PREAMBLE

OCCUPATIONAL ASSOCIATION

The New South Wales Bar Association (ACN 000 033 652) is an Australian Public Company, Limited by Guarantee. The Association's Scheme commenced on 1 July 2015. The NSW Bar Association's website is www.nswbar.asn.au

The occupational group represented by the Association is barristers holding a New South Wales practising certificate. The Scheme only applies to barristers who hold a New South Wales practising certificate, who are members of the Association and who hold approved professional indemnity insurance as provided for in the Scheme. The number of members eligible to be covered by the Scheme is approximately 2200.

The Association's objectives are outlined in clause 3 of the Constitution and include:

- to promote the administration of justice;
- to promote, maintain and improve the interests and standards of local practising barristers;
- to make recommendations with respect to legislation, law reform, rules of court and the business and procedure of courts;
- to seek to ensure that the benefits of the administration of justice are reasonably and equally available to all members of the community;
- to arrange and promote continuing legal education;
- to promote fair and honourable practice amongst barristers; to suppress, discourage and prevent malpractice and professional misconduct;
- to inquire into questions as to professional conduct and etiquette of barristers;
- to confer and cooperate with bodies in Australia or elsewhere representing the profession of the law;
- to encourage professional, educational, cultural and social relations amongst the members of the Bar Association; and
- to make donations to charities and such other objects in the public interest as determined from time to time by the Bar Council.

NATURE AND OPERATION OF THE SCHEME

The Scheme operates for the purpose of improving the occupational standards of barristers and to protect the consumers of their services. The Scheme limits the civil liability of barristers to whom it applies. The Scheme is intended to operate in New South Wales, the Australian Capital Territory, the Northern Territory, Queensland, Victoria, Western Australia, South Australia and Tasmania.

The liability limited by the Scheme includes, to the extent permitted by the Act, all civil liability arising (in tort, contract or otherwise) directly or vicariously from anything done or omitted by a member of the Association or to any person to whom the Scheme applies in acting in the performance of his or her occupation. The Scheme does not apply to liability for damages arising from any matter to which the Act does not apply, including, but not limited to, liability for damages arising from death or personal injury to a person, a breach of trust, fraud or dishonesty.

The Scheme does not affect damages which are below \$1.5 million. The Scheme limits liability for damages to \$1.5 million provided the person has insurance which is not less than \$1.5 million. To date, there has never been a successful claim against a NSW barrister that has reached \$1.5 million in damages.

Third Scheme – Commenced 1 July 2015 and expires 30 June 2020

RISK MANAGEMENT

The Association has adopted many risk management strategies, including:

- requirements for professional entry to practice at the Bar;
- continuing professional development in the areas of ethics and regulation of the profession; management; substantive law, practice and procedure, and evidence, advocacy, mediation and other barristers' skills;
- codes of ethical conduct;
- technical standards and guidance;
- advisory and support services;
- complaints and discipline systems; and
- claims monitoring.

The Bar Association will continue to report annually on the implementation and monitoring of its risk management strategies, the effect of those strategies and any changes made or proposed to be made to them.

COMPLAINTS AND DISCIPLINE

Scheme members are subject to a complaints and discipline system operating under the Legal Profession Uniform Law (NSW), the Legal Profession Uniform Conduct (Barristers) Rules 2015, the Legal Profession Uniform Law Application Act 2014 (LPULAA) and Regulations thereunder. All scheme members must comply with this legislation.

STANDARDS OF INSURANCE

Scheme members are required to have approved professional indemnity insurance before they are issued with a practising certificate. The NSW Attorney General determines the statutory minimum level of professional indemnity insurance required to be taken out by barristers and approves the professional indemnity insurance policies on offer by brokers each year. The professional indemnity insurance taken out by NSW barristers covers them for liability in all Australian States and Territories.

CLAIMS MONITORING

The Association will continue to request that the Attorney General's Order approving the policies for NSW barristers each year requires that the brokers/insurers provide the Association with claims data so that the Association can continue to monitor claims made against its members. The Association will continue to maintain its long-established relationship with the insurers. The Bar Association will continue to report annually to the Professional Standards Council on claims monitoring, tactics, performance measures and monitoring systems.

SCHEME ADMINISTRATION

Responsibility for administration of the scheme and ensuring that it complies with the requirements of the *Professional Standards Act 1994* (NSW) and of the Professional Standards Council rests with the Executive Director; who is assisted on a day to day basis by the Association's Senior Projects Lawyer.

DURATION

The scheme will remain in force for a period of 5 years from 1 July 2015 unless it is revoked, extended or ceases in accordance with section 32 of the Professional Standards Act.

6 Campion Street, DEAKIN
ACT 2600
- 1.2. The scheme is intended to operate in New South Wales, the Australian Capital Territory, the Northern Territory, Queensland, South Australia, Victoria, Western Australia and Tasmania.
- 1.3. The scheme is intended to limit occupational liability by insurance arrangements pursuant to s21 of the Act. The relevant insurance arrangements are the APIV Insurance Standards.¹

¹ These are published on the API website at <https://www.api.org.au/resources/apiv-limitation-of-liability-scheme-resources>.

2. Persons to Whom the Scheme Applies²

- 2.1. The scheme applies to all members of the APIV. All members of the APIV are required to hold or have the benefit of a Professional Indemnity Insurance Policy against occupational liability that complies with the insurance standards of the APIV and the insurance requirements set out in Clause 3.2, unless exempted by the APIV.
- 2.2. This scheme also applies to all persons to whom the scheme applied under Clause 2.1 at the time of any act or omission giving rise to occupational liability.³
- 2.3. The APIV may, on application by a member to whom this scheme applies under Clause 2.1, exempt the member from the scheme.

3. Limitation of Liability

- 3.1. This scheme only affects the liability for damages⁴ arising from a single cause of action to the extent to which the liability results in damages exceeding \$1,000,000.
- 3.2. If a person or corporation, who or which was at the time of the act or omission giving rise to occupational liability, a person or corporation to whom this scheme applied and against whom a proceeding relating to occupational

² Sections 18 and 19 of the Act provide that if the scheme applies to a body corporate, the scheme also applies to each officer of the body corporate and if the scheme applies to a person, the scheme also applies to each partner of the person, and if the scheme applies to a person the scheme also applies to each employee of the person, provided that if such officer of the corporation or partner of the person or employee of the person is entitled to be a member of the same occupational association, such officer, partner or employee is a member of the occupational association. Section 20 provides that the scheme may also apply to other persons as specified in that section. Section 20A extends the limitation of liability of persons to whom the scheme applies by virtue of sections 18 to 20.

³ For the purposes of the operation of the scheme in New South Wales, "occupational liability" has the same meaning as it has in the Act and excludes any liability which may not from time to time be limited pursuant to the Act. Similarly, for the purposes of the operation of the scheme in other jurisdictions in which it applies, "occupational liability" has the same meaning as it has in the corresponding legislation of those jurisdictions and excludes any liability which may not from time to time be limited pursuant to that legislation.

Occupational liability is defined in s4(1) of the Act to mean 'civil liability arising (in tort, contract or otherwise) directly or vicariously from anything done or omitted by a member of an occupational association acting in the performance of his or her occupation'. However, s5(1) of the Act provides that the Act does not apply to liability for damages arising from the death of or personal injury to a person, a breach of trust or fraud or dishonesty. [Note: All jurisdictions other than NSW and WA exclude a lawyer acting in a personal injury matter.] Section 5(2) of the Act also provides that the Act does not apply to liability which may be the subject of proceedings under Part 13 or 14 of the *Real Property Act 1900* (NSW).

⁴ Damages as defined in section 4(1) of the Act means (a) damages awarded in respect of a claim or counter-claim or claim by way of set-off and (b) costs in or in relation to the proceedings ordered to be paid in connection with such an award (other than costs incurred in enforcing a judgment or incurred on an appeal made by a defendant), and (c) any interest payable on the amount of those damages or costs.

liability is brought, is able to satisfy the court that such person or corporation has the benefit of a Professional Indemnity Insurance Policy:

- (a) of a kind which complies with the APIV Insurance Standards,
- (b) insuring such person or corporation against the occupational liability to which the cause of action relates, and
- (c) under which the amount payable in respect of that occupational liability is not less than the monetary ceiling specified in the 4th column (entitled "Monetary Ceiling") of the table in Clause 3.3 of this scheme relating to the class of person and the kind of work to which the cause of action relates,

that person or corporation is not liable in damages in relation to that cause of action above the monetary ceiling specified in this scheme.

- 3.3. The monetary ceiling (maximum amount of liability) required for the purposes of limitation of liability under this scheme at the time at which the act or omission giving rise to the cause of action occurred is to be determined according to the following table:

Class	Description	Upper End Value	Monetary Ceiling ⁵
1	Category A Member	\$0.0 million to < \$3.0 million	\$1.0 million
2	Category B Member	\$3.0 million to < \$5.0 million	\$2.0 million
3	Category C Member	\$5.0 million to < \$10.0 million	\$3.0 million
4	Category D Member	\$10.0 million to < \$15.0 million	\$4.0 million
5	Category E Member	\$15.0 million to < \$40.0 million	\$5.0 million
6	Category F Member	\$40.0 million >	\$10.0 million

- 3.4. Clause 3.2 only affects liability for damages arising from a single cause of action to the extent to which the liability in damages exceeding such amount as is specified in Clause 3.1.
- 3.5. This scheme limits the occupational liability in respect of a cause of action founded on an act or omission occurring during the period when the scheme was in force of any person to whom the scheme applied at the time the act or omission occurred.

⁵ Pursuant to the APIV Insurance Standards, there must be at least one automatic reinstatement where the policy limits the aggregate of claims.

- 3.6. This scheme does not limit the occupational liability of a member in the event the member does not have the benefit of a Professional Indemnity Insurance Policy in accordance with Clause 3.2 at the time the act or omission occurred.

4. Conferral of discretionary authority

- 4.1. Pursuant to section 24 of the Act, this scheme confers on the APIV a discretionary authority to specify, on application by a member to whom the scheme applies, in relation to that person a higher monetary ceiling (maximum amount of liability) not exceeding \$20 million, in relation to the person either in all cases or in any specified case or class or case.
