SUBORDINATE LEGISLATION ACT 1989

Notice of consultation on a proposal to make the Motor Vehicles Taxation Regulation 2025

Notice is hereby given, under section 5(2)(a) of the *Subordinate Legislation Act 1989*, that Transport for NSW is seeking public submissions on a proposal to make the Motor Vehicles Taxation Regulation 2025.

The proposed new regulation would replace an existing regulation which is due to be automatically repealed on 1 September 2025.

The object of the proposed regulation is to remake all the necessary provisions of the existing regulation, with amendments to ensure the regulatory framework remains effective and up to date. This includes:

- the tax refund on surrender of registration will be calculated on days used
- a 40 per cent tax reduction for privately used caravans
- specifying how to determine the unladen mass of a vehicle
- a tax based on vehicle type, characteristics and unladen mass
- the tax for tractors capped
- additional tax for certain vehicles over 3,560 kg
- increasing the tax each year in line with the Consumer Price Index (CPI).

Key updates of the proposed regulation will:

- provide certainty for the community by formalising “undocumented” tax concessions, and
- reduce administration costs for Government by simplifying CPI arrangements and streamlining the regulatory framework.

To view a copy of the proposed regulation and a regulatory impact statement, or to make a submission, please visit the “Have your say” page of the NSW Government website at www.nsw.gov.au/have-your-say or you can email policy.consultation@transport.nsw.gov.au

Submissions close on 12 March 2025.

Dated 7 February 2025.
