Annual Determination

---

*Report and determination  
under section 13 of the  
Statutory and Other Offices  
Remuneration Act 1975*

**04 October  
2018**

Governor of New South Wales

## Background

1. Section 13 of the *Statutory and Other Offices Remuneration Act 1975* (the SOOR Act) requires the Tribunal, each year, to make a determination on the remuneration to be paid to office holders. “Remuneration” is defined in section 10A as salary or allowances paid in money.
2. Schedule 6, Part 3, clause (3)(2) of the SOOR Act provides for the determination in respect to the office of Governor to be taken as a determination under section 13 in the following terms:

### **3 Governor’s salary**

- (1) On, or as soon as practicable after, the commencement of the Constitution Amendment (Governor’s Salary) Act 2003, the Tribunal is to make a determination of the remuneration to be paid to the holder of the office of Governor as on and from the day specified for that purpose in the determination (which may, but need not, be the day on which that Act commences).*
  - (2) A determination under this clause is taken to be a determination under section 13. However, sections 17 (2) and 20 (1) (b) do not apply to a determination under this clause.*
  - (3) A determination under this clause comes into force, or is taken to have come into force, on the day specified for that purpose in the determination (which may, but need not, be the day on which the Constitution Amendment (Governor’s Salary) Act 2003) commences.*
3. The effect of the above clause is that an annual determination in respect of the Governor’s salary does not take effect from 1 July. Instead, annual determinations of the Governor’s salary take effect from the anniversary of the commencement of the Tribunal’s special determination made on 5 June 2014. That special determination took effect on or after the commencement date of the Constitution Amendment (Governor’s Salary) Act 2003, that being 2 October 2014.

Governor of New South Wales

## Government Wages Policy

4. The Tribunal is required, when making determinations under Part 3 of the SOOR Act, to give effect to any policy concerning the remuneration of office holders as declared by the regulations. Section 6AB of the SOOR Act applies to the Tribunal's determinations in respect of the Governor. Government policy concerning the remuneration of office holders to which Part 3 of the SOOR Act applies is declared in the *Statutory and Other Offices Remuneration (Judicial and Other Office Holders) Regulation 2013* (the SOOR Regulation).
5. In accordance with the SOOR Regulation any increase the Tribunal may determine in excess of 2.5 per cent can only be paid if sufficient officer-related cost savings for the office holder have been achieved to fully offset the increased officer-related costs resulting from increased payment.

## 2017 Determination

6. On 29 August 2017 the Tribunal determined that the Governor would receive a 2.5 per cent increase in salary to \$479,330 with effect on and from 2 October 2017.

## 2018 Determination

### Government Submission

7. The Tribunal invited Mr Tim Reardon, Secretary of the Department of Premier and Cabinet, to make a submission on behalf of the Government prior to making its annual report and determination.
8. Mr Reardon provided the Government submission to the Tribunal on 12 September 2018, which supports an increase of 2.5 per cent:

*'The NSW Government supports the Statutory and Other Offices Remuneration Tribunal determining an increase of 2.5 per cent in relation to the remuneration for the Governor of NSW effective from 2 October 2018.*

*Such a determination would be appropriate and consistent with the NSW wages*

Governor of New South Wales

*policy and reflects the NSW Government's intent, pursuant to section 6AB of the Statutory and Other Offices Remuneration (Judicial and Other Office Holders) Regulation 2013.'*

**Conclusion**

9. The Tribunal, after having regard to the provisions of section 6AB of the SOOR Act, determines an increase of 2.5 per cent for the remuneration payable to the holder of the office of Governor, effective on and from 2 October 2018 pursuant to section 13 and Part 3 of Schedule 6 of the SOOR Act. The new rate is as set out in the determination below.

**Annual Determination of Remuneration**

Annual determination of the remuneration to be paid to the holder of the office of Governor of New South Wales effective on and from 2 October 2018.

<b>Public Office Holder</b>	<b>Salary per annum</b>
Governor	\$491,310

## **3. Conduct in the Online Court**

- 3.1 The OLC is a virtual courtroom, authorised by Schedule 1 to the *Electronic Transaction (ECM Courts) Order 2005*. It may only be used for issues that may be considered and determined by the Court.
- 3.2 The OLC is not to be used for communications solely between the parties.
- 3.3 Parties must conduct themselves and use language in the OLC as they would during an in-person court appearance. Parties must adhere to professional etiquette and courtesy in the OLC.
- 3.4 Parties must keep their User Name and Password secure.
- 3.5 The Court may, from time to time, give instructions as to:
- (a) the acceptable length of reasons for requests and messages in the OLC;  
and
  - (b) the time and date by which requests and responses to requests must be made.
- 3.6 Failing to submit requests, responses, counter requests or consents in the OLC in accordance with the timeframes described within this Practice Note or

in accordance with timeframes otherwise ordered by the Court will be treated as a non-appearance in the proceedings. Further non-appearance may result in the proceedings being dismissed.

- 3.7 If a message is submitted to the OLC by a delegate for a practitioner on the record, the practitioner is taken to have affirmed to the Court that he or she has actual knowledge of its contents.
- 3.8 Undertakings given in the OLC by parties are as binding as if the undertaking were given in an in-person courtroom appearance.
- 3.9 Parties will be notified by email when a message has been sent in the OLC.

#### **4. Commencement in the Online Court**

- 4.2 All parties will be notified immediately by email that the proceeding is eligible and has been activated for the OLC.
- 4.3 Parties in matters eligible to be managed by the OLC must use the OLC for case management unless exceptional reasons are demonstrated or the Court otherwise orders.

#### **5. How matters will be dealt with in Online Court**

##### **Case Management Orders**

- 5.1 The following communications, where applicable, are to be made in the OLC *prior* to each court date:
  - (a) *Request*: a party may make a request for orders.

- (b) *Response*: each other party will be automatically notified of the request, and is to respond by consenting to the request or making a counter request.
  - (c) *Counter request*: each other party will be automatically notified of the counter request. If a counter request is made, each other party is to respond by indicating their consent or opposition to the counter request.
  - (d) *Consent*: when all parties have consented to a request it is then forwarded to the Court to consider.
- 5.2 As far as practicable, parties will communicate between themselves and come to an agreed position as to the orders sought prior to submitting a request in the OLC.
- 5.3 Any terms agreed between the parties should be explicitly included as orders sought in the request.
- 5.4 All requests or counter requests made in the OLC must be supported with reasons.
- 5.5 All requests must be completed by 2pm, three business days prior to the next court date.
- 5.6 All consents or counter requests must be completed by 6pm, three business days prior to the next court date.
- 5.7 If communications, including both a request and/or a response to a request, are not received in the OLC by the times specified in paragraphs 5.5 and 5.6 above, all the parties are required to attend in person on the court date in accordance with the requirement of Practice Note 1, in particular paragraph 4.

- 5.8 If parties are required to attend Court they must be prepared to address the matters in paragraph 8 below.

### **Hearing Dates**

- 5.9 Hearing dates with estimates of 5 days or more should not be requested through the OLC. Parties must attend a listing to obtain a hearing date of 5 days or more and comply with Practice Note 1, paragraph 9. The necessity to list the matter to obtain a hearing date will exempt the parties from paragraph 10 of this Practice Note.

## **6. Court Orders**

  - (b) The Court may choose to send a message to the parties if it appears there are case management issues requiring resolution.

7.4 The Court may give instructions as to the length of messages, the content of messages and the time and date by which messages must be received.

## **8. Costs**

8.1 The Court may determine that the parties are required to attend in person on a court date and will make orders accordingly.

8.2 On a listing date at which the parties are required to appear in person, the Court may of its own motion consider making orders for costs, and/or consider any application for costs from parties to cover the costs of appearance in person and/or costs of preparation of any OLC request.

8.3 In determining the costs application, the Court may take into account any relevant consideration, including without limitation:

- (a) Any failure of a party or parties to respond to a request, counter a request or consent to a request (s 56(5) CPA);
- (b) Whether the in-person court appearance could have been avoided if the party had responded to an OLC request; and
- (c) Whether there is a reasonable explanation for the party or parties not responding to an OLC request.

- 8.4 Costs will be ordered against a party or a practitioner for failure to adequately explain or address matters in 8.3 (a) to (c) under paragraph 4.4 of Practice Note 1 and section 99 of the CPA.

## **9. Terminating or Extending an Online Court request**

- 9.1 An OLC request may be terminated at any time by the Court and the proceeding listed for resolution at an in-person court appearance before the Court.
- 9.2 The Court may terminate an OLC request and direct the parties to re-submit a further request.
- 9.3 The Court may adjourn a listing to extend the time to consider an Online Court request or direct the parties to prepare a further online request.

## **10. Documents**

- 10.1 Documents can be attached as part of a request or attached to a message. Any attached documents will be viewable by all parties and the Court.
- 10.2 Where parties require documents to be formally filed, they should do so via the ORW and not via the OLC.
- 10.3 Documents cannot be accepted for filing in the OLC.

## **11. Obtaining copy of Online Court Record**

- 11.1 All activity in the OLC including requests, consents, counter requests and messages will be recorded in the OCR and will be visible to all parties and the Court.

- 11.2 Any person may make a request to the Court for a printed copy of the OCR. The printed copy of the OCR may be provided, subject to any suppression order or other restrictions that might apply to the proceeding.
