A claim not received in accordance with this Rule 14(i) will be rejected and the Licensee shall have no liability in relation thereto unless the Ticket was wrongly not shown as a winning Ticket on a Computer Linked Terminal as a result of fraud, wilful misconduct or a negligent act or omission by the Licensee.

- (j) The Entry or Syndicate Entry subject of a claim for a Provisional Prize made in accordance with Rule 14(i) shall be entitled to that Provisional Prize if it is found by the Licensee to be a winning Entry or winning Syndicate Entry before the expiry of the Provisional Period, and in such case the Provisional Prize amount shall be varied to take into account the new Provisional Prize Winner.

- (k) A nominal and reasonable postage, handling or processing fee may be deducted from all Prize payments other than in respect of non-monetary Prizes.

(l) Claiming a minor Prize:

- (v) the Ticket, which must be legible and be consistent with the details held by the Licensee's

Computer Records and must not be mutilated, altered, reconstituted, counterfeit or stolen;
and

- (vi) such further evidence or information as the Licensee reasonably requires.
- (n) Notwithstanding the provisions of this Rule 14:
 - (i) the Licensee may elect or agree to pay a prize by cheque once the accumulated and consolidated value of Prizes payable reaches a threshold amount determined by the Chief Executive Officer (acting reasonably);
 - (ii) if an Entry or Syndicate Entry which would otherwise have been entitled to a Prize or share of a Prize not exceeding \$1,000.00 is discovered after the payment of Prizes has commenced the Chief Executive Officer will pay to the Player or Syndicate Player the same Prize or share of a Prize as is being paid to winning Players or winning Syndicate Players.
- (o) The Chief Executive Officer may, in the Chief Executive Officer's absolute discretion, require a person claiming to be entitled to a Prize or a Provisional Prize (or in the case of a Syndicate Entry a share of a Prize or a Provisional Prize) to furnish such additional or alternative evidence as the Chief Executive Officer deems necessary to prove that the person is the Player entitled to that Prize or Provisional Prize (or, in the case of a Syndicate Entry, is the Syndicate Player entitled to a share of that Prize or Provisional Prize). Such entitlement may be proved to the satisfaction of the Chief Executive Officer, notwithstanding the fact that the person claiming to be entitled to a Prize or Provisional Prize may fail to meet one or more of the elements (1), (2) or (3) contained in the definition of Player or elements (1) or (2) contained in the definition of Syndicate Player or may fail to meet some or all of the provisions contained in these Rules governing Prize entitlement.
- (p) All cheques will be crossed and marked "Not Negotiable" and will be drawn in favour of the Player or Syndicate Player in accordance with these Rules.
- (q) Subject to Rule 14(i), at any time before the payment of Prizes the Chief Executive Officer may correct an error made in determining the number of Entries or Syndicate Entries entitled thereto or the amount thereof.
- (r) The payment of a Prize or share of a Prize to any Player or Syndicate Player who is known to have died before receiving any or all of a particular Prize shall be made in accordance with the laws of New South Wales.
- (s) Subject to Section 27 of the Act, all unclaimed or uncollected Prizes or shares of Prizes shall be retained in the Prize Fund for payment to the Players or Syndicate Players entitled thereto.
- (t) Remittances for payments of Prizes or shares of Prizes may include all Prizes or shares of Prizes won on the same Ticket.
- (u) Where payment by the Licensee of a Prize or share of a Prize is made by cheque, such cheque will be forwarded by such of the following methods as the Chief Executive Officer may direct (acting reasonably):
 - (i) by hand upon any conditions that the Chief Executive Officer may determine;
 - (ii) by post whether certified, registered, or ordinary post; or
 - (iii) as otherwise directed in writing by the Player or Syndicate Player.
- (v) Where payment of a Prize or share of a Prize is made by cheque and mailed, it shall be posted to the name and address shown on the claim form or, in the case of a Registered Player or Registered Syndicate Player, to the name and address appearing on the Licensee's records relating to that Player or Syndicate Player.

Thereafter the Licensee shall not be held liable for any loss, delay in the delivery thereof or any negotiation of such cheque other than that which is a result of fraud, wilful misconduct or a negligent act or omission by the Licensee. A certificate under the hand of the Chief Executive Officer verifying the date of posting shall be conclusive evidence of same. A nominal and reasonable sum may be deducted to cover postage and processing.

- (w) Any Prize or share of a Prize sent by the Licensee to a Player or Syndicate Player and any refund of Selling Fees sent by post will be sent to the name and address advised in writing by the Player or Syndicate Player. - (x) The payment of all Prizes or shares of Prizes pursuant to this Rule 14 will discharge the Licensee from liability notwithstanding the existence of any trust whether express, constructive or implied. Where the Licensee has paid a Player or Syndicate Player pursuant to this Rule 14 and the Chief Executive Officer is, after such payment has been made, of the view (acting reasonably) that:

- (i) the Player or Syndicate Player was not the Player or Syndicate Player to whom such payment should have been made; or
 - (ii) a Prize is not payable to the Player or Syndicate Player;

the Player or Syndicate Player shall upon being requested to do so by the Licensee in writing refund to the Licensee the monies forwarded to him or her unless the payment of the Prize to the Player or Syndicate Player was a result of the fraud, wilful misconduct or a negligent act or omission by the Licensee.

- (y) A Prize or share of a Prize may be claimed through a Retailer or by mail directed to the postal address publicly notified from time to time on promotional material published by the Licensee or on the Website. A Prize claim form for a Prize or a share of a Prize must be forwarded by the Player to the Licensee direct.

- (cc) The Licensee accepts no responsibility or liability for lost or stolen Tickets.

- (dd) Payment of Prizes in a Promotional Event

- (i) A Prize is not payable in a Promotional Event unless:
 - (1) the entry submitted in a Promotional Event is in the form determined by the Chief Executive Officer under Rule 11(k)(i); and

 - (3) the claimant has complied with all conditions relating to the Promotional Event advertised under Rule 12(m)(ii).

- (ii) The Licensee may record on an entry in a Promotional Event a verification code or other test and use it to determine whether the entry in a Promotional Event is Valid and whether it has won a Prize. A Prize is not payable in respect of an entry in a Promotional Event, on which such a test is recorded, if the entry does not satisfy the test.

RULE 15 DISQUALIFICATIONS

(a) Notwithstanding that:

- (i) acceptance of Entries or Syndicate Shares into a Game has closed;
- (ii) a Ticket may have issued; or
- (iii) a Drawing has occurred in respect of a Ticket;

Where the Licensee does not know of the name and address of a Player or Syndicate Player the Licensee shall publicise, in a reasonable manner, the disqualification of such Entry or Syndicate Share.

(d) If an Entry or Syndicate Entry which would otherwise be eligible for a Provisional Prize is disqualified during the Provisional Period then the value of the Provisional Prize shall be varied to take into account such disqualification.

(e) Where there is no Provisional Prize winner as a result of a disqualification in accordance with Rule 15(d) then:

- (i) in the case of a Division 1 Prize, the provisions of Rules 12(i) and Rule 12(j) will apply; or
- (ii) in the case of a Division 2, Division 3, Division 4, Division 5 and Division 6 Prize, the value of Prizes and numbers of Prize winners will be varied in accordance with Rule 12(i)(ii) to Rules 12(i)(vi) and Rules 12(j)(ii) to 12(j)(vi), as the case may be.

RULE 16 LIMITATION OF LIABILITY

- (e) The Licensee, Directors, the Chief Executive Officer, each and every Retailer, and each and every Employee or agent of the Licensee or a Retailer, shall have no liability to a Player or Syndicate Player or any person for or in respect of any failure, disruption or malfunction of Computer Linked Terminals, electrical power, telecommunications links or computers resulting in loss or corruption of information retained on any Computer Records held by the Licensee except to the extent the loss or corruption was caused by the fraud or wilful misconduct of such person.
- (f) The Licensee, Directors, the Chief Executive Officer, each and every Retailer, and each and every Employee or agent of the Licensee or a Retailer, shall have no liability for any consequence of interference with or interruption to any Game or Promotional Event due to fire, storm, flood, riot, civil commotion, strike, failure or disruption of electrical power supply or telecommunications or other cause not within the reasonable control of such person.
- (g) In the acceptance and processing of any Entry Coupon or Automatic Entry culminating in the issue of a Ticket or a ticket in a Promotional Event, a Retailer shall for all purposes be the agent of a Player or Syndicate Player and not the agent of the Licensee or the Chief Executive Officer.
- (h) In the cancellation of a Ticket, the processing of a Prize claim form, the submission of a Prize claim form to the Licensee and the payment of a Prize, a Retailer shall at all times and for all purposes be the agent of a Player or Syndicate Player and not the agent of the Licensee or the Chief Executive Officer.

- (i) Notwithstanding the provisions of Rule 16(d), in the acceptance of Commission in respect of an Entry by a Retailer on behalf of the Licensee, the Retailer shall for this purpose be the agent of the Licensee and not the agent of the Player and in the acceptance by a Retailer of that part of the Syndicate Share Fee that represents the relevant proportion of Commission in respect of a Syndicate Entry the Retailer shall for this purpose be the agent of the Licensee and not the agent of the Syndicate Player.

When cancelling a Ticket, it is the responsibility of the Player to ensure that the correct Ticket has been cancelled based on the cancellation receipt or other information provided to the Player, and to inform the Retailer or the Licensee if, based on the receipt or other information, there has been an error in relation to cancellation of the Ticket. The Licensee shall not be liable to the Player in respect of an error in the cancellation of a Ticket if the Player has failed to inform the Retailer or the Licensee of the error in the cancellation of a Ticket unless resulting from fraud, wilful misconduct or a negligent act or omission of the Licensee.

3 Margins

The sheets used must have clear margins of not less than 10 mm on each side and top and bottom.

No printing, writing or other notation (other than directions or notations authorised by the Registrar General or as otherwise provided for by this Schedule) must appear in, or extend into, the margin.

4 Lettering

The text of an administration sheet must be clearly printed or written:

- (a) across the width of each panel on the sheet of paper used; and
- (b) on one side only of each sheet.

All text must be at least 10 point (1.8mm) in size and be clear and legible and dense black in colour. The lines must not overlap. An image in which the typewritten characters blur or spread, or are liable to mark or damage an adjacent sheet, will not be accepted.

Handwriting and any imprint of a seal must be clear and legible and in dense black in colour.

5 Alterations

Alterations may only be made by striking through the matter intended to be altered or by interlineation and not by using correction fluid or digital white out. An alteration must be verified by the parties to the instrument.

6 Verification of alterations

Signatures or initials verifying alterations must be placed in the margin as near as practicable to the alteration.

7 Information to be included on multiple sheets

If the administration sheet comprises more than one sheet, each sheet other than the first sheet must repeat:

- (b) if the administration sheet relates to a plan of subdivision — the subdivision certificate number and date of endorsement; and
- (c) the surveyor's reference.

Each sheet must be numbered:

- (a) sequentially in the top right hand corner of each sheet as "Sheet ... of ... sheets"; and
- (b) separately from the drawing sheets.

Schedule 9 Requirements for section 88B instruments

Note: See Rule 7.7.

All text must be at least 10 point (1.8 mm) in size and be clear and legible and dense black or dense dark blue in colour. The lines must not overlap. An image in which the typewritten characters blur or spread, or are liable to mark or damage an adjacent sheet, will not be accepted.

5 Legibility

Handwriting and any imprint of a seal must be clear and legible and in dense black ink or dense dark blue ink.

6 Alterations

Alterations may only be made by striking through the matter intended to be altered or by interlineation and not by using correction fluid or digital white out. An alteration must be verified by the parties to the instrument.

7 Verification of alterations

Signatures or initials verifying alterations must be placed in the margin as near as practicable to the alteration.

8 Signatures

The final sheet must bear:

- (a) in any case — the attested original signatures of the persons who appear to the Registrar General to be the owners, mortgagees, or covenant chargees of the land over which the easement, or in respect of which the restriction on the use of land, covenant or profit à prendre, is intended to be created;
- (b) in the case of the creation of an easement referred to in section 88A of the CA — the attested original signature of the prescribed authority in whose favour the easement is to be created;
- (c) in the case of the creation of a restriction on the use of land, or a positive covenant, that is of a type that may be imposed under section 88BA, 88D or 88E of the CA — the attested original signature of any prescribed authority in whose favour the restriction or positive covenant is to be created;
- (d) in the case of the creation of a covenant intended to impose an obligation (however described) on a prescribed authority, or the owner of land that is not shown on the plan, to maintain or repair, or to contribute to the maintenance or repair of, the site of an easement — the attested original signature of the prescribed authority or owner;
- (e) in the case of the release or partial release of an easement or profit à prendre:
 - (i) the attested original signatures of the persons who appear to the Registrar General to be the owners, mortgagees or covenant chargees of the land that has the benefit of the easement or profit à prendre; and
 - (ii) the attested original signature of any person whose consent is required to the release or partial release; and
- (f) in any case — the capacity in which each signatory has signed.

9 Numbering of sheets

If the instrument comprises more than one sheet:

- (a) each sheet other than the first sheet and the final sheet must repeat the heading on the first sheet and the plan identification appearing in Part 1 of the instrument;

- (c) each sheet must be numbered sequentially in the top right hand corner of each sheet as "Sheet ... of ... sheets".

10 References to signatures

In this Schedule, a reference to a signature includes a reference to the affixing of a seal or any other method by which a corporation or prescribed authority executes an instrument.

Schedule 10 Requirements for lodging strata plans

Note: See Rule 8.1.2

1 File type for plans

A plan must be created as an image in a PDF format in the approved form.

A plan, where created in a digital file format, must be created in the approved form.

A plan comprising more than one sheet must be created as a multipage file.

2 Margins

No printing, writing or other notation (other than directions or notations authorised by the Registrar General) must appear in, or extend into, the margin.

3 Lettering

All words must be in the English language, and all letters, figures and symbols appearing on a plan must be in a font style that is:

(a) dense and black in colour;

(b) in upper case only (except as otherwise provided by this Schedule);

(c) open in formation and construction; and

(d) in an upright style.

Symbols may not be used except for the purposes of punctuation.

The Registrar General may approve departures from this clause.

4 Use of colouring and edging prohibited

Neither colouring nor edging are to be used on a plan sheet.

5 Clarity of detail

The plan must be drawn to a scale and the image created in a manner that allows all details and notations to be capable of clear and high-resolution image capture and reproduction by the image capture processes employed by NSW LRS. NSW LRS may require a plan file to be resubmitted if, in the opinion of NSW LRS, the plan image does not comply with this clause.

6 Alterations made to plans before registration

An alteration to a plan is to be made by creating a new version of the plan file and not by altering the version that was lodged.

If an alteration to a plan affects a lot boundary or the area of a lot, authentication of the plan is required following the alteration by a duly authorised officer of a local council or an accredited certifier signing and dating the strata certificate.

The Registrar General may require that a qualified valuer certify that the schedule of unit entitlement accurately reflects a plan following an alteration by signing and dating the valuer's certificate.

The Registrar General may require the registered proprietor or any other person to authenticate a plan following an alteration by signing and dating the administration sheet.

7 Information to be included on plan sheets

Each plan sheet in a series of plan sheets must be numbered consecutively using whole numbers starting from the first sheet and show the total number of sheets in the series, for example, "Sheet 1 of 5 sheets".

Each sheet of a location plan or floor plan must contain a north point that is directed towards the top of the sheet.

No information (other than the plan and any separate diagrams and tabulations of dimensions relating to the plan) is to appear within the plan drawing area of a plan sheet unless otherwise authorised by this Schedule.

8 Linear dimensions

Linear measurements must be expressed in metres (correct to 3 decimal places) without any accompanying symbol.

If a length of less than 1 metre is shown, the decimal point must be preceded by the numeral "0".

9 Area dimensions

Area measurements must be expressed as follows:

(a) areas of less than 1 hectare must be expressed in square metres, accompanied by the symbol "m²"; and

(b) areas of 1 hectare or more must be expressed in hectares (using not more than 4 significant figures), accompanied by the symbol "ha".

A statement may be added to the plan stating that all areas are approximate.

The total area of a lot:

(a) must be shown within or relevant to the most significant part of the lot; and

(b) must be the exact mathematical total of the areas shown elsewhere in the plan within or relevant to the component parts of that lot.

10 Bearings and angles

Bearings must not be shown on any plan sheet unless they form part of permitted survey information.

Angular relationships must be established by linear dimensions and rectangular offsets only, and not by use of angular dimensions, except in the case of an angular dimension of 90 degrees, which must be shown as such.

11 Signatures not to appear

The plan drawing sheets are not to show any signatures or seals unless otherwise authorised or required by these Lodgment Rules.

Note: Generally, signatures and seals must be shown on the administration sheet.

Schedule 11 Location plans

Note: See Rule 8.2

1 Approved form

A location plan must be in the approved form.

2 Whole of building location plan

A location plan for the whole of a building must show the following:

- (b) the external limits of the building;
- (c) the external limits of any structural feature used in the plan to define lots;
- (d) the external limits of any lots or parts of lots that are within the parcel but not within the building (external lots); and
- (e) if any encroachment exists, sufficient information to indicate the nature and extent of the encroachment.

3 Part of building location plan

A location plan for part of a building must show the following (using such elevations, sections, levels and planes as the Registrar General considers to be necessary):

- (a) the boundaries of the land occupied by the building and the lengths of those boundaries;
- (b) the external limits of the building;
- (c) the external limits of the part of the building to which the plan applies;
- (d) the parcel boundaries to the extent necessary to show the location of the following:
 - (i) the part of the building to which the plan applies;
 - (ii) any structural feature used in the plan to define lots; and
 - (iii) any external lots; and
- (e) if any encroachment exists, sufficient information to indicate the nature and extent of the encroachment.

4 Particulars

A location plan must also show the following:

- (a) the identity of all land that adjoins the parcel current as at the date of lodgment;
- (b) the street number of the building;
- (c) the number of floors or levels in the building;
- (d) the material from which the external walls of the building are constructed;
- (e) if the building is within 2 metres of a parcel boundary (but is not on the boundary), connections that accurately show the relationship of the boundary to the building; and

(f) if an external lot is within 2 metres of a parcel boundary (but is not on the boundary), connections that accurately show the relationship of the boundary to the structural feature used to define the external lot. These connections should correspond to those used on the floor plan that defines the lots.

5 Connections

All connections shown on a location plan must be referred to a stated surface of a floor, wall, ceiling or structural feature.

6 Reduction ratio

There must be a statement on each sheet of a location plan of the reduction ratio at which the plan is drawn.

7 Affecting interests

If an affecting interest affects a parcel, the location plan must:

- (a) contain sufficient information to define the site and nature of the affecting interest;
- (b) contain the registration number of the instrument or plan, or the Gazette reference, by which the interest was granted, reserved, notified or otherwise created; and
- (c) wherever possible, show the relationship of the affecting interest to the boundaries of the parcel.

8 Existing or proposed easement

If an existing or proposed easement is in respect of an existing tunnel, pipe, conduit, wire or other similar object, which is underground or is within or beneath an existing building, it is sufficient to indicate on the location plan the approximate position of the easement.

9 Information relating to affecting interests

A location plan must contain sufficient information:

- (a) to define the site of any affecting interest that is intended to be created (whether as a consequence of the registration of the plan or otherwise) and that affects common property, other than common property within a building; and
- (b) to indicate, where necessary, the relationship of the affecting interest to the boundaries of any affected parcel or lot.

Schedule 12 Floor plans

Note: See Rule 8.2.

1 **Approved form**

A floor plan must be in the approved form.

2 **Separate sheet**

A floor plan must be on a separate sheet to the location plan.

3 **Particulars**

A floor plan must:

- (a) show the boundaries of each lot and each part of a lot;
- (b) show the area of each lot and each part of a lot;
- (c) include a lot number for each lot and, if a lot has separate parts, clearly identify each of those parts;
- (d) show boundaries defined by walls or other structural features (structural boundaries) by the use of thick lines;
- (e) show other boundaries (line boundaries) by the use of thin lines and include sufficient connections from walls or other structural features to accurately show the location of those line boundaries;
- (f) if an upper or lower boundary of a lot or part of a lot is not limited by a structural feature — include statements sufficient to accurately indicate the location of that boundary;
- (g) include notations to clearly identify any encroachment that is designated for use with a lot; and
- (h) show all structures on a lot (other than a dividing fence within the meaning of the *Dividing Fences Act 1991*) that are outside a building and within 1 metre of the boundary of the lot and include notations to clearly identify whether each such structure is common property or part of the lot.

4 **Levels**

A floor plan must show the lowest level to the highest level unless evidence is provided from an addressing authority approving the levels to be shown in a different manner.

5 **Boundaries and encroachments**

A floor plan must not show the relationship of lot boundaries to parcel boundaries, except to the extent necessary to show any encroachments.

6 **Reduction ratio**

There must be a statement on each sheet of a floor plan of the reduction ratio at which the plan is drawn.

7 Sufficient information to define existing easements

A floor plan may show sufficient information to define the site of an existing easement that is located within a building if the Registrar General agrees that the enjoyment of the easement would be reliant on its position being shown in such a manner.

8 Sufficient information to define affecting interests

A floor plan must contain sufficient information to define the site of:

- (a) any affecting interest intended to be created as a consequence of the registration of the plan that affects a lot in the plan or common property within a building; and
- (b) any proposed easement over a lot in the plan or common property within a building.

9 Position of proposed easement

If a proposed easement is in respect of an existing tunnel, pipe, conduit, wire or other similar object which, is underground or is within or beneath an existing building, it is sufficient to indicate on a floor plan the approximate position of the easement.

Alterations must be authenticated by signing and dating as near as practicable to the alteration.

5 Information to be included on multiple sheets

If the administration sheet comprises more than one sheet, each sheet must be numbered consecutively using whole numbers starting from the first sheet and show the total number of sheets, for example, "Sheet 1 of 5 sheets".
