

Government Gazette

of the State of

New South Wales

Number 95 - Electricity and Water Friday, 14 March 2025

The New South Wales Government Gazette is the permanent public record of official NSW Government notices. It can also contain local council, non-government and other notices.

Each notice in the Government Gazette has a unique reference number that appears in parentheses at the end of each page of the notice and can be used as a reference for that notice. For example, [NSWGG-2024-10-1].

The Gazette is compiled by the Parliamentary Counsel's Office and published on the NSW Government Gazette website (www.gazette.nsw.gov.au) under the authority of the NSW Government. The website contains a permanent archive of past Gazettes.

Temporary Water Restriction (Murrumbidgee I Water Source and Murrumbidgee II Water Source) Order (No. 2) 2025

under the

Water Management Act 2000

I, Allan Raine, by delegation from the Minister administering the *Water Management Act 2000*, in pursuance of section 324(1) of the *Water Management Act 2000* and being satisfied that it is necessary in the public interest to do so, make the following Order.

Dated 10 March 2025

ALLAN RAINE

Director, Water Planning Implementation, Water Group Department of Climate Change, Energy, the Environment and Water By delegation

Explanatory note

The purpose of this Order is to impose temporary water restrictions on the take of water under unregulated river access licences and unregulated river (high flow) access licences from Murrumbidgee I Water Source and Murrumbidgee II Water Source from 15 March to 4 May 2025.

This Order is made under section 324(1) of the *Water Management Act 2000* to manage water released from Tantangara Dam for environmental purposes.

Temporary Water Restriction (Murrumbidgee I Water Source and Murrumbidgee II Water Source) Order (No. 2) 2025

under the

Water Management Act 2000

1 Name of Order

This Order is the *Temporary Water Restriction (Murrumbidgee I Water Source and Murrumbidgee II Water Source) Order (No. 2) 2025.*

2 Commencement

This Order commences on 15 March 2025.

3 Duration

This Order will remain in force up to and including 4 May 2025 unless that date is amended, or this Order is repealed before that date.

4 Temporary water restrictions

This Order is a direction to restrict the take of water under unregulated river access licences and unregulated river (high flow) access licences from Murrumbidgee I Water Source and Murrumbidgee II Water Source in accordance with the restrictions specified in Schedule 1.

5 Interpretation

(1) In this Order:

Director means any of the following:

- (a) Director, Water Planning Implementation, Water Group for the Department of Climate Change, Energy, the Environment and Water,
- (b) Executive Director, Water Operations and Resilience, Water Group for the Department of Climate Change, Energy, the Environment and Water,
- (c) any person who is for the time being acting or performing the duties and responsibilities of the role specified in paragraph (a) or (b).

Murrumbidgee I Water Source means the water source as described in the *Water Sharing Plan for the Murrumbidgee Unregulated River Water Sources 2012.*

Murrumbidgee II Water Source means the water source as described in the *Water Sharing Plan for the Murrumbidgee Unregulated River Water Sources 2012.*

(2) Unless otherwise defined, words and expressions that are defined in the *Water Management Act 2000* or in regulations made under that Act have the same meaning in this Order.

PUB25/244

Schedule 1 Specified restrictions

- (1) The holder of an unregulated river access licence or unregulated river (high flow) access licence must not take water from the water source specified in Column 1 on the date specified in Column 4 of the corresponding row of the Table, unless—
 - (a) flows at the flow reference point specified in Column 2 of the corresponding row exceed the flow threshold specified in Column 3, or
 - (b) the Director approves that take of water for a specified period in writing, being satisfied that such take would not have an adverse effect on the management of water released from Tantangara Dam for environmental purposes.

Subordinate Legislation Act 1989

Community consultation on the draft Water Management (General) Regulation 2025 and the draft Water Management (Water Supply Authorities) Regulation 2025

Notice is hereby given, under the *Subordinate Legislation Act 1989*, section 5, that the Department of Climate Change, Energy, the Environment and Water (**the Department**) is proposing to replace the *Water Management (General) Regulation 2018* on 1 September 2025 with the *Water Management (General) Regulation 2025* and the *Water Management (Water Supply Authorities) Regulation 2025*.

The object of these regulations is to repeal and remake, with some changes, the *Water Management* (General) Regulation 2018.

The 2 draft regulations and the Regulatory Impact Statement are on public exhibition on the Department's website <u>https://water.nsw.gov.au/water-management-regulation-remake</u> from 10 March 2025 to 6 April 2025.

Members of the public are invited to make submissions via the Department's website.

Dated 12 March 2025
