Market Interest Test – Coal Operational Allocation

Market interest submission closing date: 11:59pm (AEST) on 16 May 2022

J-Power Australia Pty Ltd (ACN 002 307 682), Kores Australia Pty Limited (ACN 063 786 087), Narrabri Coal Australia Pty Ltd (ACN 110 262 925), Narrabri Coal Pty Ltd (ACN 107 813 963), Posco International Narrabri Investment Pty Ltd (ACN 139 088 967) and Upper Horn Investments (Australia) Pty Ltd (ACN 129 190 281) have applied to the Department of Regional NSW – Mining Exploration and Geoscience (MEG) for two Group 9 (coal) exploration licences for operational allocation purposes in accordance with section 13C of the *Mining Act 1992*.

Exploration Licence Application No. 6442 (Act 1992) is located about 17 km SSE of Narrabri, over an area of 1745 hectares. Exploration Licence Application No. 6443 (Act 1992) is located about 12km SSE of Narrabri, over an area of 1973 hectares.

In assessing the applications, the decision-maker may consider if there is sufficient market interest from other qualified applicants to justify a competitive allocation process for the grant of exploration licences over the application areas. As such, submissions are being sought from parties interested in exploring and potentially developing coal resources within the larger area of the coal resource which includes the application areas.

The application areas and the area over which submissions are being sought are shown in the diagram.

It should be noted that valid submissions may trigger a competitive process for the release of the area. Submissions should be made only where a party has a genuine interest in making a subsequent application for an exploration licence and where interested parties are willing to participate in a competitive process if it was to be triggered.

This notification is pursuant to section 13C(3)(b) of the *Mining Act 1992* and the *Guidelines for coal exploration licence applications for operational allocation purposes* and does not constitute an invitation for a coal exploration licence or mining lease nor a release of the area under the Strategic Release Framework.

For more information, including how to make a submission in expressing interest in exploring for coal in this area, visit <https://www.regional.nsw.gov.au/meg/nsw-resources/coal> or contact MEG at resource.operations@planning.nsw.gov.au or on (02) 4063 6600.
