---

The New South Wales Government Gazette is the permanent public record of official NSW Government notices. It also contains local council, private and other notices.

From 1 January 2019, each notice in the Government Gazette has a unique identifier that appears in round brackets at the end of the notice and that can be used as a reference for that notice (for example, (n2019-14)).

The Gazette is compiled by the Parliamentary Counsel's Office and published on the NSW legislation website ([www.legislation.nsw.gov.au](http://www.legislation.nsw.gov.au)) under the authority of the NSW Government. The website contains a permanent archive of past Gazettes.

### CONTAMINATED LAND MANAGEMENT ACT 1997

Environment Protection Authority

Declaration of significantly contaminated land

(Section 11 of the Contaminated Land Management Act 1997)

Declaration Number 20181112; Area Number 3436

The Environment Protection Authority (EPA) declares the following land to be significantly contaminated land under the *Contaminated Land Management Act 1997* ("the Act"):

#### 1. Land to which this declaration applies ("the site")

This declaration applies to part of the Westside Petroleum Service Station, located at 290-294 The Entrance Road, Long Jetty, NSW and described as part of Lot 36, Section 2 of Deposited Plan (DP) 10984 and Lot A of DP37937. This declaration also applies to part of the adjoining footpath of The Entrance Road. The land to which this declaration applies is in the local government area of Central Coast Council and is shown on the attached figure.

#### 2. Nature of contamination affecting the site:

The EPA has found that the site is contaminated with the following substances ("the contaminants"):

- Petroleum hydrocarbons including total recoverable hydrocarbons (TRH), benzene, toluene, ethylbenzene and xylenes (BTEX) and naphthalene.

#### 3. Nature of harm that the contaminants may cause:

The EPA has considered the matters in section 12 of the Act and for the following reasons believes that the land is contaminated and that the contamination is significant enough to warrant regulation under the Act:

- Groundwater is contaminated with petroleum hydrocarbons at concentrations exceeding guidelines that are protective of human health and the environment, including the presence of light non-aqueous phase liquids (LNAPL).
- There are potential risks to on-site occupants of the building through vapour inhalation.
- Remediation and management of the contaminated groundwater plume is required to prevent further off-site migration.

#### 4. Further action under the Act

The making of this declaration does not prevent the carrying out of voluntary management of the site and any person may submit a voluntary management proposal for the site to the EPA.

#### 5. Submissions invited

The public may make written submissions to the EPA on:

- Whether the EPA should issue a management order in relation to the site; or
- Any other matter concerning the site.

Submissions should be made in writing to:

Director Contaminated Land Management  
Environment Protection Authority  
PO Box A290  
SYDNEY SOUTH NSW 1232

or faxed to 02 9995 6603

or emailed to [contaminated.sites@epa.nsw.gov.au](mailto:contaminated.sites@epa.nsw.gov.au)

by no later than **29 April 2019**

1 April 2019

ARMINDA RYAN  
Director Contaminated Land Management  
Environment Protection Authority

**NOTE:**

**Management order may follow**

If management of the site or part of the site is required, the EPA may issue a management order under s14 of the Act.

**Amendment/Repeal**

This declaration may be amended or repealed. It remains in force until it is otherwise amended or repealed. The subsequent declaration must state the reasons for the amendment or repeal (s.44 of the Act).

**Information recorded by the EPA**

Section 58 of the Act requires the EPA to maintain a public record. A copy of this significantly contaminated land declaration will be included in the public record.

**Information recorded by councils**

Section 59 of the Act requires the EPA to give a copy of this declaration to the relevant local council. The council is then required to note on its planning certificate issued pursuant to s10.7 (2) of the *Environmental Planning and Assessment Act 1979* that the land is declared significantly contaminated land. The EPA is required to notify council as soon as practicable when the declaration is no longer in force and the notation on the s10.7 (2) certificate is no longer required.

**Relationship to other regulatory instrument**

This declaration does not affect the provisions of any relevant environmental planning instruments which apply to the land or provisions of any other environmental protection legislation administered by the EPA.

**CHARITABLE TRUSTS ACT 1993**

ORDER UNDER SECTION 12

CY PRÈS SCHEME RELATING TO

THE ESTATE OF THE LATE LAWRENCE HENRY ROBERT COATES

Section 9(1) of the *Charitable Trusts Act 1993* permits the application of property cy-près where the spirit of the original trust can no longer be implemented.

Mr John Raymond Maloney is the sole executor and trustee appointed under the Will of Mr Coates. Mr Maloney applied to the Attorney General for an order pursuant to s12 of the *Charitable Trusts Act 1993* in relation to charitable trust property. The application is in respect of gifts of \$10,000.00 each to the "Children's Hospital (Randwick) Leukaemia and Cancer Foundation" and to the "Ageing and Alzheimers Research Foundation Concord Repatriation Hospital"; and the gift of a term deposit account to the value of approximately \$240,000.00 to "the Prince of Wales Hospital at Randwick".

Each gift in question is a trust for a charitable purpose. The gifts to medical research foundations being for the advancement of education, having as their object the increase of useful knowledge, and the gift to the Prince of Wales Hospital being construed as a gift for the charitable purposes of the hospital.

In relation to the gift to "Children's Hospital (Randwick) Leukaemia and Cancer Foundation", the executor sought a cy-près scheme whereby the funds be paid to the "Children's Cancer Institute Australia" (the Institute). The executor had not been able to identify any foundation of the exact name. However, there was a foundation named the "Children's Leukaemia and Cancer Foundation" (ACN 074 617 271) (the "CLCF"). The CLCF was registered as a Company between 25 July 1996 and 19 February 2009. One of the exceptions to the rule that a gift to an organisation that does not exist would lapse, is where another institution has taken over the work previously carried on by the named institution, provided that the dominant charitable intention of the testator was wide enough to allow the gift to take effect in favour of the successor. Another exception to the rule is where there is no successor institute but there is a general charitable intention, such that a cy-près scheme should be ordered. The Solicitor General, as the Attorney General's delegate has agreed with a recommendation that a cy-près scheme be ordered whereby the funds be paid to the Institute for its charitable purposes.

In relation to the gift to "Ageing and Alzheimers Research Foundation Concord Repatriation Hospital", it is correctly construed as being for the charitable purposes of the former "Ageing and Alzheimer's Research Foundation", which was a foundation that was terminated after the date of the Will but before the death of the late Mr Coates. This is not a case where there is a successor institution, as neither the Foundation or the Fund had or have a legal identity. The "Ageing and Alzheimer's Research Foundation" was established in 1993 as an internal business unit of the University of Sydney and was affiliated with the Concord Repatriation Hospital. Following changes in 2006, the Foundation operated as a division of the Sydney Medical School Foundation. On 11 May 2012, the Foundation was terminated as a foundation and transitioned to the Ageing and Alzheimer's Research Fund within the Sydney Medical School Foundation. The Foundation and the Fund are the same entity in that they represent the continuum of an internal business unit of the University of Sydney which has operated according to the same objects and functions since 2006, and similar objects since 1993. The Solicitor General, as the Attorney General's delegate has agreed with a recommendation that a scheme should be established whereby the gift be paid to the University of Sydney for the purposes of the Ageing and Alzheimer's Research Fund.

The gift in relation to the "Prince of Wales Hospital at Randwick" has not ceased to be suitable and effective so as to necessitate a cy-près scheme, because the hospital, although not a legal entity, exists. The gift must be construed as being a gift for the charitable purposes of the hospital, which is still in operation and is administered by the South Eastern Sydney Local Health District. The Solicitor General, as the Attorney General's delegate has agreed with a recommendation that an administrative scheme should be ordered whereby the gift is to be paid to the South Eastern Sydney Local Health District to be applied for the charitable purposes of the Prince of Wales Hospital at Randwick.

The executor of the estate has no objection to a scheme applying the funds to the abovementioned entities.

This is an appropriate matter in which the Attorney General should approve a scheme under s 12(1)(a) of the *Charitable Trusts Act 1993*.

I have previously approved a recommendation that the Attorney General establish a cy prè scheme or an administrative scheme which would permit these charitable funds to be applied in a manner as close as possible to the original purposes of the trust.

Pursuant to section 12 of the *Charitable Trusts Act 1993*, I hereby order that the funds held by the Estate of the late Mr Coates for the gifts to the Children's Hospital (Randwick) Leukaemia and Cancer Foundation, the Ageing and

Alzheimers Research Foundation Concord Repatriation Hospital and the Prince of Wales Hospital at Randwick be applied to the Children's Cancer Institute Australia (ABN 41 074 279 559), the University of Sydney for the purposes of the Ageing and Alzheimer's Research Fund and the South Eastern Sydney Local Health District for the purposes of the Prince of Wales Hospital at Randwick.

This order will take effect 21 days after its publication in the Government Gazette, in accordance with section 16(2) of the *Charitable Trusts Act 1993*.

Date of Order: 29 March 2019

Attorney General)

### CUMBERLAND COUNCIL

#### UNCLAIMED CONSTRUCTION BONDS FOR HOLROYD AND AUBURN LGAS

Cumberland Council has inherited a backlog of unclaimed construction bonds collected between 1991-2010 from various development projects across the two former Holroyd and Auburn Council Local Government Areas (LGAs).

These bonds were collected for various projects across the two former LGAs to protect public infrastructure during the construction period. The bonds include On-Site Stormwater Detention Bonds and Security Bonds such as Damage Deposit, Kerb and Gutter, Footpath, Gully Pits, Redundant Layback, and Restoration bonds.

Cumberland Council is committed to returning unclaimed construction bonds where it can be demonstrated that the development works were completed to a satisfactory standard and all public assets were not damaged in the process.

Cumberland Council will make reasonable attempts to contact the party involved in lodging the bond and if you are aware that you may have an unclaimed bond for projects carried out between 1991 and 2010 please contact us for a possible refund.

You will need to provide documentation that you have an unclaimed bond from a project carried out in the Holroyd and Auburn LGAs during that period.

To register a claim for an unclaimed bond please contact [constructionbonds@cumberland.nsw.gov.au](mailto:constructionbonds@cumberland.nsw.gov.au) or phone (02) 8757 9000 for more information.

The deadline for registrations is Monday 3 June 2019.
