Market Interest Test – Coal Operational Allocation

Market interest submission closing date: 11:59pm (AEDT) on Thursday 17 February 2022

Bengalla Mining Company Pty Limited (ACN 053 909 470) has applied to the Department of Regional NSW – Mining Exploration and Geoscience (MEG) for a Group 9 (coal) exploration licence for operational allocation purposes in accordance with section 13C of the *Mining Act 1992*.

Exploration Licence Application No. 6232 (Act 1992) is located about 10 km west of Muswellbrook, over an area of 556 hectares.

In assessing the application, the decision-maker may consider if there is sufficient market interest from other potential applicants to justify a competitive selection process for the grant of an exploration licence over the application area. As such, submissions are being sought from parties interested in exploring and potentially developing coal resources within the application area.

It should be noted that valid submissions may trigger a competitive process for the release of the area. Submissions should be made only where a party has a genuine interest in making a subsequent application for an exploration licence and only be lodged where interested parties are willing to participate in a competitive process if it was to be triggered.

The application area and the area over which submissions are being sought is shown in the diagram below.

If you would like more information including how to make a submission, please visit our website or contact the MEG on the details provided below.

This notification is pursuant to section 13C(3)(b) of the *Mining Act 1992* and the *Guidelines for coal exploration licence applications for operational allocation purposes*, and does not constitute an invitation for a coal exploration licence or mining lease nor a release of the area under the Strategic Release Framework.

For more information, contact MEG at resource.operations@planning.nsw.gov or on (02) 4063 6600. Note there will be reduced service between 20 December 2021 and 24 December 2021, and the Department will observe a shutdown period from 25 December 2021 to 9 January 2022.
