The New South Wales Government Gazette is the permanent public record of official NSW Government notices. It also contains local council, non-government and other notices.

Each notice in the Government Gazette has a unique reference number that appears in parentheses at the end of the notice and can be used as a reference for that notice (for example, (n2019-14)).

The Gazette is compiled by the Parliamentary Counsel's Office and published on the NSW legislation website ([www.legislation.nsw.gov.au](http://www.legislation.nsw.gov.au)) under the authority of the NSW Government. The website contains a permanent archive of past Gazettes.
