## Public Health (COVID-19 Self-Isolation) Order (No 5) 2020

under the

Public Health Act 2010

### 1 Name of Order

This Order is the *Public Health (COVID-19 Self-Isolation) Order (No 5) 2020*.

### 2 Definitions

(1) In this Order—

**authorised contact tracer** means a person engaged by NSW Health whose duties include—

- (a) identifying persons who may have come into contact with a person with COVID-19, or
- (b) notifying a person that the person has been identified as a close contact.

**close contact** means a person identified by an authorised contact tracer as—

- (a) likely to have come into contact with a person with COVID-19, and
- (b) at risk of developing COVID-19.

**designated health practitioner** means any of the following—

- (a) a medical practitioner,
- (b) a registered nurse,
- (c) a paramedic.

**NSW Health self-isolation guideline** means the *NSW Health Self-Isolation Guideline* issued by the Chief Health Officer from time to time and published on the website of NSW Health.

**Note.** See [www.health.nsw.gov.au](http://www.health.nsw.gov.au).

**the Act** means the *Public Health Act 2010*.

**Note.** The Act and the *Interpretation Act 1987* contain definitions and other provisions that affect the interpretation and application of this Order.

(2) Notes included in this Order do not form part of this Order.

### 3 Grounds for concluding that there is a risk to public health

The basis for concluding that a situation has arisen that is, or is likely to be, a risk to public health is as follows—

- (a) public health authorities both internationally and in Australia have been monitoring and responding to outbreaks of COVID-19, which is a condition caused by the severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2),
- (b) COVID-19 is a potentially fatal condition and is highly contagious,
- (c) a number of cases of individuals with COVID-19 have now been confirmed in New South Wales and other Australian jurisdictions, including by means of

community transmission, and there is an ongoing risk of continuing introduction of COVID-19 into the New South Wales community,

- (d) due to the highly contagious nature of COVID-19, close contacts of individuals with COVID-19 have an increased risk of catching and transmitting COVID-19.

#### **4 Direction—persons diagnosed with COVID-19 must self-isolate**

- (1) The Minister directs that a diagnosed person must, immediately after receiving the diagnosis of COVID-19, travel directly to—
  - (a) a residence or place that has been determined by a designated health practitioner to be suitable for the person to reside in, or
  - (b) if determined as necessary by a designated health practitioner—a hospital for assessment by a medical practitioner, or
  - (c) if the person is from another State or a Territory and a designated health practitioner considers it appropriate for the person to return to the State or Territory—a residence, hospital or other place in the State or Territory that has been determined by the designated health practitioner to be suitable for the person.
- (2) The Minister directs that a diagnosed person referred to in subclause (1)(b) must, immediately after leaving or being discharged from the hospital, travel directly to a residence or place that has been determined by a designated health practitioner to be suitable for the person to reside in.
- (3) The Minister directs that a diagnosed person referred to in subclause (1)(a) or (2) must—
  - (a) reside at the residence or place until medically cleared, and
  - (b) provide the address of the residence or place and a contact telephone number to the designated health practitioner.
- (4) The Minister directs that, while residing at the residence or place under a direction under subclause (1)(a) or (2), the diagnosed person must do the following—
  - (a) not leave the residence or place except—
    - (i) for the purposes of obtaining medical care or medical supplies, or
    - (ii) in another emergency situation,
  - (b) not permit another person to enter the residence or place unless—
    - (i) the other person usually lives at the residence or place or the other person is also complying with a direction under this Order, or
    - (ii) the entry is for medical or emergency purposes, or
    - (iii) the entry is to a place, other than a residence, for the purposes of delivering food or essential items,
  - (c) otherwise comply with the NSW Health self-isolation guideline.
- (5) The Minister directs that a diagnosed person must, if directed to do so by an authorised medical practitioner, immediately provide the following information to the authorised medical practitioner—
  - (a) details of the diagnosed person's contact with other persons within the previous 28 days, including their names and contact details, if known,
  - (b) details of the places the diagnosed person has been within the previous 28 days.
- (6) In this clause—

**authorised medical practitioner** has the same meaning as in Part 4, Division 4 of the Act.

**diagnosed person** means a person who has been diagnosed with COVID-19.

**medically cleared**, in relation to a person, means a person who has been assessed by a medical practitioner as not infectious for COVID-19.

## 5 Direction—close contacts of persons diagnosed with COVID-19 must self-isolate

- (1) The Minister directs that a close contact must, if directed in writing to do so by or on behalf of an authorised contact tracer, immediately travel directly to—
  - (a) a residence or place that has been determined by the authorised contact tracer to be suitable for the close contact to reside in, or
  - (b) if the person is from another State or a Territory and a designated health practitioner considers it appropriate for the person to return to the State or Territory—a residence, hospital or other place in the State or Territory that has been determined by the designated health practitioner to be suitable for the person.
- (2) The Minister directs that a close contact referred to in subclause (1)(a) must reside at the residence or other suitable place for the period of time, not exceeding 14 days, determined by the authorised contact tracer and notified in writing to the close contact.
- (3) The Minister directs that a close contact referred to in subclause (1)(a) who intends to reside at a residence or place must provide the address of the residence or place and a contact telephone number to the authorised contact tracer.
- (4) The Minister directs that, while residing at the residence or place under a direction under subclause (1)(a), the close contact must do the following—
  - (a) not leave the residence or place except—
    - (i) for the purposes of obtaining medical care, including a test for COVID-19, or medical supplies, or
    - (ii) in another emergency situation,
  - (b) not permit another person to enter the residence or place unless—
    - (i) the other person usually lives at the residence or place or the other person is also complying with a direction under this Order, or
    - (ii) the entry is for medical or emergency purposes, or
    - (iii) the entry is to a place, other than a residence, for the purposes of delivering food or essential items,
  - (c) otherwise comply with the NSW Health self-isolation guideline.

## 6 Exemptions

The Minister may, in writing and subject to any conditions the Minister considers appropriate, exempt a person from the operation of this Order if satisfied it is necessary to protect the health and wellbeing of any member of the public.

## 7 Repeal and savings

- (1) The *Public Health (COVID-19 Self-Isolation) Order (No 4) 2020* (the **repealed Order**) is repealed.
- (2) Any act, matter or thing that, immediately before the repeal of the repealed Order, has effect under the repealed Order continues to have effect under this Order.
- (3) Without limiting subclause (2)—

- (a) a direction given by the repealed Order continues to have effect under this Order, and
- (b) an exemption from a provision of the repealed Order continues to have effect under this Order as an exemption from the equivalent provision of this Order.

**35A Directions of Minister about hospitality venues in Greater Sydney**

- (1) The Minister directs that the occupier of a hospitality venue in Greater Sydney must ensure that—
- (a) for a hospitality venue that consists of more than 1 separate area, the maximum number of persons in each of the areas is the lesser of—
- (i) the number of persons that is equivalent to 1 person per 4 square metres of space in the area, or
- (ii) 300 persons, and
- (b) otherwise, the maximum number of persons on the premises is the lesser of—
- (i) the number of persons that is equivalent to 1 person per 4 square metres of space in the premises, or
- (ii) 300 persons.
- (2) The Minister directs that the occupier of a hospitality venue in Greater Sydney must ensure that there is a COVID-19 Safety Hygiene Marshal—
- (a) for premises that do not have separate areas—on the premises if there are more than 250 persons on the premises, or
- (b) for premises that have separate areas—in each separate area on the premises if there are more than 250 persons in the area.

- (3) In this clause—  
**separate area** means an area that—
- (a) is separate from other areas on the premises, and
  - (b) has been designated as a separate area by the occupier of the premises, and
  - (c) if food and drink services are being provided in the area—has staff that are providing food and drink service only in that area, and
  - (d) does not allow persons gathering in different areas to mingle.

**35B Directions of Minister about places of public worship and religious services in Greater Sydney**

- (1) The Minister directs that the occupier of a place of public worship in Greater Sydney must ensure—
- (a) for a place of public worship with more than 1 separate area, the maximum number of persons in each of the areas is the lesser of—
    - (i) the number of persons that is equivalent to 1 person per 4 square metres of space in the area, or
    - (ii) 300 persons, and
  - (b) otherwise, the maximum number of persons on the premises is the lesser of—
    - (i) the number of persons that is equivalent to 1 person per 4 square metres of space on the premises, or
    - (ii) 300 persons.
- (2) The Minister directs that the occupier of a place of public worship in Greater Sydney comprised of more than 1 separate area must ensure that a religious service, activity or event conducted in 1 separate area does not commence or end at the same time as another religious service, activity or event in another separate area in the place.
- (3) The Minister directs that a person must not organise, conduct or participate in a religious service in an indoor area in Greater Sydney, other than at a place of public worship, if the number of persons to attend or attending the service is more than the lesser of—
- (a) the number of persons that is equivalent to 1 person per 4 square metres of space in the area, or
  - (b) 300 persons.
- (4) In this clause—  
**separate area**, for a place of public worship, means a building that—
- (a) is separate from other buildings on the premises, and
  - (b) has been designated as a separate building by the occupier of the premises, and
  - (c) is staffed by persons officiating or volunteers or other staff who provide services in that building only, and
  - (d) does not allow persons gathering in different buildings to mingle.
