CHARITABLE TRUSTS ACT 1993
NOTICE UNDER SECTION 15
ADMINISTRATIVE SCHEMES RELATING TO
THE ESTATE OF THE LATE ESTELLE JANET MYERS

Section 12(1)(b) *Charitable Trusts Act 1993* (**the Act**) permits the Attorney General to establish, by order, two administrative schemes made upon application pursuant to section 13 of the Act. Section 12(1)(b) permits the ordering of a scheme to extend or vary the powers of trustees of a trust if it is expedient to do so in the interests of the administration of the charitable trust.

By way of her Will dated 8 November 2011, the testator, Ms Estelle Janet Myers (**the testator**) gifted \$10,000.00 for a waterbirth research project (**the research gift**). The Will provides for the balance of the testator's estate to be held on trust to offer an annual scholarship to a deserving student to advance their education and study, or travel, in the fields of Social Ecology, Natural/waterbirth, and the "lived experience" of Human Sciences, Music and Art (**the scholarship gift**).

The testator did not specify in her Will an organisation to which either gift was to be given and the executor requested that the Attorney General establish two schemes to allow for the transfer of the gifts.

Under the schemes, the gifts are transferred to Southern Cross University (ABN: 41 995 651) (**the University**) and the University appointed as trustee of each. The testator was a resident of the Northern Rivers and had a close connection to the community of which the University is a part.

The University offers a Bachelor of Midwifery which allows students to develop the skills and knowledge necessary to provide quality, women centred care through safe and nurturing midwifery practice. This includes training in relation to birthing choices (home birth, water birth, natural birth). The University's Faculty of Health supports innovative, high quality research through the provision of PhD opportunities, supportive and experienced staff and excellence in research. The testator completed her PhD, titled *Midwife to Gia, birthing global consciousness: a reflective topical autobiography*, at the University under supervision of Emeritus Professor Bev Taylor. The areas of her research touched on oral history of nursing, reflective practices and the effects of human encounters in health care. The University offers students cultural immersion opportunities in multiple countries in the areas of midwifery and health and human sciences, music and arts.

The Research Gift

The Will provides for \$10,000 (ten thousand dollars) to be given to a research project that "gives birth back to women, which investigates and validates the use of water for birth, prenatal and post-natal that benefits mothers and infants, to further the

acceptance of freedom and choice for birthing and to empower women especially midwives to restore the miracle of creation, naturally without intrusive and unnecessary medical management'. The research project to which the funds will be applied shall be known as the "Estelle Myers Research Project" (in addition to any other name that it may have).

The proposed scheme provides for the powers and duties of the University as trustee in order to administer the gift in accordance with the purpose expressed in the Will, including relating to investment, determination of the terms of the research project and whom should undertake it, and to amend the scheme for tax deductibility or concession purposes.

Pursuant to section 12(1)(b) of the Act, the following scheme is proposed to be established for the Trust:

Whereas:

- A. Estelle Janet Myers died on 21 September 2021,
- B. the late Ms Myers, in her will dated 8 November 2011 (the will):
 - a. provided that 'I bequeath . . . \$10,000 (ten thousand dollars) to a research project that "gives birth back to women, which investigates and validates the use of water for birth, prenatal and post natal that benefits mothers and infants. To further the acceptance of freedom and choice for birthing and to empower women especially midwives to restore the miracle of creation, naturally without intrusive and unnecessary medical management', and
 - b. appointed Jeremy Jon Hammond (**the Executor**) to be executor,
- C. probate of the will was granted to the Executor on 4 December 2012 (and a copy of the probate is annexed),
- D. on 11 March 2025, pursuant to s 13 of the Charitable Trusts Act 1993, the Executor applied for an administrative scheme for the trust mentioned above at Recital B(a) (the Trust),
- E. the Executor warrants, and I am satisfied (including for the purposes of s 22 of the Charitable Trusts Act), that:
 - a. the University established by s 4 of the Southern Cross University Act 1993 (ABN 41 995 651 524) (the University) has agreed:
 - i. to be appointed as trustee of the Trust,
 - ii. to administer the Trust in accordance with the purpose expressed in the will and recited above at Recital B(a),
 - b. the Trust assets total less than \$500,000,

it is hereby ordered pursuant to s 12(1)(b) of the Charitable Trusts Act 1993 that the following scheme is established for the Trust:

1. The Trust shall be called 'The Estelle Myers Research Grant Trust'.
2. The University is appointed trustee of the Trust.
3. The Executor shall within one month transfer all funds and other property of the Trust to the University in its capacity as trustee of the Trust.
4. A receipt from an authorised officer of the University shall, for the purposes of this scheme, suffice as evidence that any amount stated therein has been transferred as stated in the receipt.
5. The research project that the Trust funds (the Project) shall (in addition to any other name that it may have) be known as the 'Estelle Myers Research Project'.
6. The Trustee, in addition to such powers, duties and other functions as the law confers, and subject to the terms of the provisions of the will quoted at Recital B(a), have the following powers and duties:
 - a. power to invest the Trust's capital (which shall include all the funds received by University from the Executor) prudently for the purpose of enlarging the Trust fund;
 - b. power to design and/or choose the research project to be funded by the Trust, including:
 - i. by choosing a research project that is already underway;
 - ii. if the Trustee decides to solicit proposals for the Project, power to prescribe criteria for choosing the successful proposal;
 - c. power to determine who shall undertake the Project;
 - d. power to determine when and how grant Trust funds to the Project including:
 - i. power to award the Trust funds in amounts over time (which need not be confined to a single year),
 - ii. power to pay money to the person, persons or institution or other body undertaking the Project,
 - iii. power to pay the money to third parties to provide goods or services to the Project or those undertaking it, and
 - iv. power to fund other facilities to aid the Project or those undertaking it,
 - e. power to require those undertaking the Project to produce any reasonable report or work of value to the public and/or the purpose of the Trust, including by setting criteria that such report or work must satisfy,
 - f. power to receive donations to the Trust,
 - g. power and the duty to execute instruments and do other things that may be necessary for, or ancillary to, giving effect to the foregoing functions and the terms of the Trust,
 - h. power to amend this Scheme (but, for the avoidance of doubt, not the will or the Trust object stated in the will) if (and to the extent) it is necessary to do so in order to obtain or maintain for the Trust the tax-

deductibility of gifts made to it and/or to obtain or maintain a tax concession for it, and

- i. the power to delegate (on such terms as it sees fit and as are consistent with this Scheme) the foregoing powers (or any of them) and the general management of the Trust and its funds (or part thereof) to a member of staff, or other servant or agent, of the Trustee.

The Scholarship Gift

The Will provides that "... [t]he balance of [the] estate ... is to become a trust to offer an annual scholarship to a deserving student to advance their education and study or travel in the fields of Social Ecology, Natural/waterbirth, and the 'lived experience' of Human Sciences, Music and Art." The said balance of the estate is between \$400,000.00 and \$500,000.00. The Trust is to be called "The Estelle Myers Trust" for the award of "The Estelle Myers Scholarship"

The University will administer the Trust as an endowed scholarship in perpetuity and in accordance with the purpose expressed in the Will. In summary, the University will invest the capital of The Estelle Myers Trust for the purpose of earning an income sufficient to award annual undergraduate scholarships, commencing with the first scholarship with a value of not less than \$9,000 (unless the income from the capital is less than \$9,000). The University may also from time to time award a scholarship to a postgraduate student in addition to any undergraduate scholarship.

Pursuant to section 12(1)(b) of the Act, the following scheme ~~terms~~ is proposed to be established for the Trust:

Whereas:

- A. Estelle Janet Myers died on 21 September 2021,

 - a. provided that '[t]he balance of my estate after all expenses is to become a trust to offer an annual scholarship to a deserving student to advance their education and study or travel in the fields of Social Ecology, Natural/waterbirth, and the 'lived experience' of Human Sciences, Music and Art', and
 - b. appointed Jeremy Jon Hammond (the Executor) to be executor,
- C. probate of the will was granted to the Executor on 4 December 2012 (and a copy of the probate is annexed),
- D. on 11 March 2025, pursuant to s 13 of the Charitable Trusts Act 1993, the Executor applied for an administrative scheme for the trust mentioned above at Recital B (a) (the Trust), and
- E. the Executor warrants, and I am satisfied (including for the purposes of s 22 of the Charitable Trusts Act), that:
 - a. the University established by s 4 of the Southern Cross University Act 1993 (ABN 41 995 651 524) (the University) has agreed:

- i. to be appointed as trustee of the Trust,
 - ii. to administer the Trust as an endowed scholarship in perpetuity, and
 - iii. to administer the Trust in accordance with the purpose expressed in the will and recited above at Recital B(a), and
- b. the said balance of the estate (mentioned above at Recital B(a)) is between \$400,000 and \$500,000,

it is hereby ordered pursuant to s 12(1)(b) of the Charitable Trusts Act 1993 that the following scheme is established for the Trust:

1. The Trust shall be called 'The Estelle Myers Trust'

5. The scholarship that the Trust funds (the Scholarship) shall be known as 'The Estelle Myers Scholarship' and, when applicable, the terms 'The Estelle Myers Undergraduate Scholarship' and 'The Estelle Myers Postgraduate Scholarship' may be used.
6. The Trustee, in addition to such powers, duties and other functions as the law confers, and subject to the terms of the provision of the will quoted at Recital B(a), shall have the following powers and duties:
 - a. the duty to invest the Trust's capital (which shall include all the funds received by University from the Executor) prudently for the purpose of earning an income sufficient to award Scholarships on an annual basis in accordance with the will and this scheme;
 - b. power to allocate any income between capital and income;
 - c. power to invest money allocated to income;
 - d. the duty not to spend the Trust's capital on Scholarships (that is, only the Trust's income shall be spent on Scholarships);
 - e. if the Trustee is satisfied that the income so far generated by the Trust's capital has not been sufficient to fund a worthwhile Scholarship—power to refrain until 2027 from awarding the first Scholarship;
 - f. with respect to the annual Scholarship:

- i. subject to subparagraphs (iv) and (v)—the duty of awarding the Scholarship to one undergraduate student each year;

- g. the duties:

 - ii. not to reduce the value of the Scholarship awarded pursuant to paragraph (f) except on the ground that the income being generated by the Trust requires such a reduction (but this does not mean that the Trustee must maintain the real value of the Scholarship in spite of inflation);

- h. if satisfied that doing so would promote the object, prestige or fund-raising efforts of the Trust—power from time to time (but less frequently than annually) to award a Scholarship to a postgraduate student (in addition to the Scholarship awarded pursuant to paragraph (f) above) and, in respect of such post graduate Scholarships:
 - i. power to prescribe criteria to be applied in selecting students to receive the Scholarship;

 - D. power to fund other facilities to aid the student in accordance with the terms of the Trust;
- i. if satisfied that doing so would promote the object, prestige or fund-raising efforts of the Trust—power to award prizes that are of less value than the Scholarship awarded pursuant to paragraph (f) and, in respect of such prizes;
 - i. power to prescribe criteria to be applied in selecting students to receive the prizes;
 - ii. power to choose the students who will receive the prizes;
 - iii. power to require of any recipient of a prize any reasonable report or work of value to the public and/or the purpose of the Trust;
 - iv. power to determine when to award the prizes; and

 - A. power to award the prizes in parts over time (which need not be confined to a single year);
 - B. power to award the prizes by payment of money to the student;
 - C. power to award the prizes by payment of money to third parties to provide goods or services to the student; and
 - D. power to fund other facilities to aid the student in accordance with the terms of the Trust;
- j. power to make expenditure out of the Trust's funds for the purpose of encouraging donations to the Trust, increasing the awareness of the

- public and/or the student population of the Trust, and increasing the support of the public and/or the student population for the Trust;
- k. power and the duty to receive donations to the Trust;
 - l. power and the duty to execute instruments and do other things that may be necessary for, or ancillary to, giving effect to the foregoing functions and the terms of the Trust, and
 - m. power to amend this Scheme (but, for the avoidance of doubt, not the will or the Trust object stated in the will) if (and to the extent that) it is necessary to do so in order to obtain or maintain for the Trust the tax-deductibility of gifts made to it and/or to obtain or maintain a tax concession for it; and
 - n. power to delegate (on such terms as it sees fit and as are consistent with this Scheme) the foregoing powers (or any of them) and the general management of the Trust and its funds (or part thereof) to a member of staff, or other servant or agent, of the Trustee.

Where the Will failed to specify the details by which the funds were to be applied for the research gift or the scholarship gift, it is expedient to order the proposed schemes as noted above in the interests of the administration of the charitable trusts.

Take note that within one month after the publication of this notice any person may make representations or suggestions to the Attorney General in respect of the proposed schemes.
