

Government Gazette

of the State of

New South Wales

Number 251–Planning and Heritage

Friday, 2 October 2020

The New South Wales Government Gazette is the permanent public record of official NSW Government notices. It also contains local council, non-government and other notices.

Each notice in the Government Gazette has a unique reference number that appears in parentheses at the end of the notice and can be used as a reference for that notice (for example, (n2019-14)).

The Gazette is compiled by the Parliamentary Counsel's Office and published on the NSW legislation website (www.legislation.nsw.gov.au) under the authority of the NSW Government. The website contains a permanent archive of past Gazettes.

To submit a notice for gazettal, see the Gazette page.

NATIONAL PARKS AND WILDLIFE ACT 1974

Hill End Historic Site Draft Plan of Management on exhibition until 4 January 2021: comments sought

Your comments on the draft plan may include 'personal information'. See www.environment.nsw.gov.au/help/privacy.htm for information on how we will treat any personal information you provide.

ERRATUM

HERITAGE ACT, 1977

The notice published in the NSW Government Gazette No. 185 of 28 August 2020, relating to Nielsen Park and the Hermitage Foreshore Reserve should have read:

HERITAGE ACT 1977

NOTICE OF EXTENSION OF CURTILAGE OF AN EXISTING LISTING OF AN ITEM ON THE STATE HERITAGE REGISTER UNDER SECTION 37(1)(b)

**Nielsen Park and the Hermitage Foreshore Reserve – Greycliffe Avenue,
Vaucluse Avenue, Tingara Avenue (off), Steele Point Road (off), Queens
Avenue (off), Bayview Hill Road (off), Carrara Road (off), Little Queens
Avenue (off), Vaucluse, Sydney**

SHR No 01988

Heritage Council gives notice that the item of environmental heritage specified in Schedule "A" has been listed on the State Heritage Register in accordance with the decision of the Special Minister of State, Minister for the Public Service and Employee Relations, Aboriginal Affairs and Arts, made on 13 August 2020 to direct the listing.

This listing shall apply to the curtilage or site of the item, being the land described in Schedule B.

Heritage Council of New South Wales

SCHEDULE A

The item known as Nielsen Park and the Hermitage Foreshore Reserve, situated on the land described in Schedule "B".

SCHEDULE B

All those pieces or parcels of land known as Lot 33 DP 752011, Lot 1720 of DP 46545, Lot 2 of DP 607550, Lot 1719 of DP 46545, Lot 3 of DP 607550, Lot 1 of DP 1133543, Lot 1 of DP 1150045, Lot 2 of DP 115045, Lot 3 of DP 1150045, Lot 1722 of DP 46545, Lot 1714 of DP 46544, Lot 1717 of DP 46544, Lot 1715 of DP 46544, Lot 1716 of DP 46544, Lot 21 of DP 1202141, Lot 1718 of DP

46545, Lot 1548 of DP 752011, Lot 1549 of DP 752011, Lot 1550 of DP 752011, Lot 1721 of DP 46545 in Parish of Alexandria, County of Cumberland shown on the plan catalogued HC 2955 in the office of the Heritage Council of New South Wales.

SCHEDULE C

1. All Standard Exemptions

2. Conservation works and activities:

All conservation works and activities clearly identified in the maintenance schedules or schedule of works for the site outlined in a future Conservation Management Plan endorsed by the Heritage Council of NSW.

3. Emergency management and response activities:

Any emergency management and response activities which may require immediate and urgent action.

4. Maintenance of existing non-significant infrastructure:

All maintenance of existing non-significant infrastructure including energy saving works, sustainable technologies (solar power, water tanks etc); electrical supply infrastructure; water and sewerage pipelines; pump stations and pits (including Sydney Water Sewerage Pumping Station SP0049 and Sydney Water Sewerage Pumping Station SP0114); fences; erosion control and soil conservation works; roads, fire and other trails and tracks including sub-grade, pavement and drainage works; workshop compound; where these works do not involve any impacts on fabric or spaces identified as being of exceptional, high or moderate significance in the 2013 Conservation Management Plan (or a future Conservation Management Plan endorsed by the Heritage Council of NSW) and do not involve ground disturbance below a depth of 100mm.

5. Upgrades to existing non-significant infrastructure:

Upgrades to existing non-significant infrastructure (such as Sydney Water Sewerage Pumping Station SP0049 and Sydney Water Sewerage Pumping Station SP0114) where such infrastructure is subterranean and where replacement services are contained within existing trenches and pits and do not involve any impacts fabric or spaces identified as being of exceptional, high or moderate significance in the 2013 Conservation Management Plan (or a future Conservation Management Plan endorsed by the Heritage Council of NSW).

6. Maintenance of existing non-significant visitor facilities:

All maintenance of existing non-significant visitor facilities including toilets, picnic shelters, signage, car parks, walking tracks, fencing, bollards, road barriers and road works which do not involve any impacts on fabric or spaces identified as being of exceptional, high or moderate significance in the 2013 Conservation Management Plan (or a future Conservation Management Plan endorsed by the Heritage Council of NSW) and do not involve ground disturbance below a depth of 100mm.

7. Maintenance and repair of the sea wall:

All maintenance and repair of the sea wall using sympathetic materials and methods.

8. Maintenance, removal and replacement of swimming enclosure fabric:

All maintenance and like-for-like replacement of timber piles, cable and netting associated with the swimming enclosure and seasonal removal of the shark net.

9. Track maintenance:

Any track maintenance which does not involve ground disturbance below a depth of 100mm.

10. Bush regeneration activities:

All bush regeneration activities including re-vegetation which do not involve ground disturbance below a depth of 100mm.

11. Threatened species and communities' recovery and pest management activities:

All threatened species and communities' recovery and pest management activities which do not involve ground disturbance below a depth of 100mm.

12. Environmental rehabilitation work:

Environmental rehabilitation work including temporary silt fencing, tree planting, and weed removal and rubbish removal which does not involve ground disturbance below a depth of 100mm.

13. Treatment of non-culturally significant vegetation:

Manual, mechanical and chemical treatment of non-culturally significant vegetation which does not involve ground disturbance below a depth of 100mm.

14. Erection of new signage:

Erection of new signage associated with park use and management and/or interpretation in accordance with a Signage Strategy within a future Conservation Management Plan endorsed by the Heritage Council of NSW.

15. Temporary infrastructure:

Temporary (not more than thirty days) infrastructure associated with events, functions and filming where the infrastructure does not involve any impacts on fabric or spaces identified as being of exceptional, high or moderate significance in the 2013 Conservation Management Plan (or a future Conservation Management Plan endorsed by the Heritage Council of NSW) and does not involve ground disturbance below a depth of 100mm.
