LAND ACQUISITION (JUST TERMS COMPENSATION) ACT 1991

Notice of Compulsory Acquisition of Land for the Purposes of the Transport Administration Act 1988

Sydney Metro by its delegate declares, with the approval of Her Excellency the Governor, that the easement described in Schedules 1 and 2 below is acquired by compulsory process under the provisions of the *Land Acquisition (Just Terms Compensation) Act 1991* as authorised by section 38C and clause 11 of Schedule 1 of the *Transport Administration Act 1988* for the purposes of the *Transport Administration Act 1988*.

PETER REGAN
Chief Executive
Sydney Metro

SCHEDULE 1

An easement for maintained assets on the terms set out in Schedule 2, and over that part of that piece or parcel of land situated at Millers Point, in the Local Government Area of Sydney, Parish of St Philip and County of Cumberland, being that part of the land described in the New South Wales Government Gazette 25 January 1923 Folios 346-347, shown marked "(A)" on DP1308903.

SCHEDULE 2

EASEMENT FOR MAINTAINED ASSETS 1.5 WIDE LIMITED IN STRATUM

1. Easement Summary

This Easement provides the Authority Benefited with a right to install Hostile Vehicle Mitigation Measures on the Easement Site.

2. Terms of the Easement

2.1 Subject to the terms of this instrument, the Owner of the Lot Burdened grants to the Authority Benefited, full, free and unimpeded right for the Authority Benefited to:

- (a) erect and maintain, replace and upgrade any Hostile Vehicle Mitigation Measures on the Lot Burdened, but only within the Easement Site; and
- (b) do anything reasonably necessary for that purpose, including:
 - (i) entering the Easement Site using the most direct route at reasonable times and at any time in the event of an emergency and only remain on the Easement Site for as long as is reasonably necessary;
 - (ii) taking anything that is reasonably necessary on to the Easement Site; and
 - (iii) carrying out works within the Easement Site, such as constructing, placing, repairing, maintaining or removing the Hostile Vehicle Mitigation Measures and equipment.
- (c) The Authority Benefited will provide the Owner of the Lot Burdened prior written notice before exercising its rights under clause 2.1(b)(i) to clause 2.1(b)(iii) (inclusive) except in the event of an emergency or when completing routine inspection and maintenance of the Hostile Vehicle Mitigation Measures.

2.2 In exercising its rights under this Easement, the Authority Benefited must at its own cost:

- (a) ensure that all work is done properly and that the Hostile Vehicle Mitigation Measures are maintained in good repair and a safe condition;
- (b) ensure the Hostile Vehicle Mitigation Measures always includes the one Retractable Bollard on the southern portion of the Easement Site for the purpose of enabling vehicular access as per clause 5 of these Easement terms;
- (c) mitigate risk of harm to members of the public caused by the activities of the Authority Benefited;
- (d) make good any damage to the Easement Site and Lot Burdened including infrastructure, improvements, Structures and buildings on the Lot Burdened to the extent caused by the Authority Benefited;
- (e) carry out all activities so as to cause as little inconvenience as is reasonably practicable to the Owner of the Lot Burdened and members of the public including by ensuring that safe public access is maintained to and from and within the Lot Burdened including the Easement Site (except in circumstances where safe access is temporarily not possible) for day to day use by members of the public including for persons in wheelchairs, in prams and on mobility scooters;
- (f) not use the Hostile Vehicle Mitigation Measures for any other purpose without the

approval of the Owner of the Lot Burdened including for advertising or artwork;

- (g) upon Permanent Removal of the Hostile Vehicle Mitigation Measures by the Authority Benefited or prior to extinguishment of this Easement (whichever comes first), the Authority Benefited will remove the structures it installed in the Easement Site and make good the footpath and pavement ensuring it matches upgrades elsewhere on the Lot Burdened;
- (h) take all necessary steps to minimise any adverse interference caused by the Authority Benefited to the Owner of the Lot Burdened or users of the Lot Burdened including members of the public; and
- (i) comply with all relevant laws relating to the exercise of those rights.
- (j) if the Retractable Bollard is damaged or destroyed other than due to the negligence of the Owner of the Lot Burdened, and as a result, the Owner of the Lot Burdened cannot access the Public Domain Area for the purpose of carrying out cleaning or routine repair and maintenance of the Public Domain Area to comply with its statutory obligations as a roads authority for the Lot Burdened under the *Roads Act 1993* (NSW) (**Roads Authority Function**):
 - (i) until the Retractable Bollard is repaired or replaced and begins to operate or function properly, the Authority Benefited must:
 - A. clean and remove rubbish from the Public Domain Area in accordance with the Owner of the Lot Burdened's requirements as advised in writing; and
 - B. carry out routine repair and maintenance of the Public Domain Area to keep the Public Domain Area safe and clean for use by members of the public, but nothing in this clause requires the Authority Benefited to improve the condition of the Public Domain Area by:
 - (i) carrying out any major repair or replacement works requiring significant capital expenditure by the Authority Benefited as reasonably determined by the Authority Benefited unless the relevant damage or loss requiring any major repair or replacement works is caused by the Authority Benefited; or
 - (ii) rectifying any damage or safety hazard in the Public Domain Area that existed before each period the Authority Benefited became responsible for carrying out routine repair and maintenance of the Public Domain Area under this clause 2.2(j); and
 - (ii) without notice to the Owner of the Lot Burdened, the Authority Benefited and its Authorised Users are permitted to enter, access and remain in the Public Domain Area so that it may clean and remove rubbish from the Public Domain Area as contemplated under clause 2.2(j)(i).

2.3 In the event that the Authority Benefited fails to comply with clause 2.2(d) to the satisfaction of the Owner of the Lot Burdened (acting reasonably):

- (a) the Owner of the Lot Burdened may notify the Authority Benefited in writing including reasonable details and reasons for the view of the Owner of the Lot Burdened; and
- (b) the Authority Benefited must, within a reasonable period of time following receipt of the notice referred to in clause 2.3(a), conduct the relevant works or discuss with the Owner of the Lot Burdened in good faith to resolve the dispute.

3. **Ownership of the Hostile Vehicle Mitigation Measures**

The Owner of the Lot Burdened acknowledges that the Authority Benefited retains the ownership of the Hostile Vehicle Mitigation Measures.

4. **What the Owner of the Lot Burdened must not do within the Easement Site**

The Owner of the Lot Burdened must not do or allow anything to be done to damage, interfere with or destroy the Hostile Vehicle Mitigation Measures on the Easement Site including (without limitation):

- (a) doing or allowing anything to be done that may interfere with the effective operation of the Hostile Vehicle Mitigation Measures, including not relocating or removing any of the Hostile Vehicle Mitigation Measures except as contemplated in clause 5 of these Easement terms in respect of the Retractable Bollard;
- (b) installing or permitting to be installed any Services or Structures within the Easement Site where they interfere with the Easement; or
- (c) doing or permitting to be done anything that restricts access to or use of the Easement Site by the Authority Benefited or its Authorised Users.

The Authority Benefited agrees that the Owner of the Lot Burdened may replace or upgrade the pavement and other infrastructure around the Hostile Vehicle Mitigation measures.

5. **Retractable Bollard**

- (a) The Owner of the Lot Burdened may operate the Retractable Bollard for the purpose of it or any of its invitees accessing the Public Domain Area at any time. The Authority Benefited will provide the Owner of the Lot Burdened with the key or other device required to operate the Retractable Bollard.
- (b) The Owner of the Lot Burdened may only retract the Retractable Bollard for such reasonable period of time as is required to facilitate such access, and must ensure that the Retractable Bollard is in a raised position and operational after each use.
- (c) The Owner of the Lot Burdened must report any failure of or damage to the Retractable Bollard to the Authority Benefited. The Owner of the Lot Burdened must make good any damage it negligently causes to the Retractable Bollard or the Easement Site (including any Services, Structures or Council infrastructure) arising out of its use of the Retractable Bollard except to the extent such damage is caused or is contributed to by fair wear and tear and reasonable use. If the damage caused by the Owner of the Lot Burdened renders the Retractable Bollard beyond reasonable repair (as determined by the Authority Benefited), the Owner of the Lot Burdened must replace the Retractable Bollard with a new retractable bollard of a similar or better quality than the existing retractable bollard or as reasonably required by the Authority Benefited. If the Owner of the Lot Burdened fails to complete any repair or replacement required under this clause 5(c), the Authority Benefited may do so and recover the costs of such work from the Owner of the Lot Burdened.
- (d) To the extent reasonably necessary to exercise its rights under clause 5(a), the Owner of the Lot Burdened is entitled to access the Easement Site under the Access Easement to access the Public Domain Area.
- (e) In exercising its rights under this clause 5, the Owner of the Lot Burdened must:
 - (i) comply with all relevant laws and carry out all activities so as to cause as little inconvenience as is reasonably practicable to the Authority Benefited, any occupants of the Adjacent Metro Land and members of the public including by ensuring that safe public access is maintained; and

- (ii) in relation to the Adjacent Metro Land, comply with any reasonable directions given by the Authority Benefited or any occupant of the Adjacent Metro Land.

6. **Incorporation of definitions and interpretation clauses**

The provisions of clause 8 (General) apply to the Easement to the extent relevant.

7. **Name of the persons empowered to release, vary or modify this Easement**

The Authority Benefited

8. **General**

8.1 **Exercise of the benefit of the Easement**

The Authority Benefited may, in its discretion, permit any of its Authorised Users to exercise its rights and perform its obligations under any Easement from time to time.

8.2 **Conditions**

Each of the Conditions constitutes and is a covenant and agreement by and between the Authority Benefited and the Owner of the Lot Burdened for themselves and their respective successors, assigns and transferees with the intention and agreement that the benefit and burden of such covenants and agreements must pass with the benefit and burden of the Easement.

8.3 **Severance**

SCHEDULE 1

An easement for ventilation on the terms set out in Schedule 2, and over that part of that piece or parcel of land situated at Millers Point, in the Local Government Area of Sydney, Parish of St Philip and County of Cumberland, being that part of the land described in the New South Wales Government Gazette 25 January 1923 Folios 346-347, shown marked "(C1)" and "(C2)" on DP1308903.

SCHEDULE 2

1. TERMS OF EASEMENT FOR VENTILATION VARIABLE WIDTH (LIMITED IN STRATUM)

1.1 Summary of Easement

This Easement grants the Authority Benefited the right to intake and discharge air to and from the existing ventilation outlets installed within the Station Lot through the Easement Site.

1.2 Grant of easement

(a) The Owner of the Lot Burdened grants to the Authority Benefited the right to, at all times and subject to complying with the terms of this Easement:

(i) have the uninterrupted passage through the Easement Site of fresh air to and from the Station Lot; and

(ii) use the Easement Site for the purposes of:

(A) ventilation and expulsion of air; and

(B) in the event of an accidental fire, explosion or any other catastrophic event or emergency, expulsion or emission of steam, vapour, smoke, fumes, dust, particles or any other substance or matter,

from the existing ventilation outlets installed within the Station Lot.

(b) Subject to clause 1.3, the Owner of the Lot Burdened must keep the Easement Site free from any temporary or permanent works, improvements, structures, or any other obstructions and ensure that no current or future exhaust locations within the Easement Site will foul or pollute the Authority Benefited's fresh air inlet zones for the ventilation system existing at the Acquisition Date within the Station Lot.

(c) The Owner of the Lot Burdened must not permit any ventilation outlets or any other works, improvements, structures, or obstructions within the Easement Site without the Authority Benefited's prior written consent, which consent must not be unreasonably withheld.

(d) If the Authority Benefited's ventilation intakes and outlets are removed then the Owner of the Lot Burdened may insist that this Easement be extinguished, and the Authority Benefited must do all things reasonably necessary to remove this Easement from title.

1.3 Rights of the Owner of the Lot Burdened

Despite clauses 1.2(b) and 1.2(c):

(a) the Owner of the Lot Burdened may, without the Authority Benefited's prior written consent, carry out routine repair and maintenance of the Lot Burdened to comply with its statutory obligations as a roads authority for the Lot Burdened under the *Roads Act 1993 (NSW)*; and

(b) the Authority Benefited and the Owner of the Lot Burdened acknowledge and agree that any activity or work that has been approved under the Easement for Access and Maintenance does not require additional approval under this Easement.

1.4 Conditions of Easement

In exercising its rights under this Easement, the Authority Benefited must:

- (a) maintain the ventilation system associated with the ventilation outlets installed within the Station Lot (**Ventilation System**) in good repair; and
- (b) except in an emergency, during normal operation of the Ventilation System, take all reasonable steps within the reasonable control of the Authority Benefited to cause as little inconvenience as is practicable and mitigate risk of harm to members of the public caused by the activities of the Authority Benefited so far as is reasonably practicable.

1.5 **The name of the persons empowered to release, vary or modify this Easement:**

The Authority Benefited.

2. **INTERPRETATION**

2.1 **Exercise of the benefit of the Easement**

The Authority Benefited may, in its discretion, permit any of its Authorised Users to exercise its rights and perform its obligations under the Easement from time to time.

2.2 **Conditions**

The Conditions constitute and are covenants and agreements by and between the Authority Benefited and the Owner of the Lot Burdened for themselves and their respective successors, assigns and transferees with the intention and agreement that the benefit and burden of such covenants and agreements must pass with the benefit and burden of the Easement.

LAND ACQUISITION (JUST TERMS COMPENSATION) ACT 1991

Notice of Compulsory Acquisition of Land for the Purposes of the Transport Administration Act 1988

Sydney Metro by its delegate declares, with the approval of Her Excellency the Governor, that the easement described in Schedules 1 and 2 below is acquired by compulsory process under the provisions of the *Land Acquisition (Just Terms Compensation) Act 1991* as authorised by section 38C and clause 11 of Schedule 1 of the *Transport Administration Act 1988* for the purposes of the *Transport Administration Act 1988*.

PETER REGAN
Chief Executive
Sydney Metro

SCHEDULE 1

An easement for maintained assets (heritage interpretation) on the terms set out in Schedule 2, and over that part of that piece or parcel of land situated at Millers Point, in the Local Government Area of Sydney, Parish of St Philip and County of Cumberland, being that part of the land described in the New South Wales Government Gazette 25 January 1923 Folios 346-347, shown marked "(D)" on DP1308903.

SCHEDULE 2

1. TERMS OF EASEMENT FOR MAINTAINED ASSET (HERITAGE INTERPRETATION) 10 WIDE (LIMITED IN STRATUM)

1.1 Easement Summary

This Easement provides the Authority Benefited with the right to install and maintain the Heritage Interpretation Item on the Easement Site.

1.2 Terms of easement

The Owner of the Lot Burdened grants to the Authority Benefited and its Authorised Users the right to, subject to complying with the terms of this Easement:

- (a) erect, construct and install the Heritage Interpretation Item within the Easement Site; and
- (b) with any tools, implements or machinery necessary for the purposes, enter upon and within that part of the Lot Burdened as may be reasonably necessary from time to time and to remain there for any reasonable time for the purpose of installing, inspecting, cleaning, repairing, maintaining, renewing or replacing the Heritage Interpretation Item.

1.3 Conditions of easement

In exercising its rights under this Easement, the Authority Benefited must:

- (a) ensure all work is done properly including by ensuring that all works for the Heritage Interpretation Item are designed, constructed and maintained:
 - (i) in accordance with the *Disability Discrimination Act 1992* (Cth); and
 - (ii) to withstand damage from usage of the footpath including by pedestrians, vehicles, street cleaners and sweepers.
- (b) cause as little inconvenience as is reasonably practicable to the Owner of the Lot Burdened and any Occupier of the Lot Burdened and members of the public by ensuring safe public access is maintained to and from and within the Lot Burdened including the Easement Site (except in circumstances where safe public access is temporarily not possible) for day to day use by members of the public including for persons in wheelchairs, in prams and on mobility scooters;
- (c) at its cost and expense, maintain the pavement installed by the Owner of the Lot Burdened within the Easement Site pursuant to the manufacturer's specifications;
- (d) use reasonable endeavours to avoid carrying out any activities on the Lot Burdened pursuant to this Easement:
 - (i) during Special Events; or
 - (ii) between the hours of:
 - (A) 8.00am to 9.00am; and
 - (B) 5.00pm to 6.00pm,on any Business Day;
- (e) keep the Heritage Interpretation Item in good repair;

- (f) upon Permanent Removal of the Heritage Interpretation Item by the Authority Benefited or prior to extinguishment of this Easement (whichever comes first), the Authority Benefited will remove the structures it installed in the Easement Site and make good the footpath and pavement ensuring it matches upgrades elsewhere on the Lot Burdened;
- (g) take all reasonable steps to mitigate risk of harm to the Owner of the Lot Burdened or members of the public caused by the Authority Benefited when exercising its rights under this Easement;
- (h) comply with the Owner of the Lot Burdened's reasonable security and safety procedures in relation to access onto the Easement Site as notified in writing by the Owner of the Lot Burdened to the Authority Benefited from time to time;
- (i) cause as little damage as is practicable to the Lot Burdened and any improvement on it;
- (j) restore the Lot Burdened as nearly as is practicable to its former condition; and
- (k) make good any collateral damage to extent caused by the Authority Benefited or its Authorised Users while exercising the rights granted under this Easement.

1.4 **Incorporation of definitions and interpretation clauses**

The provisions of clause 2 apply to this Easement to the extent relevant.

The name of the persons empowered to release, vary or modify this Easement:

The Authority Benefited.

2. **INTERPRETATION**

2.1 **Exercise of the Benefit of the Easement**

The Authority Benefited may, in its discretion, permit any of its Authorised Users to exercise its rights and perform its obligations under the Easement from time to time.

2.2 **Conditions**

The Conditions constitute and are covenants and agreements by and between the Authority Benefited and the Owner of the Lot Burdened for themselves and their respective successors, assigns and transferees with the intention and agreement that the benefit and burden of such covenants and agreements must pass with the benefit and burden of the Easement.

2.3 **Severance**

If a provision of an Easement under this Instrument is void, unenforceable or illegal, then that provision is severed from that Easement and the remaining provisions of that Easement have full force and effect.

2.4 **Definitions**

Acquisition Date means the date on which the Acquisition Notice is published in the Government Gazette.

Acquisition Notice means the acquisition notice effecting the acquisition of this Easement published in the Government Gazette.

Authorised User means the agents, employees, contractors (and each of their subcontractors at any level) and consultants of the Authority Benefited and any other person authorised by the

Authority Benefited to exercise the rights and perform the obligations of an Authorised User under this Easement.
