Opal Terms of Use

What is the Opal Card and who are we?

- Opal Ticketing System:** The Opal Card (**Opal Card**) is a smartcard designed for use by an electronic ticketing system (**Opal Ticketing System**). The Opal Card can be used as a form of ticketing and payment for eligible public transport services across the greater Sydney region equipped with operational Opal Card readers (**Opal Card Readers**). The Opal Card is issued by Transport for NSW (**TfNSW**). A reference to **us**, **we** or **our** is a reference to TfNSW and, where the context requires, its authorised representatives and agents.

Opal Terms of Use

2. **Opal Terms of Use:** The reference to “Opal’s terms of use” or “Opal Terms of Use” on the back of the Opal Card is a reference to these Opal Terms of Use as amended from time to time in accordance with [section 4 \(Opal Terms of Use\)](#). These Opal Terms of Use are the terms and conditions that apply to your use of the Opal Card and the Opal Ticketing System.

Acceptance

3. **Acceptance of terms:** By ordering, using or registering an Opal Card you agree to be bound by the Opal Terms of Use in force at the time you order, use or register your Opal Card. If you do not agree to be bound, you must refrain from using the Opal Card.
4. **Amendments:** We may, at any time, change any part of these Opal Terms of Use or any other information referred to in these Opal Terms of Use, by updating these Opal Terms of Use or that other information accordingly at opal.com.au (**Opal Website**). Any such changes will take effect when they are published on the Opal Website. If we make any such changes that we consider will adversely affect your use of the Opal Card in a material way, we will take such steps to notify you of those changes as we consider reasonably appropriate (for example, by including a notice on the Opal Website). By continuing to use an Opal Card after any changes are published on the Opal Website, you agree to be bound by those changes. If you do not agree to any such changes, you must refrain from using the Opal Card and you may apply for a refund of the stored value of that Opal Card (**Opal Card Balance**) in accordance with the Opal Refund and Balance Transfer Policy.
5. **Operator’s conditions of carriage:** These Opal Terms of Use apply in addition to conditions of carriage imposed by any provider of public transport services who accepts the Opal Card as payment for use of its services (**Operator**). When using the services of any Operator you must comply with that Operator’s conditions of carriage. We are not responsible for the acts or omissions of any Operator.

29. **Tap on and tap off:** You must tap on at the beginning of your trip and tap off at the end of your trip at an Opal Card Reader except in the case of ferry services to and from Manly. For ferry services to and from Manly only, you must tap on at the beginning of your trip but you do not have to tap off at the end of your trip and you may exit without doing so. Instructions on how to tap on and tap off will be set out in the documentation that is provided with a new Opal Card, and on the Opal Website, and you must comply with those instructions. If you fail to tap on or tap off as required, the Opal Ticketing System is unable to ascertain where you entered or exited the public transport network, as the case may be, and the Opal Card may be charged with a fare and/or Opal Charge that may be higher than the applicable Opal Fare.

32. **Minimum and maximum balances:** A limit applies to the maximum amount that can be maintained as an Opal Card Balance on an Opal Card, which may vary depending on the type of Opal Card you have. 33. **Authorisation:** You authorise us to deduct all Opal Fares and Opal Charges as and when they are due from the Opal Card Balance of the Opal Card.

34. **Negative balances:** If the Opal Card Balance of a reloadable Opal Card is insufficient to pay for the applicable Opal Fare or is a negative balance, you must add value to the Opal Card in an amount sufficient to pay for your trip before you use it again. You must pay any negative Opal Card Balance on a reloadable Opal Card and, when you add value to it, the added value will be first applied to reduce any negative balance.

35. **Adding value:** You may "top up" or add value to a reloadable Opal Card by paying or transferring value to the Opal Card Balance of the reloadable Opal Card. Information on current methods of adding value can be obtained by calling 13 67 25 (13 OPAL) and from the Opal Website. Under the Opal Ticketing System, "add value" is also referred to as "top up".

36. **Balance adjustments:** You may dispute the amount of an Opal Card Balance of your Opal Card and request an adjustment of the Opal Card Balance by calling 13 67 25 (13 OPAL) or by completing and sending the enquiry form on the Opal Website. An adjustment to an Opal Card Balance will only be made at our discretion. We may adjust an Opal Card Balance retrospectively if we discover that it is incorrect.

37. **Balance transfers:** We will only transfer the Opal Card Balance of an Opal Card to another Opal Card if: (a) both Opal Cards are registered and linked to the same Customer Profile; (b) the entire Opal Card Balance (less any applicable Opal Charges) is being transferred; and (c) the Opal Card from which the transfer is being made has been blocked and cancelled.

38. **Auto top up:** If you set up an "auto top up" as one of the Registered Card Benefits for your reloadable Opal Card, you are authorising us to automatically add value to your reloadable Opal Card whenever your Opal Card Balance falls below the required minimum balance by means of an automatic payment from: (a) a credit card; (b) a debit card; or (c) bank or similar account if we make such a service available in the future (**Authorised Payment Source**). You can obtain information on the minimum and maximum amounts that can be automatically added under an auto top up, the methods by which you can change or terminate an auto top up and the manner in which we will handle the auto top up if your Authorised Payment Source is declined or has expired, by calling 13 67 25 (13 OPAL). You must ensure that your Authorised Payment Source remains valid and current and you must renew your Authorised Payment Source if it has expired or if we request you to do so. If a payment for an auto top up is declined by your Authorised Payment Source, we will reverse that auto top up and cancel that auto top up.

39. **Website and 13 OPAL top ups:**

- a. **Reversals:** After we receive instructions from you to add value to an Opal Card via the Opal Website or 13 67 25 (13 OPAL) you should tap on at an Opal Card Reader with that Opal Card within 60 days. If you fail to tap on within the 60 days we will reverse the value added back to your credit or debit card as the case may be.

- b. **Timing:** We will use our reasonable endeavours to ensure timely top ups via the Opal Website or 13 67 25 (13 OPAL) but we will not be responsible for any delays in doing so.

Transfer of your Opal Card

40. **No resale:** You must not sell, or offer to sell, an Opal Card to another person for a price. We may block or cancel any Opal Card that is sold or offered for sale in breach of this section at any time without notice. If you have an Opal Card that you no longer wish to use, you can apply for a refund of the Opal Card Balance as described below.

Refunds

41. **Opal Refund and Balance Transfer Policy:** We will make refunds for Opal Card Balances as stated in these Opal Terms of Use and in accordance with the Opal Refund and Balance Transfer Policy. The Opal Refund and Balance Transfer Policy also contains the terms and conditions upon which we will transfer the balance of an Opal Card to another Opal Card. Where we de-activate or take possession of an Opal Card or require its return under section 10, remove the registration of an Opal Card under section 21, or block and/or cancel an Opal Card under section 45, you can apply for a refund in accordance with the Opal Refund and Balance Transfer Policy. We may reject any claim for a refund if you have not complied with any of the provisions of these Opal Terms of Use or if we have reason to suspect that an offence under any law may have been or may be committed.
42. **Lost or stolen – registered Opal Cards:** If you have lost a registered Opal Card or the registered Opal Card has been stolen, you must notify us as soon as possible by calling 13 67 25 (13 OPAL) or through the Opal Website, so that we can block and cancel it and arrange for a balance transfer in accordance with the Opal Refund and Balance Transfer Policy. No refunds will be given for lost or stolen registered Opal Cards. You remain liable for Opal Fares and Opal Charges incurred on the Opal Card until you report it to us as lost or stolen.
43. **Lost or stolen – unregistered Opal Cards:** No refunds will be given for lost or stolen unregistered Opal Cards. No balance transfers will be made from an unregistered Opal Card whether or not it is lost or stolen.

If you do not physically return a Damaged or Faulty Opal Card you will not be entitled to a refund.

Cancellation and Expiration

45. **Cancellation:** Subject to section 42, we may block and cancel an Opal Card if:
- we are satisfied that it is lost, stolen, Damaged or Faulty;
 - you have not complied with any of the provisions of these Opal Terms of Use or if we have reason

to suspect that an offence under any law may have been or may be committed; or

- c. we deem it reasonable to do so for the purposes of providing efficient and effective ticketing services.

An Opal Card that has been blocked or cancelled will no longer be usable.

46. **Expiration:** An Opal Card will usually expire 9 years after the date it is initialised (which will be earlier than the date you received or first used the Opal Card) (**Planned Expiry**). However, we may expire an Opal Card earlier if we have reasonable grounds to do so (for example, if a particular batch of Opal Cards are experiencing failures prior to their date of Planned Expiry) (**Unplanned Expiry**).
47. **Notice of expiry:** You will know when an Opal Card is about to expire as a card expiration message will appear on the reader display when you tap on an Opal Card Reader during the 30 day period prior to Planned Expiry, or, in the case of Unplanned Expiry, such lesser period as we may reasonably need to determine.
48. **Forfeiture of Opal Card Balance:** If you have a registered Opal Card, you can apply for a transfer or refund of your Opal Card Balance in accordance with the Opal Refund and Balance Transfer Policy for a period of up to 90 days after the date of cancellation or expiration of the Opal Card. 49. **Inability to use:** You will not be able to use any Opal Card that has been cancelled or has expired.

Law Enforcement and Revenue Protection

50. **Revenue protection:** You must co-operate with any officer (including any NSW police officer) authorised by us to monitor fare evasion, protect revenue or enforce compliance (**Authorised Officer**).
51. **Proof of entitlement:** This section 51 does not apply if you are aged 4 to 15 years (inclusive) and using a “Child/ Youth” Opal Card. When travelling using an Opal card that entitles you to concessional fares or free travel, you must carry and produce upon request evidence of your entitlement to support your eligibility (e.g. being a valid Senior Card, Pensioner Card or Student Card). If you fail to carry or produce the evidence referred to above, you may be liable to pay a fine. Your eligibility for concessional, discounted or free travel may also be suspended or withdrawn.
52. **Production of Opal Card:** You must immediately produce the Opal Card that you are using if requested to do so by an Authorised Officer. You consent to any Authorised Officer inspecting the Opal Card and viewing transactions on the Opal Card.
53. **Co-operation:** You must co-operate with us and the NSW Police in endeavouring to recover an Opal Card if it is lost or stolen or if we suspect any suspicious activity in relation to an Opal Card.

General

- 54. **Records:** In the absence of manifest error, our records are conclusive of the matters to which they relate.
- 55. **Enquiries, complaints and disputes:** You may raise enquiries, complaints or disputes by calling 13 67 25 (13 OPAL) or completing and sending us the enquiry form available on the Opal Website.
- 56. **Customer instructions:** Whenever you provide information or an instruction in connection with an Opal Card or the Opal Ticketing System to us, we are entitled to assume that you have the right and authority to provide that information or instruction to us and that we are entitled to rely on the information or instruction.
- 57. **Intellectual property rights:** The Opal Card, the Opal Ticketing System (including related software, architecture, data or other information) and their operation are protected by copyright and other intellectual property rights that are owned by us and our licensors.
- 58. **Assignment:** If we assign our functions under the Opal Ticketing System or cease to be responsible for the operation of the Opal Ticketing System, the reference to “TfNSW”, “we”, “us” and “our” in these Opal Terms of Use will refer to our assignee or the entity that has taken over the responsibility, as the case may be.

Interpretation

- 59. **Proper law:** These Opal Terms of Use are governed by the laws of New South Wales and we and you submit to the exclusive jurisdiction of the courts of New South Wales.
- 60. **Unenforceability:** If any part of these Opal Terms of Use is held to be unenforceable, the unenforceable part is to be given effect to the fullest extent possible and the remainder will remain in full force and effect.
- 61. **Including:** The words “including”, “such as”, “for example” and similar expressions are not intended as terms of limitation.

Liability

- 62. **Delays:** To the maximum extent permitted by law, we are not responsible for any delays in performing any of our obligations under these Opal Terms of Use and any of our functions under the Opal Ticketing System. To the maximum extent permitted by law, we will not be liable for any loss, damage, costs or expenses incurred as a result of the failure or delay in processing any transaction including a refund, balance transfer, balance adjustment or transaction to add value.
- 63. **Exclusion of representations and warranties:** All express or implied guarantees, warranties, representations or other terms and conditions not contained in these Opal Terms of Use are excluded from these Opal Terms of Use to the maximum extent permitted by law.
- 64. **Lawful remedies:** Nothing in these Opal Terms of Use excludes anything imposed by any legislation (such as the Australian Consumer Law which contains guarantees that protect the purchasers of goods and services in certain circumstances) that cannot be lawfully excluded or limited (**Non-Excludable Provision**). If we are able to limit your remedy for a breach of a Non-Excludable

Provision, then our liability for such a breach is limited to one or more of the following at our option:

- a. in the case of goods, the replacement of the goods or the supply of equivalent goods, the repair of the goods, the payment of the cost of replacing the goods or of acquiring equivalent goods; or
 - b. in the case of services, the supplying of the services again, or the payment of the cost of having the services supplied again.
65. **Maximum liability:** Subject to our obligations under any Non-Excludable Provision and to the maximum extent permitted by law:
- a. our maximum aggregate liability to you for all claims under these Opal Terms of Use is limited to \$250; and
 - b. we are not liable for, and no measure of damages will, under any circumstances, include special, indirect, consequential, incidental or punitive damages or damages for loss of profits, revenue, goodwill or anticipated savings.

The limitations and exclusions under this clause apply regardless of whether the claim or liability arises in contract, tort (including, without limitation, negligence), equity, under statute, based on fundamental breach or breach of a fundamental term or on any other basis, whether or not such claim, liability or damage was foreseeable.

- 66. **Contribution:** Our liability to you (if any) is reduced to the extent that your acts or omissions (or those of a third party) contribute to or caused the loss or liability.

FORM | WHS (MINES) LEGISLATION

Ancillary report: fire related to mobile plant

Pursuant to clause 131 of the Work Health and Safety (Mines) Regulation 2014 the regulator has specified, by notice published in the Gazette, certain classes of incidents that require an ancillary report to be made to the regulator, the information that must be included in the ancillary report and the form of the report.

The mine operator must provide an ancillary report, using this form, in respect of any dangerous incident or high potential incident within the meaning of clause 179(a)(ii) of the Regulation (and notifiable under clause 128(5)(a)), and any dangerous incident within the meaning of clause 179(b) of the Regulation, but only in respect of mobile plant fires. That is:

- an uncontrolled implosion, explosion or fire in relation to mobile plant that either:
 - exposes a worker or any other person to a serious risk to a person's health or safety emanating from an immediate or imminent exposure to the incident (a dangerous incident)
 - would have been a dangerous incident if a person were reasonably in the vicinity at the time when the incident occurred and in usual circumstances a person could have been in the vicinity at that time (a high potential incident)
- a fire in relation to mobile plant in the underground parts of a mine, including where the fire is in the form of an oxidation that releases heat and light (a dangerous incident).

This ancillary report is a separate and additional requirement to the initial notification of the incident using the *Notification of incident and injury form*. This report must be completed and submitted to NSW Trade & Investment Mine Safety no later than 30 days after the incident was required to be reported to the regulator. See the *Notification of incident and injury guide* for more information about the initial notification of incidents.

WORK HEALTH AND SAFETY (MINES) REGULATION 2014

Ancillary Reports – In-service Failure of Explosion-protected Diesel Engine Systems

I, MARK I PATERSON, AO, Secretary of the Department of Trade and Investment, Regional Infrastructure and Services, pursuant to clause 131 of the *Work Health and Safety (Mines) Regulation 2014* specify that an ancillary report, using the form below, must be provided to the regulator in respect of any incident described in clause 128 (5) (i) of the *Work Health and Safety (Mines) Regulation 2014*, but only in respect of diesel engine systems.

Dated this day of 21 January 2015

Mark I PATERSON, AO
Secretary
Department of Trade and Investment,
Regional Infrastructure and Services

FORM | WHS (MINES) LEGISLATION

Ancillary report: in-service failure of explosion-protected diesel engine systems

This form is only required to be completed by operators of underground coal mines

About this form

Pursuant to clause 131 of the Work Health and Safety (Mines) Regulation 2014 the regulator has specified, by notice published in the Gazette, certain classes of incidents that require an ancillary report to be made to the regulator, the information that must be included in the ancillary report and the form of the report.

The mine operator of an underground coal mine must provide an ancillary report, using this form, in respect of any incident described in clause 128(4)(i) of the Regulation, but only in respect of diesel engine systems. That is;

the failure of the explosion-protection characteristics of an explosion-protected diesel engine system while that plant is in service in an underground coal mine.

This ancillary report is a separate and additional requirement to the initial notification of the incident using the *Notification of incident and injury form*. This report must be submitted to NSW Trade & Investment Mine Safety no later than 30 days after the incident was required to be notified to the regulator. See the *Notification of incident and injury guide* for more information about the initial notification of incidents.

The failure of the explosion-protection characteristics of explosion-protected plant while that plant is in service in an underground coal mine is not limited to failure while the plant is operating (ie turned on and running). It includes any explosion-protection characteristic failures identified during routine maintenance or overhaul, as well as those identified during use. Such failures indicate that an explosion-protected plant has been (or is likely to have previously been) operating in a non explosion-protected condition.

For explosion-protected diesel engine systems this means that the plant may have been operating in a condition that has potential to ignite an explosion of dust or gas, such as coal dust on the surface of the engine, or methane in the surrounding atmosphere. Examples of such failures include:

- the failure of an explosion-protected open joint that exceeds the specified dimensions for explosion protection
- the failure of a diesel engine system to shut down when required by the control sensors, eg loss of water in the scrubber, excessive system temperature (above 150° C), failure of engine cooling system, etc
- a catastrophic failure of the diesel engine system that protrudes external to the engine, such as turbochargers, superchargers, piston, valves, connecting rods, etc
- the failure to replace any explosion-protected component, such as a cap, plug, flame trap, gland or other like component, after carrying out maintenance activities
- evidence of thermal degradation of an exhaust filter
- looseness of any explosion-protected fixed joint (gasket joint).
