support) Act 2006, issue the following guidelines.

Dated this 17th day of May 2012.

JULIE NEWMAN,
Acting Chief Executive Officer,
The Lifetime Care and Support Authority
of New South Wales

PART 1

Eligibility for participation in the Lifetime Care and Support Scheme

This Part of the Lifetime Care and Support (LTCS) Guidelines is issued under the Motor Accidents (Lifetime Care and Support) Act 2006, including sections 7 (2), 7 (4),

8 (6), 9 and 58. Only people injured in a motor accident in NSW who have sustained an injury as defined in these Guidelines are eligible for participation in the Lifetime Care and Support Scheme (the Scheme).

1. Application for participation

An application to become a participant in the Scheme is made by or on behalf of the injured person or by the insurer of a claim. The application must demonstrate that:

- 1.1 the person had a motor accident within the meaning of the Motor Accidents Compensation Act 1999;
- 1.2 the accident must have occurred in New South Wales (section 4 (2) of the Motor Accidents (Lifetime Care and Support) Act 2006);
- 1.3 the injury was caused by the motor accident; and
- 1.4 the motor accident injury meets the criteria set out below in these Guidelines.

2. Injury criteria

Eligibility for interim participation, and eligibility for lifetime participation, is limited to people injured in a motor accident, who meet the following injury criteria at the time that the application is made.

A medical specialist must certify that the injured person meets the following injury criteria, including certification that the specialist has examined the injured person and has sighted the FIM™ or WeeFIM® score sheet where applicable.

2.1 Spinal cord injury

A spinal cord injury is an acute traumatic lesion of the neural elements in the spinal canal (spinal cord and cauda equina) resulting in permanent sensory deficit, motor deficit or bladder/bowel dysfunction.

A person who as a result of the motor accident has a spinal cord injury is eligible to enter the Scheme if the following criteria are met.

Criteria for spinal cord injury

- The spinal cord injury was caused by the motor accident; and
- there is a spinal cord injury resulting in permanent neurological deficit.

2.2 Brain injury

A traumatic brain injury is an insult to the brain, usually with an associated diminished or altered state of consciousness that results in permanent impairments of cognitive, physical and/or psychosocial functions.

A person who as a result of the motor accident has had a brain injury is eligible to enter the Scheme if the following criteria are met.

Criteria for brain injury

- The brain injury was caused by the motor accident; and
- the duration of Post Traumatic Amnesia (PTA) is greater than 1 week. If the PTA assessment is not available or applicable (for example, if the child is under 8 years of age, or the injured person has a penetrating brain injury), there must be evidence of a very significant impact to the head causing coma for longer than one hour, or a significant brain imaging abnormality due to the motor accident; and

- one of the following criteria is met:
 - if over 8 years of age at the time of assessment, a score of 5 or less on any of the items on the FIM™ or WeeFIM® due to the brain injury; or
 - if aged from 3 to 8 years at the time of assessment, a score two less than the age norm on any item on the WeeFIM® due to the brain injury; or
 - if aged under 3 years at the time of assessment, a medical certificate from a paediatric rehabilitation physician or a specialist otherwise approved in writing by the Authority that states the child will probably have permanent impairment due to the brain injury resulting in the need for daily attendant care services.

2.3 Amputations

A person who as a result of the motor accident has had amputations as described below, or the equivalent impairment, is eligible to enter the Scheme if the following criteria are met.

Criteria for amputations

- The injury resulting in the amputations, or the equivalent impairment, was caused by the motor accident; and
- There are multiple amputations of the upper and/or lower extremities, meaning that there is more than one of the following types of amputation at or above the level of:
 - a “short” transtibial or standard transtibial amputation, as defined by the loss of 50% or more of the length of the tibia. This includes all other amputations of the lower extremity (such as knee disarticulation or transfemoral amputation) above this level;
 - a thumb and index finger of the same hand, at or above the first metacarpophalangeal joint. This includes all other amputations of the upper extremity (such as below-elbow or above-elbow amputation) above this level.

Criteria for unilateral amputation

- The injury resulting in the amputation, or the equivalent impairment, was caused by the motor accident; and
- The injured person has had one of the following types of amputation:
 - forequarter amputation (complete amputation of the humerus, scapula and clavicle) or shoulder disarticulation;
 - hindquarter amputation (hemipelvectomy by trans-section at sacroiliac joint, or partial pelvectomy);
 - hip disarticulation (complete amputation of the femur); or
 - “short” transfemoral amputation as defined by the loss of 65% or more of the length of the femur.

Measurement of percentage loss of length of the amputated tibia or femur is to be calculated using x-ray imaging pre- and post-amputation. Where x-ray imaging is not available, measurement of the contralateral length of the femur should be compared with the length of the amputated femur to measure percentage loss.

There may be rare circumstances, such as traumatic bilateral transtibial amputation, where contralateral tibial length and tibial length prior to amputation is unknown and therefore percentage measurement is not applicable. In this case, percentage loss is defined as 50% of tibial length calculated from estimated knee height. Estimated knee height is to be calculated from the injured person's documented total height prior to the motor accident injury.

2.4 Burns

A person who has sustained burns as a result of the motor accident is eligible to enter the Scheme if the following criteria are met.

Criteria for burns

- The injury was caused by the motor accident; and
- there are full thickness burns greater than 40% of total body surface area, or greater than 30% of total body surface area in children under 16 years; or
- inhalation burns causing long term respiratory impairment; or
- full thickness burns to the hand, face or genital area; and
- one of the following criteria is met:
 - if over 8 years of age at the time of assessment, a score of 5 or less on any of the items on the FIM™ or WeeFIM® due to the burns; or
 - if aged from 3 to 8 years at the time of assessment, a score two less than the age norm on any item on the WeeFIM® due to the burns; or
 - if aged under 3 years at the time of assessment, a medical certificate from a paediatrician or a specialist otherwise approved in writing by the Authority that states the child will probably have permanent impairment due to the burns resulting in the need for daily attendant care services.

2.5 Permanent blindness

A person who has lost sight in both eyes as a result of the motor accident is eligible to enter the Scheme if the following criteria are met.

Criteria for permanent blindness

- The injury was caused by the motor accident; and
- The person is legally blind, that is
 - a. Visual acuity on the Snellen Scale after correction by suitable lenses is less than 6/60 in both eyes; or
 - b. Field of vision is constricted to 10 degrees or less of arc around central fixation in the better eye irrespective of corrected visual acuity (equivalent to 1/100 white test object); or
 - c. A combination of visual defects resulting in the same degree of visual loss as that occurring in (a) or (b) above.

3. Functional Independence Measure (FIM™) assessment

The FIM™ (or WeeFIM®) assessment is to be conducted by:

- a person who has been trained in FIM™ or WeeFIM®, passed the relevant examination and is credentialed through the Australian Rehabilitation Outcomes Centre; or

- an assessor approved, in writing, by the Lifetime Care and Support Authority (the Authority) to conduct FIM™ or WeeFIM® assessments.

Timing of FIM™ or WeeFIM® assessments – initial application to Scheme

The FIM™ or WeeFIM® assessment must be conducted within one month of the date of the initial completed application to the Scheme. If more than one FIM™ or WeeFIM® assessment has been conducted then the assessment closest to the date of the application must be used.

Timing of FIM™ or WeeFIM® assessments – application for lifetime participation

The FIM™ or WeeFIM® assessment must be conducted within two months of the date of an application for an interim participant to become a lifetime participant.

WeeFIM® age norm

Any reference to the age norm of any item on the WeeFIM® is a reference to the normative data published in the WeeFIM® Version 5.0 issued by Uniform Data System for Medical Rehabilitation.

4. Deferring the making of an application

The Authority may require that the making of an application for eligibility be deferred until such time as the injury has stabilised or is unlikely to change. An example of this would be if the injured person lodged an application and did not meet the eligibility criteria at the time of application, however amputation surgery is likely in the near future and the surgery would result in the injured person meeting the eligibility criteria.

5. Making an application

The Authority requires the applicant to provide authorisation for the Authority to obtain information and documents relevant to the injury, motor accident or motor vehicle from specified persons in connection with the application. This is part of the initial Application Form.

The form must be signed, all questions completed and all required information attached. If the form does not contain the information necessary for the Authority to make its decision about eligibility, the applicant will be requested to provide the required information.

There may be circumstances where the Authority may require additional information besides that provided with or in the initial Application Form. An applicant must comply with any reasonable request by the Authority to supply specified additional information or provide authorisation for the Authority to obtain specified additional information. This could be in circumstances where the Authority cannot make a decision about eligibility without this information, or when it is unclear whether the injured person has sustained a motor accident injury. This information could include:

- the Accident Notification Form, CTP Claim Form (if it has been completed) or other personal injury claim forms;
- ambulance or air ambulance/retrieval records;
- hospital records;
- treating doctor's reports;

- past medical records or school records;
- accident investigations; or
- police reports.

6. The Authority's determination

The Authority will acknowledge all applications in writing within 10 working days of receipt of the complete Application Form. The Authority may require information additional to that provided by the applicant in the Application Form before the form can be regarded as complete.

The Authority will make its determination as soon as possible after the application is lodged, taking into account:

- the information on the Application Form;
- any information attached to the Application Form;
- any additional information that the Authority may request in order to make its determination; and
- the eligibility criteria in this Part of the Guidelines.

Applicants will receive the Authority's determination in writing, including reasons for the decision.

When the Authority denies an application for participation in the Scheme, the Authority will provide the applicant with information about the Authority's process for resolving disputes about eligibility to the Scheme or resolving disputes about motor accident injury.

7. Interim and lifetime participation

Once eligibility for the Scheme has been established, all participants will be accepted as interim participants for 2 years. This is because of the possibility of recovery and ongoing improvement in the injured person's condition, such that the injured person may not meet the eligibility criteria after the two year period. The period of interim participation in the Scheme commences from the date of the Authority's determination.

The decision about whether an interim participant is a lifetime participant in the Scheme is made before the end of the interim participation period.

A child will not be assessed for lifetime participation before the age of 5 years. For a child that becomes an interim participant under the age of 3 years, their interim participation may be longer than 2 years.

Application for lifetime participation

A new Application Form, including the medical certificate, must be submitted to the Authority for lifetime participation in the Scheme. Before the Application Form for lifetime participation is completed, the Authority will notify the injured person and any other interested party if any additional information is required. The medical certificate, in particular the FIM™ or WeeFIM® scores, must be completed within two months of the date of the completed application for lifetime participation.

Note: This version of Part 1 of the Lifetime Care and Support Guidelines applies to all new applications for participation in the Lifetime Care and Support Scheme received on or after the date of gazettal in the *New South Wales Government Gazette* and applies to all participants in the Scheme on or after that date.

MOTOR ACCIDENTS (LIFETIME CARE AND SUPPORT) ACT 2006

The Lifetime Care and Support Authority of
New South Wales Guidelines

I, JULIE NEWMAN, Acting Chief Executive Officer of the Lifetime Care and Support Authority of New South Wales, under sections 6 (4) and 58 of the Motor Accidents (Lifetime Care and Support) Act 2006, issue the following guidelines.

Dated this 17th day of May 2012.

JULIE NEWMAN,
Acting Chief Executive Officer,
The Lifetime Care and Support Authority
of New South Wales

PART 8

Attendant Care Services

This part of the Lifetime Care and Support Guidelines is issued under the Motor Accidents (Lifetime Care and Support) Act 2006 including sections 6 (4) and 58.

To avoid requirements that might be unreasonable in the circumstances on any participant, the Authority may waive observance of any part or parts of these Guidelines.

Background

Attendant care services are paid services that assist the participant to perform tasks they would normally be able to do for themselves. The Authority will only pay for the reasonable expenses of attendant care services requested by or on behalf of the participant to meet the participant's assessed care need.

Attendant care services focus on maximising the participant's independence across a variety of settings with the aim of facilitating a return to their former roles to the extent possible, or developing new functional skills and roles.

Definitions

Attendant care worker means an employee of or person engaged by an approved provider of attendant care services.

Assessed care needs means the Authority's assessment of the participant's treatment and care needs which relate to the motor accident injury and are reasonable and necessary in the circumstances.

Expenses means expenses incurred by or on behalf of the participant while a participant in the Lifetime Care and Support Scheme.

1. Attendant care services

1.1 The Authority will assess the treatment and care needs of the participant for attendant care services which relate to the motor accident injury and are reasonable and necessary in the circumstances.

1.2 The Authority's assessment of whether attendant care services are reasonable and necessary takes account of the documentation of the care needs of the participant, and as relevant, requests for services such as the participant's Community Living Plan and other documents held by the Authority.

1.3 Factors impacting upon whether attendant care services are reasonable and necessary include the degree to which attendant care:

- assists to maximise independence;
 - facilitates a return to former roles or assist the participant to develop new functional skills and roles;
 - is the appropriate service for the participant's age and circumstances, when compared with alternative options and models to meet the participant's care need;
 - reduces or eliminates the risk of harm to the participant or others;
 - is the least restrictive response to meet the participant's injury related needs.
- 1.4 Attendant care services include assistance with personal care tasks including:
- showering, bathing, oral hygiene, dressing and grooming;
 - personal hygiene including bowel and bladder care;
 - eating and drinking;
 - medication use;
 - fitting and use of aids and appliances, hearing and communication devices;
 - mobility and transfers; or
 - health maintenance, for example positioning, application of splints, regular and routine exercises or stretches.
- 1.5 Attendant care services include assistance with the following tasks to assist the participant function in the community including:
- selecting and planning activities;
 - meal preparation and other domestic tasks;
 - caring for dependents;
 - banking and shopping; and
 - attending rehabilitation or medical appointments.
- 1.6 Attendant care services include assistance with the following tasks to assist the participant engage in rehabilitation including:
- attendant care for community based activities;
 - therapy support, to implement a therapy program under the guidance and supervision of a health professional; or
 - weekend leave while the participant is an inpatient in a hospital or rehabilitation facility.
- 1.7 Attendant care services do not include:
- personal care and nursing services whilst the participant is an inpatient in a hospital or during inpatient rehabilitation;
 - services for an injury, condition or circumstance that existed before a motor accident or that are not a result of the motor accident;
 - services that are of no clear benefit to a participant;
 - services for other members of the participant's family or household;
 - travel expenses for the participant, their family or attendant care workers except to and from treatment and rehabilitation services where expenses are paid by the Authority;
 - services that replace parental responsibilities, such as the supervision of a young child.
- 1.8 Attendant care services will not be provided in an unsafe environment or if the attendant care worker is placed at risk of harm, for example lifting a participant where this has been assessed as a manual handling risk.
- 2. Domestic services**
- 2.1 The Authority will assess the treatment and care needs of the participant for domestic services which relate to the motor accident injury and are reasonable and necessary in the circumstances.
- 2.2 The Authority's assessment of whether domestic services are reasonable and necessary takes account of the documentation of the care needs of the participant, and as relevant, requests for services such as the participant's Community Living Plan and other documents held by the Authority.
- 2.3 Domestic services include assistance with the following tasks:
- routine home maintenance for the purpose of upkeep and to ensure safe and easy access;
 - gardening for the purpose of upkeep and to ensure safe and easy access;
 - cleaning and similar tasks involved in the everyday operation and maintenance of a household.
- 3. Attendant care services and domestic services for participants with a spinal cord injury**
- 3.1 The Authority takes account of relevant guidelines and other publications including the *Guidelines for levels of attendant care for people with spinal cord injury for use in the NSW Motor Accidents Scheme and the Lifetime Care and Support Scheme*, when making an assessment of the reasonable and necessary care needs of participants with spinal cord injury.
- 4. Attendant care for participants who are children**
- 4.1 The Authority will pay the reasonable expenses of attendant care when the participant is a child in order to meet the child's assessed care needs from their motor accident injury. Attendant care provided for children does not replace the usual care and supervision provided by a parent or paid for by a parent, such as babysitters, child care costs and out of school hours care.
- 4.2 The role of the attendant care worker is to provide attendant care services to the participant and not to provide direct care or supervision to other family members such as the participant's siblings or children.
- 4.3 In the case of young children, the Authority may consider paying the reasonable expenses of domestic services in place of attendant care services in order to allow the parent to meet a care need that is related to the motor accident injury. For example, when a child participant with behavioural needs due to cognitive impairment requires additional supervision beyond that which would be age-appropriate, domestic services may be provided in place of attendant care to allow a parent to supervise the participant more closely than would be required given the child's age. Alternatively, in the same situation, child minding for

the participant's siblings may be provided in place of attendant care to allow the parent to provide one-on-one supervision to the participant.

4.4 Documentation of the attendant care needs of a child participant, for tasks ordinarily provided by a parent or family member as part of their parental responsibilities, must include a description of why the assessed care needs of the child participant require the assistance of an attendant care worker. For example, a ten-year-old participant who was previously supervised to walk to and from school by an older sibling now requires the assistance of an attendant care worker due to cognitive and behavioural issues from the motor accident injury, because there is an increased need for supervision that is beyond the capabilities of the participant's sibling.

4.5 The presence of an attendant care worker to meet care needs related to the motor accident injury does not replace parental responsibility to supervise and provide non-injury related care to the child participant.

5. Attendant care for participants who have caring responsibilities

5.1 The Authority will pay the reasonable and necessary expenses for attendant care for participants who have caring responsibilities to assist the participant to perform their role as a parent or caregiver when the need for this assistance is related to the motor accident injury.

5.2 Payment of attendant care expenses in this case aims to maximise the participant's independence and support the participant in their role as a parent and/or caregiver. The role of the attendant care worker is to provide attendant care services to the participant. The presence of an attendant care worker for care needs related to the motor accident injury does not replace parental or caregiver responsibility. For example, an attendant care worker may assist a participant to travel with their children to and from school, but is not solely responsible for taking the children to and from school.

6. Alternatives to attendant care service provision

6.1 The Authority will consider paying reasonable expenses of alternatives to attendant care services such as school holiday programs, child care, community based groups, or community access programs. This will be considered when such alternatives are age appropriate, provide appropriate support and are assessed as a suitable alternative to meet the participant's injury related needs.

6.2 The Authority will not pay for everyday activity costs that are not related to the need arising from the motor accident injury.

7. Attendant care services when the participant is away from home

7.1 The Authority will pay the reasonable expenses of attendant care services for a participant when away from home, for example, when on holiday or away from their usual place of residence. This does not include attendant care services while the participant is in hospital or inpatient rehabilitation.

7.2 The Authority requires additional documentation of the care needs of the participant in order to assess their needs for attendant care when away from home in the following circumstances:

- additional attendant care hours are being requested for the duration of the participant's absence;
- the participant will use a different attendant care provider than the one engaged to provide their regular attendant care program;
- the participant is travelling overseas; or
- attendant care worker travel or accommodation expenses are being requested.

7.3 A participant's need for attendant care services when away from home may be the same as their existing assessed need for attendant care services, in circumstances when:

- no additional attendant care hours are being requested for the duration of the participant's absence; and
- the participant will be using the same attendant care provider engaged for their regular weekly attendant care program.

7.4 The Authority will consider expenses for attendant care when the participant is away from home, additional to a participant's existing attendant care services, to be reasonable and necessary in the following circumstances:

- when continuity of an attendant care worker or team of attendant care workers is required, that is, when it can be demonstrated that a change in attendant care service provision would cause secondary care complications or behavioural complications, or the change in attendant care worker may increase the need for care;
- when the participant requires attendant care support to travel to and from their destination beyond that provided by airlines, boat or rail systems; or
- when there is an additional need for attendant care services or a change to attendant care service delivery when away from home because of the participant's level of function, accommodation environment, unfamiliar surroundings, unfamiliar routine or need to access additional equipment.

Equipment hire when the participant is away from home

7.6 The Authority will pay the reasonable expenses of hire of equipment required for attendant care provision, such as a hoist or shower commode, where it is not practical or reasonable to transport equipment from the participant's home to their destination. The Authority will not pay the expenses of any recreation equipment hired while away from home, but will pay reasonable expenses of the additional cost of equipment hire required as a result of the motor accident injury.

7.7 Attendant care while away from home does not include:

- any expenses for recreational activities or recreational equipment while the participant is away from home;

- expenses for the participant's entry to tourist attractions or any other participation in activities relating to a holiday;
- a participant's personal holiday expenses such as travel, meals and accommodation;
- attendant care worker travel expenses to accompany a participant to and from their destination, where a participant is assessed as being able to travel without an attendant care worker present and with the support provided by airlines, boat or rail systems;
- any participant travel expenses such as air, rail or boat fares;
- costs associated with international travel such as immunisation, passports or visas for the participant;
- attendant care assistance for any tasks other than to meet an assessed care need; or
- travel insurance or any other expenses associated with changes to travel plans for the participant.

Note: This version of Part 8 of the Lifetime Care and Support Guidelines applies to all new applications for participation in the Lifetime Care and Support Scheme received on or after the date of gazettal in the *New South Wales Government Gazette* and applies to all participants in the Scheme on or after that date.

MOTOR ACCIDENTS (LIFETIME CARE AND SUPPORT) ACT 2006

The Lifetime Care and Support Authority of
New South Wales Guidelines

I, JULIE NEWMAN, Acting Chief Executive Officer of the Lifetime Care and Support Authority of New South Wales, under sections 6 (4) and 58 of the Motor Accidents (Lifetime Care and Support) Act 2006, issue the following guidelines.

Dated this 17th day of May 2012.

JULIE NEWMAN,
Acting Chief Executive Officer,
The Lifetime Care and Support Authority
of New South Wales

PART 16

Vocational Rehabilitation Services

This part of the Lifetime Care and Support Guidelines is issued under the Motor Accidents (Lifetime Care and Support) Act 2006, including sections 6 (4) and 58.

Background

Vocational rehabilitation is the process of restoring or attempting to restore the person, through a combined and co-ordinated use of services, to the maximum level of employment or other work related activity the person is capable of, or which the person wishes to achieve. Work related activity is an activity that enables the participant to acquire skills to improve their ability to attain employment in the future.

1. Vocational rehabilitation services

1.1 The Authority will fund the reasonable and necessary expenses of vocational rehabilitation services for a participant who requires support to gain or maintain

employment as a result of the motor accident injury. The Authority is not responsible for the funding of any service that the participant is entitled to under the applicable state or federal legislation.

1.2 Vocational rehabilitation may involve:

- returning to pre-injury employment;
- returning to similar or different employment;
- assistance in obtaining employment following completion of education; and/or
- assistance in maintaining employment.

1.3 Vocational rehabilitation services should start with the aim of returning the participant to their original employment with their pre-injury workplace. If this aim should be unattainable, vocational rehabilitation services could progress to assisting the participant into alternative employment with a different employer, which may include alternative skill development and/or training.

1.4 Vocational rehabilitation services are aimed at minimising the impact of the injury sustained as a result of the motor accident. Services form part of an overall rehabilitation program and will be based on measureable outcomes.

1.5 The Authority will fund the reasonable and necessary expenses of vocational rehabilitation services where:

- there is assessment by a suitably qualified rehabilitation provider;
- the service has been requested in writing;
- there is evidence that the service is reasonable and necessary in relation to the motor accident injury in respect of which the injured person is a participant in the Scheme;
- there is a defined, realistic vocational goal; and
- the service promotes progress towards identified, measureable vocational goals.

1.6 Factors that the Authority may consider when determining whether vocational rehabilitation services are reasonable and necessary include:

- the participant's pre-accident life roles;
- the participant's ability to engage in vocational rehabilitation as a result of their motor accident;
- assessment by a suitably qualified vocational rehabilitation provider to determine participant goal and capacity;
- agreement by the participant and their medical/rehabilitation team to the identified vocational goal;
- existing vocational rehabilitation services that the participant is able to access; and
- the participant's capacity to achieve a sustainable employment outcome.

1.7 Vocational rehabilitation services do not include:

- services that are not treatment, rehabilitation and care services under the scope of the Motor Accidents (Lifetime Care and Support) Act 2006 or regulations;
- services that are of no clear benefit to a participant;
- services that are not related to the motor accident injury;
- services for a person other than the participant;

- capital expenditure such as the costs of establishing and running a business;
- services that the participant was receiving prior to the motor accident;
- equipment that employers should provide to all employees to meet Occupational Health and Safety requirements;
- compensation for economic loss relating to the motor accident such as lost wages, weekly benefits or other forms of income maintenance or income support;
- assistance to keep a business open, such as paying for temporary staff to do a participant's job;
- wages subsidies for an employer;
- standard furniture and other capital items associated with a participant's place of employment;
- everyday living expenses associated with employment, such as travel to and from a place of employment, clothing/uniforms or lunches.

2. Vocational training

- 2.1 The Authority will consider funding the reasonable expenses of pre-vocational training to enable participants to resume and/or maintain employment. Pre-vocational training is training related to skill development that is needed to enable or enhance the development of a vocational goal.
- 2.2 The Authority will consider funding the reasonable expenses of vocational training to enable participants to resume and/or maintain employment. Vocational training is training that is directly linked to attainment of an identified vocational goal.
- 2.3 The Authority will only consider vocational training or pre-vocational training for a participant when:
- there has been an assessment by a suitably qualified provider for the training;
 - there is evidence that the training is reasonable and necessary in relation to the motor accident injury in respect of which the person is a participant in the Scheme;
 - it is recommended by an appropriate vocational rehabilitation provider;
 - it forms part of, and supports, the participant's overall rehabilitation;
 - there are clear vocational outcomes for the participant;
 - there are identifiable labour market opportunities on completion of the training; and
 - the participant has been involved in the decision making process and is willing to commit to the training program.
- 2.4 To consider whether a request for pre-vocational training or vocational training is reasonable and necessary, the Authority will consider:
- the participant's pre-accident occupation or career status;
 - the participant's current capacity to engage in a training program as a result of their motor accident;
 - recommendations from an assessment of vocational skills and capacity;
 - alternatives to training;
 - training that is provided by an accredited training organisation and recognised within the relevant industry;
 - the cost and duration of the requested training;
 - the rehabilitation goal associated with the training;
 - the likely future circumstances of the participant; and
 - previous training expenses paid for by the Authority.
- 2.5 The Authority will consider funding the reasonable expenses of:
- training course fees and compulsory student and administrative charges. Course fees will be payable on a semester at a time basis. Payment of subsequent semester fees will be dependent on successful completion of previous semester course requirements;
 - compulsory textbooks and materials;
 - reasonable and necessary travel expenses to and from the approved training; and/or
 - training missed during an absence from tertiary/vocational studies that is a result of the motor accident injury.
- 2.6 The Authority will cease funding vocational training if:
- the training or educational institution determines that the participant is guilty of serious academic misconduct;
 - the participant fails to maintain satisfactory academic progress as determined by the educational institution and the Authority; and/or
 - there are no clear demonstrated benefit or outcomes for the participant.
- 2.7 Pre-vocational and vocational training expenses do not include:
- training for a person other than the participant;
 - phone calls, photocopying, stationery, meals at training venues and all other expenses associated with training;
 - costs of training courses that the participant had enrolled in or commenced prior to the injury;
 - training that is related to maintaining an existing qualification, licence, registration or accreditation once the qualification, licence, registration or accreditation has been obtained;
 - training that would be considered to form part of induction, ongoing skill maintenance or development that is within the responsibility of the employer or the participant to maintain their employment;
 - training associated with voluntary career changes or personal development.
- Note: This version of Part 16 of the Lifetime Care and Support Guidelines applies to all new applications for participation in the Lifetime Care and Support Scheme received on or after the date of gazettal in the *New South Wales Government Gazette* and applies to all participants in the Scheme on or after that date. These Guidelines apply to all services provided, and to the Authority's assessment of requests, for all services from the date of gazettal.

MOTOR ACCIDENTS (LIFETIME CARE AND SUPPORT) ACT 2006

The Lifetime Care and Support Authority of
New South Wales Guidelines

I, JULIE NEWMAN, Acting Chief Executive Officer of the Lifetime Care and Support Authority of New South Wales, under sections 7A (5) and 58 of the Motor Accidents (Lifetime Care and Support) Act 2006, issue the following guidelines.

Dated this 17th day of May 2012.

JULIE NEWMAN,
Acting Chief Executive Officer,
The Lifetime Care and Support Authority
of New South Wales

PART 17

Buying into the Lifetime Care and Support Scheme

This part of the Lifetime Care and Support Guidelines is issued under the Motor Accidents (Lifetime Care and Support) Act 2006, including sections 7A (5) and 58 of that Act.

Background

An injured person who sustained a motor accident injury prior to the commencement of the Lifetime Care and Support Scheme (the Scheme) may buy in to become a lifetime participant in the Scheme if their injury meets the eligibility criteria specified in Part 1 of the LTCS Guidelines.

The Authority will calculate the amount required to provide services to meet the injured person's reasonable and necessary treatment, rehabilitation and care needs as a result of the motor accident injury, for the injured person's lifetime. Buying into the Scheme is voluntary and will be subject to an agreement between the Authority and the injured person or their guardian.

1. Application to buy in

1.1 An application to buy into the Scheme can be made by or on behalf of the injured person. An application must be in writing and must be accompanied by sufficient information to allow the Authority to determine that the injured person's motor accident injury meets the criteria in the LTCS Guidelines and the injured person would have been eligible to participate in the Scheme, had their motor accident occurred after the applicable Scheme commencement date.

1.2 The Authority may deny an application to buy into the Scheme if the injured person's injury does not meet the eligibility criteria in Part 1 of the LTCS Guidelines, being the current version in force at the time of the application to buy in. If an application is denied, the injured person may dispute the Authority's decision about their eligibility to the Scheme in accordance with the LTCS Guidelines.

2. How the Authority calculates cost to buy in

2.1 The Authority requires information about the injured person's previous and current treatment, rehabilitation and care needs in order to calculate the cost for the injured person to buy into the Scheme. This information includes, but is not limited to:

- the current age of the injured person, and their age at the time of injury;

- the nature and severity of the injured person's injury;
- current objective assessment of the injured person's functional status, for example, using the FIM™ or WeeFIM®, the Care and Needs Scale (CANS) and American Spinal Injury Association (ASIA) scale for spinal cord injury;
- objective assessments of the injured person's previous and current treatment, rehabilitation and care needs; and
- the nature, frequency and duration of services utilised to meet these treatment, rehabilitation and care needs, including any variations in care needs during periods of transition.

2.2 The Authority may arrange for the injured person to be assessed in order for the above information to be obtained. The Authority will fund the reasonable and necessary cost of any assessment/s required. A copy of the assessment/s will be provided to the injured person.

3. What the buy-in amount includes

3.1 The amount determined by the Authority to buy into the Scheme will include:

- the full lifetime expenses in providing for the injured person's reasonable and necessary treatment, rehabilitation and care needs as relate to the motor accident injury in respect of which the injured person is a participant in the Scheme and as are reasonable and necessary in the circumstances, as outlined in section 6 (1) of the Motor Accidents (Lifetime Care and Support) Act 2006 and the LTCS Guidelines, and
- the administrative and associated costs incurred by the Authority in managing the injured person as a lifetime participant in the Scheme.

4. The Authority's notification of the amount required to buy in

4.1 The Authority will notify the injured person in writing of the amount required for the injured person to buy in, which includes information as to how the Authority has calculated the buy in amount.

4.2 The entire buy in amount will be paid to the Authority upfront.

4.3 The Authority will pay the buy in amount into the Lifetime Care and Support Authority Fund (the Fund) in full once received.

4.4 In exceptional cases the Authority may consider security over real property in lieu of cash payment after liquidation of personal assets to meet the buy-in amount.

5. Buy in as a lifetime participant

5.1 After the injured person has paid the buy-in amount to the Authority in full, the Authority will write to the injured person to confirm that they have become a lifetime participant and that the buy in amount has been paid into the Fund. The Authority cannot request any additional payments from the injured person once a buy in amount has been paid.

5.2 Once the injured person has become a lifetime participant, the participant has the same obligations and entitlements as any other lifetime participant in the Scheme.

Note: This version of Part 17 of the Lifetime Care and Support Guidelines applies to all new applications for participation in the Lifetime Care and Support Scheme received on or after the date of gazettal in the New South Wales Government Gazette and applies to all participants in the Scheme on or after that date.

MOTOR ACCIDENTS (LIFETIME CARE AND SUPPORT) ACT 2006

The Lifetime Care and Support Authority of
New South Wales Guidelines

I, JULIE NEWMAN, Acting Chief Executive Officer of the Lifetime Care and Support Authority of New South Wales, under sections 10 and 58 of the Motor Accidents (Lifetime Care and Support) Act 2006, issue the following guidelines.

Dated this 17th day of May 2012.

JULIE NEWMAN,
Acting Chief Executive Officer,
The Lifetime Care and Support Authority
of New South Wales

PART 18

Approved Providers of Attendant Care Services

This part of the Lifetime Care and Support Guidelines is issued under the Motor Accidents (Lifetime Care and Support) Act 2006, including sections 10 and 58 of that Act.

1. Approved providers of attendant care services

- 1.1 Services provided to participants in connection with their treatment and care needs for attendant care services must be provided only by approved providers. The Authority will not pay expenses of attendant care services provided by persons who are not approved providers.
- 1.2 The Authority will advertise at regular intervals for applications from attendant care providers who seek approval as an attendant care provider for the Lifetime Care and Support Scheme. Attendant care providers must meet the criteria prescribed by the Authority for appointment.
- 1.3 The Authority will generally require that an approved attendant care provider hold the Attendant Care Industry Association's endorsed certification to the Attendant Care Industry Management System Standard (ACIMSS).
- 1.4 A participant may choose an approved attendant care provider from the Authority's list of approved attendant care providers.

2. Special circumstances

- 2.1 In special circumstances, the Authority may approve, in writing, a suitable person or organisation to provide attendant care services to a participant for a limited time.

2.2 Those special circumstances may include (but are not limited to) geographic isolation and cultural or religious reasons.

2.3 The Authority will consider whether any special circumstances exist on a case-by-case basis. It should not be assumed that an application for approval under this Part will necessarily be approved merely because it relates to a circumstance of the type referred to in paragraph 2.2.

2.4 In such cases, the Authority requires a written application from the person or organisation seeking approval, which must include:

- their suitability to provide attendant care services to the participant;
- the circumstances said to justify approval of that person or organisation to provide attendant care to the participant;
- the participant's agreement to the proposed provider; and
- any such other information as the Authority may reasonably request.

2.5 If granted, the Authority's written approval of an individual or organisation will set out the duration of the approval. The Authority will not pay expenses for attendant care services delivered before a provider has obtained written approval.

3. Fees

- 3.1 The fees for attendant care services payable by the Authority for attendant care are those specified in the Authority's current Fee Schedule for approved attendant care providers. The Authority will review the Fee Schedule at regular intervals.
- 3.2 In the exceptional circumstance that the Authority approves attendant care to be delivered by other approved individuals or organisations for a participant, payment will be made according to the rates of payment set out in the letter of approval from the Authority.
- 3.3 The Authority will not pay expenses incurred by or on behalf of a participant when attendant care services are delivered by a provider who is not approved in writing by the Authority.

Note: This version of Part 18 of the Lifetime Care and Support Guidelines applies to all new applications for participation in the Lifetime Care and Support Scheme received on or after the date of gazettal in the *New South Wales Government Gazette* and applies to all participants in the Scheme on or after that date.

NATIONAL PARKS AND WILDLIFE ACT 1974

Willala Aboriginal Area

Draft Plan of Management

A draft plan of management for Willala Aboriginal Area has been prepared and is on exhibition until 27 August 2012.

Copies of the plan are available free of charge from the NPWS offices at 50-58 Wellington Street, Barradine (phone 6843 4000), 8/100 Maitland Street, Narrabri and 30 Timor Street, Coonabarabran. The plan is also on the website: www.environment.nsw.gov.au.

Written submissions on the plan must be received by the Ranger, Willala Aboriginal Area, NPWS, PO Box 105, Barradine NSW 2396, through the website or by email to northern.plains@environment.nsw.gov.au, by Monday, 27 August 2012.

All submissions received by NPWS are a matter of public record and are available for public inspection upon request. Your comments on this plan may contain information that is defined as “personal information” under the NSW Privacy and Personal Information Protection Act 1998. The submission of personal information with your comments is voluntary.

NATIONAL PARKS AND WILDLIFE ACT 1974

ERRATUM

IN the notice published in the *NSW Government Gazette* dated 28 March 2003, folios 4259-60, reserving land as Kirramingly Nature Reserve, the wording in the SCHEDULE description “and Crown Public Road separating lot 13 DP751760 from lot 2 DP1012202; inclusive of Crown Public Roads within lots 2 & 36.” should be deleted from the description as the roads referred to are not Crown Public Roads.

PARENTS AND CITIZENS ASSOCIATIONS INCORPORATION ACT 1976

Incorporation of Parents and Citizens Associations

THE following association is hereby incorporated under the Parents and Citizens Associations Incorporation Act 1976:

1. Georges Hall Public School

ADRIAN PICCOLI, M.P.,
Minister for Education

PRACTICE NOTE No. 9

Children’s Court of New South Wales

Joint Conference of Expert Witnesses
in Care Proceedings

1. Commencement

- 1.1 This Practice Note commences on 28 May 2012.

2. Introduction

- 2.1 In any care proceedings in the Children’s Court where two or more parties intend to rely upon a report of an expert witness about the same (or a similar) issue, the court may make a direction that a joint conference of expert witnesses (‘an experts’ conference’) be convened.
- 2.2 A direction that an experts’ conference be convened is a direction by the court that the expert witnesses:
 - confer, either generally or in relation to specified matters;
 - endeavour to reach agreement on any matters in issue;

- prepare a joint report, specifying matters agreed and matters not agreed and reasons for any disagreement, and
- base any joint report on specified facts or assumptions of fact.

2.3 The purpose of this Practice Note is to facilitate compliance with any such direction given by the court.

2.4 For the purposes of this Practice Note, “expert witness” has the same meaning as is contained in rule 31.18 of the Uniform Civil Procedure Rules 2005.

3. Objectives of an experts’ conference

- 3.1 The objectives of an experts’ conference include the following:
 - the just, quick and cost effective disposal of the proceedings to which the conference relates;
 - identifying and narrowing of issues for determination by the court;
 - shortening the hearing and enhancing the prospects of settlement;
 - requiring the expert witnesses to reach a conclusion on the evidence (a joint report of the expert witnesses may be used in cross-examination of an expert witness at the hearing), and
 - avoiding or reducing the need for the expert witnesses to attend court to give evidence.

4. Making a direction for an experts’ conference

- 4.1 As soon as it becomes apparent to the parties that an experts’ conference may be of assistance to the court in resolving any issue in dispute in the proceedings, the parties should raise with the court, as soon as is practicable, whether a direction that an experts’ conference be convened should be made.
- 4.2 The court may make a direction that an experts’ conference be convened on the application of a party or of its own motion.
- 4.3 Prior to the court making a direction that an experts’ conference be convened, the parties are to agree on the following matters:
 - the experts to attend;
 - the questions to be answered, and
 - the documents to be placed before the experts.
- 4.4 In reaching agreement as to the questions to be answered by the expert witnesses, the parties may circulate draft questions among the expert witnesses for their comment.
- 4.5 In determining whether to make a direction that an experts’ conference be convened, the court will have regard to the objectives of an expert conference as stated in paragraph 3.1 above.
- 4.6 The court may, in relation to an experts’ conference, direct:
 - which expert witnesses are to attend;
 - a place and time convenient to all the expert witnesses for the experts’ conference to take place;

- which issues the expert witnesses must discuss;
 - the questions to be answered by the expert witnesses, and
 - the documents to be given to the expert witnesses prior to the conference, including:
 - (i) this Practice Note;
 - (ii) an agreed chronology (if appropriate);
 - (iii) relevant affidavits or statements of witnesses or, preferably, a joint statement of factual assumptions to be made by the experts, including any competing factual assumptions to be made by them in the alternative (which should be specified clearly as such);
 - (iv) copies of all relevant expert opinions already exchanged between the parties and all other relevant expert opinions and reports upon which a party intends to rely;
 - (v) such records and other documents as may be agreed between the parties or ordered by the court;
 - (vi) a list of all documents provided to the experts, and
 - (vii) a copy of the Expert Code of Conduct as set out in Schedule 7 to the Uniform Civil Procedure Rules 2005.
- 4.7 The questions to be answered by the expert witnesses at the experts' conference should be:
- questions specified by the court as agreed to by the parties, and
 - framed to resolve an issue or issues in dispute in the case.
- 4.8 If possible, questions should be capable of being answered with a 'yes' or 'no' response or, if not, by a very brief response.
- 4.9 The questions and documents referred to in paragraph 4.6 above should be given to the expert witnesses no later than 7 working days before the experts' conference.
- 4.10 Any additional questions or documents may only be provided to the experts with the consent of all parties or, in the absence of such consent, by direction of the court.
- 4.11 Unless the court orders otherwise, the independent legal representative for a child is to provide the expert witnesses with the questions and documents referred to in paragraph 4.6 above and any additional questions or documents.
- 4.12 In the event that a Children's Court Authorised Clinician is to attend an experts' conference, one of the parties is to file within 2 working days after the experts' conference date has been fixed, a Notice to Authorised Clinician to attend a Joint Conference of Expert Witnesses.
- 5. Convening an experts' conference**
- 5.1 If the court has not fixed a place and date for an experts' conference, the parties should fix, in consultation with the Senior Children's Registrar, a time and place convenient to all the expert witnesses for the conference to take place.
- 5.2 An experts' conference should take the form of a personal meeting. Alternatively, the participants may choose to hold the conference by teleconference, audio-visual link or similar means if a personal meeting is not practicable.
- 5.3 The experts should be given a reasonable opportunity to prepare for the experts' conference by ensuring that before the conference the experts have:
- an opportunity to seek clarification from the instructing lawyers or the court concerning any question put to them, and
 - access to any additional materials which the experts consider to be relevant and are able to be provided by the parties. Any such additional material can only be provided to the experts with the consent of all parties or, in the absence of such consent, by direction of the court.
- 5.4 The costs of an expert witness participating in a joint conference are to be borne by the party seeking to rely upon the report of that expert witness.
- 6. The role of experts at a conference**
- 6.1 The experts should provide their respective responses to the questions asked based on the facts in the witness statements or affidavits or factual assumptions provided. The responses should set out the factual assumptions upon which they are based.
- 6.2 The experts should accept as fact the matters stated in witness statements or affidavits or factual assumptions submitted to them. It is not their role to decide any disputed question of fact or the credibility of any witness. Where there are competing assumptions to be made in the alternative, alternative answers may have to be provided to a question or questions, specifying which of the assumptions are adopted for each answer.
- 6.3 An expert witness both in attending an experts' conference and in preparing a joint report must comply with the Expert Witness Code of Conduct as set out in Schedule 7 to the Uniform Civil Procedure Rules 2005. In particular, the expert witness must:
- exercise his or her independent, professional judgment in relation to issues raised at an experts' conference and in a joint report;
 - endeavour to reach agreement with the other expert witness or witnesses on those issues, and
 - not act on any instruction or request to withhold or avoid agreement with another expert witness.
- (Note: see paragraphs 4 and 6 of the Expert Witness Code of Conduct).
- 6.4 If, for whatever reason, an expert is unable to reach agreement with other experts on any issue, that expert should be free to express his or her disagreement with the other experts on that issue.

7. Conduct of the experts' conference

- 7.1 At the experts' conference, the expert witnesses must:
- (a) identify the issues that are agreed and not agreed;
 - (b) if practicable, reach agreement on any outstanding issue;
 - (c) identify the reason for disagreement on any issue;
 - (d) identify what action (if any) may be taken to resolve any outstanding issues, and
 - (e) prepare a joint report specifying the matters mentioned in paragraphs (a) to (d) above.
- 7.2 The experts' conference should be conducted in a manner that is flexible, free from undue complexity and fair to all parties.
- 7.3 The participating experts may appoint one of their number as a chairperson. If one of them so requests, some other person may be appointed to facilitate the conference including a Children's Registrar nominated by the Senior Children's Registrar.
- 7.4 The participating experts may request secretarial or administrative assistance in the conduct of the experts' conference and preparation of a joint report. Any such request should be directed to the Senior Children's Registrar.
- 7.5 If the participating experts agree, one of them or a secretarial assistant may be appointed to make a note at the conference of matters agreed, matters not agreed and reasons for disagreement.
- 7.6 An experts' conference may be adjourned and reconvened as may be thought necessary by those participating.

8. The joint report

- 8.1 In their joint report the respective experts are to respond to the questions asked of them. The joint report should specify:
- the matters agreed and matters not agreed and short reasons for any disagreement, and
 - the factual assumptions (and any alternative factual assumptions) upon which the responses are based (see paragraphs 6.1 and 6.2 above).
- 8.2 The joint report should be composed by the experts and not the representatives of the parties.
- 8.3 A joint report may state:
- (i) that with respect to a particular matter, no opinion can be given. A short statement of the reason or reasons why no opinion can be given should be stated in the report;
 - (ii) that the experts believe that further specified questions could usefully be submitted to them for their opinion.
- 8.4 The joint report should, if possible, be signed by all participating experts immediately at the conclusion of the conference or otherwise, as soon as practicable thereafter. In the report each of the

participating experts should expressly state that he or she has complied with the Expert Witness Code of Conduct as set out in Schedule 7 to the Uniform Civil Procedure Rules 2005.

- 8.5 Prior to signing their joint report, the participating experts should not seek advice or guidance from the parties or their legal representatives except as provided for in this Practice Note. Thereafter, the experts may provide a copy of the report to a party or his or her legal representative and may communicate what transpired at the meeting in detail if they wish.
- 8.6 The joint report, when signed by all participating experts, should be immediately forwarded to the Senior Children's Registrar who will distribute a copy of the report to each of the parties.
- 8.7 The joint report may be tendered by consent as evidence of matters agreed on and to identify the issues on which evidence will be called.
- 8.8 If the expert witnesses reach agreement on an issue, the agreement does not bind the parties unless the parties expressly agree to be bound by it.

9. Role of legal representatives

- 9.1 Legal representatives of the parties or an unrepresented party may only attend an experts' conference pursuant to an order of the court. If the court makes such an order, legal representatives and any unrepresented party may only attend for the purpose of providing advice or guidance to the participating experts if requested to do so by the participating experts. Any such advice or guidance may only be provided jointly and not individually, unless authorised to do so by the legal representatives for all other parties and any unrepresented party. Such advice or guidance may only be provided by:
- responding to any questions in relation to the legal process applicable to the case and the conduct of the experts' conference;
 - identifying relevant documents;
 - providing further materials on request, and
 - correcting any misapprehensions of fact or any misunderstanding concerning the experts' conference process.
- 9.2 The legal representatives of the parties shall perform any other role the court may direct.

10. Further directions

- 10.1 An expert directed to confer may apply to the court for further directions. That may be done, at the expert's election, by arrangement with the Senior Children's Registrar. A party may also apply for further directions in relation to an experts' conference.

Date: 25 May 2012.

Judge MARK MARIEN, S.C.,
President

**PROTECTION OF THE ENVIRONMENT
OPERATIONS (UNDERGROUND PETROLEUM
STORAGE SYSTEMS) REGULATION 2008**

Class 1 Exemption under Clause 28

Name

1. This order is to be known as the 'Class 1 exemption'.

Legislation

2. Clause 28 of the Protection of the Environment Operations (Underground Petroleum Storage Systems) Regulation 2008 (the Regulation) authorises the EPA to exempt a person or a class of persons from any requirements of the Regulation.

Commencement and Duration

3. This order commences on 1 June 2012 and remains in force until 31 May 2017 unless otherwise revoked earlier by the Environment Protection Authority (EPA).

Exemption

4. This Order exempts each class of person that is a Person Responsible for any storage system of any of the types listed in Table 1 from the provisions of the UPSS Regulation referred to in Table 2 in respect of that storage system:

Table 1

storage system that is used solely as a back-up generator in a commercial premises or residential premises; or
storage system that is used solely for the storage of heating oil in a residential premises or the contents of which are used solely for the purpose of heating a residential premises; or
a storage system that is used solely for the storing of waste oil

Table 2

<i>Clause</i>	<i>Requirements from which the Person Responsible is exempt</i>
16 (1)	The requirement to install groundwater monitoring wells prior to using a storage system.
19	The requirement to prepare and implement an environment protection plan
20	The requirement to check and maintain gauges, indicators, groundwater monitoring wells and other measuring instrument in the system and recording the data produced by the measuring instruments.
21	The requirement to test the groundwater in each groundwater monitoring well on the storage site.
24 (1) and (2)	The requirement to keep an incident log for a storage system.
25 (1) (b)	The requirement to keep for 7 years from the date of creation any document containing data produced by measuring instruments.

25 (1) (c)	The requirement to keep for 7 years from the date of creation any document containing details of any action taken to investigate and fix any leak detected by a loss monitoring procedure.
26 (1) (c)	The requirement to keep for 7 years from the date of decommissioning of any storage system any groundwater monitoring wells report.
26 (1) (d)	The requirement to keep for 7 years from the date of decommissioning of any storage system any versions of environment protection plans.
26 (1) (f)	The requirement to keep for 7 years from the date of decommissioning of any storage system any incident log kept for the system.

Definitions

5. Terms used in this order have the same meaning as in Protection of the Environment Operations (Underground Petroleum Storage System) Regulation 2008.
6. In this order:

commercial premises means premises used for a commercial purpose, but does not include premises used for an industrial purpose.

residential premises means premises used as a residence.

waste oil means oil that has been used for lubricating or other purposes and has become unsuitable for its purpose due to the presence of impurities or loss of its original properties and is not intended for combustion.

General conditions

This Order is subject to the condition that the person complies with all of the provisions of the Protection of the Environment Operations Act 1997 and the provisions of the Regulation not otherwise exempted.

JOHN COFFEY,
A/Manager, Contaminated Sites,
Environment Protection Authority
by delegation

Notes

The EPA may amend or revoke this exemption at any time. It is the responsibility of the Person Responsible for the UPSS to ensure that they comply with all relevant requirements of the most current Class 1 Exemption Order. The current version of an exemption will be available on the EPA website: www.environment.nsw.gov.au

In gazetting this Class 1 Exemption Order, the EPA is exempting the Person Responsible from complying with the specific requirements of the Regulation outlined in Table 2 of this Order in respect of certain storage systems.

The use of the storage system for which the person responsible has management and control remains subject to all other requirements in the Regulation, the Protection of the Environment Operations Act 1997 and any other legislation that applies. For example, it is an offence to pollute land (section 142A) or pollute water (section 120) under the Act regardless of whether an exemption under the UPSS Regulation applies.

RETENTION OF TITLE

HER Excellency the Governor, by deputation of Her Majesty the Queen, has been pleased to approve of the retention of the title "Honourable" by former Justice Peter YOUNG, A.O., who served as a Judge of the Supreme Court of New South Wales from 4 March 1985 until his retirement on 23 April 2012.
