**CHARITABLE TRUSTS ACT 1993**

NOTICE UNDER SECTION 15  
CY PRES SCHEME RELATING TO  
THE ESTATE OF THE LATE JOHN WILLIAM NASH

Section 9(1) of the *Charitable Trusts Act 1993* permits the application of property cy-pres where the spirit of the original trust can no longer be implemented.

Clause 4(a) of the Will of the late John William Nash ('the Will') provides that one half share of the residuary estate is to be held on trust for the 'Eurobodalla Cricket Association' and directs that the bequest is 'to be used for the purposes of junior and youth cricket, up to the age of eighteen years, in the Batemans Bay area.' The Will further provides that there be 'no restriction on the use' that the funds may be put 'including the provision of a scholarship for outstanding young cricketers (both male and female), provision of travel costs to competitions, special training events, provision of perpetual trophies for inter school competitions or local competitions.'

The bequest in clause 4(a) of the Will appears to create a charitable trust ('the trust'), as it is a gift for the physical education of persons of school age or just above. The value of the bequest is approximately \$275,000.

The Eurobodalla Cricket Association had its incorporation cancelled and no longer exists. There are no organisations bearing the name 'Eurobodalla Cricket Association' or similar. As such, a cy pres scheme has been sought to govern the distribution of the funds that are the subject of the trust.

The Batemans Bay Cricket Club ('BBCC') is an incorporated association whose genealogy involves the unification of a number of rival cricket clubs within Batemans Bay and surrounding areas. The testator was involved prominently with one of those cricket clubs. The dedicated purpose of the BBCC is cricket, to the furtherance of cricket in the Batemans Bay community. Relevantly, at the BBCC, junior cricket is played in the U10, U14 and U16 formats.

The BBCC proposes to apply the funds that are the subject of the trust to the benefit of junior and youth cricket within the Batemans Bay area, which may include establishing scholarships to provide financial assistance to junior cricketers in the Batemans Bay area of outstanding talent and/or insufficient means.

In circumstances where the funds held on trust cannot be applied to the original purpose of the trust, due to the cessation of the Eurobodalla Cricket Association, the Solicitor General, as the Attorney General's delegate, recommends the establishment of a cy pres scheme to apply the funds held on trust to the BBCC for the advancement and support of junior and youth cricket within the Batemans Bay area, that being as close as possible to the original purposes of the trust.

Take note that within one month after the publication of this notice any person may make representations or suggestions to the Attorney General in respect of the proposed scheme.

Signed

Lida Kaban  
General Counsel, Department of Communities and Justice
