STATUTORY AND OTHER OFFICES REMUNERATION ACT 1975

Report and Determination: Deputy Clerk
Legislative Assembly

Report:

1. The Premier, the Hon Mike Baird MP, has written to the Statutory and Other Offices Remuneration Tribunal ("the Tribunal") advising that the Deputy Clerk of the Legislative Assembly, Mr Mark Swinson, has elected to receive remuneration benefits pursuant to section 11A of the *Statutory and Other Offices Remuneration Act 1975* ("SOOR Act"). The Premier approved Mr Swinson's election and nominated the position of Deputy Clerk Legislative Assembly as one to which section 11A of the Act applies.
2. Mr Swinson has elected to receive remuneration benefits on and from 24 January 2016. On that basis, the Premier has requested that the Tribunal make a special determination, pursuant to section 14 of the SOOR Act, to take effect from 24 January 2016.

Background:

3. When the Senior Executive Service was introduced in 1989 the Government considered that some Statutory Office Holders, exercising independent functions (excluding judicial officers) should be able to receive employment benefits similar to those provided to senior executives. Section 11A of the SOOR Act provides that remuneration for such office holders is to be determined on a total cost basis rather than as a salary only. This Group is known collectively as "11A Office Holders".
4. Unlike senior executives, office holders are not subject to contractual employment provisions or performance agreements. In addition, the remuneration for these office holders is determined as a fixed amount rather than a range, which applies to the levels or bands or senior executive employment.

Review:

5. The Deputy Clerk is the second most senior official, after the Clerk, in the Department of the Legislative Assembly. The office is responsible for advising and assisting Members, their staff and officers on matters of parliamentary practice and law and in the drafting of private members bills and amendments. The Deputy Clerk assists the Clerk at the Assembly Table during sittings of the House and, during the Clerk's absence, performs the duties of Clerk. The Deputy Clerk also assists the Speaker in the management of the business of the House.
6. The Deputy Clerk also manages the Office of the Clerk, through the coordination of research and administrative services and advice on the operation of the Department to support the Clerk in the management of the Legislative Assembly and to assist in leading change and reform.
7. For remuneration purposes the position of Deputy Clerk Legislative Assembly is listed in Schedule 2 of the SOOR Act. For the purposes of this determination the relevant annual salary is that which applies from 1 October 2015 being \$220,860.
8. In determining a package the Tribunal has applied the standard methodology and considers that a total remuneration package of \$241,970 would be appropriate and so determines.
9. This determination shall apply only to Mr Swinson's appointment as Deputy Clerk. Should any future appointees to the office of Deputy Clerk Legislative Assembly wish to receive employment benefits and receive a total remuneration package, he or she would be required to make an election, pursuant to section 11A of the SOOR Act, and the Tribunal be directed to determine a total remuneration package.

Determination:

Pursuant to section 14 (1) of the *Statutory and Other Offices Remuneration Act 1975* the Tribunal determines that the total remuneration package for Mr Mark Swinson, Deputy Clerk Legislative Assembly, shall be \$241,970 per annum for the period with effect from 24 January 2016.
