

# *Government Gazette*

of the State of

New South Wales

**Number 15–Environment**

**Friday, 20 January 2023**

---

The New South Wales Government Gazette is the permanent public record of official NSW Government notices. It also contains local council, non-government and other notices.

Each notice in the Government Gazette has a unique reference number that appears in parentheses at the end of the notice and can be used as a reference for that notice (for example, (n2019-14)).

The Gazette is compiled by the Parliamentary Counsel's Office and published on the NSW legislation website ([www.legislation.nsw.gov.au](http://www.legislation.nsw.gov.au)) under the authority of the NSW Government. The website contains a permanent archive of past Gazettes.

To submit a notice for gazettal, see the Gazette page.

## **The Draft Protected Specimens Code of Practice is available for community feedback**

The Department of Planning and Environment is seeking feedback from the public on the Draft Protected Animal Specimens Code of Practice 2022. Under the proposed Code of Practice, some activities involving protected animal specimens will no longer require a Biodiversity Conservation Licence.

Public exhibition will be from **Friday 20 January to Sunday 19 February 2023**. During this time, you are invited to make a written submission by:

- completing the online submission form at [environment.nsw.gov.au/get-involved/have-your-say](https://environment.nsw.gov.au/get-involved/have-your-say)
- emailing your submission to [wildlife.reforms@environment.nsw.gov.au](mailto:wildlife.reforms@environment.nsw.gov.au)
- posting your written submission to  
Manager NPWS Wildlife Regulation Unit  
Locked Bag 5022, Parramatta NSW 2124.

Written submissions must be received by **19 February 2023**.

Your comments on the draft code may include 'personal information'. See [www.environment.nsw.gov.au/help/privacy.htm](https://www.environment.nsw.gov.au/help/privacy.htm) for information on how we will treat any personal information you provide.
