## BOTANY BAY CITY COUNCIL

### Pesticide Use Notification Plan

Council at its meeting held 22 July 2015 adopted a Pesticide Use Notification Plan.

The aim of the Plan is to meet the community's general right to know about pesticide applications made to outdoor public places that are owned or controlled by Council. The Plan does not apply to outdoor public places which are not owned or controlled by Council.

The Plan allows members of the community to take action to avoid contact with pesticides if they wish and ensures that pesticides are applied to public places in a safe and responsible manner minimising harm to the community and the environment.

The Plan is available for viewing, free of charge at the Administration Centre, 141 Coward Street, Mascot or on the Council website: [www.botanybay.nsw.gov.au](http://www.botanybay.nsw.gov.au).
