It is essential that the parties clearly identify the issues between them prior to the conciliation.

- (a) each party must file and serve an outline of their case, not exceeding 3 pages, at least 7 days prior to the conciliation;
 - (b) each party may be represented, but only by a person who is fully aware of and conversant with the matter and has full authority to settle the matter;
 - (c) each party must attend the conciliation with information on:
 - (i) the costs incurred by the party to date; and
 - (ii) an estimate of the number of hearing days that would be involved, and of the costs that the party would incur, if the matter were to proceed to a hearing;
 - (d) a party who believes that there is a matter of fact or law:
 - (i) that has not already been identified in the pleadings (or outline required by paragraph (a)); and
 - (ii) that would require determination if the matter were to proceed to a hearing, must document the matter, and file and serve a copy of the relevant documentation, not less than 7 days before the date fixed for the conference;
 - (e) in unfair contract proceedings:
 - (i) where the claim is for compensation the applicant must file and serve a statement as to mitigation of damage or loss not less than 7 days before the date fixed for the conference;
 - (ii) a party who contends that any term of a written contract or industrial instrument is in issue must file and serve a copy of the document, together with a brief summary as to the nature of the issue, not less than 7 days before the date fixed for the conference;
 - (f) during the week prior to the conference, the parties must consult with each other for the purpose of clearly identifying all issues and matters in dispute.

Usual directions for hearing

- 6. Matters which do not resolve at conciliation will be allocated to a judicial member of the Commission and, if the matter was conciliated by such a member, it will be allocated to a different judge.
- 7. Upon allocation of the matter to a judicial member of the Commission after conciliation:
 - (1) the usual directions for proceedings for the recovery of money and civil penalties are set out in Annexure A; and
